For God and the People

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

For God and the People - Prayers of the Social Awakening

This book fills a real need for pastors and students. Though there is currently a large body of material on the theological interpretation of Scripture, most of it is highly specific and extremely technical. J. Todd Billings here provides a straightforward entryway for students and pastors to understand why theological interpretation matters and how it can be done. / A solid, constructive theological work, *The Word of God for the People of God* presents a distinctive Trinitarian, participatory approach toward reading Scripture as the church. Billings's accessible yet substantial argument for a theological hermeneutic is rooted in a historic vision of the practice of scriptural interpretation even as it engages a wide range of contemporary issues and includes several exegetical examples that apply to concrete Christian ministry situations.

The Word of God for the People of God

In recent sociological approaches to the Old Testament, Christians have been finding unexpected resources for their ethical reflection and action relative to the modern world's pressing social and economic dilemmas. This unique survey by Christopher Wright examines life in Old Testament Israel from an ethical perspective by considering how the economic facts of Israel's social structure were related to the people's religious beliefs. Observing the centrality of the family in social, economic and religious spheres of Israelite life, Wright analyzes Israel's theology of land, the rights and responsibilities of property owners, and the socioeconomic and legal status of dependent persons in ancient Israel - wives, children, and slaves - showing the mutual interaction between such laws, institutions, and customs and the nation's covenant relationship with God. While primarily exegetical, *God's People in God's Land* contains many useful insights for Christian social ethics: Wright suggests how the ethical application of his findings might proceed as Christians with different theological perspectives and cultural contexts seek to work out the relevance of the Old Testament for today.

God's People, God's Plan

By recovering a largely forgotten English Renaissance mindset that regarded sovereignty and Providence as being fundamentally entwined, Alexander Haskell reconnects concepts historians had before treated as separate categories and argues that the first English planters in Virginia operated within a deeply providential age rather than an era of early modern entrepreneurialism. These men did not merely settle Virginia; they and their London-based sponsors saw this first successful English venture in America as an exercise in divinely inspired and approved commonwealth creation. When the realities of Virginia complicated this humanist ideal, growing disillusionment and contention marked debates over the colony. Rather than just "selling" colonization to the realm, proponents instead needed to overcome profound and recurring doubts about whether God wanted English rule to cross the Atlantic and the process by which it was to happen. By contextualizing these debates within a late Renaissance phase in England, Haskell links increasing religious skepticism to the rise of decidedly secular conceptions of state power. Haskell offers a radical revision of accepted narratives of early modern state formation, locating it as an outcome, rather than as an antecedent, of colonial endeavor.

God's People in God's Land

In this book, Graham Turner confronts many of our assumptions about the Old and New Testament and shows that they are centred around two themes: personal spirituality and social justice.

For God, King, and People

'All God's People: A Theology of the Church' sets out a corrective understanding of the nature of the church universal with a focus on implications for the church local. The book is divided into three basic sections: A Historical Theology of the Church surveys the history of theology of the church, beginning with the early church, the formative years for all Christian theology; A Biblical Theology of the Church examines the Old Testament, Gospels, and apostolic sense of the people of God; A Systematic Theology of the Church seeks to both systematize the biblical theology and synthesize it with contemporary thought. Finally, A Practical Theology of the Church concludes the work relating the book's lessons to the contemporary church climate.

All God's People

Using the wisdom of the past to address the challenges of the present, Christopher Beeley's *Leading God's People* presents key principles of church leadership as they were taught by great pastor-theologians of the early church, including Gregory of Nazianzus, Ambrose, Augustine, Chrysostom, and Gregory the Great.

FOR GOD & THE PEOPLE

Called to Be God's People is an introduction to the Old Testament designed for those who wish to have a comprehensive guide to the contents, theology, and important passages of the Old Testament. Written from a Lutheran perspective, this book is especially designed for those within that tradition and others who seek a guide to the canonical books of the Old Testament that consciously presents the Scriptures' message of Law and Gospel as well as the traditional Christian messianic understanding of Moses and the Prophets that points to Jesus as the fulfillment of God's promises to Israel. This book is an ideal condensed handbook for university students and other Christian adults who seek to expand their knowledge of the background, content, and message of the Old Testament and its importance for Christian faith and life. It introduces important background information on each book of the Old Testament along with a general discussion of contents and theology. Included are illustrations, maps, tables, charts and sidebars. A concluding chapter on the centuries between the Old and New Testaments overlaps with a similar treatment contained in the New Testament volume in this series, *Called by the Gospel*, allowing for a smooth transition to the study of the rest of the Christian Scriptures.

Leading God's People

The heart of God does not contain any desire for the destruction of any human being. His love for us has such depths and widths, that it cannot be measured. But it can be understood and grasped, as the Word clearly says in Ephesians 3. The beautiful heart of God has the desire for the salvation, healing, deliverance and restoration of man. That desire is expressed in everything He does for us, but especially in the enormous sacrifice of His Son, Jesus Christ. His precious Son was despised and rejected by man, tortured and crucified for our iniquities. Through that sacrifice, His grace was released for us. Now we can be free from the grip of sin. Totally free. There is grace and forgiveness, rest for the weary and hope for the broken hearted. In this process of restoration, it is all about finding who we are. When our hearts are truly opened for God, the first thing we will notice is the carnal nature of our heart, and everything that lives in it. That revelation is far from pleasant, but it's needed. First of all because it shows us the need to change, and secondly it reveals the true value of His grace to us. Once we know

what exactly He has forgiven us, we will understand the value of His grace, and because of that we will be able to understand His love for us. We can try to change our ways, but we'll never succeed in doing that, as long as the root of the problem is still intact. That root is our own heart. We all have the tendency to first make ourselves perfect and blameless, before we go into His presence. We want to offer Him a life that is pleasant to Him. But that is a logical error. It is not you who is able to change your heart. Only the Word of God can and will do that. You are already wanted and loved by your Creator. When the Bible speaks about repentance, it doesn't speak about your attempts to try as hard as you can to stop committing sin. It speaks about changing the way you think. It speaks about aligning your thoughts with the Word of God. It is only the Word of God that has the power to change you from the inside out. That is the sort of change that will last and will lead you to the full restoration that He promised.

Called To Be God's People, Abridged Edition

What are good-intentioned, God-loving Christians, church leaders and pastors overlooking? The message that many Christians are missing today is that self-discipline alone is not enough to stop Satan from his onslaught against the Church. In "Deliverance: Rescuing God's People," authors Cyndi Gribble and Pat Legako provide a ground breaking, scripture-supported teaching on what the Bible says about Satan, step-by-step instructions on how to cast out demons and how to establish and operate the ministry in your local church.

The Restoration of God's People

Author Chris Wright offers a sweeping biblical survey of the holistic mission of the church, providing practical insight for today's church leaders. Wright gives special emphasis to theological trajectories of the Old Testament that not only illuminate God's mission but also suggest priorities for Christians engaged in God's world-changing work.

Deliverance: Rescuing God's People

Global conflicts, civil unrest, fallen leaders, health crises, financial meltdowns—the world is ripe with strife. When we face unexpected personal crises or when society around us seems to be collapsing, we wonder: Why is this happening? Can God be trusted? Who can I trust to help me follow Jesus through this current crisis? When the Universe Cracks is a sweeping, multifaceted look at the role of crisis in the life of faith from an esteemed gathering of pastors, faith leaders, and experts. You'll find honest and realistic reflections to help you navigate a present trouble or anticipate changes. Inspired by a global pandemic, these writers examine the whole history of God's people and offer a fresh perspective for every time the universe cracks. Scholar and church leader Angie Ward facilitates this energizing and fascinating discussion. Thought leaders Jo Anne Lyon, Efrem Smith, Christine Jeske, D. A. Horton, Kyuboem Lee, Marshall Shelley, Matt Mikalatos, Sean Gladding, Catherine McNiel, and Lee Eclov each contributed a chapter. When the Universe Cracks is the first in a series of Kingdom Conversations, books that bring together experts and faith leaders to address the most urgent and perplexing challenges of our time in resonant and redemptive ways for each of us and all of us.

The Mission of God's People

For many years the church has prayed for revival to come, never knowing or understanding how God might answer that prayer. Today, we are witnessing the greatest shaking that we have ever known, and on a world wide scale. As financial institutions become bankrupt, and many lose jobs, land, and homes, the awakening that we once prayed for has come! Everything that can be shaken is, and this scenario is causing even the weakest links within the soul of man to rise up, as God becomes our only hope. But what will become of it all, and how will we survive? Where Gods People are Going is like an oracle from the Lord. He tells us in His word that My sheep hear My voice, and I know them, and they follow Me. John 10:27 Until we come to know the Lords voice, our relationship, and our knowledge of Him is vague at best. The life giving messages in this book are just that, messages that bring life to dark situations, and answers to lifes questions about today, and what is yet to come. My questions to the Lord often reflect the times in which we live as I ask the simple question, why?

The People of God

There is only one question which really matters: why do bad things happen to good people?' Out of a faith-shaking and senseless waste of a life comes this remarkable and caring book, which will help

many. It has sensible and unorthodox and mind-opening things to say about God - and about ourselves. Its author has wisdom and no bitterness. We can learn from him, about acceptance and guilt and despair and the helplessness we all feel when 'none of it makes sense' when we say 'why them?' or worse 'why us?'. We owe him our thanks' David Kossoff 'Rabbi Kushner writes from a wealth of Jewish wisdom and pastoral devotion, but his theology is, I find, is wholly in keeping with contemporary Christian thought. So far as there is an answer to the conflict between the goodness of God and the bitterness of suffering, this is it' Gerald Priestland 'It will bring new meaning, strength and hope to many' Dame Cicely Saunders, DBE, FRCP

When the Universe Cracks

God gives limitless authority to those whom He places in leadership. He backs them without any reservation but judges them with the greatest severity. Divine privileges carry with them great responsibilities. Are you a spiritual leader at any level? Is someone looking up to you to lead them to Christ or along the Christian way? Has God called you to lead one or more people out of the captivity of sin and self into the fullness of the obedient and sanctified life? Are you at a loss on how to become and continue to be the spiritual leader that God meant you to be? In *Spiritual Leadership in the Pattern of Moses*, the author, Z.T. Fomum, will take you through the necessary ingredients required to build the leadership wealth that sets you apart and promotes a mere seeker after God into a spiritual leader. He highlights twelve different sources of rebellion among God's people and their causes and provides godly solution pathways for each type. If you are looking for divine guidance in spiritual leadership delegation and succession or leadership perils and how to avoid them, then this is the book you need. From another angle, the author demonstrates that leadership is conditioned on a life sacrificed, spent, and sold out for others. It all starts with a deep and intimate knowledge of God, without which all spiritual leadership exercised would be from skill, talent, or natural endowment. Such can never satisfy God's heart; neither can it lead God's people to their destiny. If God has called you to lead one or more people, then this is a must-read for you!

Where God's People Are Going, Life Giving Messages

We are undoubtedly living in a society and culture that is growing stranger by the day—creating more distance between others, minute by minute. It seems that people are living in their own little bubbles and silos more than ever—with no interest in connecting with people effectively. And it is evident that the rise of the digital age is affecting people mentally and emotionally, leading to voidness and isolation and a sense of hopelessness and helplessness. Billions of people are connecting with an unproductive device in their hands when it should be the word of God! There is no spiritual value when we allow the things of this world to consume our lives more than God's divine nature. Do we really think anything will improve in our homes, communities, churches, schools, country, and globally if we're not grounded and connected in the Truths of his word? We must realize that connecting with humans physically, emotionally, and spiritually is how God designed us. Just like our Creator wants a relationship with you and me, he wants us to bond with others so they can also see the experience of his abundant blessings and goodness in our lives. We cannot afford to be on the sidelines because it's all about cultivating genuine care for God's creation and putting it into practice for the sake of ourselves and others, now more than ever.

When Bad Things Happen to Good People

Calling All God's People offers a theological starting point to reflect on your calling and the calling of all God's people. It explores three key themes from the Christian tradition - calling, discipleship and ministry - to explore how God might involve you in a transforming vision for the whole of life.

God, a Man, and Men

The God of Ordinary People is a spirituality for all who search for the sacred within our secular world. From solitude to Creativity God is at work to make us a masterpiece within the Word enfleshed.

Revival

"God is spirit, and his worshippers must worship in spirit and in truth" (John 4:24). The Bible tells us that we are to worship the Lord, that we were created for this purpose. But what is true worship? What does the Bible teach about the right—and the wrong—ways to worship God? In this book, pastors Brian

Croft and Jason Adkins unpack a biblical theology of worship, discuss the practical matters of planning a worship service, and offer suggestions and insights on the best way to lead a worship service that honors the Lord. The Practical Shepherding series of guides provides pastors and ministry leaders with practical help to do the work of pastoral ministry in a local church. In *Gather God's People*, you will learn how to apply biblical doctrine and spirituality to the practice of Christian worship.

God's People Count

Leading God's way is a must for every Christian leader if the leader want to be rewarded on the day of judgement. Jesus Christ did not die in vain, and He will not take for granted any leader that leads His people astray. Are you a Christian leader, how are you leading God's people, God's way or your way? This book will teach you and help you lead God's people God's way for God's glory. Welcome to His presence!

Calling All God's People

Does the letter to the Hebrews display Jewish or Christian identity? Ole Jakob Filtvedt shows that it takes up a traditional Jewish category, namely membership in God's people, and proposes it for its audience as a collective identity but also significantly reshapes that category in light of belief in Jesus. (Publisher).

The God of Ordinary People

The other side of brokenness "If I could write only one book in my lifetime, I would ask God to make it this one, the very book you now hold in your hands. . . ."Sheila Walsh God loves broken people. And when weary, wounded men and women find a way to open their bruised hearts and somehow welcome Him into their personal darkness, they will find a love beyond anything they have ever known. When the glass house Sheila had lived in for so many years came crashing to the ground, she began a new life outside the safety of those walls. No, it didn't feel good, nor safe?not at all. But it felt true. Sheila saw herself as a broken lamb limping after the Shepherd, not knowing where He was going, but knowing that wherever He went, she wanted to go with Him. In twelve stirring, insightful, and deeply revealing chapters, Sheila Walsh shows how personal brokenness can open doors of intimacy with Jesus Christ that might never open in any other way. It's not that God loves broken people more than those who imagine themselves to be whole?it's simply that they know they are loved. They dare to believe it . . . and through such trust, a new wholeness emerges from yesterday's broken pieces.

Gather God's People

As the pastor of an inner-city church in New York City, Timothy Keller has compiled a list of the most frequently voiced 'doubts' sceptics bring to his church, as well as the most important reasons for faith. In *THE REASON FOR GOD*, he addresses each doubt and explains each reason. Keller uses literature, philosophy, real-life conversations, and reasoning to explain how faith in a Christian God is a soundly rational belief, held by thoughtful people of intellectual integrity with a deep compassion for those who truly want to know the truth.

Leading God's Way

In a bridge-building exercise between Christians, Muslims, and other people of the book, David Bentley traces the Semitic pre-Islamic origins of Islam s 99 names of God. He points the reader to Old Testament counterparts of these names as well as to Jesus comparable representations of Himself."

The Identity of God's People and the Paradox of Hebrews

What is the Church? New Testament writes about the body of Christ and the Kingdom of God. For the writer to the Hebrews, the Church of today finds its most proper definition in terms of the historical experience of the old covenant people of God 'in the wilderness' during the days of Moses.

God Loves Broken People

John White has extensively interviewed many people, including those from John Wimber's Vineyard Christian Fellowship. His years of work as a psychiatrist and as a missionary in the Third World qualify him in a special way to analyze the experiences described in this book. In addition he has thoroughly

studied revivals of the past, highlighting the differences and the similarities to what is happening today. As always, John White remains thoroughly biblical as he handles many controversial topics. The result is a book full of practical wisdom and remarkable insight with conclusions that are fresh and surprising.

The Reason for God

It's a question hundreds of pastors ask every day: What is the best way to grow? A lot of books give a lot of answers, but the best one comes from Scripture. Word-Centered Church brings that answer into sharp focus. Written by Jonathan Leeman, editorial director for the reputable ministry 9Marks, Word-Centered Church offers a thorough treatment of one of God's greatest concerns: growing His people and growing His church. As simple as the concept may seem, it's one that many churches miss, and to their own detriment. Because when churches center everything they do on God's Word—when the pulpit ministry gives direction to every aspect of the church's life—growth happens God's way. God's Word is what creates the church, and it's what sustains it, too. Theological and practical, Word-Centered Church focuses on how the church hears, responds to, discusses, implements, and is transformed by Scripture. It's not about high-octane production, superstar personalities, or postmodern entreaties, but stuff that is really old, really good, and really powerful. Word-Centered Church is the ministry-model book that churches need, because it advances the model God designed. For anyone who wants to grow or help others grow, Word-Centered Church is indispensable.

The 99 Beautiful Names for God for All the People of the Book

Winner, 2007 Christianity Today Missions / Global Affairs Book The Bible doesn't just provide a basis for mission. Mission is much bigger! Mission is the basis for the whole Bible - it is generated by, and is all about, God's mission. In order to understand the Bible, we need an interpretative perspective that is in tune with this great missional theme. We need to see the 'big picture' of God's mission and how all parts of Scripture fit into its grand narrative. In this comprehensive and accessible study, Chris Wright begins with the Old Testament understanding of who God is, what he has called his people to be and to do, and where the nations belong within God's mission. These themes are followed into the New Testament. Throughout, Wright emphasizes that biblically-defined mission is intrinsically holistic. God's mission is to redeem his whole creation from all that sin and evil have inflicted upon it, and the mission of God's people must reflect the breadth of God's righteous and saving love for all he has made.

God's People in the Wilderness

Worship can be a powerful way to encounter the living God. Our stories intersect with God's story as the gifts of God are celebrated and shared by the people of God. Episcopal priest Furman L. Buchanan explores and reflects on each element of Holy Eucharist, the service most often held on Sunday mornings. Moving from the first spoken word of the service--blessed--to the last phrase--Thanks be to God--Buchanan explains the theological and scriptural elements of the service, helping newcomers and longtime members alike gain a deeper understanding of this gift of God. Buchanan also shares his own stories, connecting pivotal life experiences with the words and actions of Holy Eucharist. Thoughtful questions at the end of each chapter invite readers to reflect on their own stories and how they connect with God's story of love and life.

The Witnessing Community

New York Times bestseller New York Times bestselling author David Platt challenges us to unite around a gospel-centered vision in Radical Together. In Radical, David Platt's plea for Christians to take back their faith from the American Dream resonated with readers everywhere. Now, he asks how a gospel-centered vision might reshape our priorities as the body of Christ? How might well-intentioned Christians actually prevent God's people from accomplishing God's purpose? And, how can we best unleash the people of God in the church to carry out the purpose of God in the world? Writing to everyone who desires to make an impact for God's glory—whether you are an involved member, a leader, or a pastor—Dr. Platt shares six foundational ideas that fuel radical obedience among Christians in the church. With compelling Bible teaching and inspiring stories from around the world, he will help you apply the revolutionary claims and commands of Christ to your community of faith in fresh, practical ways.

The Home of God's People

Nothing could possibly matter more than learning to discern the authentic voice of God, but few things in life are more susceptible to delusion and deception. When life falls apart and we need God's comfort; in moments of cultural turmoil when we need God's clarity; facing formidable decisions when we need God's guidance; desiring a deeper faith when we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation. Having addressed God's silence in *God on Mute*, and then *How to Pray* in his previous bestseller, Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience - *How to Hear God*. Exploring the story of Christ's playful, poignant conversation on the road to Emmaus, Pete draws deeply from the insights of a wide range of Christian traditions. He weaves together the evangelical emphasis upon hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's 'still, small voice' within.

When the Spirit Comes with Power

This powerful anointed and gifted book was written to give God's people some encouraging healing words that will help them on a daily basis. Everyday, as a Christian we are faced with many trials and tribulations and often wonder why so much pain. This book is a quick reference guide to help you through some tough times you are facing or will be facing as a human being. Remember, all you go through is for God's Glory and Your Good! You are Blessed by the Best and Not by the Less!!! Martha J. Harvin is a strong and awesome woman of God. She has dedicated her entire life to loving people, even when they hurt her so much. Ms. Harvin always goes that extra mile in making sure people are happy and safe in the word of God. She is a woman that do not entertain confusion or mess. While walking daily for God, she always strive to show the world how Jesus would handle things and always see the glory of God in everything. She also is the author of another book "Running Through Times - Trials and Tribulations of a Prophetic Woman of God." This book sold hundred of copies and healed everyone that read it. Ms. Harvin is truly sold out for God and takes no credit for none of the things that God has done for her in her life. Even while writing this book, the enemy tried in every area of her life to destroy her, just like Job in the bible. God knew that she was strong enough to hold on and make it.
