The Spring of the Ram

In fifteenth-century Europe, young Niccolo travels from Florence to Trevizond on the Black Sea, where the West and the Orient meet and where he finds both opportunity and danger.

The Spring of the Ram

In sixteenth-century Europe, young Niccolo travels from Florence to Trebizond on the Black Sea, where the West and the Orient meet and where he finds both opportunity and danger

The Spring of the Ram

In 1461, the mysterious enigmatic Nicholas is in Florence. Backed by none other than Cosimo de' Medici, he will sail the Black Sea to Trebizond, last outpost of Byzantium, and the last jewel missing from the crown of the Ottoman Empire. But trouble lies ahead. Nicholas's step-daughter - at the tender age of thirteen - has eloped with his rival in trade: a Machiavellian Genoese who races ahead of Nicholas, sowing disaster at every port. And time is of the essence: Trebizond may fall to the Turks at any moment. Crackling with wit, breathtakingly paced, THE SPRING OF THE RAM is a pyro technic blend of scholarship and narrative shimmering with the scents, sounds, colors and combustible emotions of the 15th century.

Niccolo Rising

In this first book of The House of Niccolò series, the author of the Lymond Chronicles introduces a new hero, Nicholas vander Poele of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett, grande dame of the historical novel, presents The House of Niccolò series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poele of Bruges. Niccolò Rising, Book One of the series, finds us in Bruges, 1460. Jousting is the genteel pastime, and successful merchants are, of necessity, polyglot. Street smart, brilliant at figures, adept at the subtleties of diplomacy and the well-timed untruth, Dunnett's hero rises from wastrel to prodigy in a breathless adventure that wins him the hand of the strongest woman in Bruges and the hatred of two powerful enemies. From a riotous and potentially murderous carnival in Flanders, to an avalanche in the Alps and a pitched battle on the outskirts of Naples, Niccolò Rising combines history, adventure, and high romance in the tradition stretching from Alexandre Dumas to Mary Renault.

Race of Scorpions

With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett presents The House of Niccolò series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poele of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. In 1462, Nicholas is a wealthy 21-year-old. His beloved wife has died. His stepchildren have locked him out of the family business. He and his private army are the target of multiple conspiracies. And both contenders for the throne of Cyprus, the brilliant Queen Carlotta and her charismatic, sexually ambivalent brother James, are demanding his support. Walking a tightrope of intrigue, Dunnett's hero juggles adversaries and allies, from the delectable courtesan Primaflora to the Mameluke commander Tzani-Bey al Ablak, a man of undiluted evil. Masterfully paced, alive with sensual delights, Race of Scorpions confirms Dorothy Dunnett as the grande dame of the genre.

Scales of Gold

With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett, grande dame of the historical novel, presents The House of Niccolò series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poele of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. The year 1464 finds Nicholas back in Venice. Plagued by enemies bent on dissolving his assets and smearing his character, he sets sail for Africa, legendary location of the Fountain of Youth, home to a descendant of Sheba and Solomon, and the source of gold in such abundance that men prefer to barter in shells. He will learn firsthand the brutality and grandeur of the Dark Continent, from the horror of the slave trade to the austere nobility of Islamic Timbuktu. He will discover, too, the charms of the beautiful Gelis van Borselen--a woman whose passion for Nicholas is rivaled only by her desire to punish him for his role in her sister's death. Erotic and lush with detail, Scales of Gold embraces the complexity of the Renaissance, where mercantile adventure couples with more personal quests behind the silken curtains of the Age of Discovery.

The Unicorn Hunt

With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett, grande dame of the historical novel, presents The House of Niccolo series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poele of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. Scotland, 1468: a nation at the edge of Europe, a civilization on the threshold of the Modern Age. Merchants, musicians, politicians, and pageantry fill the court of King James III. In its midst, Nicholas seeks to avenge his bride's claim that she carries the bastard of his archenemy, Simon St. Pol. When she flees before Nicholas can determine whether or not the rumored child is his own—or exists at all—Nicholas gives chase. So begins the deadly game of cat and mouse that will lead him from the infested cisterns

of Cairo to the misted canals of Venice at carnival. Breathlessly paced, sparkling with wit. The Unicorn Hunt confirms Dorothy Dunnett as the genre's finest practitioner.

Two Birds in a Tree

The health of business is inextricably linked with the health of humanity and nature. But our current approaches to leadership treat business as entirely separate—and the result has been recurring economic, environmental, and human crises. In this extraordinary book, Ram Nidumolu uses evocative parables and stories from the ancient Indian wisdom texts, the Upanishads, to introduce Being-centered leadership. This new kind of leadership is anchored in the concept of Being, the fundamental reality that underlies all phenomena. Being-centered leaders are guided by an innate sense of interconnection—the good of the whole becomes an integral part of their decisions and actions. Using the experiences of over twenty trailblazing CEOs, as well as those from his own life, Nidumolu describes a four-stage road map every aspiring leader can use to reconnect business to the wider world—to the benefit of all.

King Hereafter

'A storyteller who could teach Scheherazade a thing or two about pace, suspense and imaginative invention' New York Times THE REAL MACBETH . . . It is the eleventh century and in the isles of Orkney a young boy is born. He is named Thorfinn, baptized as Macbeth. To the north are the warring Vikings and south lies Alba - the Scottish mainland. Orkney is the prize in between, and an unlikely place from which a young man might launch a bid as ruler of a united Scotland. Yet Thorfinn is unlike other men. He has a warrior's courage and the wiliness of the underdog. By his side stands his wife Groa, as shrewd and valiant as her husband. Together they will navigate the treacherous waters of the new millennium, uniting a divided nation and birthing a legend that will survive a thousand years. Thorfinn Macbeth will be King Hereafter . . . 'Stunning' Washington Post

Medieval Robots

Medieval robots took such forms as talking statues, mechanical animals, or silent metal guardians; some served to entertain or instruct while others performed surveillance or discipline. Medieval Robots explores the forgotten history of real and imagined machines that captivated Europe from the ninth through the fourteenth centuries.

Heroism in the Harry Potter Series

Taking up the various conceptions of heroism that are conjured in the Harry Potter series, this collection examines the ways fictional heroism in the twenty-first century challenges the idealized forms of a somewhat simplistic masculinity associated with genres like the epic, romance and classic adventure story. The collection's three sections address broad issues related to genre, Harry Potter's development as the central heroic character and the question of who qualifies as a hero in the Harry Potter series. Among the topics are Harry Potter as both epic and postmodern hero, the series as a modern-day example of psychomachia, the series' indebtedness to the Gothic tradition, Harry's development in the first six film adaptations, Harry Potter and the idea of the English gentleman, Hermione Granger's explicitly female version of heroism, adult role models in Harry Potter, and the complex depictions of heroism exhibited by the series' minor characters. Together, the essays suggest that the Harry Potter novels rely on established generic, moral and popular codes to develop new and genuine ways of expressing what a globalized world has applauded as ethically exemplary models of heroism based on responsibility, courage, humility and kindness.

To Lie with Lions

Merchant-banker Nicholas de Fleury, having wrested his infant son from the boy's formidable mother, pauses en route to the land of golden light to set in train a deception that will ensnare nations in the triumphant ruin of his enemies. This is volume six in the "House of Niccolo".

The Book of the Courtier

"The Book of the Courtier" by Baldassarre conte Castiglione is a lengthy philosophical dialogue on the topic of what constitutes an ideal courtier or court lady, worthy to befriend and advise a Prince or political leader. Castiglione set the narrative of the book in his years as a courtier in his native Duchy

of Urbino. It offers a poignantly nostalgic evocation with a reverent tribute to the friends of Castiglione's youth.

The Dorothy Dunnett Companion

Dorothy Dunnett has earned worldwide acclaim for the masterful blending of historical fact and imagination in her two series of novels set in brilliantly reconstructed fifteenth- and sixteenth-century landscapes. The Dorothy Dunnett Companion II is an encyclopedic resource that completes and expands the reach of the first Companion in documenting the historical and literary riches of Dunnett's Lymond Chronicles and House of Niccolo novels. In this second guide, Elspeth Morrison not only covers the final three Niccolo novels for the first time, but also provides a wealth of additional information about all of the earlier novels and highlights the links between the two now-completed series. Once again, she illuminates the real figures and events and the cultural and literary allusions Dunnett weaves into her works, translating foreign phrases and offering up fascinating background details, from the history of golf and the argot of galley slaves to the uses of puffins and polar bears. Together with the first Companion, The Dorothy Dunnett Companion II provides a complete and essential guide to the world of Lymond and Niccolo.

Caprice And Rondo

January 1474, in the deep cold of an ice-bound Danzig: a man is spending a frivolous winter not facing up to his responsibilities ... It is the merchant Niccolo, diviner, soldier, banker to Kings; shunned by all who know him after revelations of his murderous mischief-making. But his talents are too great to be squandered, and a subtle political dance ensues as rivals in Poland, Venice, and Persia bid for his services in trade and war and diplomacy. Niccolo has lost his family; but he will discover a new purpose in life...

Gemini

'Dunnett's legion of devoted readers will need no recommendation to buy GEMINI. They would, I imagine, walk barefoot to the bookshop over broken glass to get it ... Anyone reading this novel, even as an introduction to Dunnett's work will, I suspect, join that band of admirers' Sunday Times GEMINI represents the final appearance of Nicholas de Fleury, who opened this series as a carefree, clumsy 18 year old apprentice in Flanders. Now he is in his thirties. The culmination of this amazing series sees Niccolo face his toughest battle yet, against an enemy who will tax every skill he has acquired over the course of the last few years...

Blockchain Chicken Farm

A New York Times Book Review Editors' Choice "A brilliant and empathetic guide to the far corners of global capitalism." --Jenny Odell, author of How to Do Nothing From FSGO x Logic: stories about rural China, food, and tech that reveal new truths about the globalized world In Blockchain Chicken Farm, the technologist and writer Xiaowei Wang explores the political and social entanglements of technology in rural China. Their discoveries force them to challenge the standard idea that rural culture and people are backward, conservative, and intolerant. Instead, they find that rural China has not only adapted to rapid globalization but has actually innovated the technology we all use today. From pork farmers using AI to produce the perfect pig, to disruptive luxury counterfeits and the political intersections of e-commerce villages, Wang unravels the ties between globalization, technology, agriculture, and commerce in unprecedented fashion. Accompanied by humorous "Sinofuturist" recipes that frame meals as they transform under new technology, Blockchain Chicken Farm is an original and probing look into innovation, connectivity, and collaboration in the digitized rural world. FSG Originals x Logic dissects the way technology functions in everyday lives. The titans of Silicon Valley, for all their utopian imaginings, never really had our best interests at heart: recent threats to democracy, truth, privacy, and safety, as a result of tech's reckless pursuit of progress, have shown as much. We present an alternate story, one that delights in capturing technology in all its contradictions and innovation, across borders and socioeconomic divisions, from history through the future, beyond platitudes and PR hype, and past doom and gloom. Our collaboration features four brief but provocative forays into the tech industry's many worlds, and aspires to incite fresh conversations about technology focused on nuanced and accessible explorations of the emerging tools that reorganize and redefine life today.

The Unicorn

WITH AN INTRODUCTION BY STEPHEN MEDCALF When Marian Taylor takes the post of governess at Gaze castle, remote house on a beautiful but desolate coast, she finds herself confronted with many strange mysteries. What kind of crime or catastrophe in the past still keeps the house under a brooding spell? And is her employer Hannah an innocent victim, a guilty woman, a lunatic, or a witch?

Venus and the Arts of Love in Renaissance Florence

In this volume, Rebekah Compton offers the first survey of Venus in the art, culture, and governance of Florence from 1300 to 1600. Organized chronologically, each of the six chapters investigates one of the goddess's alluring attributes – her golden splendor, rosy-hued complexion, enchanting fashions, green gardens, erotic anatomy, and gifts from the sea. By examining these attributes in the context of the visual arts, Compton uncovers an array of materials and techniques employed by artists, patrons, rulers, and lovers to manifest Venusian virtues. Her book explores technical art history in the context of love's protean iconography, showing how different discourses and disciplines can interact in the creation and reception of art. *Venus and the Arts of Love in Renaissance Florence* offers new insights on sight, seduction, and desire, as well as concepts of gender, sexuality, and viewership from both male and female perspectives in the early modern era.

100 Must-read Historical Novels

This latest guide in the highly successful Must-Read series depicts 100 of the finest historical fiction tales published, with a further 500 recommendations. The text covers a wide range of classic works and key authors.

The Inimitable Jeeves

In *The Inimitable Jeeves*, Bertie Wooster and his valet Jeeves embark on a series of riotous adventures. Among other things they involve Bertie's feeble attempts to stop his friend Bingo Little from falling in love with every girl he meets. But the amiable chump's main concern is to avoid the eagle eye and iron will of his merciless Aunt Agatha. In one of the funniest works in the English language, P. G. Wodehouse charms, delights, and occasionally surprises the reader with his shrewd parody of the carefree lives of the English elite.

A History of Orgies

An orgy, the dictionary tells us, is “a wild gathering, marked by promiscuous sexual activity, excessive drinking, etc.” Burgo Partridge tells us precisely what that has meant down through the ages. He begins with the Greeks, who celebrated sexuality at Dionysian festivals, and the Romans, who imported unwholesome brutalities into their orgiastic celebrations. We then learn of the penchant for group sex displayed by medieval popes, the junketings of Restoration England, the aristocratic hedonists of the Hellfire Club and Scotland's notorious Wig Club, the orgiastic tastes of Casanova and the Marquis de Sade, right into the 20th century and the bizarre excesses of Aleister Crowley.

Musings of a Chinese Mystic

Here is the story of the forgotten pioneers of the Mohawk Valley during the Revolutionary War. Here Gilbert Martin and his young wife struggled and lived and hoped. Combating hardships almost too great to endure, they helped give to America a legend which still stirs the heart. In the midst of love and hate, life and death, danger and disaster, they stuck to the acres which were theirs, and fought a war without ever quite understanding it. *Drums Along the Mohawk* has been an American classic since its original publication in 1936.

A History of French Literature

A History of Western Political Thought is an energetic and lucid account of the most important political thinkers and the enduring themes of the last two and a half millennia. Written with students of the history of political thought in mind, the book: * traces the development of political thought from Ancient Greece to the late twentieth century * focuses on individual thinkers and texts * includes 40 biographies of key political thinkers * offers original views of theorists and highlights those which may have been unjustly neglected * develops the wider themes of political thought and the relations between thinkers over time.

World Authors, 1995-2000

The year is 1557 and Francis Crawford of Lymond must serve the King of France for a year before he can return to Russia, where he believes his destiny lies. Yet the astrologer John Dee has said: It is not one thing you seek, but two; and the place for neither is Russia. Lymond, exercising his formidable military talents against the English, has no desire to discover the meaning of this prophecy. But Philippa, his wife-in-name only, has. And she devotes her days to a hazardous search for the truth about the past, and the future, of her enigmatic husband.

Checkmate

A revolutionary rethinking of everything we know about power It shapes every interaction we have, whether we're trying to get a two-year-old to eat green vegetables or ask for a promotion at work. But how do we really gain power? And what does it do to us? As renowned psychologist Dacher Keltner reveals, the new science of power shows that our Machiavellian view of status is wrong. Influence comes not to those who are ruthless, but to those with socially intelligence and empathy. Yet, ironically, the seductions of success lead us to lose those very qualities that made us powerful in the first place. Keltner draws on fascinating case studies to illuminate this 'power paradox', revealing how it shapes not just companies and elections but everyday relationships. As his myth-busting research shows, power - and powerlessness - distorts our behaviour, affecting whether or not we will have an affair, break the law, drive recklessly or find our purpose in life. In twenty original 'power principles', Keltner shows how we can retain power by maintaining a focus on others. By redefining power as the ability to do good, The Power Paradox turns everything we know about influence, status and inequality upside down.

The Power Paradox

The third in Robert Greene's bestselling series is now available in a pocket sized concise edition. Following 48 Laws of Power and The Art of Seduction, here is a brilliant distillation of the strategies of war to help you wage triumphant battles everyday. Spanning world civilisations, and synthesising dozens of political, philosophical, and religious texts, The Concise 33 Strategies of War is a guide to the subtle social game of everyday life. Based on profound and timeless lessons, it is abundantly illustrated with examples of the genius and folly of everyone from Napoleon to Margaret Thatcher and Hannibal to Ulysses S. Grant, as well as diplomats, captains of industry and Samurai swordsmen.

The Scottish Highlands

In 1461, the mysterious enigmatic Nicholas is in Florence. Backed by none other than Cosimo de' Medici, he will sail the Black Sea to Trebizond, last outpost of Byzantium, and the last jewel missing from the crown of the Ottoman Empire. But trouble lies ahead. Nicholas's step-daughter - at the tender age of thirteen - has eloped with his rival in trade: a Machiavellian Genoese who races ahead of Nicholas, sowing disaster at every port. And time is of the essence: Trebizond may fall to the Turks at any moment. Crackling with wit, breathtakingly paced, *THE SPRING OF THE RAM* is a pyro technic blend of scholarship and narrative shimmering with the scents, sounds, colors and combustible emotions of the 15th century.

The 33 Strategies Of War

This collection investigates the culture and history of the Low Countries in the sixteenth and seventeenth centuries from both international and interdisciplinary perspectives. The period was one of extraordinary upheaval and change, as the combined impact of Renaissance, Reformation and Revolt resulted in the radically new conditions – political, economic and intellectual – of the Dutch Republic in its Golden Age. While many aspects of this rich and nuanced era have been studied before, the emphasis of this volume is on a series of interactions and interrelations: between communities and their varying but often cognate languages; between different but overlapping spheres of human activity; between culture and history. The chapters are written by historians, linguists, bibliographers, art historians and literary scholars based in the Netherlands, Belgium, Great Britain and the United States. In continually crossing disciplinary, linguistic and national boundaries, while keeping the culture and history of the Low Countries in the Renaissance and Golden Age in focus, this book opens up new and often surprising perspectives on a region all the more intriguing for the very complexity of its entanglements.

The Spring of the Ram

This second book in the legendary Lymond Chronicles follows Francis Crawford of Lymond who has been abruptly called into the service of Mary Queen of Scots. Though she is only a little girl, the Queen is already the object of malicious intrigues that extend from her native country to the court of France. It is to France that Lymond must travel, exercising his sword hand and his agile wit while also undertaking the most unlikely of masquerades, all to make sure that his charge's royal person stays intact.

From Revolt to Riches

Since publication in 1979 Isabel Rivers' sourcebook has established itself as the essential guide to English Renaissance poetry. It provides an account of the main classical and Christian ideas, outlining their meaning, their origins and their transmission to the Renaissance; illustrates the ways in which Renaissance poetry drew on classical and Christian ideas; contains extracts from key classical and Christian texts and relates these to the extracts of the English poems which draw on them; includes suggestions for further reading, and an invaluable bibliographical appendix.

Queens' Play

This third volume in The Lymond Chronicles, the highly renowned series of historical novels takes place in 1551, when Francis Crawford of Lymond is dispatched to embattled Malta, to assist the Knights of Hospitallers in defending the island against the Turks. But shortly the swordsman and scholar discovers that the greatest threat to the Knights lies within their own ranks, where various factions vie secretly for master.

Classical and Christian Ideas in English Renaissance Poetry

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total

domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Disorderly Knights

King

When King visits Kentucky for a few weeks to get to know his daughter, Lily, he learns that she is married to a killer and lives in a sex club. He is determined to destroy those responsible and see that Lily gets the future he thinks she deserves.

Razer's Ride

Beth Cornett is the town good girl, so staying out of the way of the motorcycle club's dangerous members was a no brainer. Unfortunately, she manages to catch the eye of Razer, who has every intention of tempting her to take him on despite her misgivings. When her worst fears are realized, she is left heartbroken, determined to forget her walk on the wild side. Razer was not going to change for any woman, not even Beth. Their lifestyles were too different; betrayed she ran. Realizing his mistake too late; she was not about to forgive and forget. It takes a killer intent on targeting Beth to bring her back to him and The Last Riders for protection. Razer may have learned his lesson, but this time, as long as she is at the club, she has to play by their rules. This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older. Lucky's Choice

Life dealt him a dead man's hand. Lucky had always led a life of service. Always put his life on the line for someone else, managing to survive by pure luck and skill. After bringing an end to a multi-state drug ring, he was finally able to live the life he had wanted as a Last Rider... A good man would walk away and not touch the curvy woman who had been tugging on his heartstrings. Lucky wasn't a good man. Therefore, the bad-ass biker in him had a choice: once again become the man he had pretended to be and stake his claim, or take the devil's highway. Some girls had all the luck. Willa wasn't one of them. All she wanted to do was give a home to the children she had made orphans. Instead, she found herself needing help from the man who had left the pulpit behind to embrace a life of sin. Painfully shy and withdrawn she wanted a quiet life, a simple man, and well-behaved children. The last thing she had ever expected was for Lucky to want her size twenty body and show her a passion that would lead her straight to hell. *WARNING* This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older. Please do not buy if strong sexual situations, multiple partners, violence, drugs, domestic discipline, BBW, and explicit language offends you. *NOTE TO READERS* This book is a stand alone story. However, to receive the full experience these books are recommended before "Lucky's Choice" in the following order: Razer's Ride (The Last Riders, #1) Viper's Run (The Last Riders, #2) Knox's Stand (The Last Riders, #3) Sex Piston (Biker Bitches, #1) Teased (The VIP Room, #1) Tainted (The VIP Room, #2) Shade's Fall (The Last Riders, #4) King (The VIP Room, #3) Cash (The Last Riders, #5) Fat Louise (Biker Bitches, #2) Shade (The Last Riders, #6)

Shade's Fall

Lily is everything Shade wants in a woman. She's sweet, kind and submissive. When she discovers the truth about the Last Riders, it threatens to tear apart every relationship within the club. Her rebellion causes the predatory instincts to rise in the ex Navy SEAL sniper. When The Last Riders are threatened by another motorcycle club just as determined to claim Lily, Shade is her only hope of surviving the approaching confrontation.

Rider's Revenge

Revenge is a seven-letter word that isn't for the faint of heart. It's a word for those who have been wronged. Jo Turner has been waiting five, long years to finally turn revenge into vengeance. Using

Rider, the pretty-faced manwhore, is simply the price she is willing to pay to satiate her desire for revenge. Little does she know, she makes herself a target from the one thing Rider has sworn to give his life to protect-The Last Riders. When you wake the soldier, be prepared for the consequences. Rider is going to teach her a hard lesson: revenge is a double-edged sword ... and it always cuts both ways.

The First Blast of the Trumpet Against the Monstrous Regiment of Women

Want, need, pain, and joy were emotions Shade had never known existed before Lily. He knew the first time he saw her face that she was going to change his life forever. The thing he hadn't expected was how hard it would be to hide who and what he was from her. Each step he took out of the shadows revealed more of himself, until only one secret remained. Shade arrogantly believed he could help heal the wounds from her past, but now it was his own past that was trying to tear them apart. To keep Lily, Shade would have to use the very skills he had been trying to hide from her. The skills that made him a killer ... a soulless monster.

Shade

As president of The Last Riders, Viper's only fear was losing his wife. After all, he had almost lost her once before. As wife to the president, Winter lived in fear every day: fear that a club enemy would take Viper from her, fear that one of the club women would tempt him to stray, fear that she wasn't enough of a woman for him. One thing Winter didn't fear was risking everything to carry her husband's child, even her health, yet Viper refused to take the chance. Losing hope, Winter made one last ditch effort, determined to make Viper realize that some things were worth fighting for besides the club.

Winter's Touch

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Absolute Book

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin

Ice As president of the Predators' MC, my men and I are used to preying on the weak and those stupid enough to cross our paths. So why does a straitlaced teacher make me sit up and take notice when I see her for the first time? The brothers all think she makes me weak, and believe me, weak in their eyes isn't where I want to be. She wants me to prove she means more to me than the club, and when I fail, she thinks she can just walk away. She's wrong. I'm a Predator, and nothing escapes me. Grace As a teacher, I'm supposed to want to educate those who want to learn, right? That's what I believed until I was told I'd have to teach a class at the prison. I didn't move to a town labeled as one of the safest places in America only to be faced with a bunch of Predators. He expects me to trust him despite being the reason I'm trapped in the middle of a prison riot. His club means more to him than I ever will, and if I give him a chance, he will break the fragile peace I have managed to find. The fourth of the five Richard Hannay novels by John Buchan. Here we find our hero Richard Hannay living a quiet life in the countryside with a wife and young child but his past comes back to haunt him and he once more must face up to an arch-enemy.

The Three Hostages

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell.

Urbane mystery, set in the pastoral reaches of the upper Thames, concerns the disappearance of young heir to a fortune. Insurance company investigator Miles Bredon takes on the case. Delightfully tongue-in-cheek tone, baffling clues, challenging mystery counterpointed by poetic evocation of the river and countryside. Fine novel by author of 10 celebrated "commandments" for writing detective fiction.

The Footsteps at the Lock

Winner of the 2013 Silver Medal in History from the Military Writer's Society of America Finalist, 2013 Colby Award Winner of the 2012 USA Best Book Award for Military History Philip Keith's *Blackhorse Riders* is the incredible true story of a brave military unit in Vietnam that risked everything to rescue an outnumbered troop under heavy fire—and the thirty-nine-year odyssey to recognize their bravery. Deep in the jungles of Vietnam, Alpha Troop, 1st Squadron, 11th Armored Cavalry, the famed Blackhorse Regiment, was a specialized cavalry outfit equipped with tanks and armored assault vehicles. On the morning of March 26, 1970, they began hearing radio calls from an infantry unit four kilometers away that had stumbled into a hidden North Vietnamese Army stronghold. Outnumbered at least six to one, the ninety-man American company was quickly surrounded, pinned down, and fighting for its existence. Helicopters could not penetrate the dense jungle, and artillery and air support could not be targeted effectively. The company was fated to be worn down and eventually all killed or captured. Overhearing the calls for help on his radio, Captain John Poindexter, Alpha Troop's twenty-five-year-old commander, realized that his outfit was the only hope for the trapped company. It just might be possible that they could "bust" enough jungle by nightfall to reach them. Not making the attempt was deemed unacceptable, so he ordered his men to "saddle up." With the courage and determination that makes legends out of ordinary men, they effected a daring rescue and fought a pitched battle—at considerable cost. Many brave deeds were done that day and Captain Poindexter tried to make sure his men were recognized for their actions. Thirty years later Poindexter was made aware that his award recommendations and even the records of the battle had somehow gone missing. Thus began the second phase of this remarkable story: a "battle" to ensure that his brave men's accomplishments would never be forgotten again. The full circle was completed when President Obama stepped to the podium on October 20, 2009, to award the Alpha Troop with the Presidential Unit Citation: the highest combat award that can be given to a military unit.

Blackhorse Riders

In this atmospheric, "tightly-woven" (Brandon Sanderson, New York Times bestselling author) YA fantasy that is *Wicked Saints* meets *There Will Come a Darkness*, four teens are drawn into a high-stakes heist in the perilous tomb of an ancient shapeshifter king. Long ago, shapeshifting monsters ruled the Commonwealth using blasphemous magic that fed on the souls of their subjects. Now, hundreds of years later, a new tomb has been uncovered, and despite the legends that disturbing a shapeshifter's final resting place will wake them once again, the Warlord is determined to dig it up. But it isn't just the Warlord who means to brave the traps and pitfalls guarding the crypt. A healer obsessed with tracking down the man who murdered her twin brother. A runaway member of the Warlord's Devoted order, haunted by his sister's ghost. An elitist archaeologist bent on finding the cure to his magical wasting disease. A girl desperate to escape the cloistered life she didn't choose. All four are out to steal the same cursed sword rumored to be at the very bottom of the tomb. But of course, some treasures should never see the light of day, and some secrets are best left buried...

"The Wheel Spins" is the novel about young and bright Iris Carr, who is on her way back to England after spending a holiday somewhere in the Balkans. After she is left alone by her friends, Iris catches the train for Trieste and finds company in Miss Froy, chatty elderly English woman. When she wakes up from a short nap, she discovers that her elderly travelling companion seems to have disappeared from the train. After her fellow passengers deny ever having seen the elderly lady, the young woman is on the verge of her nerves. She is helped by a young English traveler, and the two proceed to search the train for clues to the old woman's disappearance. Ethel Lina White (1876-1944) was a British crime writer, best known for her novel *The Wheel Spins*, on which the Alfred Hitchcock film, *The Lady Vanishes*, was based.

I've been in love with her for two years. The first time around, I screwed things up. I hesitated and the moment was gone. I passed when I shouldn't have. Not a total loss. I gained a best friend instead of whatever we might have been. Sydney is hands down the best thing that's ever happened to me,

and I'll do anything to keep her in my life. Even bury my feelings deep inside. But one hot summer together at the lake filled with lots of teeny-tiny bikinis and I'm ready to risk it all for a second chance. It's time to take my shot. "Reading a perfectly plotted Agatha Christie is like crunching into a perfect apple: that pure, crisp, absolute satisfaction."—Tana French, New York Times Bestselling Author From the Queen of Suspense, an all-new collection of her spookiest and most sinister stories, including an Agatha Christie story never before published in the USA, *The Wife of Kenite*! For lovers of the supernatural and the macabre comes this collection of ghostly and chilling stories from legendary mystery writer Agatha Christie. Fantastic psychic visions, specters looming in the shadows, encounters with deities, a man who switches bodies with a cat—be sure to keep the light on whilst reading these tales. *The Last Séance* gathers twenty stories, some featuring Christie's beloved detectives Hercule Poirot and Miss Marple, in one haunting compendium that explores all things occult and paranormal, and is an essential omnibus for Christie fans.

The Last Seance

The Crow Trap is the first book in Ann Cleeves' Vera Stanhope series - which is now a major TV detective drama starring Brenda Blethyn as Vera. Three very different women come together at isolated Baikie's Cottage on the North Pennines, to complete an environmental survey. Three women who each know the meaning of betrayal... Rachael, the team leader, is still reeling after a double betrayal by her lover and boss, Peter Kemp. Anne, a botanist, sees the survey as a chance to indulge in a little deception of her own. And then there is Grace, a strange, uncommunicative young woman, hiding plenty of her own secrets. Rachael is the first to arrive at the cottage, where she discovers the body of her friend, Bella Furness. Bella, it appears, has committed suicide - a verdict Rachael refuses to accept. When another death occurs, a fourth woman enters the picture - the unconventional Detective Inspector Vera Stanhope...

The Crow Trap: A Vera Stanhope Novel 1

Woods play an important and recurring role in horror, fantasy, the gothic, and the weird. They are places in which strange things happen, where you often can't see where you are or what is around you. Supernatural creatures thrive in the thickets. Trees reach into underworlds of earth, myth, and magic. Forests are full of ghosts. In this new collection, immerse yourself in the whispering voices between the branches in Wistman's Wood on Dartmoor, witness an inexplicable death in Yorkshire's Strid Wood and prepare yourself for an encounter with malignant pagan powers in the dark of the New Forest. This edition also includes notes on the real locations and folklore which inspired these deliciously sinister stories.

Weird Woods

My dear Isabelle, in the attic you will find a box with your name on it. Isabelle's archaeologist father dies leaving a puzzle: a mysterious African amulet. But what is it? And why did he want her to have it? On impulse she takes a plane to Morocco to find out. But has Isabelle's curiosity got the better of her? Almost killed in an accident which damages the amulet (revealing more of its secrets), she realises she must be careful. But when her rescuer, Taïb, who knows the dunes and their peoples, offers to help uncover the amulet's history, she cannot resist uncovering the story of Tin Hanan – She of the Tents – who made a legendary desert crossing alone, and her descendant Mariata. Across years and over hot, shifting sands, tracking the Salt Road, the stories of Isabelle and Taïb, Mariata and her lover, become entangled with that of the lost amulet. It is a tale of souls wounded by history and of love blossoming on barren ground.

The Salt Road

From the SFWA Grand Master, a “sexy, disturbing, touching, wildly comic . . . tour de force” that blends fantasy, women’s history, and slavery (Kirkus Reviews, starred review). In 1804, shortly before the Caribbean island of Saint Domingue is renamed Haiti, a group of women gather to bury a stillborn baby. Led by a lesbian healer and midwife named Mer, the women’s lamentations inadvertently release the dead infant’s “unused vitality” to draw Ezili—the Afro-Caribbean goddess of sexual desire and love—into the physical world. As Ezili explores her newfound powers, she travels across time and space to inhabit the midwife’s body, as well as those of Jeanne—a mixed-race dancer and the mistress of Charles Baudelaire living in 1880s Paris—and Meritet, an enslaved Greek-Nubian prostitute in ancient Alexandria. Bound together by Ezili and “the salt road” of their sweat, blood, and tears, the three women struggle against a hostile world, unaware of the goddess’s presence in their lives. Despite her magic, Mer suffers as a slave on a sugar plantation until Ezili plants the seeds of uprising in her mind. Jeanne slowly succumbs to the ravages of age and syphilis when her lover is unable to escape his mother’s control. And Meritet, inspired by Ezili, flees her enslavement and makes a pilgrimage to Egypt, where she becomes known as Saint Mary. With unapologetically sensual prose, Nalo Hopkinson, the Nebula Award–winning author of *Midnight Robber*, explores slavery through the lives of three historical women touched by a goddess in this “electrifying bravura performance by one of our most important writers” (Junot Díaz).

The Salt Roads

The deaths of three elderly men bring the forward-thinking Pascoe and the cynical, irreverent Dalziel into investigative action and, when Dalziel falls under suspicion, Pascoe proceeds on his own.

Transformers: The Manga, Vol. 1

Cobra - an extremist militia dedicated to the violent overthrow of the American government. G.I. Joe - an elite anti-terrorist squad created to protect the country from Cobra. The Transformers - sentient, shape-shifting robots from the distant planet Cybertron, embroiled in a civil war between the benign Autobots and the conquest-minded Decepticons. Only a conflict that threatens two worlds

could bring these disparate groups together! When Cobra Commander tries to use hyper-advanced Cybertronian teleportation technology for his terrorist activities, a malfunction of epic proportions occurs. The super computer that controls the teleportation gate scatters several Transformers into the time stream, marooning them at various points in Earth's history. If the time-tossed robots are not rescued, temporal feedback will unleash a firestorm that will rage throughout history, utterly destroying the planet. Meanwhile, on Cybertron, the evil Shockwave plots the ascension of the Decepticons! Only by allying with Cobra and the mysterious Transformers can G.I. Joe avert a disaster that could consume two worlds.

G.I. Joe/the Transformers

The ultimate Transformers saga begins here! The Transformers embark on an epic quest to the farthest reaches of the Transformers Universe - and beyond!

American Barbarian: the Complete Series

Told in vivid graphic novel form by a groundbreaking Eisner-nominated comics creator, the long-overdue biography of the legend who co-created Captain America, Iron Man, Black Panther, the Fantastic Four, the X-Men, and many more superhero favorites. "A fast-paced celebration of an underheralded legend within the comic-book industry."—Kirkus Reviews **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL** This sweeping, full-color comic book biography tells the complete life story of Jack Kirby, co-creator of some of the most enduring superheroes and villains of the twentieth century for Marvel Comics, DC Comics, and more. Critically acclaimed graphic novelist Tom Scioli breathes visual life into Kirby's life story--from his days growing up in New York during the Great Depression and discovering a love for science fiction and cartoons to his time on the frontlines in the European theatre of World War II where he experienced the type of action and adventure he'd later imbue his comic pages with, and on to his world-changing collaborations at Marvel with Stan Lee, where the pair redefined comics as a part of pop culture. Just as every great superhero needs a villain to overcome, Kirby's story also includes his struggles to receive the recognition and compensation that he believed his work deserved. Scioli captures his moves from Marvel to DC and back again, showing how Kirby himself and later his family fought to preserve his artistic legacy. Drawn from an unparalleled imagination and a life as exciting as his comic book tales, Kirby's super-creations have influenced subsequent generations of creatives in the comics field and beyond. Now, readers can experience the life and times of a comics titan through the medium that made him famous.

The Transformers

Cobra uses giant transforming robots in their attacks and prompts the U.S. military to form an elite group of soldiers.
