Calling themselves the Killing Club, a group of misfits from Gloria Hart High School in Jew Jersey come up with ingenious way to kill people they don't like and write down these "pretend" murders in a Death Book. All harmless fun ... or so they thought.

A Darkness That Blinds

The second Jason Chance novel (previously released as **THIS SECRET TOWN**) is a gripping excursion into the seediest, deadliest corners of L.A., a mystery of hardboiled suspense at its most intense. Investigating the murder of his partner and best friend, Ben Atkins, Jason uncovers an underworld of perversion and evil linked to a private sex club that offers twisted fantasy-fulfillment to the Hollywood elite. The club is run by a pair of dangerous and devious psychopaths who will stop at nothing to protect their clients and business. The closer Jason gets to the truth, the more dangerous the stakes become--not just threatening him, but everyone and everything he loves. From Josh Griffith--author of **THIS LONELY TOWN** (Book 1 of the Jason Chance Novels), **THE LOST MAN**, **THE FORGOTTEN PLACE**, **RUN LIKE HELL**, and co-author (with Michael Malone) of the NY Times bestselling novel, **THE KILLING CLUB**--comes a new mystery you'll find impossible to put down.

The Bad Side of Good

This explosive and chilling new mystery, the fourth in the Jason Chance series (previously published as **THIS ANGEL TOWN**), is hardboiled suspense at its best, a thrilling story of death and retribution, vengeance and forgiveness, darkness and light. Hoping to clear the name of a murder victim's 13-year-old sister, Jason takes on the case in a private capacity, putting him at odds with the investigating LAPD homicide detective, who is convinced the sibling is guilty. Jason soon senses nothing is what it seems and no one is telling the whole truth. As the investigation grows more baffling and dangerous, he ignites a cat-and-mouse game with an online stalker who may or may not be the true assassin. At the same time, Jason's daughter Kathy swears she's being given clues to the identity of the murderer by the dead girl's spirit. Josh Griffith is the author of the first three Jason Chance mystery novels (**THIS LONELY TOWN**, **A DARKNESS THAT BLINDS**, and **TORCH SONGS FOR THE DEAD**), the riveting suspense novels **THE LOST MAN**, **THE FORGOTTEN PLACE**, and **RUN LIKE HELL**, and co-author (with Michael Malone) of the NY Times bestselling novel, **THE KILLING CLUB**. **THE BAD SIDE OF GOOD** is his most mesmerizing novel yet. It will pull you in from the very first page and hold you enthralled until the end.

This Secret Town

L.A. Sheriff's Department homicide detective Jason "Jagger" Chance, is back in action! The murder of his partner and close friend, Ben Atkins, sends Jason on an investigation that will test him to his very core. With his previous partner and ex-lover, Charlotte "Charley" Frasier, working with him, Jason dives into an underworld of perversion and evil, linked to a large, private sex club offering twisted and horrific fetish-fulfillment to its wealthy, powerful Hollywood clientele. The closer Jason and Charley get to uncovering the truth, the higher and more dangerous the stakes become--not just threatening Jason, but everything he cares about. From Josh Griffith, author of **THIS LONELY TOWN** (Book 1 in the Jason Chance series) **THE LOST MAN**, **THE FORGOTTEN PLACE**, and co-author (with Michael Malone) of the NY Times bestselling mystery novel, **THE KILLING CLUB**, **THIS SECRET TOWN** (Book 2 in the Jason Chance series) is a gripping journey into the darkest corners of Los Angeles, and a thrill ride you won't soon forget.

This Angel Town

The shocking murder of a teenaged girl. Her sister, accused of the unthinkable crime. A mother so distraught, she'll go to any extreme to protect her child. And a mysterious online messenger who may hold the key to the mystery. For fans of *Mystic River* and *Gone Baby Gone*, **THIS ANGEL TOWN** is Jason Chance's most explosive and unpredictable case to date. Hoping to clear the name of a murder victim's 13-year-old sister, Jason takes on the case in a private capacity, putting him at odds with an LAPD homicide detective who is convinced the sibling is guilty. Jason soon senses nothing is quite what it seems and no one is telling the whole truth. As the investigation grow more baffling and dangerous, he ignites a cat-and-mouse game with an online stalker who may or may not be the true assassin. From Josh Griffith--author of the Jason Chance mystery novels (**THIS LONELY TOWN**, **THIS SECRET TOWN**, **THIS FAITHLESS TOWN**) the riveting suspense novels **THE LOST MAN**, **THE FORGOTTEN PLACE**, and **RUN LIKE HELL**, and co-author (with Michael Malone) of the NY Times bestselling novel,

THE KILLING CLUB--comes a story of death and retribution, vengeance and forgiveness, darkness and light. THIS ANGEL TOWN rockets to an explosive and chilling climax that will leave you stunned.

Torch Songs for the Dead

The third novel in the Jason Chance series (previously released as THIS FAITHLESS TOWN) is a hardboiled, thrill-a-minute powerhouse of mystery and suspense. New murders tied to an old vice case Jason's father headed up pull Jason and Charley out of seclusion. Working to unravel the mystery behind the killings, the couple faces off against a homicidal ex-cop with bloodlust and a score to settle. Their investigation brings some dark and surprising family secrets to light, as well. As the body count grows, Jason and Charley race against time to stop the madman, building to a fiery showdown that will leave everyone involved scarred forever. Josh Griffith is the author of THIS LONELY TOWN (Book 1 of the Jason Chance Novels), A DARKNESS THAT BLINDS (Book 2), THE LOST MAN, THE FORGOTTEN PLACE, RUN LIKE HELL, and co-author (with Michael Malone) of the NY Times bestselling novel, THE KILLING CLUB. TORCH SONGS FOR THE DEAD is his most powerful and compelling novel to date.

Time's Witness

Street-smart and straightforward police chief Cuddy Mangum and his refined homicide detective Justin Savile V are determined to keep their town's cultural, political and racial divisions stable...even peaceful. But when a young black activist is murdered while in the process of fighting for his brother's freedom from death row, the lines keeping Hillston, North Carolina, in balance start to crumble. Thrust into a dirty political campaign and torn between his morals and his love for the wealthy and beautiful wife of an up-and-coming politician, Cuddy must uncover the secrets that lie in his own backyard. From high-powered and elegant country club ballrooms to dark and dangerous bar room corners, Malone weaves a mystery of plot and place where the difference between good and evil and right and wrong sometimes become indistinct.

As game warden in Twelve Sleep, father-of-two Joe Pickett is not only badly paid and poorly housed, but deeply unpopular. So when the source of the shots - a well-known poacher - gets off scott-free after a humiliating confrontation, the locals are delighted. And then the poacher turns up dead in the Pickett's backyard. New York Magazine

Abigail Sutton's beloved husband walks out one night, doesn't return, and two years later is found dead, a victim of a long ago crime. It's made her sympathetic to the missing and their families. Starting her new life, Abigail moves to small town and buys a fixer-upper house left empty when old Edna Summers died. Once it was also home to Edna's younger sister, Emily, and her two children, Jenny and Christopher, who, people believe, drove away one night, thirty years ago, and just never came back. But in renovating the house Abigail finds scraps of paper hidden behind baseboards and tucked beneath the porch that hint the three could have been victims of foul play. Then she finds their graves hidden in the woods behind the house and with the help of eccentric townspeople and ex-homicide detective, Frank Lester, she discovers the three were murdered. Then she and Frank try to uncover who killed them and why...but in the process awaken the ire of the murderer. *** murder, murder mystery, thriller, suspense, ghosts, romance, homicide, Kathryn Meyer Griffith, investigation, small town, cozy mystery, mystery

Public Opinion

THE SENSATIONAL NEW BOOK FROM THE AUTHOR OF THE SUNDAY TIMES BESTSELLER THE DARK SIDE OF THE MIND. LONGLISTED FOR THE CWA GOLD DAGGER FOR NON-FICTION AWARD. 'What Lies Buried is a towering achievement. Kerry takes us deep into the minds of the disturbed and dangerous and challenges our very humanity. As gripping as any thriller. Her dry wit and humour keeps it real.' BARBARA MACHIN, screen writer and creator of Waking the Dead 'Pacy and gripping. Daynes uses her trademark mix of humour and humanity to shine a light on those we rarely get to hear from. A brilliant, important and sensitive book.' SARAH LANGFORD, barrister and bestselling author of In Your Defence 'What Lies Buried is an exceptional book . . . I could not put it down.' FEMALE FIRST, 5 STAR REVIEW 'Kerry's dedication (and impressive ability) to read between the lines and cast aside prejudice, going beyond the question she is so often asked in her profession: "Are they mad or bad?"' DAILY MAIL Kerry Daynes, leading forensic psychologist, opens up the case files of some of her most perplexing clients to uncover what lies buried behind some of the most extreme and disturbing behaviour. For twenty-five years, Kerry has worked on the frontline of violent crime, from working with the police on complex cases and acting as an expert witness in court, to advising the government on how to handle high-risk individuals. Whether she is dealing with a young murderer who says he has heard voices telling him to kill, a teacher who daubs children in red paint and threatens to abduct them, or an aspiring serial killer who faints at the sight of blood, Kerry's quest is to delve beyond the classic question asked of her profession: 'Are they mad or are they bad?' In her new book, Kerry provides an unflinching, enlightening and provocative insight into the minds of her clients, shedding light on the root causes of their behaviour and challenging our notions about who, and what, is dangerous. If you enjoyed The Dark Side of the Mind, Unnatural Causes and The Prison Doctor, you will be captivated by What Lies Buried. 'Kerry is an absolutely brilliant storyteller. I found this book challenging my preconceptions about the criminal mind with the turn of each page.' DAVID ROBSON, author of The Intelligence Trap

Scraps of Paper

Fred Van Lente's brilliant debut is both a savagely funny homage to the Golden Age of Mystery and a thoroughly contemporary show-business satire. As the story opens, nine comedians of various acclaim are summoned to the island retreat of legendary Hollywood funnyman Dustin Walker. The group includes a former late-night TV host, a washed-up improv instructor, a ridiculously wealthy "blue collar" comic, and a past-her-prime Vegas icon. All nine arrive via boat to find that every building on the island is completely deserted. Marooned without cell phone service or wifi signals, they soon find themselves being murdered one by one. But who is doing the killing, and why? A darkly clever take on Agatha Christie's *And Then There Were None* and other classics of the genre, *Ten Dead Comedians* is a marvel of literary ventriloquism, with hilarious comic monologues in the voice of every suspect. It's also an ingeniously plotted puzzler with a twist you'll never see coming!

Ten Dead Comedians

****Don't miss John Sandford's brand-new thriller *Ocean Prey* – out now**** The sixth Virgil Flowers novel by internationally bestselling author John Sandford Bonnie and Clyde, they thought. And what's-his-name, the sidekick. Three teenagers with dead-end lives, and chips on their shoulders, and guns. The first person they killed was a highway patrolman. The second was a woman during a robbery. Then, hell, why not keep on going? As their crime spree cuts a swath through rural Minnesota, some of it captured on the killers' cell phones and sent to a local television station, Bureau of Criminal Apprehension investigator Virgil Flowers joins the growing army of cops trying to run them down. But even he doesn't realize what's about to happen next. ***** Praise for John Sandford and the Virgil Flower novels ***** 'Along the way to the satisfying ending, Virgil displays the rough humor and rough justice that make him such an appealing character' Publishers Weekly on *Deep Freeze* 'A knowing portrait of small-town life layered into a very well plotted mystery. Virgil understands that, in small towns, no one ever outgrows high school... One of the very best novels in a superior series' Booklist (starred review) on *Deep Freeze* 'Add a gripping storyline, a generous helping of exquisitely conceived characters and laugh-out-loud humor that produce explosive guffaws, not muted chuckles, and you're in for the usual late-night, don't-even-think-of-stopping treat when Flowers hits town' Richmond Times-Dispatch on *Deep Freeze* 'An outstanding novel' Publishers Weekly (starred review) on *Escape Clause* 'Perfect entertainment' Kirkus Reviews on *Escape Clause*

Devils in Exile

"Will keep readers on edge from start to finish." —Kirkus Reviews Tell the truth. Or face the consequences. Clue meets Riverdale in this page-turning thriller that exposes the lies five teens tell about a deadly night one year ago. One year ago, there was a party. At the party, someone died. Five teens each played a part and up until now, no one has told the truth. But tonight, the five survivors arrive at an isolated mansion in the hills, expecting to compete in a contest with a \$50,000 grand prize. Of course...some things are too good to be true. Now, they realize they've been lured together by a person bent on revenge, a person who will stop at nothing to uncover what actually happened on that deadly night, one year ago. Five arrived, but not all can leave. Will the truth set them free? Or will their lies destroy them all?
