Folk Tales of Central Asia

The following three tales are adapted from stories told by the peasants in Eastern Europe and Central Asia. They are drawn from some books I found in shops when I visited the former U.S.S.R. in 1988 as part of a citizen diplomacy group. I was intrigued by these folktales, since my paternal grandmother lived for some time in Odessa in the Ukraine. Also, I found these stories share a common theme --the poor peasant is able to succeed despite obstacles against an unfair ruler. He does so by being wise and generous, and having a strong desire to help and protect his family. Generally, the rich merchant or powerful ruler is foiled by his own greed and stupidity. The following stories come from the Ukraine, Latvia, and Turkmen. These are three of my favorite stories.

The Folktale of Jews from Iran, Central Asia and Afghanistan

Many of the most popular folktales and legends tell stories of rulers and their kingdoms. This play, based on a tale from Central Asia, tells the story of a young king and his clever wife. An innovative page layout helps tell the story in a way that readers of all ages and levels will find easy to follow along

with. Colorful illustrations reinforce key aspects of the text, while a dialogue format ensures clarity and understanding.

Dungan Folktales and Legends is a unique anthology that acquaints English-speaking readers with the rich and captivating folk stories of the Dungans, Chinese-speaking Muslims who fled Northwest China

for Russian Central Asia after failure of the Dungan Revolt (1862-1877) against the Qing dynasty. The most comprehensive collection of Dungan folk narratives, available now in English for the first time, this volume features translations of oral narratives collected in the former Soviet Central Asian republics of Kyrgyzstan and Kazakhstan in the twentieth century, and first published in *Dunganskije narodnye skazki i predaniia* (1977), which was edited by the internationally renowned Russian sinologist Boris L. Riftin and compiled by his prominent Dungan colleagues Makhmud A. Khasanov and Il'ias I. Iusupov. The Dungan folk narrative tradition is a vibrant and fascinating tapestry of Chinese, Islamic, and various Central Asian cultural elements. The present volume is comprised of a chapter introducing the Dungan tale and three chapters containing 78 folk stories organized in the following categories: wonder tales and animal tales; novelistic tales, folk anecdotes, and adventure stories; and legends, historical tales, and narratives. Also included are appendixes, a glossary, an index, the original notes to the texts, and translator's notes aimed at an English-reading audience. This volume will be of interest to general readers, as well as students and scholars of folklore, ethnography, anthropology, comparative literature, Chinese studies, and Central Asian studies.

Winner of the André Simon Food Book Award 2020 Fortnum & Mason's Awards, shortlisted in 'Food Book' category (2021) "Caroline Eden is an extraordinarily creative and gifted writer. *Red Sands* captures the sights, tastes and feel of Central Asia so well that when reading this book I was sometimes convinced I was there in person. A wonderful book from start to finish." Peter Frankopan, author of *The Silk Roads* "Caroline Eden, whose book *Black Sea* was showered with awards, is on the road again, this time travelling through the heart of Asia. It's not your usual cookbook, it's more a travel book with recipes, the recipes acting as postcards which she sends as she meets new characters, most of them involved with food... Eden travels quietly and lets you in on every encounter and every bite. A moving... as well as a fascinating read." Diana Henry, *Telegraph* "Red Sands follows in the footsteps of Caroline Eden's previous volume *Black Sea*. Both are pleasures to read, triangulating journalism, literary writing, and cookbookery. The recipes are part of the reporting, and Eden describes them as edible snapshots." Devra First, *Boston Globe* *Red Sands*, the follow-up to Caroline Eden's multi-award-winning *Black Sea*, is a reimagining of traditional travel writing using food as the jumping-off point to explore Central Asia. In a quest to better understand this vast heartland of Asia, Caroline navigates a course from the shores of the Caspian Sea to the sun-ripened orchards of the Fergana Valley. A book filled with human stories, forgotten histories and tales of adventure, Caroline is a reliable guide using food as her passport to enter lives, cities and landscapes rarely written about. Lit up by emblematic recipes, *Red Sands* is an utterly unique book, bringing in universal themes that relate to us all: hope, hunger, longing, love and the joys of eating well on the road.

Central Asia

ASIA is rich in folklore, legends, and fairy tales. In your hands lies a collection of tales whose epicentre lies somewhere in ancient Persia. The 25 tales in *Oriental Folklore and Legend* originate from countries along the fabled Silk Route [Arabia, Persia, India, and Kalmykia] and, as one would expect, they are infused with elements of Islamic, Hindu, Buddhist, and Zoroastrian culture. All were acquired from Asian storytellers. Because of this rich cultural mix, the tales abound with magicians, viziers, cobblers who become astrologers, adventures and quests by the score, and common men who best both Shahs and Kings showing that brains always win over brawn. So curl up with this snippet of ancient Central Asian folklore and absorb yourself in Sinbad and Aladdin-like folk tales from yesteryear. The Kalmyk tales are of especial interest, both because of their contents and their oblique history. The extended Scheherazade-like *Relations of Ssidi Kur* is a marchen-cycle from the people of Buddhist Kalmykia. The Kalmykians migrated from southern Siberia to the northwest shore of the Caspian Sea in the 1600's. Even so, they maintained strong historical connections to Tibet and Mongolia, mainly because

Buddhism remains their national religion. During their "deportation" by the Russians [1943 - 1957], Kalmyk folk stories and tales kept alive the people's hope of nation-hood and eventual repatriation. *Oriental Folklore and Legend* was originally published in a series of *Folklore and Legends* volumes by W.W. Gibbings between 1891 and 1905. The author/editor was unnamed, but the initials C.J.T. given after the preface are apparently those of one Charles John Tibbitts. A percentage of the sales will be donated to educational scholarships for the underprivileged in Kalmykia.

ORIENTAL FOLKLORE AND LEGENDS

The World of Asian Stories is a continuing campaign for storytelling as an effective and non-intrusive tool for sensitisation. This omnibus of stories and storytelling traditions from 43 countries across Asia provides an overview of methods and the multitude of stylistic variations. The book then embarks on a journey through fast-changing landscapes of unique, yet unifying cultural experience, presented through the distinctive voices of people. The focus is on the individual over the din of the dominant. This resource book invites teachers, parents and children to explore storytelling at home and in school. It introduces the reader to basic guidelines, offers tips and suggestions on technique, and provides an abundant pool of stories to draw from and activities to contextualise them. The visuals, too, offer a wealth of reference points. Illustrations are quirky and perceptive, subtly acquiring the flavours of the lands through which they journey. They complement the (sometimes whimsical) vagaries of the stories, creating an ambience of truthful, unassuming and straight-from-the heart storytelling.

In this volume you will find stories about One-eyed, Seven Horned Monsters that double as mothers-in-law, as well as Tricksters, Illusionists, Shape-shifters, Ogres and even the Origin of the Meaning of Fate itself. The Uyghur people have origins that are as ancient as the Han Chinese, if not older. Originating in central China, they were slowly pushed further west until they settled in the Tarim Basin. But the Uyghurs are not just limited to East Turkestan and can also be found inhabiting the Central Asian countries of Kazakhstan, Kyrgyzstan, and Uzbekistan. Smaller communities can also be found in Mongolia, Pakistan, Afghanistan and Russia. Because they have travelled so far and have encountered so many different cultures, it is therefore not surprising that Uyghur Folk-Lore is extensive, which when woven together in such a volume, results in a rich tapestry that can only be pleasing for the reader. We invite you to curl up with this volume and indulge yourself in the fifty-nine tales and stories that stretch back in time, almost to the great flood itself. The Uyghurs are an ethnic minority, who like the Tibetans, have been fighting for their independence for generations. A percentage of the sales from this book will be donated to charities, schools and special causes.

Along the way he collects stories, lovers, spiritual wisdom and undergoes myriad experiences that are sometimes violent, sometimes frightening, sometimes funny, but always enriching. The most ambitious work of fiction by a writer widely considered the most important novelist working in China today In this darkly comic novel, a group of women inhabits a world of constant surveillance, where informants lurk in the flowerbeds and false reports fly. Conspiracies abound in a community that normalizes paranoia and suspicion. Some try to flee—whether to a mysterious gambling bordello or to ancestral homes that can only be reached underground through muddy caves, sewers, and tunnels. Others seek out the refuge of Nest County, where traditional Chinese herbal medicines can reshape or psychologically transport the self. Each life is circumscribed by buried secrets and transcendent delusions. The Lost Soul

A beautifully illustrated meditation on the fullness of life for readers of all ages by by Nobel Prize-winning novelist Olga Tokarczuk. "Olga Tokarczuk's The Lost Soul, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is." —New York Times "The Lost Soul, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world." —The Guardian The Lost Soul is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. "Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth

page in a math book that was covered in evenly spaced squares... " —from *The Lost Soul* *The Lost Soul* is a sublime album, a rare delicacy that will delight readers young and old. "You must find a place of your own, sit there quietly and wait for your soul." Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), *The White Raven* (IJB Munich), and the Aódz Design Festival Award.

Poacher's Pilgrimage

The islands of the Outer Hebrides are home to some of the most remote and spectacular scenery in the world. They host an astonishing range of mysterious structures - stone circles, beehive dwellings,

holy wells and 'temples' from the Celtic era. Over a twelve-day pilgrimage, often in appalling conditions, Alastair McIntosh returns to the islands of his childhood and explores the meaning of these places. Traversing moors and mountains, struggling through torrential rivers, he walks from the most southerly tip of Harris to the northerly Butt of Lewis. The book is a walk through space and time, across a physical landscape and into a spiritual one. As he battled with his own ability to endure some of the toughest terrain in Britain, he met with the healing power of the land and its communities. This is a moving book, a powerful reflection not simply of this extraordinary place and its people met along the way, but of imaginative hope for humankind.

Samak the Ayyar

The adventures of Samak, a trickster-warrior hero of Persia's thousand-year-old oral storytelling tradition, are beloved in Iran. Samak is an ayyar, a warrior who comes from the common people and embodies the ideals of loyalty, selflessness, and honor—a figure that recalls samurai, ronin, and knights yet is distinctive to Persian legend. His exploits—set against an epic background of palace intrigue, battlefield heroics, and star-crossed romance between a noble prince and princess—are as deeply rooted in Persian culture as are the stories of Robin Hood and King Arthur in the West. However, this majestic tale has remained little known outside Iran. Translated from the original Persian by Freydoon Rassouli and adapted by Prince of Persia creator Jordan Mechner, this timeless masterwork can now be enjoyed by English-speaking readers. A thrilling and suspenseful saga, Samak the Ayyar also offers a vivid portrait of Persia a thousand years ago. Within an epic quest narrative teeming with action and supernatural forces, it sheds light on the lives of ordinary people and their social worlds. This is the first complete English-language version of a treasure of world culture. The translation is grounded in the twelfth-century Persian text while paying homage to the dynamic culture of storytelling from which it arose.

Forest of Souls

Danger lurks within the roots of Forest of Souls, an epic, unrelenting tale of destiny and sisterhood, perfect for fans of Naomi Novik, Susan Dennard, and Netflix's *The Witcher*! "A tantalizing beginning to a rich new fantasy series." —Traci Chee, NYT bestselling author of *The Reader* trilogy "Absolutely enchanting." —Natalie C. Parker, author of *Seafire* "You won't want to escape." —Sarah Henning, author of *the Sea Witch* "Will leave you shouting sisters unite!" —Mindee Arnett, author of *Onyx & Ivory* and *Avalon* Sirscha Ashwyn comes from nothing, but she's intent on becoming something. After years of training to become the queen's next royal spy, her plans are derailed when shamans attack and kill her best friend Saengo. And then Sirscha, somehow, restores Saengo to life. Unveiled as the first soulguide in living memory, Sirscha is summoned to the domain of the Spider King. For centuries, he has used his influence over the Dead Wood—an ancient forest possessed by souls—to enforce peace between the kingdoms. Now, with the trees growing wild and untamed, only a soulguide can restrain them. As war looms, Sirscha must master her newly awakened abilities before the trees shatter the brittle peace, or worse, claim Saengo, the friend she would die for.

Soul of the Border

A story of revenge and salvation that follows a young woman who seeks the truth behind her father's disappearance, *Soul of the Border* is the first novel in a trilogy set between Italy and the Austro-Hungarian Empire in the late nineteenth century. Every year, Augusto De Boer undertakes a treacherous journey through the Italian Alps, smuggling tobacco across the border to Austria. With conditions getting harsher, he decides to take his fifteen-year-old daughter Jole along with him, teaching her how to navigate the perilous crags and valleys while avoiding hostile customs officers and nocturnal beasts. Three years later, Jole must retrace their steps alone as her father has not returned from the border. With only her horse for company, she makes her way across the stark mountain landscape in an epic journey of violence and corruption.

Soul Among Lions

Skilled predators prized by hunters and cursed by ranchers, mountain lions are the wild soul of the American West. Now a wildlife biologist brings you nose to nose with the elusive cougar. Harley Shaw shares dramatic stories culled from his years of studying mountain lions, separating fact from myth regarding their habits while raising serious questions about mankind's relationship with this commanding creature. "Most of us move into the country because we love wildlife," writes Shaw. "But

none of us will tolerate having our pets or children eaten. . . . When lion/human encounters occur, the lion (or bear, or wolf) always ultimately loses." Soul among Lions offers us a chance to consider the true meaning of that loss.

Buying a Fishing Rod For My Grandfather

A collection of six unforgettable stories from Nobel laureate Gao Xingjian. Dealing with Gao's trademark themes of relationships, family, the political scene in China and exploration of the self, these stories are by turns moving, beautiful and thought-provoking. With the exception of 'In an Instant', all the stories were written in China in the early 1980s and published in Chinese in a collection called *Gei wo laoye mai yugan* (Buying a Fishing Rod for My Grandfather) by Lianhe Press in Taipei 1989. 'In an Instant' was written in Paris in October 1990 but not published until 1996 in the collection *Zhoumo sichongzhou*, after *Soul Mountain* had been published in early 1990. This is the perfect first taste of the work of Gao Xingjian - short, sweet and highly accessible - something for those who have heard about the author but are unsure where to start.

We Sold Our Souls

"A gloriously over-the-top scare fest that has hidden depths. Readers will root for Kris all the way to the explosive, poignant finale."—Publishers Weekly From the New York Times best-selling author of *The Southern Book Club's Guide to Slaying Vampires*. Only a girl with a guitar can save us all. Every morning, Kris Pulaski wakes up in hell. In the 1990s she was lead guitarist of *Durty Wu rk*, a heavy-metal band on the brink of breakout success until lead singer Terry Hunt embarked on a solo career and rocketed to stardom, leaving his bandmates to rot in obscurity. Now Kris works as night manager of a Best Western; she's tired, broke, and unhappy. Then one day everything changes—a shocking act of violence turns her life upside down, and she begins to suspect that Terry sabotaged more than just the band. Kris hits the road, hoping to reunite *Durty Wu rk* and confront the man who ruined her life. Her journey will take her from the Pennsylvania rust belt to a celebrity rehab center to a satanic music festival. A spine-tingling horror novel, *We Sold Our Souls* is an epic journey into the heart of a conspiracy-crazed, pill-popping, paranoid country that seems to have lost its very soul.

The Truth Is a Cave in the Black Mountains

Neil Gaiman's award-winning novella *The Truth is a Cave in the Black Mountains* is a haunting story of family, the otherworld, and a search for hidden treasure, and was serialised on BBC Radio 4's *Book at Bedtime* in November 2015. 'Gaiman's achievement is to make the fantasy world seem true' (*The Times*). Neil Gaiman is the bestselling author of *The Ocean at the End of the Lane* and the epic *American Gods*, whose storytelling genius will appeal to fans of J.K. Rowling and George R.R. Martin. The text of *The Truth Is a Cave in the Black Mountains* was first published in the collection *Stories: All New Tales* (Headline, 2010). This gorgeous full-colour illustrated book version was born of a unique collaboration between writer Neil Gaiman and artist Eddie Campbell, who brought to vivid life the characters and landscape of Gaiman's story. In August 2010, *The Truth is a Cave in the Black Mountains* was performed in the concert hall of the Sydney Opera House to a sell-out crowd - Gaiman read his tale live as Campbell's magnificent artwork was presented, scene by scene, on large screens. Narrative and art were accompanied by live music composed and performed especially for the story by the FourPlay String Quartet.

Cold Mountain

A wounded Confederate soldier treks across the ruins of America in this National Book Award-winning novel: "A stirring Civil War tale told with epic sweep." —People Soresly wounded and fatally disillusioned in the fighting at Petersburg, a Confederate soldier named Inman decides to walk back to his home in the Blue Ridge mountains to Ada, the woman he loves. His journey across the disintegrating South brings him into intimate and sometimes lethal converse with slaves and marauders, bounty hunters and witches, both helpful and malign. Meanwhile, the intrepid Ada is trying to revive her father's derelict farm and learning to survive in a world where the old certainties have been swept away. As it interweaves

their stories, *Cold Mountain* asserts itself as an authentic odyssey, hugely powerful, majestically lovely, and keenly moving.

Kafka on the Shore

Kafka Tamura runs away from home at fifteen, under the shadow of his father's dark prophesy. The aging Nakata, tracker of lost cats, who never recovered from a bizarre childhood affliction, finds his pleasantly simplified life suddenly turned upside down. As their parallel odysseys unravel, cats converse with people; fish tumble from the sky; a ghost-like pimp deploys a Hegel-spouting girl of the night; a forest harbours soldiers apparently un-aged since World War II. There is a savage killing, but the identity of both victim and killer is a riddle - one of many which combine to create an elegant and dreamlike masterpiece. *Murakami's new book *Novelist as a Vocation* is available now* 'Wonderful... Our Souls at Night

NATIONAL BESTSELLER • A spare yet eloquent, bittersweet yet inspiring story of a man and a woman who, in advanced age, come together to wrestle with the events of their lives and their hopes for the imminent future. In the familiar setting of Holt, Colorado, home to all of Kent Haruf's inimitable fiction, Addie Moore pays an unexpected visit to a neighbor, Louis Waters. Her husband died years ago, as did his wife, and in such a small town they naturally have known of each other for decades; in fact, Addie was quite fond of Louis's wife. His daughter lives hours away, her son even farther, and Addie and Louis have long been living alone in empty houses, the nights so terribly lonely, especially with no one to talk with. But maybe that could change? As Addie and Louis come to know each other better--their pleasures and their difficulties--a beautiful story of second chances unfolds, making *Our Souls at Night* the perfect final installment to this beloved writer's enduring contribution to American literature.

Westlake Soul

Westlake is in a permanent vegetative state. He can't move, has no response to stimuli, and can only communicate with Hub, the faithful family dog. And like all superheroes, Westlake has an archenemy: Dr. Quietus--a nightmarish embodiment of Death itself.

In the Distance

Pulitzer Prize Finalist: "Something like *Huckleberry Finn* written by Cormac McCarthy: an adventure story as well as a meditation on the meaning of home."—The Times Winner of the William Saroyan International Prize for Writing A Publishers Weekly Top Ten Book of the Year Finalist for the PEN/Faulkner Award for Fiction A young Swedish immigrant finds himself penniless and alone in California. The boy travels East in search of his brother, from whom he was separated in the crowds and chaos during their journey across the sea. Moving on foot against the great current of emigrants pushing West, he is driven back again and again, meeting naturalists, criminals, religious fanatics, swindlers, Indians, and lawmen—and his exploits turn him into a legend. Just as its hero pushes against the tide, this widely acclaimed novel defies genre conventions—and "upends the romance and mythology of America's Western experience and rugged individualism" (Star Tribune). "Suspenseful...a memorable immigration narrative, and a canny reinvention of the old-school western."—Publishers Weekly "Exquisite: assured, moving, and masterful, as profound and precise an evocation of loneliness as any book I've ever read."—Lauren Groff, National Book Award-nominated author of *Florida* and *Fates and Furies*

What I Loved

ONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION 'Defiantly complex and frequently dazzling' Sunday Times 'Siri Hustvedt's most ambitious, most rewarding novel. It mesmerises, arouses, disturbs' Salman Rushdie 'Superb . . . What I Loved is a rare thing, a page turner written at full intellectual stretch,

'A big, wide, sensuous novel - clever, sinister, yet attractively real' Guardian PRAISE FOR SIRI HUSTVEDT: 'Hustvedt is that rare artist, a writer of high intelligence, profound sensuality and a less easily definable capacity for which the only word I can find is wisdom' Salman Rushdie 'One of our finest novelists' Oliver Sacks 'Reading a Hustvedt novel is like consuming the best of David Lynch' Financial Times 'Few contemporary writers are as satisfying and stimulating to read as Siri Hustvedt' Washington Post 'A 21st-century Virginia Woolf' Literary Review

Speak to The Mountain

Speak to The Mountain is the second book in the series: Tales of The Soul. Although written in a different poetic style, thematically, this book picks up where the first book in the series, A Million and One Stories to Tell, left off. Partially inspired by the events following the murder of George Floyd, Speak to The Mountain confronts issues surrounding historical systemic racism and oppression of the African Diaspora. With the help of three archetypal figures; The African, The Stranger, and The Poet; the reader is taken on a journey of self-discovery, healing, and reconciliation. Speak to The Mountain is a book of poetry meant to be read from cover to cover, from beginning to end in order for the thematic message to be understood. Rather than focusing on stories, this book focuses on theme. Although, Babylon fell at the end of A Million and One Stories to Tell, the more sinister stronghold depicted as mountains remain, and like Babylon are animated by the same evil beings. The metaphor of the mountain depicts powerful dark forces in our world, historical racism stemming from imperialism, the Trans-Atlantic Slave Trade, and the more sinister spiritual forces of Satan and his kingdom that animate the evil of the material world. Each poem builds upon one another to make up a thematic whole and leads the reader from darkness to light.

The Second Mountain

NO.1 BESTSELLING AUTHOR OF THE SOCIAL ANIMAL Are you on your first or second mountain? Is life about you - or others? About success - or something deeper? The world tells us that we should pursue our self-interest: career wins, high status, nice things. These are the goals of our first mountain. But at some point in our lives we might find that we're not interested in what other people tell us to want. We want the things that are truly worth wanting. This is the second mountain. What does it mean to look beyond yourself and find a moral cause? To forget about independence and discover dependence - to be utterly enmeshed in a web of warm relationships? What does it mean to value intimacy, devotion, responsibility and commitment above individual freedom? In The Second Mountain David Brooks explores the meaning and possibilities that scaling a second mountain offer us and the four commitments that most commonly move us there: family, vocation, philosophy and community. Inspiring, personal and full of joy, this book will help you discover why you were really put on this earth.

When These Mountains Burn

Winner of the 2020 Dashiell Hammett Award for Literary Excellence in Crime Writing Acclaimed author and "remarkably gifted storyteller" (The Charlotte Observer) David Joy returns with a fierce and tender tale of a father, an addict, a lawman, and the explosive events that come to unite them. When his addict son gets in deep with his dealer, it takes everything Raymond Mathis has to bail him out of trouble one last time. Frustrated by the slow pace and limitations of the law, Raymond decides to take matters into his own hands. After a workplace accident left him out of a job and in pain, Denny Rattler has spent years chasing his next high. He supports his habit through careful theft, following strict rules that keep him under the radar and out of jail. But when faced with opportunities too easy to resist, Denny makes two choices that change everything. For months, the DEA has been chasing the drug supply in the mountains to no avail, when a lead--just one word--sets one agent on a path to crack the case wide open . . . but he'll need help from the most unexpected quarter. As chance brings together these men from different sides of a relentless epidemic, each may come to find that his opportunity for redemption lies with the others.

The Invitation

Cult bestseller *The Invitation* is more than just a poem. It is a profound invitation to a life that is more fulfilling and passionate, with greater integrity. Return to Painting

"Painting starts where words fail or are inadequate in expressing what one wants to express." -- Gao Xingjian, *Harvard University Gazette* In December 2000, Gao Xingjian became the first Chinese-language writer to win the Nobel Prize in Literature. In addition to having produced an impressive body of work in several genres -- fiction, plays, and essays -- this prolific artist has also distinguished himself as a painter. A collection of more than a hundred paintings, *Return to Painting* was first published in France for a major exhibition of his work in Avignon. The paintings -- India ink on rice paper -- span the artist's career from the 1960s until the present day. This book also includes an important essay by Gao, who is considered an artistic innovator in his native China, both in the visual arts and in literature.

Cloud Atlas

CLOUD ATLAS, David Mitchell's bestselling Man Booker Prize-shortlisted novel which was also one of Richard & Judy's 100 Books of the Decade, has now been adapted for film. In this enhanced edition you can read the original novel along with a new essay by David Mitchell about the transformation of his novel into a film, and watch four exclusive videos about the book and film. Be Still My Soul

Night's chill tickled her skin. Lonnie pressed her hands together and glanced up. He was even more handsome up close. Having grown up the shy, awkward daughter of Joel Sawyer, she'd hardly spoken to any boy, let alone the one who had mothers whispering warnings in their daughter's ears and fathers loading shotguns. Pretty Lonnie Sawyer is shy and innocent, used to fading into the background within her family, and among the creeks and hollows of the Appalachian hills. Though her family is poor and her father abusive, she clings to a quiet faith. But when handsome ladies' man and bluegrass musician Gideon O'Riley steals a kiss, that one action seals her fate. Her father forces her into a hasty marriage with Gideon—a man she barely knows and does not love. Equally frustrated and confused by his new responsibilities, Gideon yearns for a fresh start, forcing Lonnie on an arduous journey away from her home in Rocky Knob. Her distant groom can't seem to surrender his rage at the injustice of the forced matrimony or give Lonnie any claim in his life. What will it take for Gideon to give up his past, embrace Lonnie's God, and discover a hope that can heal their two fractured hearts? Gideon only ever cared about himself. Now that Lonnie is his wife, will he ever be worthy of her heart?

A Fast Ride Out of Here

'They call me a madman but compared to Pete Way, I'm out of my league.' - Ozzy Osbourne There are rock memoirs and then there is this one. A Fast Ride Out of Here tells a story that is so shocking, so outrageous, so packed with excess and leading to such uproar and tragic consequences as to be almost beyond compare. Put simply, in terms of jaw-dropping incident, self-destruction and all-round craziness, Pete Way's rock'n'roll life makes even Keith Richards's appear routine and Ozzy Osbourne seem positively mild-mannered in comparison. Not for nothing did Nikki Sixx, bassist with LA shock-rockers Motley Crue and who 'died' for eight minutes following a heroin overdose in 1988, consider that he was a disciple of and apprenticed to Way. During a forty-year career as founding member and bassist of the venerated British hard rock band UFO, and which has also included a stint in his hell-raising buddy Ozzy's band, Pete Way has both scaled giddy heights and plunged to unfathomable lows. A heroin addict for more than ten years, he blew millions on drugs and booze and left behind him a trail of chaos and carnage. The human cost of this runs to six marriages, four divorces, a pair of estranged daughters and two dead ex-wives. Latterly, Way has fought cancer, but has survived it all and is now ready to tell his extraordinary tale. By turns hilarious, heart-rending, mordant, scabrous, self-lacerating, brutally honest and entirely compulsive, A Fast Ride Out of Here will be a monument to rock'n'roll debauchery on an epic, unparalleled scale and also to one man's sheer indestructability.

Fast Ride Out of Here

WHEN THE WORLD WAS BITTEN BY THE HARD-ROCKING, HARD-TOURING AND HARD-DRINKING WHITESNAKE, IT WAS MICKY MOODY'S GRITTY RIFFS AND SIGNATURE BLUESY SLIDE-GUITAR THAT HELPED PROPEL THEM TO INTERNATIONAL STARDOM, AS THEY SHOULDERED ASIDE CONTEMPORARY RIVALS, GOING ON TO SELL MILLIONS OF ALBUMS WORLD-WIDE. But before Whitesnake—and life on the road with former Deep Purple singer David Coverdale—became a chaotic reality, Moody had already formed a teenaged band with Free's Paul Rodgers, played with Juicy Lucy, been a founder member of Snafu and worked as an in-demand session musician. This saw him play with performers whose egos, neuroses—and, in some cases, supreme talent—led to some memorable encounters, giving him the opportunity to contribute, with some gusto, to the hedonism of the Seventies. His musical footprint has been nothing short of epic. But how did such a party-loving, excess-fueled outfit as Whitesnake conquer the mighty world of hard rock—and at what cost? Outrageous stories about catastrophic narcotic mix-ups and infamous groupies come as thick and fast as the band's musical output itself. However, with success comes a price, and as global domination, commercial success and late-night carousing began to give way to suspicion, greed and the repercussions of excess on the road, serious fallout was inevitable. In his memoir Snakes and Ladders, Micky relates his musical odyssey with fondness and a wry sense of humour. From, guitar lessons to guitar hero, this is his story of climbing the ladder—and surviving the 'Snake.

Snakes and Ladders - My Autobiography

The first book ever on this classic British rock band UFO takes you through the Schenker era in great detail; album-by-album, song by song along with touring anecdotes and of course, tales revolving around the wild and excessive behaviour that was very much a part of the band.

Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Amongst Popoff's analysis of the catalogue is lots of tour talk, revealing nightmares surrounding the band's business based around interviews with the key members. The journey takes us through the period where Paul Chapman takes over from Michael Schenker and concludes with 1995's *Walk On Water* that sees the classic line-up reunited with Schenke

Lettin' Go

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—American Journal of Psychiatry

The Origin of Consciousness in the Breakdown of the Bicameral Mind

'The truest measure of the man we have thus far' - Mojo 'Affectionate, impeccably researched biography' - Mail on Sunday 'Head and shoulders above the usual rock hagiography' - Sunday Telegraph The first biography to be written with the cooperation of the Lynott Estate, *Cowboy Song* is the definitive authorised account of the extraordinary life and career of Thin Lizzy guiding spirit, Philip Lynott. Leading music writer Graeme Thomson explores the fascinating contradictions between Lynott's unbridled rock star excesses and the shy, sensitive 'orphan' raised in working class Dublin. The mixed-race child of a Catholic teenager and a Guyanese stowaway, Lynott rose above daunting obstacles and wounding abandonments to become Ireland's first rock star. *Cowboy Song* examines his key musical alliances as well as the unique blend of cultural influences which informed Lynott's writing, connecting Ireland's rich reserves of music, myth and poetry to hard rock, progressive folk, punk, soul and New Wave. Published on the thirtieth anniversary of Lynott's death in January 1986, Thomson draws on scores of exclusive interviews with family, friends, band mates and collaborators. *Cowboy Song* is both the ultimate depiction of a multi-faceted rock icon, and an intimate portrait of a much-loved father, son and husband.

Carmine Appice has enjoyed a jaw-dropping rock-and-roll life—and now he is telling his scarcely believable story. Appice ran with teenage gangs in Brooklyn before becoming a global rock star in the Summer of Love, managed by the Mob. He hung with Hendrix, unwittingly paid for an unknown Led Zeppelin to support him on tour, taught John Bonham to play drums (and helped Fred Astaire too), and took part in Zeppelin's infamous deflowering of a groupie with a mud shark. After enrolling in Rod Stewart's infamous Sex Police, he hung out with Kojak, accidentally shared a house with Prince, was blood brothers with Ozzy Osbourne and was fired by Sharon. He formed an all-blond hair-metal band, jammed with John McEnroe and Steven Seagal, got married five times, slept with 4,500 groupies—and, along the way, became a rock legend by single-handedly reinventing hard rock and heavy metal drumming. His memoir, *Stick It!*, is one of the most extraordinary and outrageous rock-and-roll books of the early twenty-first century.

Halliwell's Filmgoer's Companion

Few rock bands were as successful as the Scorpions by the mid '80s - headlining arenas/stadiums worldwide, scoring two mega-selling albums (the platinum-certified 'Blackout' and the triple-platinum certified 'Love at First Sting') and two hit singles/videos ("No One Like You" and "Rock You Like a Hurricane"). But what quite a few newcomers to the band didn't realize was that the Scorpions had been regularly recording music since 1972, and that throughout the remainder of the decade, featured two guitarists (Michael Schenker and Uli Jon Roth) at separate points that are considered legendary amongst the heavy metal masses. And while such albums as 'Lonesome Crow', 'Fly to the Rainbow', 'In Trance', 'Virgin Killer', 'Taken by Force', 'Tokyo Tapes', and 'Lovedrive' did not come close to obtaining the commercial success of the aforementioned '80s era efforts, they inspired and influenced countless renowned musicians. 'German Metal Machine: Scorpions in the '70s' is the first-ever book to focus solely on this period of the band. Interviews include such former members as Michael Schenker,

Uli Jon Roth, Francis Buchholz, and Herman Rarebell, longtime Scorpions producer Dieter Dierks, plus members of other bands that are major admirers, including KK Downing (Judas Priest), Billy Corgan (Smashing Pumpkins), Joe Satriani, Tom Hamilton (Aerosmith), David Ellefson (Megadeth), Alex Skolnick (Testament), and Eddie Trunk ('That Metal Show'), among many others, while Kirk Hammett (Metallica) provides a foreword.

Stick It!

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin

I Know Why the Caged Bird Sings

From Paul McCartney and Michael Jackson to Madonna and Mickey Mantle, Rosy Steve Rosenthal interviewed the best. He interviewed 82 inductees into the Rock and Roll Hall of Fame ... 174 recording artists who had at least one No. 1 hit. His interviews were heard daily on radio stations around the globe during much of the late '70s and '80s, until severe bipolar disorder took full control. In *One Brain Cell Left*, Rosy doesn't always paint a rosy picture of the Mega-Stars he interviewed. Some were absolute sweethearts; others were absolute assholes. And they're not always the ones you'd expect. He's never asked what he talked about with celebrities. People only want to know what the stars were like in person. This book answers the "What were they like?" questions about a cross-section of superstar entertainers, newsmakers and athletes that Rosy interviewed. But it's equally about the unique and unusual life that he's led outside the entertainment industry. He REALLY didn't want to like Paul McCartney. He found George Harrison to be completely down-to-earth. Unfortunately, he can't say the same about Ringo. He found Madonna to be "Queen Shit with a muffin top." Mickey Mantle swore at him. Mel Brooks ran after him. Kareem Abdul-Jabbar intentionally treated him like shit. His first words to Lionel Richie were, "So they tell me you've become a real asshole since you've gotten all this success." They both laughed. And you'll laugh at his self-deprecating chapters "Always wear a cup when you play tennis" and "Free drinks, a blind hockey goalie and a goat." You'll likewise be drawn in by the poignant "I'm no Belushi, but I've become Joe Cocker" and the riveting "A machine gun and explosives." His stories aren't always pretty. But they're always pretty interesting. And he's got the brain cell to prove it.

The Book of Lies was written by English occultist and teacher Aleister Crowley under the pen name of Frater Perdurabo. As Crowley describes it: "This book deals with many matters on all planes of the very highest importance. It is an official publication for Babes of the Abyss, but is recommended even to beginners as highly suggestive." The book consists of 91 chapters, each of which consists of one page of text. The chapters include a question mark, poems, rituals, instructions, and obscure allusions and cryptograms. The subject of each chapter is generally determined by its number and its corresponding Qabalistic meaning.

The Brothers Karamazov, also translated as The Karamazov Brothers, is the final novel by the Russian author Fyodor Dostoyevsky. Dostoyevsky spent nearly two years writing The Brothers Karamazov, which was published as a serial in The Russian Messenger and completed in November 1880. The author died less than four months after its publication. The Brothers Karamazov is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, judgement, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed as one of the supreme achievements in world literature.

The Brothers Karamazov

Inside, I was dying-empty, dark, alone. Keeping it all together was exhausting and the 'perfect' mask I wore was beginning to slip. Pretending to have it all together wasn't working anymore as the lies I had to tell weighed heavier each day. I'd done everything right my whole life and I still ended up divorced, childless, and alone. All I had left was my job. Maybe it was time to be a little bad? Seductive choices pulled me over into darkness and I no longer had to pretend. The escape was addictive as recklessness marred my skin as desperate decisions led me into the arms of unknown danger. The hardest part was knowing whether they would save me, or destroy me. Because their destruction was beginning to taste like salvation and I didn't know if I could walk away. After all, the sweetest lie was the one you told yourself, especially when the truth was the most dangerous confession of all. *Author's note: This is a why choose novel, meaning the main female character doesn't have to choose between love interests.
