Charivari chez les p'tites poules

Tandis que Carmélito pêche avec ses copains, Coquenpâte attrape un vieux sac de toile dans lequel se trouve un petit chat noir. Il leur raconte qu'il est né au moulin et que le meunier, superstitieux, l'a arraché à sa mère pour le jeter à la rivière. Les parents de Carmen et Carmélito proposent de l'accueillir. Mais au matin, des oeufs ont disparus. Pour les poules, le coupable est le chat noir. [BNF]

On a Magical Do-Nothing Day

Private Peaceful relives the life of Private Tommo Peaceful, a young First World War soldier awaiting the firing squad at dawn. During the night he looks back at his short but joyful past growing up in rural Devon: his exciting first days at school; the accident in the forest that killed his father; his adventures with Molly, the love of his life; and the battles and injustices of war that brought him to the front line. Winner of the Blue Peter Book of the Year, Private Peaceful is by the third Children's Laureate, Michael Morpurgo, award-winning author of War Horse. His inspiration came from a visit to Ypres where he was shocked to discover how many young soldiers were court-martialled and shot for cowardice during the First World War. This edition also includes introductory essays by Michael Morpurgo, Associate Director of Private Peaceful production Mark Leipacher, as well as an essay from Simon Reade, adaptor & director of this stage adaptation of Private Peaceful.

A funny and tender picture book about waiting for a new brother or sister to arrive. There's a house inside my mummy, Where my little brother grows, Or maybe it's my little sister No one really knows. Waiting for a new brother or sister to arrive can be a confusing and worrying time for young children. Sharing this simple rhyming story together is the perfect way to reassure your little one and involve them in all the excitement. Told with humour and warmth by Giles Andreae, the author of much-loved family favourite *Giraffes Can't Dance*. 'A great book for sharing with your first born while your second is still in the 'tummy house' - *The Times* A note from the author: 'When my wife became pregnant for the second time, I was talking to Flinn, our 2-year old son, about what was going to take place and how exciting it would be for him to have a brother or sister. I started to think about it as though I were a young child myself ... 'There's a house inside my mummy' was a phrase that just popped into my head, and from then on the book was a joy to write.'

The Tiny Book of Hugs

"A Rule Is To Break says: Go ahead and throw your best self a party! So glad it exists."—Kristin Hersh, *Throwing Muses* "After encountering the lively little anarchist in John and Jana's delightful *A Rule is To Break*, I will always remember the playful little devil with a mind of her own. A children's book on anarchy seems somehow just right: an instinctive, intuitive sense of fairness, community, and interdependence sits naturally enough with a desire for participatory democracy, self-determination, and peace and global justice."—Bill Ayers, author of *To Teach: The Journey in Comics and Fugitive Days* Simply celebrating childhood: the joy, the wonder of discovery, the spontaneity, and strong emotions. . . . Wild Child is free to do as she pleases. *A Rule Is To Break: A Child's Guide to Anarchy* follows Wild Child as she learns about just being herself and how that translates into kid autonomy. It presents the ideas of challenging societal expectations and tradition and expressing yourself freely in kid-terms that are both funny and thought provoking—it even functions as a guidebook for adults to understand what it is to be a critically thinking, creative individual. Wild Child is the role model for disobedience that is sometimes civil. John Seven and Jana Christy's previous collaboration *The Ocean Story* won *Creative Child* magazine's 2011 Creative Child Award Seal of Excellence and was shortlisted for the 2012 Green Earth Book Award.
