Intro

How would you describe your Mindset in three words?

Who is your real life hero?

Describe your perfect day.

What are the things that make you anxious or worried if you don't have them?

Who would you like to be if you could be a historically well-known person for a day?

What are you most afraid of?

What's your recent purchase you feel most satisfied with?

If your life story was a movie, what would be the title?

What is something that you can't get used to over time?

What is your guilty food pleasure?

What superstition or jinx do you believe in?

Where do you find inner peace?

What was the most beautiful scene you've ever seen in your life?

What is the most precious thing you want to keep in the safe?

What is something you used to like but don't like anymore?

Practicing without sleeping vs practicing without eating.

What is something you are currently worried about?

Let's practice self-love! Give yourself a pep talk for today.
