Shaping the Prayers of the People

This book offers a model of profound and accessible congregational prayer. At once inspirational and practical, it will empower and equip laypeople and clergy alike to offer heartfelt, informed, and appropriate prayers on behalf of the people of God. As Samuel Wells and Abigail Kocher say, "Interceding in public worship is a duty. This book is intended to make it a joy." Shaping the Prayers of the People begins by considering what public prayer is and offering practical guidelines for avoiding common pitfalls. It explores prayer as an integral part of worship and discusses the language we need (and don't need) to address God. Significantly, the book also provides an array of example prayers along with commentary.

A Call to Prayer

This comprehensive collection will fill the bill for ministers and worship leaders looking for prayers in the language and thought forms of today. The best material from three volumes--Contemporary Prayers for Public Worship and its two most popular sequels--have been assembled to create this treasury of prayers.

More Selected Prayers for Public Worship

Over 12,000 copies of this book have sold since publication in 2004. Containing completely new material, this user-friendly sequel to the bestselling Intercessions Handbook is for individuals and groups involved in the vital task of leading prayers in public worship. Easy to adapt to particular situations and with a wealth of creative suggestions for enlivening the prayers, The Second Intercessions Handbook covers: mainstream public worship festivals and special events, informal worship and worship for small groups, intercessions with children and young people, and personal intercession.

The Union Prayer Book

Prayers for public worship

Excerpt from Prayers for Public Worship The singular influence acquired by the late Dr. Service as a religious teacher was thought by many members of his congregation to be due to some extent to an unusual combination of qualities in his sermons and in the prayers which he composed for public worship. Prayers for Public Worship

A Comprehensive Guide to Corporate Prayer God commands his people to pray together and answers graciously when they do. The Bible specifically calls on church leaders to guide this essential form of corporate worship, but it can be challenging to pray boldly and confidently in front of others. This practical, step-by-step guide was created to help pastors and church leaders pray thoughtfully and biblically in public. Through seven guiding principles, Pat Quinn illustrates how to lead prayers of adoration, confession, and supplication to God, and covers the history of public prayer in Scripture. He also includes elegant, reverent, gospel-centered examples from the Latin Liturgy, John Calvin, the Puritans, John Wesley, and others, as well as many examples of his own congregational prayers. Pastors and church leaders will learn to glorify God more passionately, effectively intercede for the church and the world, and find joy—not fear—in praying publicly.

The Second Intercessions Handbook (reissue)

This revised, expanded edition of the Common Worship President's Edition contains everything to celebrate Holy Communion Order One throughout the church year. It combines relevant material from the original President's Edition with Eucharistic material from Times and Seasons, Festivals and Pastoral Services, and the Additional Collects.

Prayers for Living

An inspirational and practical guide for all who help to lead the intercessions in regular worship or offer prayers on specific occasions. It aims to empower and equip lay people and clergy alike to offer heartfelt, informed, thoughtful and appropriate prayers on behalf of the people of God for God's world.
