The Tea Book

Tea is one of the world's most popular beverages--and this gorgeous gift book highlights everything from tea harvesting and processing to DIY blends and beyond. Expert and consultant Kathy Chan introduces the reader to her most treasured subject, profiling different techniques from around the world

for brewing tea and offering tea-based recipes, including matcha lattes, an Oolong Old-Fashioned, and Lapsang Souchong-Cured Salmon. Kathy presents a full menu of delicacies for the tea aficionado, along with a guide to pairing tea and food and details on her favorite tea services and afternoon teas around the world.

The Tea Book

Experience the world's finest tea The Tea Book guides you through the best ways to choose, prepare and taste the many different varieties of tea available around the world, with everything you need to know to bring the fragrance and allure of the tea shop into your home. The essential companion for all tea aficionados, this detailed tea book features over one hundred international tea recipes, including chai tea, matcha, the increasingly popular bubble tea, and herbal tisanes such as Yerba Mate. Tasting notes help you to identify key characteristics, so that you can tell your green tea from your pu'er. With information on growing and harvest seasons, and maps of the most important tea-producing regions. This practical, fully illustrated guide is perfect for tea lovers.

The Everything Healthy Tea Book

An introduction to the world's teas and their healing qualities! A relaxing cup of tea is a soothing way to improve your health, lighten your mood, increase your metabolism, or boost your energy. Tea has so many health benefits, from preventing cardiovascular disease to burning calories, it's no wonder so many people are choosing this classic beverage over coffee and carbonated soft drinks. If you'd like to experience the benefits and healing properties of drinking tea, here's all you need to know about: The many different types of tea, including green, black, white, oolong, and pu'erh teas. Herbal teas, kombucha, and other infusions. The use of tea as medicine throughout history. Buying and brewing the most healthful teas. Developing your own de-stressing tea traditions. Using tea in cooking and creating natural beauty products. With essential advice on brewing the perfect cup and storing your tea, The Everything Healthy Tea Book will be your go-to reference for all things tea!

A Little Tea Book

From tea guru Sebastian Beckwith and New York Times bestsellers Caroline Paul and Wendy MacNaughton comes the essential guide to exploring and enjoying the vast world of tea. Tea, the most popular beverage in the world after water, has brought nations to war, defined cultures, bankrupted coffers, and toppled kings. And yet in many ways this fragrantly comforting and storied brew remains elusive, even to its devotees. As down-to-earth yet stylishly refined as the drink itself, A Little Tea Book submerges readers into tea, exploring its varieties, subtleties, and pleasures right down to the process of selecting and brewing the perfect cup. From orange pekoe to pu-erh, tea expert Sebastian Beckwith provides surprising tips, fun facts, and flavorful recipes to launch dabblers and connoisseurs alike on a journey of taste and appreciation. Along with writer and fellow tea-enthusiast Caroline Paul, Beckwith walks us through the cultural and political history of the elixir that has touched every corner of the world. Featuring charming, colorful charts, graphs, and illustrations by bestselling illustrator Wendy MacNaughton and Beckwith's sumptuous photographs, A Little Tea Book is a friendly, handsome, and illuminating primer with a dash of sass and sophistication. Cheers!

The Book of Tea

SHORTLISTED for The Fortnum & Mason Food & Drink Awards 2016 From the founders of Teapigs, this is a book about tea like no other. Packed full of infographics and illustrations, as well as recipes, this complete compendium is a celebration of tea-drinking around the world: from drinking masala chai in tea shacks in India or from a samovar in Russia, to the dramatic pouring of Moroccan mint tea and the brewing of a salty butter tea in Tibet. From plant to pot, learn everything there is to know about tea; how it's enjoyed around the world and the origins of different teas, where they come from and how they are processed. Take a visual journey, with the tea leaf, and see what happens during the processing business as well as learning about the different types of tea and what each needs to bring out its very best in terms of taste. Find the answers to all those important tea-related questions such as should you slurp or sip your tea? Is a cup or a bowl best for drinking tea? To dunk or not to dunk – that is the question? And how can tea influence your mood? Finally, work your way through the 30 or so delicious recipes that offer inspiration for using tea in cooking or partnering recipes with the best teas; from tea-infused beef on a green papaya salad to Earl Grey shortbread heart biscuits. Put the kettle on, make yourself a brew, and curl up with this informative and beautiful guide to all things tea.

The Vintage Tea Party Book

"The Vintage Tea Party helps you plan not only stunning recipes for all sorts of delicious treats but also gives you countless styling tips for the perfect occasion." - Glamour Magazine (SA) "Bring out the bone china for this book from vintage guru Angel Adoree..." - The Independent Angel Adoree cordially invites you to accompany her on a journey to create your perfect vintage tea party! The Vintage Patisserie is a haven of all things glamour, vintage and retro. Run by Angel Adoree, the outstanding character you may have seen on Dragon's Den, the Vintage Patisserie is a vintage hosting company offering bespoke tea parties from a bygone era. For that reason, there's nowhere better to get simple, elegant advice for hosting your very own Vintage Tea Party at home than from Angel and The Vintage Tea Party Book. As well as providing sumptuous elegant recipes to cover every time of the day, Angel's The Vintage Tea Party Book covers the full breadth of those little touches that make the perfect vintage party: Invitations, attire, decorations, props and more. The book is broken into: BRUNCH What do you mean, morning is no time for a party?! High Breakfast is the height of civilization and, here, I share my most refined brunch dishes, for a morning tea party fit for a Queen. Don your headscarf and on with the preparations! AFTERNOON Is your pinkie finger raised at the ready? There's nothing more British than Afternoon Tea. This chapter is a treasure trove of tea-time delights, from classics to decadent treats, and I show how to make a Union Flag for the ultimate traditional tea party. EVENING The evening tea party is all about glamour, giggles and good friends. On these pages, I share my most impressive recipes, for maximum impact on the eye and taste buds, to give the special people in your life the treat they deserve. STYLE You've organized the perfect vintage do, now it's time for the perfect vintage hairdo, and the perfect vintage dress, and for getting your make-up - and your man - looking just stunning. You'll be the most glamorous hostess in town! Angel Adoree was the outstanding character of this year's Dragon's Den. She received £100k investment from Deborah Meaden and Theo Paphitis for developing her website and for buying a shop/property in Soho for her business - Vintage Patisserie. Vintage Patisserie is a vintage hosting company that provide tea parties which are fabulously retro, delivering everything from music, makeovers and - of course - a customised menu of tea party treats that elevate any function into a swanky soiree. The Vintage Tea Party Book embraces the style and class of the trendy London Vintage scene and illustrates how to beautifully recreate the tasty treats and classic styles at home. With a unique mixture of recipes and feature spreads with accessible tips on hairstyling, makeup methods and where to collect vintage china -- The Vintage Tea Party Book has it all!

Pixie and even Bubble Tea Cocktails and Mocktails. The Bubble Tea Book covers all you need to know about making bubble tea with tips on everything from how to achieve the perfect sugar and ice levels to how to mix flavours to create your own unique recipes. Discover the wonderful world of bubble tea!

The Book of Tea

This is the extended and annotated edition including * an extensive annotation of more than 10.000 words about the history and basics of Buddhism, written by Thomas William Rhys Davids The Book of Tea by Okakura Kakuzo (1906), is a long essay linking the role of tea (Teaism) to the aesthetic and cultural aspects of Japanese life. Addressed to a western audience, it was originally written in English and is one of the great English Tea classics. Okakura had been taught at a young age to speak English and was proficient at communicating his thoughts to the Western mind. In his book, he discusses such topics as Zen and Taoism, but also the secular aspects of tea and Japanese life. The book emphasizes how Teaism taught the Japanese many things; most importantly, simplicity. Kakuzo argues that this tea-induced simplicity affected art and architecture, and he was a long-time student of the visual arts. He ends the book with a chapter on Tea Masters, and spends some time talking about Sen no Rikyū and his contribution to the Japanese Tea Ceremony. (from wikipedia.com)

A Dark History of Tea

A look at Britain's storied history with the beloved beverage, including slavery, war, drug smuggling, fortune telling, and the economy's globalisation. A Dark History of Tea looks at our long relationship with this most revered of hot beverages. Renowned food historian Seren Charrington-Hollins digs into the history of one of the world's oldest beverages, tracing tea's significance on the tables of the high and mighty as well as providing relief for workers who had to contend with the ardours of manual labour. This humble herbal infusion has been used in burial rituals, as a dowry payment for aristocrats; it has fuelled wars and spelled fortunes as it built empires and sipped itself into being an integral part of the cultural fabric of British life. This book delves into the less tasteful history of a drink now considered quintessentially British. It tells the story of how, carried on the backs of the cruelty of slavery and illicit opium smuggling, it flowed into the cups of British society as an enchanting beverage. Chart the exportation of spices, silks and other goods like opium in exchange for tea, and explain how the array of good fortunes—a huge demand in Britain, a marriage with sugar, naval trade and the existence of the huge trading firms—all spurred the first impulses of modern capitalism and floated countries. The story of tea takes the reader on a fascinating journey from myth, fable and folklore to murky stories of swindling, adulteration, greed, waging of wars, boosting of trade in hard drugs and slavery and the great, albeit dark engines that drove the globalisation of the world economy. All of this is spattered with interesting facts about tea etiquette, tradition and illicit liaisons making it an enjoyable rollercoaster of dark discoveries that will cast away any thoughts of tea as something that merely accompanies breaks, sit downs and biscuits. Praise for A Dark History of Tea “The author gathers many of the dangerous and morbid events throughout tea history and compiles them into one well-researched book. An entertaining read for anyone looking for interesting tea history.” —Sara Shackett, Tea Happiness

The China Tea Book

A NEW YORK TIMES BOOK OF THE YEARHenrietta Lovell is best known as 'The Rare Tea Lady'. She is on a mission to revolutionise the way we drink tea by replacing industrially produced teabags with the highest quality tea leaves. Her quest has seen her travel to the Shire Highlands of Malawi, across the foothills of the Himalayas, and to hidden gardens in the Wuyi-Shan to source the world's most extraordinary teas. Infused invites us to discover these remarkable places, introducing us to the individual growers and household name chefs Lovell has met along the way - and reveals the true pleasures of tea. The result is a delicious infusion of travel writing, memoir, recipes, and glorious photography, all written with Lovell's unique charm and wit.

Infused

Winner of Fortnum & Mason Food and Drink Awards Drink Book Award 2019 Shortlisted for the André Simon Drinks Book of the Year Award 'Masterfully written, beautifully photographed' Nigel Slater This journey to the world's finest teas, captured in extraordinary photography, brings alive the aroma, taste and texture of this drink in all its many nuances, and will give connoisseurs and casual readers alike a much deeper understanding of how great tea is created. Includes sections on botany, cultivation, processing methods and the impact tea has had, and continues to have, on culture. The Life of Tea

also follows Michael and Timothy's travels in China, Japan, India and Sri Lanka, featuring the producers of some of the world's finest teas and the characteristics that make these teas so sought after. This book is the ultimate guide for tea enthusiasts, following the journey from plantation to pot.

The Life of Tea

Let Joseph Uhl be your guide to the entire world of tea; from peeks into tea production around the world to making your own blends at home. "You can never get a cup of tea large enough or a book long enough to suit me." - C.S. Lewis Tea is the ultimate, worldwide social beverage. Its variety of flavor, brewing, and presentation is infinite. Companies and consumers alike are reawakening to the benefits of high-quality, unprocessed, natural beverages, and tea is a perfect obsession for anyone interested in artisan food and healthy eating. The Art and Craft of Tea invites you to come behind the scenes, with the help of comprehensive, thoroughly researched facts, gorgeous full-color photos, and insider information. With a modern, accessible sensibility makes this book a pleasure to read, author Joseph Uhl is your ultimate guide to the universe of tea. If you want to go beyond reading and enter your kitchen, Joseph offers "recipes" for creating your own tea blends using natural ingredients.

The Art and Craft of Tea

What's hot? It's tea, in all its delicious and dizzying varieties! Steep yourself in this Little Black Book of Tea: The Essential Guide to All Things Tea, offering a brisk, full-bodied look at tea varieties and grades, teas of the world, and brewing basics, with recipes for tea drinks and accompaniments. A book for any tea aficionado!

The Little Black Book of Tea

Tea-ology- A Guide To All Things Tea! by Maya-Rose Nash From its early beginnings, to how Tea found its way into our cups and hearts, Tea-Ology is filled with historic and interesting facts about Tea. The author has blended her love of the Victorian Era and family traditions, with all things tea, for the reader to not only learn about the world's second most popular beverage, but to discover some useful and practical information. Recipes, hosting a tea party and a section devoted to the art of tea leaf reading, including a tutorial on becoming an expert in the age old form of divination. So brew a pot of tea and pick up a copy and get ready to discover Tea-Ology!

Tea-Ology

How do you like your tea? An ethereal infusion, the ghost of a scent wafting across your taste buds? Or a mug of traditional brew, so strong that a spoon can stand up in it? We've been drinking tea for thousands of years, yet few of us realize that all tea from elegant lapsang to pungent pu-erh come from the same source. The taste is down to science: geography, chemistry, and physics, the application of heat and pressure, and the magic of time and enzymes. How to Make Tea lays out the principles for the tea-loving nonscientist; extract the best from every cup.

How to Make Tea

Presents creative themes for afternoon tea parties, along with full menus, recipes, and tips on adding extra touches for the event.

Tea with a Twist

A cup of tea is an everyday pleasure for people the world over. And increasingly there is a dizzying array of teas to choose from - from robust black tea to elegant green tea and everything in between. In fact every tea has a fascinating story to tell about the place in which it grew - from soil, climate and altitude to the choices its producers made in processing it. Then there are the myriad ways in which that tea can be prepared for your daily cup. Tea mixologist Krisi Smith sets out what you need to know to appreciate teas of all descriptions - from harvesting and processing methods for different varieties to how to make the perfect cup. The world's key tea-growing regions and their best products are identified and their taste profiles explained - from China, Taiwan, Japan, India and Sri Lanka to Nepal, Vietnam and East Africa. The world of tea is fast-moving and Krisi also includes info on everything from blending teas to your own taste and some innovative recipes, to health benefits and the perfect kit to make your brew truly delicious.

World Atlas of Tea

This pocket-sized handbook to all things tea is the perfect gift for tea connoisseurs, tea newbies, and anyone who appreciates a good cuppa. Tea is one of the most popular beverages in the world—second only to water. And there's so much to learn and try beyond the colorful boxes in the grocery store. Like wine and beer, each tea variety has its own distinct history, source, and flavor profile, from Darjeeling to matcha to Silver Needle. Tea is also embedded in the traditions of many cultures around the world and is shared with others through distinctive ceremonies that include unique customs, foods, and accessories. Within the pages of this pocket-sized guide, you'll find information, how-tos, and trivia for tea lovers of all levels. Experts and newbies alike will learn about • Tea Bags vs. Loose Leaf • Anatomy of a Tea Plant • How to Prepare Tea • Tea Families and Common Varieties • Types of Teapots and How to Use Them • Tea Traditions Across the World Plus an illustrated guide to tea accessories, terms every tea lover should know, highlights from tea history, a tea tasting guide, tips for throwing tea parties, and much more!

Stuff Every Tea Lover Should Know

This fun, attractive collection rejoices in all there is to learn, savor, praise, and enjoy about tea. Every turn of the page offers a feast of quotes about the wonder of tea facts about tea's history and qualities tea-for-two (and more) party tips sips of inspiration for everyday living suggestions to make the most of every cup Sized and designed for maximum gift-giving appeal, this presentation will serve joy to anyone longing for the restorative and flavorful spirit of tea.

365 Things Every Tea Lover Should Know

In this detailed, image-rich reference first published in 1935, William Ukers describes the history, cultivation method and etymology of the world's teas. His research led him to Brazil, Sumatra, Colombia, India, China, Japan, and the ports of Africa, Europe, and the Americas. This edition includes Books I, II and III, which cover the historical, technical and scientific aspects of tea.

All About Tea

"If ever there was a book to read in the company of a nice cuppa, this is it." -The Washington Post In the dramatic story of one of the greatest acts of corporate espionage ever committed, Sarah Rose recounts the fascinating, unlikely circumstances surrounding a turning point in economic history. By the middle of the nineteenth century, the British East India Company faced the loss of its monopoly on the fantastically lucrative tea trade with China, forcing it to make the drastic decision of sending Scottish botanist Robert Fortune to steal the crop from deep within China and bring it back to British plantations in India. Fortune's danger-filled odyssey, magnificently recounted here, reads like adventure fiction, revealing a long-forgotten chapter of the past and the wondrous origins of a seemingly ordinary beverage.

For All the Tea in China

"A guide to history of tea throughout Asia, its origins, and its popularization across the world. Complete with recipes using tea as ingredients and suggestions on pairing tea with food."--

Tea

Although tea had been known and consumed in China and Japan for centuries, it was only in the seventeenth century that Londoners first began drinking it. Over the next two hundred years, its stimulating properties seduced all of British society, as tea found its way into cottages and castles alike. One of the first truly global commodities and now the world's most popular drink, tea has also, today, come to epitomize British culture and identity. This impressively detailed book offers a rich cultural history of tea, from its ancient origins in China to its spread around the world. The authors recount tea's arrival in London and follow its increasing salability and import via the East India Company throughout the eighteenth century, inaugurating the first regular exchange—both commercial and cultural—between China and Britain. They look at European scientists' struggles to understand tea's history and medicinal properties, and they recount the ways its delicate flavor and exotic preparation have enchanted poets and artists. Exploring everything from its everyday use in social settings to the political and economic controversies it has stirred—such as the Boston Tea Party and the First Opium War—they offer a multilayered look at what was ultimately an imperial industry, a collusion—and often

clash—between the world's greatest powers over control of a simple beverage that has become an enduring pastime.

Empire of Tea

A tasteful guide that explores the pleasures of tea through word and image. In a skin-ny-no-whip-mocha-latte world, *The Tea Drinker's Handbook* is a refreshing return to America's roots in tea-drinking. Though tea is one of the most-consumed beverages in the world, second only to water, it is far from mundane. For both the lifelong tea drinker and the recent convert, *The Tea Drinker's Handbook* is an indispensable reference for anyone interested in all things tea. The founders of Le Palais des Thés, a retail chain known for the high quality of its selection of teas, have traveled for over twenty years to plantations all over the world in search of the rarest teas, and the result is this handsome and enlightening book. This is the first guide written under the Le Palais des Thés brand. In addition to ten shops in France, there are stores in Brussels, Oslo, Tokyo, and Beverly Hills, and their products are sold at Bergdorf Goodman. In this impressive and comprehensive guide, we rediscover tea, its cultivation, and all of its richness and complexity. In addition to being an informative resource, this book is also a true tasting guide for tea lovers. The authors open our eyes (and introduce our palates) to tea-tasting, as they list the top fifty teas of the world—complete with tasting sheets—and include comments and advice for each. And with 200 illustrations, *The Tea Drinker's Handbook* informs and instructs with both fascinating text and alluring images.

The Tea Drinker's Handbook

An expert and entertaining guide to tea from Fortnum & Mason by award-winning food writer, Tom Parker Bowles.

Fortnum & Mason: Time for Tea

This is a read-along edition with audio synced to the text, performed by Geraldine McEwan. The classic picture book story of Sophie and her extraordinary teatime guest has been loved by millions of children since it was first published more than fifty years ago. Now an award-winning animation!

The Tiger Who Came to Tea (Read aloud by Geraldine McEwan)

British writer and tea historian Jane Pettigrew has joined forces again with American tea writer Bruce Richardson to chronicle the fascinating story of tea's influence on British and American culture, commerce and community spanning nearly four centuries. These two leading tea professionals have seen first-hand the current tea renaissance sweeping modern culture and have written over two dozen books on the subject of tea, including *The New Tea Companion*. No beverage has shaped Western civilization more than the ancient elixir - tea. Follow tea's amazing journey from Canton to London, Boston and beyond as these two leaders of today's tea renaissance weave a fascinating story detailing how the leaves of a simple Asian plant shaped the culture and politics of both the United Kingdom and the United States. CHAPTER HIGHLIGHTS THE SEVENTEENTH CENTURY: First Tea in England * East India Company * America's Thirst for Tea * Tea Jars & Caddies THE EIGHTEENTH CENTURY: Teas for Sale * Tea Smuggling * Tea Etiquette * Liberty Tea * Boston Tea Party THE NINETEENTH CENTURY: An Empire Built on Tea * Jane Austen's Tea Things * Afternoon Tea * Glasgow Tea Movement * Tea & Suffrage THE TWENTIETH CENTURY: Teabags * The Tea Room Movement * Wartime Tea * Rise of American Tea Brands * Tea Dances * Specialty Tea THE TWENTY-FIRST CENTURY The American Teasmith * Tea & Health * The Starbucks Effect * Culinary Tea

A Social History of Tea

The material for this book has accumulated over twelve years of active practice in Japan's rite of tea of which the author has received full instructorship; two years of full-time employment at a traditional tea vendor in the heart of Uji, during which he studied for and passed the examination of the Nihoncha Instructor Association and received certification as accredited instructor; regular meetings with, and tea farm visits at the properties of skilled artisan tea manufacturers, encounters that have provided much insight in subjects as the struggles of tea farmers, the reality behind the manufacturing of tea, and the workings of the industry as a whole. In addition, for the past four years, the author has devoted his life to discovering the essence of tea through curating a special selection of tea, repeatedly talking

to and interviewing tea manufacturers, gathering insider information about the industry, etc. in order to truthfully and openly make this information available internationally. The discoveries made, and the information gathered during such interactions is what constitutes the foundation for the material presented in this book, and it is with the wish to objectively portray what Japanese tea at its core and in essence is that this book has been brought to life.

The Story of Japanese Tea

Unravel the history, sample the flavors and experience the amazing versatility of the world's favorite brew and all its health-giving properties. Unravel the history, sample the flavors and experience the amazing versatility of the world's favorite brew and all its health-giving properties. At the beginning of the book, tea expert Timothy d'Offay starts with the very basics with a section on water and tea tools to make brewing easier, like the hoop jug that helps you get the water temperature right for your green tea in an instant and with minimal fuss. Then, as well as traditional ways of making tea, he explores new brewing methods such as Flow Brew, which involves brewing one tea through another to create an infusion, and Ambient Tea, a way of making tea pair better with food. There is a Cold Brew chapter as well as one for delicious sparkling teas, called Kitchen Colas, which you can make in the comfort of your own home with tea and a few other natural ingredients. Fresh Fruit Tea Quarters are another new innovation, combining tea and fresh fruit juice to create a refreshing soft drink. One of most exciting recent developments in tea is the worldwide popularity of matcha both as a beverage and as an ingredient liberating it from the refined world of the tea ceremony. In Easy Leaf Tea there will be recipes to make the most of matcha and the other stoneground teas now available so you can learn to make tasty Somersault drinks—frappes, milk shakes, and ice creams. So turn on your kettle, tune into tea culture, and drop those tasteless tea bags for some of the best leaf tea experiences you can have.

Easy Leaf Tea

The ultimate teatime recipe collection with an introduction to serving traditional afternoon tea, photographed throughout.

The Perfect Afternoon Tea Recipe Book

After water, tea is the most consumed drink in the world - and the most popular beverage in the UK. This is a comprehensive study of the drink, from 2,500AD to the present day, exploring how it has changed the attitudes of nations, exposed divisions of class, influenced relations between management and labour, and led to significant advances in medicine.

Tea

Share in fifty years of magic... Celebrate your very own special moment with this incredible book containing all you need for your own party; based on the classic story of Sophie and her extraordinary teatime guest that was first published fifty years ago!

The Tiger Who Came to Tea Party Book

A collection of floral-infused paintings by Susan Rios welcomes tea-lovers and those who appreciate the beauty of simplicity to join Emilie Barnes for a cup of wisdom. With the warmth of a conversation between friends, Emilie shares 13 inspirational life lessons learned over tea, including: everyone brings something special to the table a teacup, like life, is fragile...and resilient tradition is a comfort variety infuses your cup with flavor always say please and thank you Alongside Emilie's reflections, excerpted from her popular book "If Teacups Could Talk," a gathering of inspiring quotes, Scriptures, and teatime ideas will delight the senses and spirit of those who cherish everyday moments that turn into celebrations over tea.

Everything I Know I Learned Over Tea

How did drinking the infusions of a unique plant from China become a vital part of everyday life? This gift book presents an entertaining and illuminating introduction to the history and culture of tea, from its origins in the Far East to the flavors and properties of different varieties, and the rituals of tea preparation and drinking around the world. This simple hot beverage is suffused with artistic and religious overtones. The Chinese Ch'a Ching gave very precise guidelines to the preparation and sipping of tea, and the

Japanese tea ceremony elevated it to an art form. Following its introduction to the royal court in the 17th century, the British created their own traditions, from the elaborate etiquette of afternoon tea to the humble pot of tea at the heart of family life, and the modern appreciation for specialty infusions.

Fortnum & Mason

The internationally renowned Fortnum & Mason store in Piccadilly, London, is synonymous with style, elegance, English charm and, above all, that most traditional of pastimes: tea-drinking. Celebrating the long-standing British institution, this beautiful pocket book covers everything on the art of taking tea - from the history of afternoon tea drinking to Fortnum's relationship with tea. The book also includes over 45 recipes for all types of teatime delight, from delicate sandwiches, rose biscuits and lemon curd meringues to sumptuous teabreads, brownies and cupcakes, as well as guiding the reader through the best types of tea to accompany them. Beautifully illustrated with full-colour photography throughout, this charming book is a must-have for tea drinkers everywhere.

The Philosophy of Tea

Written by one of the country's leading tea professionals, this work is an illuminating resource for tea drinkers interested in developing and refining their palate as well as their understanding of the complex agricultural, historical, and cultural significance of tea.

Tea at Fortnum & Mason

A decadent guide to the ultimate afternoon teas from Ms Marmite Lover, winner of the 2014 Fortnum & Mason Best Online Food Writer Award There is no more pleasurable way to while away a few hours than by indulging in a delectable afternoon tea. In this book, queen of the tea party, Kerstin Rodgers, reveals her secrets – from dressing the table, to baking scrumptious sweet and savoury treats. As well as recipes for classic tea party fare – Scones, Teacakes, Tartlets, Cupcakes, Crumpets, Biscuits, Muffins and more – the book looks beyond finger sandwiches with playful and sophisticated themed teas. Spoil your guests with a decadent Marie Antoinette-inspired party, complete with delicate French Fancies and an impressive Croquembouche Tower, or transport them to the mystical East with Bubble Tea, fragrant Lavender Temari Cakes and personalised Fortune Cookies. Packed with recipes for tea party treats, hot and cold drinks and cocktails, as well as tips for creating the right atmosphere, this gorgeous collection is a must-have for any aspiring host looking to create deliciously decadent tea parties at home.

The Harney & Sons Guide to Tea

Matcha is a Japanese green tea powder that is fondly referred to by teapigs as 'a superhero among teas', thanks to its natural antioxidant qualities. It is widely consumed in both food and drink in Japan, but is becoming increasingly popular around the world as its health benefits and unique taste are embraced globally. Louise Cheadle and Nick Kilby uncover the history behind this phenomenal green powder, looking at how matcha is specially grown, graded and ground. They also examine the health benefits of this super tea, which has been used for centuries by Buddhist monks to keep them focused during meditation, and how it is used today to flavour everything from Kit Kats to Oreos, bread to ice cream. Matcha shots were served at New York Fashion Week in 2015, reflecting the growing popularity of this fascinating beverage, and many are predicting matcha will replace kale as the next big 'superfood'. Detailing the history of matcha, how it's produced, its immense health benefits and its varied culinary uses, The Book of Matcha also features over 40 recipes that show you how to use this versatile and antioxidant ingredient at home.

Come abbinare uova e vino? 5 cose da sapere per non ...

Se le uova strapazzate sono accompagnate con carni o salumi, l'abbinamento con il rosso regge molto bene. Via libera quindi a vini rossi giovani, che dovranno essere secchi, morbidi, discretamente alcolici, freschi di acidità, deboli di corpo. Un consiglio? Provate ...

Uova e Vino: idee e consigli per un perfetto abbinamento

Quando l'uovo è la star indiscussa del piatto, come in un uovo sodo o alla coque, è importante optare per vini secchi e giovani, in prevalenza vini bianchi e con buona gradazione alcolica. Questi vini agiranno da contorno, elevando la semplicità dell'uovo a una nuova dimensione di freschezza. Quando l'uovo è abbinato ...

Cosa abbinare alle uova: 10 ricette per pasti deliziosi - Almaverde Bio

28 Jan 2021 — Con le uova cotte in acqua bollente, sode, alla coque, in camicia e bazzotte, il miglior abbinamento possibile è quello con il Vermentino. Ma attenzione: dovrai considerare la succulenza del tuorlo. Nell'uovo in camicia, ad esempio, il tuorlo conserva una certa viscosità e succosità, rispetto ad ...

Cosa abbinare alle uova sode dieta - Torrinomedica

22 Mar 2023 — Le uova strapazzate, al tegamino e all'occhio di bue sono piatti che si prestano bene ad abbinamenti con vini freschi e leggeri. Ecco alcuni suggerimenti: Glera: questo vino bianco leggero è un'ottima scelta per accompagnare le uova strapazzate, soprattutto se servite a colazione o ...

COME ABBINARE CORRETTAMENTE CIBI E VINO?

11 Sept 2022 — I rossi possono essere scelti in alcuni casi – puntando su quelli non troppo strutturati – ma in generale è il bianco che, per le sue caratteristiche intrinseche, meglio si presta ad essere abbinato con frittate, uova al tegamino o alla coque e uova in camicia. Particolare attenzione va prestata all' ...

Uova e Vino: idee e consigli per un perfetto abbinamento

1 Jul 2022 — L'abbinamento è ottimo: l'aromaticità e la persistenza del piatto sono ben sostenute dallo spumante e la grassezza in bocca viene perfettamente pulita dalle bollicine. Il gruppo è soddisfatto: si parla di accostamenti, si ragiona sui vini e su quanto proposto dalla sapiente cucina dello chef Daniele ...

Uova e vino: i migliori abbinamenti

13 Feb 2024 — Abbinamenti enologici Accompagnate l'esplosione di sapori dell'uovo al pomodoro con un vino rosso leggero e fruttato. Un Chianti, un Barbera, un Cerasuolo di Vittoria, un Pinot Noir o un Valpolicella sono scelte perfette.

L'abbinamento perfetto: come scegliere il vino per ...

I vini consigliati con piatti a base di uova sono bianchi leggeri, freschi e giovani, anche effervescenti. Possono essere vini più o meno strutturati a seconda del piatto. Se non sai cosa abbinare alle uova, controlla questa sezione dedicata ai vini da bere in ...
