Tractor Mac You're a Winner

Tractor Mac learns that winning isn't the only thing; the Tractor Mac series by Billy Steers is perfect for fans of Bob the Builder and Thomas the Tank Engine. Tractor Mac is ready for the big tractor pull contest at the county fair, but when Big Deke, the reigning champion, shows up, Tractor Mac realizes just how tough the competition is going to be. Big Deke wins the tractor pull and Tractor Mac is disappointed. Then the carousel stops working, and Tractor Mac is just the right size to help get the ride going again. Tractor Mac may not have won the pull, but in the end, he saves the day at the fair.

You're a Winner

The pigs, Pete and Paul, are eager to help Farmer Bill grow the best and biggest watermelons so he'll win at the annual Fruit and Vegetable Show, but their overzealous efforts to help the melons grow faster end up destroying the entire melon patch. Tractor Mac and friends teach Pete and Paul that with patience and care, they too can grow a prize melon.

Tractor Mac Worth the Wait

This handsome three book gift set includes these three titles from the popular Tractor Mac series: Tractor Mac Arrives at the Farm, Tractor Mac You're a Winner, and Tractor Mac Builds a Barn. The books are contained in a slipcase.

Tractor Mac Three Book Gift Set

Tractor Mac sees Plane Jane swooping across through the clouds, and he wonders what it would be like to be able to give hayrides in the sky. He even talks to birds to try to learn how they fly. Then one day Tractor Mac is driving downhill too fast, his wheels lift off the ground, and he can finally fly! Blizzard is based on John Rocco's childhood experience during the now infamous Blizzard of 1978, which brought fifty-three inches of snow to his town in Rhode Island. Told with a brief text and dynamic illustrations, the book opens with a boy's excitement upon seeing the first snowflake fall outside his classroom window. It ends with the neighborhood's immense relief upon seeing the first snowplow break through on their street. In between the boy watches his familiar landscape transform into something alien, and readers watch him transform into a hero who puts the needs of others first. John uses an increasing amount of white space in his playful images, which include a gatefold spread of the boy's expedition to the store. This book about the wonder of a winter storm is as delicious as a mug of hot cocoa by the fire on a snowy day. When the exotic stranger Vianne Rocher arrives in the old French village of Lansquenet and opens a chocolate boutique called “La Celeste Praline” directly across the square from the church, Father Reynaud identifies her as a serious danger to his flock. It is the beginning of Lent: the traditional season of self-denial. The priest says she’ll be out of business by Easter. To make matters worse, Vianne does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone’s favourites, and her delightful confections. Her shop provides a place, too, for secrets to be whispered, grievances aired. She begins to shake up the rigid morality of the community. Vianne’s plans for an Easter Chocolate Festival divide the whole community. Can the solemnity of the Church compare with the pagan passion of a chocolate éclair? For the first time, here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever, and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at its heart. Says Harris: “You might see [Vianne] as an archetype or a mythical figure. I prefer to see her as the lone gunslinger who blows into the town, has a showdown with the man in the black hat, then moves on relentless. But on another level she is a perfectly real person with real insecurities and a very human desire for love and acceptance. Her qualities too - kindness, love, tolerance - are very human.” Vianne and her young daughter Anouk, come into town on Shrove Tuesday. “Carnivals make us uneasy,” says Harris, “because of what they represent: the residual memory of blood sacrifice (it is after all from the word “carne” that the term arises), of pagan celebration. And they represent a loss of inhibition; carnival time is a time at which almost anything is possible.” The book became an international best-seller, and was optioned to film quickly. The Oscar-nominated movie, with its star-studded cast including Juliette Binoche (*The English Patient*) and Judi Dench (*Shakespeare in Love*), was directed by Lasse Hallstrom, whose previous film *The Cider House Rules* (based on a John Irving novel) also looks at issues of community and moral standards, though in a less lighthearted vein. The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV. “It was a throwaway comment, designed to annoy and it did. It was along the lines of...Chocolate is to women what football is to men...” The idea stuck, and Harris began thinking that “people have these conflicting feelings about chocolate, and that a lot of people who have very little else in common relate to chocolate in more or less the same kind of way. It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate.” Rich with metaphor and gorgeous writing...sit back and gorge yourself on *Chocolat*.
