piaciuto molto, per questo motivo ...

Introduzione

Esisteva una città

Il primo palazzo

Il cuore enorme

Il secondo palazzo

Le monetine

Il palazzo era tutto blu

Si annoiava

Nel quarto palazzo affondava

Nel quinto palazzo affondava

Il palazzo era tutto verde

Gli pareva che tutta la potenza della natura

La vita decise di mandare nell'unica strada di senza il vento più forte che avesse mai soffiato in tutta la storia del mondo

E dai mobili che sembravano all'improvviso slitte impazzite uscirono finalmente dai loro palazzi

Ma voi, chi siete?

Io sono fuoco e sono l'unico abitante di questa città

I cinque palazzi continuavano misteriosamente a ondeggiare

Io mi chiamo Blues

Io mi chiamo Green

La natura è un grande mistero

Com'è che ci si conosce?

Come mi chiamo?

A me capita di avere sempre voglia di cantare, inventare una poesia o ballare nella mia casa blu.

Ma siccome da giovane lo sono stato molto, mi piace pensare ai vecchi tempi.

Il vecchio e la piccola si sedettero in un angolo della strada.

La magia le disse fuoco e mentre il cuore gli batteva a 1000 all'ora, la prese per la vita.

Passano i giorni e i mesi, passò un anno.

Green preparava ogni giorno per i suoi nuovi amici un picnic.

I nostri 5 protagonisti decisero di costruire dei ponti per unire i loro palazzi.

Penguin Young Readers Kate and Pippin, Level 2

When Pippin, a helpless baby fawn, was abandoned by her mother on the property of Isobel Springett, things looked uncertain for her. Three days went by, but when her mother didn't return for her, Isobel stepped in and brought her inside. Isobel's Great Dane, Kate, adopted Pippin immediately. From the moment Pippin snuggled into Kate's side, she didn't leave it. She followed Kate everywhere, just like a real puppy, and Kate patiently shepherded her through her first strange and confusing days in a human household. Pippin did return to the forest, but came every day to see Kate and play with her. And then one day, Pippin brought some visitors with her - two little fawns of her own! Pippin was now a mother. While Kate and Pippin's special friendship was still strong, Kate knew not to go near the fawns or she might scare them away. Years later, Pippin still visits Kate almost every day. Pippin's home is in the forest with her babies, but Kate and Pippin remain the best of friends.

Ballerina Dreams: From Orphan to Dancer (Step Into Reading, Step 4)

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. *A Patriot's History of the United States* corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

Malala: A Hero for All

Ancient Egypt is a subject of never-ending fascination for primary grade kids. Here they learn all about hieroglyphs, the beautiful pictogram writing that appears on mummy cases, papyrus scrolls, tomb walls, etc. What do the different symbols mean? How did we learn to decipher hieroglyphs? What was school and learning to read and write like for children of ancient Egypt? The information is accessible and fascinating, plus kids have the fun of creating hieroglyph messages and "works of art" using the accompanying stencil.
