Who is Jesus?

People no longer know what is in the Bible. Is this a problem if we are to understand our culture?

The Bible and science

Science gives us 'what' and 'how' questions

Is Christianity antiquated and oppressive?

A lack of hope in the future

Decline in people thinking children are important

People have gone from being the 'good guys' to being the problem on the issue of sexuality and gender

Is Christianity about being submissive to men, though?

Modern freedom kills real freedom

Racism and Christianity

Secularism is a Christian concept

What about all the bad stuff that Christians have done?

The old medieval concept of sin

Cosmic child abuse

But doesn't science tell us that the resurrection is impossible?

Who are we?
