Life of Israel Putnam (Old Put), Major-General in the Continental Army (Classic Reprint)

This is the life story of one who was born on a farm, and died on a farm, yet who achieved a world-wide fame through his military exploits. It has been told many times, it will be told for centuries yet to come; for the world loves a man of high emprise, and such was Israel Putnam, the hero of this story.

Life of Israel Putnam (Old Put)

Published in 1896, this biography of Revolutionary War hero Israel Putnam traces his life from his early days as a farmer to his career as a soldier and public figure. With a focus on Putnam's military achievements and his role in shaping the nascent United States, Gen. Israel Putnam offers a fascinating glimpse into a pivotal moment in American history. This work has been selected by scholars as being

culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. General Orders Issued by Major-General Israel Putnam, when in Command of the Highlands, in the Summer and Fall of 1777

An Essay on the Life of the Honourable Major General Israel Putnam

A Moment in Time

A first-hand account of the golden era of baseball from Jackie Robinson's friend, former teammate and featured player in the 2013 biopic "42." Ralph Branca is best known for throwing the pitch that resulted in Bobby Thomson's "Shot Heard 'Round the World," the historic home run that capped an incredible comeback and won the pennant for the New York Giants in 1951. Branca was on the losing end of what many consider to be baseball's most thrilling moment, but that notoriety belies a profoundly successful life and career. *A Moment in Time* details the remarkable story of a man who could have been destroyed by a supreme professional embarrassment—but wasn't. Branca came up as a young phenom, playing for the Brooklyn Dodgers during their heyday. He was a staple of the Dodgers' teams in the late 1940s, dominating the National League. It's no stretch to say that New York baseball was the center of the sporting universe and that the players were part of the fabric of the neighborhoods, of the city itself. *A Moment in Time* offers a rare first-person perspective on the golden era of baseball, opening a window on an amazing world populated by legendary characters such as Jackie Robinson, Pee Wee Reese, Gil Hodges, Leo Durocher, Branch Rickey, and Walter O'Malley. Ralph Branca sits us down and tells us an entertaining, deeply inspiring, classic baseball tale. *** I LOVE BASEBALL. "Baseball is the reason I am writing this book, the reason I've led a life worth reexamining and dissecting. Baseball is the passion that carried me from childhood to manhood. It is how I fought my way from the working class to the middle class. Were it not for baseball, I would not have met Ann, my wife, the mother of our daughters, and my dearest friend for the past sixty years. Baseball has excited my mind, stirred my soul, and brought out the best in me. I look at baseball deeply. Most of us whose lives have been defined by baseball do. Of course, it's principally a sport—a beautiful sport based on a poetic geometry. It is a game played outside of time. You play it not until the clock runs out, but until there is a clear winner. That takes as long as it takes. It is a pastoral game usually set inside a city. You play in a pasture—an urban pasture—where an expanse of grass calls you to the competition. Of course, you can also play on the dirt field of a farm, a sandlot, or a concrete street. Wherever you play, though, time is suspended. Like millions of other kids, I lost track of time whenever I played—playing through breakfast, lunch, dinner; playing until the very last rays of daylight disappeared; playing under the glow of a street lamp or a full moon; playing with the hope that the game would never stop and that real time—any time but baseball time—would never resume. The dream was to turn life into a baseball game." —from the Introduction

Moments in Baseball History

No other sport can begin to compare to the rich history and statistical record of baseball. It is part of what makes the game so alluring. In “Moments in Baseball History,” Mark R. Brewer examines twenty-two memorable games and the player at the center of that game. It should prove a feast for baseball fans.

A Moment in Time

Branca is best known for throwing the pitch that resulted in the historic home run that capped an incredible comeback and won the pennant for the Giants in 1951. He was on the losing end of what many consider to be baseball's most thrilling moment, but that notoriety belies a profoundly successful life and career.

The Black Athlete as Hero

Part history, part biography, this study examines the Black athlete's search to unify what W.E.B. DuBois called the “two unreconciled strivings” of African Americans--the struggle to survive in black society while adapting to white society. Black athletes have served as vanguards of change, challenging the dominant culture, crossing social boundaries and raising political awareness. Champions like Joe Louis, Jackie Robinson, Muhammad Ali, Jim Brown, Wilma Rudolph, Roberto Clemente, Althea Gibson, Arthur Ashe, Serena Williams, Kareem Abdul-Jabbar and LeBron James make a difference, even as many in the Black community question the idea of athletes as role models. The author argues the importance of sports heroes in a panic-plagued era beset with class division and racial privilege.

Our Bums

Baseball fans may know the story of the Brooklyn Dodgers, but they don't know the whole story. With a foreword by Branch Barrett Rickey (grandson of Branch Rickey), this book fills the void in Dodgers scholarship, exploring their impact on popular culture and revealing lesser-known details of the team's history. Personal stories are included from the fans who embraced Jackie Robinson, Pee Wee Reese, Carl Erskine, Roy Campanella and other icons of Ebbets Field. Drawing on archival documents, contemporary press accounts and fan interviews, the author brings to life the magic of the Dodgers, chronicling in detail the genesis, glory and demise of the team that changed baseball--and America.

Strength for the Fight

How faith sustained Jackie Robinson—both as an athlete and as an activist. The integration of Major League Baseball in 1947 was a triumph. But it was also a fight. As the first Black major leaguer since the 1880s, Jackie Robinson knew he was not going to be welcomed into America's pastime with open arms. Anticipating hostility, he promised Brooklyn Dodgers general manager Branch Rickey that he would “turn the other cheek” during his first years in the league, despite his fiercely competitive disposition. Robinson later said that his faith in God had sustained him—giving him the strength he needed to play the game he loved at the highest level without retaliating against the abuse inflicted upon him by opposing players and fans. Faith was a key component of Robinson's life, but not in the way we see it with many prominent Christian athletes today. Whereas the Tim Lincecum and Clayton Kershaws of the sports world emphasize personal spirituality, Robinson found inspiration in the Bible's teachings on human dignity and social justice. He grew up a devout Methodist (a heritage he shared with Branch Rickey) and identified with the theological convictions and social concerns of many of his fellow mainline Protestants—especially those of the Black church. While he humbly stated that he could not claim to be a deeply religious man, he spoke frequently in African American congregations and described a special affinity he and other Black Christians felt for the biblical character Job, who had also kept faith despite suffering and injustice. In his eulogy for Robinson, Jesse Jackson described Robinson as a “co-partner of God,” who lived out his faith in his civil rights activism, both during and after his baseball career. Robinson's faith will resonate with many Christians who believe, as he did, that “a person can be quite religious and at the same time militant in the defense of his ideals.” This religious biography of Robinson chronicles the important role of faith in his life, from his childhood to his groundbreaking baseball career through his transformative civil rights work, and, in the process, helps to humanize the man who has become a mythic figure in both sports history and American culture.

Joe Black

He was told that the color of his skin would keep him out of the big leagues, but Joe Black worked his way up through the Negro Leagues and the Cuban Winter League. He burst into the Majors in

1952 when he signed with the Brooklyn Dodgers. In the face of segregation, verbal harassment, and even death threats, Joe Black rose to the top of his game; he earned National League Rookie of the Year and became the first African American pitcher to win a World Series game. With the same tenacity he showed in his baseball career, Black became the first African American vice president of a transportation corporation when he went to work for Greyhound. In this first-ever biography of Joe Black, his daughter Martha Jo Black tells the story not only of a baseball great who broke through the color line, but also of the father she knew and loved.

Incredible Women of the All-American Girls Professional Baseball League

This book chronicles the history of the All-American Girls Professional Baseball League and the stories of the first women to play professional baseball in a league of their own. In 1941, the world was at war, and with able-bodied American men fighting overseas, professional baseball was in danger of becoming a quaint relic—until women stepped up to the plate. In this heartwarming illustrated history, the League's story is told by the ones who know it best: the players. Author Anika Orrock collects a variety of funny, charming, wince-worthy, and powerful vignettes told by the players themselves about their time playing the American pastime. • Features stories of grit and perseverance against all odds, told by the players themselves • Filled with player statistics, historical beats, headlines, and more; and fully illustrated in Anika's vibrant style • A visually engaging, readable women-led history book Written in an approachable manner and beautifully illustrated, *The Incredible Women of the All-American Girls Professional Baseball League* is a one-of-a-kind story told through the women's own voices and their own perspectives. This book ultimately proves that the incredible women of the AAGPBL truly were in a league of their own. • A unique celebration of a specific moment in women's and sports history • A great read for experienced and new sports fans alike, readers young and old, baseball fans • Perfect accompaniment to books like *Women in Science: 50 Fearless Pioneers Who Changed the World* by Rachel Ignotofsky, *Strong is the New Pretty* by Kate T. Parker, and *Rad American Women A-Z: Rebels, Trailblazers, and Visionaries who Shaped Our History . . . and Our Future!* by Kate Schatz

The Boys of Summer

This is a book about young men who learned to play baseball during the 1930s and 1940s, and then went on to play for one of the most exciting major-league ball clubs ever fielded, the team that broke the colour barrier with Jackie Robinson. It is a book by and about a sportswriter who grew up near Ebbets Field, and who had the good fortune in the 1950s to cover the Dodgers for the *Herald Tribune*. This is a book about what happened to Jackie, Carl Erskine, Pee Wee Reese, and the others when their glory days were behind them. In short, it is a book fathers and sons and about the making of modern America. 'At a point in life when one is through with boyhood, but has not yet discovered how to be a man, it was my fortune to travel with the most marvelously appealing of teams.' Sentimental because it holds such promise, and bittersweet because that promise is past, the first sentence of this masterpiece of sporting literature, first published in the early '70s, sets its tone. The team is the mid-20th-century Brooklyn Dodgers, the team of Robinson and Snyder and Hodges and Reese, a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos. Roger Kahn, who covered that team for the *New York Herald Tribune*, makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives, beautifully intertwining them with his own, then recounts how so many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience.

42 Faith

Jackie Robinson, Branch Rickey, and the hidden hand of God that changed history Journalist and baseball lover Ed Henry reveals for the first time the backstory of faith that guided Jackie Robinson into not only the baseball record books but the annals of civil rights advancement as well. Through recently discovered sermons, interviews with Robinson's family and friends, and even an unpublished book by the player himself, Henry details a side of Jackie's humanity that few have taken the time to see. Branch Rickey, the famed owner who risked it all by signing Jackie to his first contract, is also shown as a complex individual who wanted nothing more than to make his God-fearing mother proud of him. Few know the level at which Rickey struggled with his decision, only moving forward after a private meeting with a minister he'd just met. It turns out Rickey was not as certain about signing Robinson as historians have always assumed. With many baseball stories to enthrall even the most ardent enthusiast, *42 Faith* also digs deep into why Jackie was the man he was and what both drove him and challenged him after

his retirement. From his early years before baseball, to his time with Rickey and the Dodgers, to his failing health in his final years, we see a man of faith that few have recognized. This book will add a whole new dimension to Robinson's already awe-inspiring legacy. Yes, Jackie and Branch are both still heroes long after their deaths. Now, we learn more fully than ever before, there was an assist from God too.

Legends: The Best Players, Games, and Teams in Baseball

"With the LEGENDS series, Howard Bryant brings to life the best that sports has to offer—the heroes, the bitter rivalries, the moments that every sports-loving kid should know."—Mike Lupica, #1 bestselling author of *Travel Team*, *Heat*, and *Fantasy League* Experience baseball's most exciting moments, World Series heroics, greatest players, and more! Baseball, America's pastime, is a sport of moments that stand the test of time. It is equally a sport of a new generation of heroes, whose exploits inspire today's young fans. This combination makes for a winning debut in *Legends: The Best Players, Games, and Teams in Baseball*. This is no traditional almanac of mundane statistics, but rather a storyteller's journey through baseball's storied game. Told in fun, accessible chapters and accompanied by iconic photos, a slew of Top Ten lists for kids to chew on and debate, and a Timeline of the 40 Most Important Moments in Baseball History, this collection covers some of the greatest players from Babe Ruth to Hank Aaron; the greatest teams to take the field and swing the bats; the greatest social triggers, such as Jackie Robinson's breaking of the color barrier; the greatest playoff rivalries, including the 2004 showdown between the Red Sox and Yankees that turned into an instant classic; and, of course, the edge-of-your-seat World Series moments that left some cheering while others wept. This is the perfect book for young fans eager to learn more about the sport that will stay with them for a lifetime. Praise for LEGENDS: An Amazon Best Book of the Month! * "A terrific gathering of heroic hacks and legendary near misses."—Kirkus Reviews, STARRED REVIEW * "Each story is engaging and offers readers a glimpse into baseball's past and American history. [A] terrific addition to engage reluctant readers."—School Library Connection, STARRED REVIEW "[T]his is clearly a book for sports lovers. A strong choice for rounding out sports collections, this work knocks it out of the park."—School Library Journal "Any fan of baseball will enjoy this compilation . . . Fans of all ages will find this a useful guide; teachers might find this an interesting mentor text for a student reporting on a particular topic since the approach is unique."—VOYA "[T]his book will attract all manner of analysis and discussion among lovers of America's favorite pastime. Fans of other sports will cheer: this is only the first in a series devoted to sports."—Booklist

Praying for Gil Hodges

On a steamy hot Sunday, the Reverend Herbert Redmond was celebrating Mass at a church in Brooklyn, when he startled his congregation thus: "It's far too hot for a sermon. Keep the Commandments and say a prayer for Gil Hodges." *Praying for Gil Hodges* is built around a detailed reconstruction of the seventh game of the 1955 World Series, which has always been on the short list of great moments in baseball history. On a sunny, breezy October afternoon, something happened in New York City that had never happened before and never would again: the Brooklyn Dodgers won the world championship of baseball. For one hour and forty-four minutes, behind a gutsy, twenty-three-year-old kid left-hander from the iron-mining region of upstate New York named Johnny Podres, everything that had gone wrong before went gloriously right for a change. Until that afternoon, leaving out the war years, the Dodgers and their legions of fans had endured ten seasons during which they lost the World Series to the New York Yankees five times and lost the National League pennant on the final day of the season three times--- facts of history that give the famous cry of "Wait Till Next Year!" its defiant meaning. Pitch by pitch and inning by inning, Thomas Oliphant re-creates a relentless melodrama that shows this final game in its true glory. As we move through the game, he builds a remarkable history of the hapless "Bums," exploring the Dodgers' status as a national team, based on their fabled history of near-triumphs and disasters that made them classic underdogs. He weaves into this brilliant recounting a winning memoir of his own family's story and their time together on that fateful day that the final game was played. This victory thrilled the national African-American community, still mired in the evils of segregation, who had erupted in joy at the arrival of Jackie Robinson eight years earlier and rooted unabashedly for this integrated team at a time when the country was thoroughly segregated. And it also thrilled a nine-year-old boy on the East Side of Manhattan in a loving, struggling family for whom the Dodgers were a rare source of the joys and symbols that bring families together through tough times. Every once in a while a book provides a certain view of America, and whether it is *The Greatest Generation*, *Big Russ & Me*, or *Wait Till Next Year*, these works strike a chord with readers everywhere.

Praying for Gil Hodges is such a book. Written with power and clarity, this is a brilliant work capturing the majesty of baseball, the issue of race in America, and the love that one young boy, his parents, and the borough of Brooklyn had for their team.

A Companion to American Sport History

A Companion to American Sport History presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history. Presents the first complete analysis of the scholarship relating to the academic history of American sport. Features contributions from many of the finest scholars working in the field of American sport history. Includes coverage of the chronology of sports from colonial times to the present day, including major sports such as baseball, football, basketball, boxing, golf, motor racing, tennis, and track and field. Addresses the relationship of sports to urbanization, technology, gender, race, social class, and genres such as sports biography. Awarded 2015 Best Anthology from the North American Society for Sport History (NASSH).

Baseball and the Mythic Moment

While moments come and go, and popular trends are created only to be consumed and replaced, a small handful of events are able to transcend place and time to become widely shared cultural touchstones. Baseball, with its longevity, reverence for character and perseverance, and symbolism of American values, has produced a number of these modern myths--people, games and events that transcend society's love for the ephemeral to attain collective cultural significance. The Babe's called shot and Ripken's 2,131st are more than significant moments in baseball. They are culturally relevant events that contribute to an American mythology. This book examines how certain baseball moments became mythic, and why some moments are culturally persistent while others are limited in importance to the confines of sport. After a discussion of baseball in myth and memory, and the effect of the media on both, chapters draw a distinction between the merely famous (or infamous) and the mythic act, whether it's physical (Bobby Thomson) or symbolic (Jackie Robinson); matchups, whether individual (Alexander vs. Lazzeri) or team (Red Sox-Yankees 1978 playoff); clubs, both those that achieved (1927 Yankees) and that choked (1964 Phillies); and franchises, including the winners (Yankees) and the losers (Cubs).

Past Time

Discusses baseball's history and the game's relationship to American society from the 1850s until the present day.

Leo Durocher

From Paul Dickson, the Casey Award-winning author of *Bill Veeck: Baseball's Greatest Maverick*, the first full biography of Leo Durocher, one of the most colorful and important figures in baseball history. Leo Durocher (1906–1991) was baseball's all-time leading cocky, flamboyant, and galvanizing character, casting a shadow across several eras, from the time of Babe Ruth to the Space Age Astrodome, from Prohibition through the Vietnam War. For more than forty years, he was at the forefront of the game, with a Zelig-like ability to be present as a player or manager for some of the greatest teams and defining baseball moments of the twentieth century. A rugged, combative shortstop and a three-time All-Star, he became a legendary manager, winning three pennants and a World Series in 1954. Durocher performed on three main stages: New York, Chicago, and Hollywood. He entered from the wings, strode to where the lights were brightest, and then took a poke at anyone who tried to upstage him. On occasion he would share the limelight, but only with Hollywood friends such as actor Danny Kaye, tough-guy and sometime roommate George Raft, Frank Sinatra, and his third wife, movie star Laraine Day. As he did with Bill Veeck, Dickson explores Durocher's life and times through primary source materials, interviews with those who knew him, and original newspaper files. A superb addition to baseball literature, Leo Durocher offers fascinating and fresh insights into the racial integration of baseball, Durocher's unprecedented suspension from the game, the two clubhouse revolts staged against him in Brooklyn and Chicago, and Durocher's vibrant life off the field.

Kansas History

Jackie Robinson famously said that a life is not important except for the impact it has on other lives. As we celebrate Robinson's 100th birthday in January 2019, *Stealing Home* profiles nine figures whose lives were altered by the "great experiment," as the integration of baseball was called then. Profiled here are Rachel Robinson, the stoic but thoughtful wife; Branch Rickey, the mercurial but far-sighted manager/owner of the Dodgers; Baseball Commissioner "Happy" Chandler, who quietly paved the way for integration; Clyde Sukeforth, the scout whose assessment of Robinson was crucial to the player's success; Red Barber, whose own views on integration were altered by Robinson's example of grace under pressure; Wendell Smith, the prominent black journalist who helped Robinson navigate through the trappings of a racist society; Burt Shotton, who managed Robinson during Robinson's majestic MVP season in 1949; Pee Wee Reese, the Dodgers captain who united the team behind Robinson; and finally, Dixie Walker, the veteran Dodgers star who vowed never to play alongside Robinson, but who was eventually so moved by Robinson's courage that he spent his last years working to improve the skills of such African-American players as Maury Wills, Jim Wynn, and Dusty Baker. As Joe Cox concludes, "Perhaps the ultimate measure of the glory of Robinson's quest is that it converted those inclined against it to see all men as equal, at least on the great field of baseball."

A Fine Team Man

In "a worthy companion to . . . *Boys of Summer*," a Pulitzer prize winning journalist "exploits the power of memory and nostalgia with literary grace" (New York Times). From award-winning New York Times columnist Dan Barry comes the beautifully recounted story of the longest game in baseball history—a tale celebrating not only the robust intensity of baseball, but the aspirational ideal epitomized by the hard-fighting players of the minor leagues. On April 18, 1981, a ball game sprang eternal. For eight hours, the night seemed to suspend a town and two teams between their collective pasts and futures, between their collective sorrows and joys—the shivering fans; their wives at home; the umpires; the batboys approaching manhood; the ejected manager, peering through a hole in the backstop; the sportswriters and broadcasters; and the players themselves—two destined for the Hall of Fame (Cal Ripken and Wade Boggs), the few to play only briefly or forgettably in the big leagues, and the many stuck in minor-league purgatory, duty bound and loyal forever to the game. With *Bottom of the 33rd*, Barry delivers a lyrical meditation on small-town lives, minor-league dreams, and the elements of time and community that conspired one fateful night to produce a baseball game seemingly without end. An unforgettable portrait of ambition and endurance, *Bottom of the 33rd* is the rare sports book that changes the way we perceive America's pastime—and America's past. "Destined to take its place among the classics of baseball literature." —Kirkus Reviews (starred review) "Bottom of the 33rd is chaw-chewing, sunflower-spitting, pine tar proof that too much baseball is never enough." —Jane Leavy, author of *The Last Boy* and *Sandy Koufax*

Bottom of the 33rd

A wonderful, warm novel from a major American voice.

The Art of Fielding

A graphic novel-style history of baseball, providing an illustrated look at the major games, players, and rule changes that shaped the sport. This graphic novel steps up to the plate and covers all the bases in illustrating the origin of America's national pastime, presenting a complete look at the beginnings (both real and legendary), developments, triumphs, and tragedies of baseball. It also breaks down the cultural impact and significance of the sport both in America and overseas (including Japan, Cuba, and the Dominican Republic), from the early days of America to the flying W outside Wrigley Field in 2016. Featuring members of Baseball's Hall of Fame and modern day stand-outs—including Cy Young, Babe Ruth, Jackie Robinson, Hank Aaron, the 1930s New York Yankees, the 2004 Boston Red Sox, the 2016 Chicago Cubs, and more—*The Comic Book Story of Baseball* spotlights the players, teams, games, and moments that built the sport's legacy and ensured its popularity.

The Comic Book Story of Baseball

This engaging and informative work highlights the 100 biggest moments in the history of American sports, illustrating powerful connections between sporting events and significant social issues of the time. In this homage to sports history, author Lew Freedman compiles athletic feats that caught fans off guard, inspired awe, and left viewers on the edge of their seats, all while making an impression on the world at large. Freedman ranks 100 of the greatest moments in sports, reflecting on the dramatic impact

of the events as well as their greater influence on American society of the time. The work showcases the social, historical, and cultural background of memorable games, teams, and athletes, highlighting the enduring value and importance of each selection. An introduction discusses the history of sports and explains the criteria for choosing the 100 sporting events in the book. Fascinating, little-known facts punctuate entries, such as how the athletic accomplishments of Jackie Robinson and Joe Louis helped ease racial tensions in the United States; why the passage of Title IX changed gender relations in the United States forever; and which technologies have altered the way Americans view sport. Content also traces the tremendous advancements of safety gear in sports, from the batting helmet and catchers' shin guards in baseball, to the hardshell helmet and face guard in football, to the face mask for goalies in hockey.

The 100 Most Important Sporting Events in American History

This #1 bestselling baseball classic of the Yankees-Red Sox rivalry is “dazzling . . . heart-stopping . . . A celebration of a vanished heroic age” (The New York Times Book Review). The summer of 1949: It was baseball's Golden Age and the year Joe DiMaggio's New York Yankees were locked in a soon-to-be classic battle with Ted Williams's Boston Red Sox for the American League pennant. As postwar America looked for a unifying moment, the greatest players in baseball history brought their rivalry to the field, captivating the American public through the heart-pounding final moments of the season. This expansive story captures an era, incorporating profiles of the players and their families, fans, broadcasters, baseball executives, and sportswriters. Riveting in its blend of powerful detail and exhilarating narrative, *The Summer of '49* is Pulitzer Prize winner David Halberstam's engrossing look at not only a sports rivalry, but a time when America's very identity was wrapped up in its beloved national game. This ebook features an extended biography of David Halberstam.

Summer of '49

Now with bonus material on the Chicago Cubs' World Series win, the New York Times-bestselling history of America's most beloved baseball stadium, Wrigley Field, and the Cubs' century-long search for World Series glory *In A Nice Little Place on the North Side*, leading columnist George Will returns to baseball with a deeply personal look at his hapless Chicago Cubs and their often beatified home, Wrigley Field, as it enters its second century. Baseball, Will argues, is full of metaphors for life, religion, and happiness, and Wrigley is considered one of its sacred spaces. But what is its true, hyperbole-free history? Winding beautifully like Wrigley's iconic ivy, Will's meditation on “The Friendly Confines” examines both the unforgettable stories that forged the field's legend and the larger-than-life characters—from Wrigley and Ruth to Veeck, Durocher, and Banks—who brought it glory, heartbreak, and scandal. Drawing upon his trademark knowledge and inimitable sense of humor, Will also explores his childhood connections to the team, the Cubs' future, and what keeps long-suffering fans rooting for the home team after so many years of futility. In the end, *A Nice Little Place on the North Side* is more than just the history of a ballpark. It is the story of Chicago, of baseball, and of America itself.

A Nice Little Place on the North Side

This book covers the entirety of franchise history, from their birth and struggles as the Highlanders to the bludgeoning bats of Murderer's Row and the first Yankees dynasty to the juggernauts of the 1940s, 1950s and early 1960s, to the anomalous mediocrity that followed, to the championships and circus of the Steinbrenner, Jackson and Billy Martin era to, the run of crowns two decades later, to the years of frustration and missed opportunity through the second decade of the twenty-first century. However, how to make a book exceptional when championships are routine, and scores of a team's player are immortal? Emphasize a variety of players, teams, moments, events and contributors that made the Yankees unique in the annals of American sport, which this book ably does.

The Ultimate New York Yankees Time Machine Book

"An extraordinary book . . . invitingly written and brisk." --Chicago Tribune "Perhaps no one has ever told the tale [of Robinson's arrival in the major leagues] so well as [Simon] does in this extended essay." --The Washington Post Book World "Scott Simon tells a compelling story of risk and sacrifice, profound ugliness and profound grace, defiance and almost unimaginable courage. This is a meticulously researched, insightful, beautifully written book, one that should be read, reread, and remembered." --Laura Hillenbrand, author of the New York Times bestseller *Seabiscuit* The integration of baseball in 1947 had undeniable significance for the civil rights movement and American history. Thanks to Jackie

Robinson, a barrier that had once been believed to be permanent was shattered--paving the way for scores of African Americans who wanted nothing more than to be granted the same rights as any other human being. In this book, renowned broadcaster Scott Simon reveals how Robinson's heroism brought the country face-to-face with the question of racial equality. From his days in the army to his ascent to the major leagues, Robinson battled bigotry at every turn. Simon deftly traces the journey of the rookie who became Rookie of the Year, recalling the taunts and threats, the stolen bases and the slides to home plate, the trials and triumphs. Robinson's number, 42, has been retired by every club in major league baseball--in homage to the man who had to hang his first Brooklyn Dodgers uniform on a hook rather than in a locker.

Jackie Robinson and the Integration of Baseball

Frommer's latest book takes us to the birthplace of America's most beloved sport. Starting from baseball's humble beginnings, Frommer vividly introduces the reader to the trailblazing personalities that shaped baseball's history. From the first games in Madison, New York to the rise of the National League, Frommer vividly recreates the energy of this early time. Frommer's expertise lends itself to tell the magical story of baseball's history and insight into an era that is not to be forgotten.

Old Time Baseball

Bobby Thomson hit history's most famous home run during the bottom of the ninth in the final game of the 1951 National League playoffs. Sports historian Ray Robinson examines the circumstances surrounding this unforgettable moment, in a narrative packed with suspense, nostalgia, and insightful anecdotes about legendary players. Bob Costas contributes a brief Preface. 16 pages of photos.

The Home Run Heard 'round the World

Birdville School opened in 1922 on the corner of two dirt roads at the edge of a fallow farm. Over the next 67 school years it witnessed, and influenced, the unfolding story of the town that grew up around it, amid flood, brushfire, blizzard, tornado, and earthquake; poverty and prosperity; war, peace, and cold war; and even the collapse of the earth beneath its foundations. Its auditorium and cafeteria hosted PTA meetings, plays, movies, concerts, basketball tournaments, holiday parties, Girl Scout and Boy Scout meetings, polio vaccination clinics, and war-time rationing registrations and scrap-collection drives. Local sand-lot softball, baseball, and football teams competed in the same surrounding fields that swarmed with gleeful children at recess, and that echoed with the roar of low-flying aircrafts snagging mailbags on their tail hooks. Among its staff were thespians, musicians, firemen, outdoorsmen, and athletes, including a singer who performed in the Coolidge White House, a candidate for the state legislature, an army medic, and a ball player who faced off against the Homestead Grays and the Pittsburgh Pirates. By the time classes concluded for the last time in 1989, thousands of children - including the author - had benefitted from the care, instruction, and example of the Birdville School family. This book is a feeble tribute to those who made us who we are.

Birdville School; A Portrait of Small-Town America in the 20th Century

To a generation of fans, Willie Mays was the greatest ballplayer they had ever seen. The prowess and speed of the Say Hey Kid were unmatched on the diamond before his time, prompting Joe DiMaggio to label him, "the closest you can come to perfection." He was the first player to hit fifty home runs and steal twenty bases in a single season. Mays played for the New York Giants (1951–1957), San Francisco Giants (1958–1972), and New York Mets (1972–1973), and in his glory days with the Giants he not only set the major league mark for consecutive seasons by appearing in 150 games or more but by winning his two MVP awards a record twelve seasons apart. When Mays retired, he ranked third in career home runs (behind Aaron and Ruth), a record of 660 soon to be surpassed by Mays's godson, Barry Bonds. This twenty-fifth anniversary edition of the only ballplayer biography ever named a finalist for the Pulitzer Prize, Willie's Time: Baseball's Golden Age, restores to print Charles Einstein's vivid biography of one of the game's foremost legends. With a new preface from the author, this volume replays the most dramatic moments of the Say Hey Kid's career—from the 1951 Miracle Giants to the Amazing Mets of 1973—and takes us inside the lives of Ruth, DiMaggio, Aaron, Durocher, and others along the way. Einstein offers a compelling and complete look at Mays: as a youth in racist Birmingham, a triumphant symbol of African American success, a sports hero lionized by fans, and yet all the while, still a very human figure destined to play for two decades amid baseball's Golden Age.

Willie's Time

Capturing the suspense and play-by-play action of nine major league plays and the personalities of the athletes that made them, a fan's treasury includes Willie May's 1954 World Series catch and Jim Abbott's no-hitter.

Great Moments in Baseball History

A compendium of outrageous, hilarious or just plain shocking trivia about everything from history and politics to arts, religion, technology and much more. For years, the Chicago Tribune's "10 Things You Might Not Know" column has been informing and entertaining readers on a diverse range of subjects. This volume collects the best of these columns, offering readers obscure, fascinating facts on universal topics that will appeal to everyone from sports fans to history buffs, foodies, and more. Expertly researched and thoroughly entertaining, 10 Things You Might Not Know About Nearly Everything contains a plethora of surprising trivia on numerous topics, with an especially close look into Chicago-area history and facts. For example, in Zion, Illinois it was once illegal to spit, eat oysters, wear tan-colored shoes, or whistle on Sundays. 10 Things You Might Not Know About Nearly Everything will leave readers brighter, wittier, and curious to learn more about myriad subjects and stories they will never forget.

10 Things You Might Not Know About Nearly Everything

The Ultimate Boston Red Sox Time Machine presents a timeline format that not only includes the Red Sox's greatest moments—including its nine World Series wins and individual achievements—but focuses also on some very unusual seasons and events, such as the refusal of the New York Yankees to go up against them in the 1904 World Series, the derivation of its name, and of course the famous Curse of the Bambino. There are dozens of impressive, wild, wacky and wonderful stories over the years regarding Red Sox history and Gitlin is the perfect person to write it with his trademark humor and thorough knowledge of Red Sox lore.

The Ultimate Boston Red Sox Time Machine Book

The most entertaining and comprehensive guide to every baseball fan's dream road trip—including every new ballpark since the 2004 edition—revised and completely updated!

The Ultimate Baseball Road Trip, 2nd

Minor League Baseball has been around for more than 100 years. Across the U.S., Canada, and Mexico, almost every Major League Baseball player, manager, and coach has spent time in the minors before making it to the big leagues. This is a collection of memorable minor league experiences over the past 60 years. It highlights a time when these individuals lived together, ate together, traveled together, and played ball together. A period when the rules of the game were the same, but the stadium lights were dimmer and the crowds were smaller. These true stories are the actual accounts as told by the individuals, who range from Major League All-Stars to Minor League journeymen. Photos.

Minor Moments, Major Memories

The Cup of Coffee Club shares the stories of eleven men who played in just a single major league baseball game and how they responded to the heartache of never making it back. Featuring exclusive interviews with each of the players, their insight provides a unique look into the struggles of being a professional ballplayer. Reaching the major leagues is a pipe dream for most young baseball players in America. Very few ever get to live it out. While many that do make it to the big leagues stay there for a long time, there are just as many that are only there for a brief moment. A select few of those players face the elation and frustration of getting to play in just one major league game. The Cup of Coffee Club: 11 Players and Their Brush with Baseball History tells the stories of eleven of these players and their struggles to reach the major leagues, as well as their struggles to get back. They include a former Major League Baseball manager, the son of a Baseball Hall of Famer, and two different brothers of Hall of Famers. Exclusive interviews with each of the players provide insight into what that single seminal moment meant and how they dealt with the blow of never making another major league appearance again. Spanning half a century of baseball, each player's journey to Major League Baseball is distinct, as is each of their responses to having played in just a single game. The Cup of Coffee Club shares their

unique perspectives, providing a better understanding of just how special each major league game can be.

The Cup of Coffee Club

Baseball's ranks are filled with those whose careers may not have been as spectacular as Ruth or Mays but who played essential roles in the game's history, like footnotes in a great book. Some were well known in their day, featured on the front of the sports section; others were lesser lights whose feats and misdeeds were so notable they deserve to be remembered. Bert Shepard pitched a game for the Washington Senators in 1945 despite being shot down over Germany the year before and losing a leg. Bernie Carbo hit a dramatic three-run homer in the eighth inning to tie Game Six of the 1975 World Series--but his blast was completely upstaged an hour or so later by Red Sox teammate Carlton Fisk's unforgettable shot down the left field line. Bo Belinsky no-hit the powerful Baltimore Orioles in 1962, but he finished his career with a monumentally disappointing 28-51 record. The 39 other subjects profiled in this work prove that, in baseball, fame can be fleeting.

Moments in the Sun

In relating his life, Robinson reveals the struggles of a Black athlete in the white-dominated world of American sports

I Never Had it Made

Throughout its illustrious history, the New York Yankees have produced some of the most memorable highlights in baseball annals. Babe Ruth's "called shot" home run, Joe DiMaggio's 56-game hitting streak, Derek Jeter's amazing "Flip Play." Most Yankees fans have seen newsreel footage of Lou Gehrig's farewell speech, watched highlights of a young Mickey Mantle, and have heard the story of Billy Martin's five managerial hirings and firings. But what makes the Yankees the world's most celebrated sports franchise goes beyond sheer headlines? It is the stories of the men behind the headlines who have thrilled and enchanted New York fans since 1903. *Miracle Moments in New York Yankees History* is the ultimate tribute book for die-hard fans of the Bronx Bombers. Whether you're a passionate booster from the days of Yogi Berra or a newly minted supporter of Alex Rodriguez, author David Fischer has compiled a supreme collection of 50 of the most prominent and relevant team successes, player feats, and award-winning accomplishments from the Yankees' incredible past and present. And, much like the team itself, *Miracle Moments in Yankees History* is about far more than just miracle moments; in-depth player profiles, exciting game details, and the perspective of time bring the greatest achievements of history's greatest Yankees to life. *Miracle Moments in New York Yankees History* is much more than just a comprehensive resource. It recounts the hidden stories behind the most storied franchise in baseball.

Miracle Moments in New York Yankees History

Introduction by Spike Lee. Back in print for the first time since its initial publication in 1964, *Baseball Has Done It* is an oral history of baseball as told by its greatest players to Jackie Robinson, the man who broke the colour line. This one-of-a-kind classic features rare and candid interviews with ballplayers who played and lived through the first generation of integration in baseball. This is an important document of the struggle for civil rights in America with a timely and affectionate message: if baseball has done it, the rest of society can too.

Baseball Has Done it
