Business Studies for AS

Revised and updated, the Business Studies Teacher's Book (second edition) provides comprehensive and detailed answers to all the questions and exercises in Business Studies for AS Level (second edition). This teaching resource also covers many additional sections, giving teachers help and guidance. The book is designed to be photocopied within the purchaser's institution, therefore copyright is waived.

Cambridge International AS and A Level Business Coursebook with CD-ROM

This revised set of resources for Cambridge International AS and A Level Business syllabus (9609) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; and case studies contextualise the content making it relevant to international learners. It provides thorough examination support for all papers with exam-style questions with each chapter and an extensive Paper 3 style case study with each unit. The student CD-ROM contains revision aids, further questions and activities. A Teacher's CD-ROM is also available.

Cambridge International AS and A Level Business Studies Revision Guide

Cambridge International AS and A Level Business Studies Revision Guide has been designed specifically to meet the requirements of the Cambridge syllabus.

My Revision Notes: Edexcel A Level Economics Third Edition

The worked examples and guided questions are invaluable, and are a particular strength of this text, as they help to prepare the students to tackle the practice questions. Having exam-style questions (at the end) is another very good feature of this book. All of the examples and questions use appropriate and relevant business-related scenarios ... I am confident that this book will achieve the aim of helping A/AS Business students develop their maths skills and enhance their understanding of the subject. Michaela Cottee, Principal Lecturer in Statistics, Hertfordshire Business School. If you struggle with calculating profit or working out unit costs, this is the book for you. This textbook companion will help improve your

essential maths skills for business, whichever awarding body specification you're following. You can use it throughout your course, whenever you feel you need some extra help. - Develop your understanding of both maths and business with all worked examples and questions within a business context - Improve your confidence with a step-by-step approach to every maths skill - Measure your progress with guided and non-guided questions to see how you're improving - Understand where you're going wrong with full worked solutions to every question - Feel confident in expert guidance from experienced teacher Charlotte Wright and Principal Examiner Mike Pickerden; reviewed by Dr Michaela Cottee, Principal Lecturer in Statistics at Hertfordshire Business School.

As/A-Level Business Studies

The distinctive feature of this book is the international perspective it adopts on business. Very few businesses today operate in a narrow national marketplace and students are therefore encouraged to look at business organisations and business decisions from an international viewpoint. • Essential material for understanding Business Studies principles and techniques. • Activities and case studies based on actual businesses. • Includes examination-style questions.
