### Ultraviolence piano/vocal/guitar

### Lana Del Rey - Honeymoon

For voice and piano, with chord symbols and guitar chord diagrams.

### Violet Bent Backwards Over the Grass

THE SUNDAY TIMES TOP TEN BESTSELLER THE HIGHLY ANTICIPATED DEBUT BOOK OF POETRY FROM LANA DEL REY, VIOLET BENT BACKWARDS OVER THE GRASS 'Violet Bent Backwards Over the Grass is the title poem of the book and the first poem I wrote of many. Some of which came to me in their entirety, which I dictated and then typed out, and some that I worked laboriously picking apart each word to make the perfect poem. They are eclectic and honest and not trying to be anything other than what they are and for that reason I'm proud of them, especially because the spirit in which they were written was very authentic. Lana Del Rey Lana's breathtaking first book solidifies her further as 'the essential writer of her times' (The Atlantic). The collection features more than thirty poems, many exclusive to the book: Never to Heaven, The Land of 1,000 Fires, Past the Bushes Cypress Thriving, LA Who Am I to Love You?, Tessa DiPietro, Happy, Paradise Is Very Fragile, Bare Feet on Linoleum and many more. This beautiful hardcover edition showcases Lana's typewritten manuscript pages alongside her original photography. The result is an extraordinary poetic landscape that reflects the unguarded spirit of its creator. Violet Bent Backwards Over the Grass is also brought to life in an unprecedented spoken word audiobook which features Lana Del Rey reading fourteen select poems from the book accompanied by music from Grammy Award-winning musician Jack Antonoff.

Now, saddled with a crew of human partners he never asked for, Lobo has to locate his quarry one by one while making sure that the assassins can't kill the target they've been hired to destroy: Earth. The entire planet. If that means teaming up with Superman, so be it. But the one thing that Lobo never expected was to run into one of the assassins who may be his equal. Someone who shares a very similar background as him...and may shed new light on his own tragic past! Writer Cullen Bunn (SINESTRO) and artist Reilly Brown (Cable & Deadpool) reinvent the Main Man for the DC Universe...and Lobo is as deadly and merciless as ever! Collects LOBO #1-6.

### Mercy Bound Released

\*Warning\* NOT meant for the faint of heart, contains very dark themes. Please read the preface before purchasing. This is NOT a romance\* Everyone knows the story where the beautiful girl gets taken by a monster. The one where the monster ends up being some poor tortured soul with a fucked up past. Love prevails, and then they live happily ever fucking after. Well, this is my story and it isn't a fairytale. I loved my monster too. But that was before he took me. My reality is dark. His demons are darker.

### The End Of Alice

From the 2013 Orange Prize–winning author of *May We Be Forgiven*. Only a work of such searing, meticulously controlled brilliance could provoke such a wide range of visceral responses. Here is the incredible story of an imprisoned pedophile who is drawn into an erotically charged correspondence with a nineteen-year-old suburban coed. As the two reveal—and revel in—their obsessive desires, Homes creates in *The End of Alice* a novel that is part romance, part horror story, at once unnerving and seductive.

### Bells of Demonio

Seven days of sin. It was said to be a celebration you could experience only once in a lifetime. For people like us, lovers of all things strange, twisted, and morally questionable, it was a claim that couldn't be ignored. My group of misfit friends and I hopped onto a plane to go and see for ourselves. What we found was a beautiful village that seemed to exist in a world of its own. The locals went all out to ensure our trip was for naught. Their promise to deliver an experience we would never forget went far beyond our wildest expectations. After chilling haunts, creepypastas becoming vividly real, and the hottest one-night stand of my life, I was more than satisfied with this impromptu endeavor. It should've ended there. One folk tale was all it took to turn a celebration into a nightmare. Six of us went into the woods that story warned us never to enter. Guess how many made it back out? **\*\*PLEASE NOTE\*\*** This is a short prelude to a dark RH standalone. Contains mild drug use, knife/blood play, and heavy PNR elements.

### Resistance

Since the release of her first, career-defining solo album *Little Earthquakes*, Tori Amos has been one of the music industry's most enduring and ingenious artists. From her unnerving depiction of sexual assault in "Me and a Gun" to her post-9/11 album *Scarlet's Walk* to her latest album *Native Invader*, her work has never shied away from intermingling the personal with the political. Amos began playing piano as a teenager for the politically powerful at hotel bars in Washington, D.C., during the formative years of the post-Goldwater and then Koch-led Libertarian and Reaganite movements. The story continues to her time as a hungry artist in L.A. to the subsequent three decades of her formidable music career. Amos explains how she managed to create meaningful, politically resonant work against patriarchal power structures and how her proud declarations of feminism and her fight for the marginalized always proved to be her guiding light. She teaches readers to engage with intention in this tumultuous global climate and speaks directly to supporters of #MeToo and #TimesUp, as well as young people fighting for their rights and visibility in the world. Filled with compassionate guidance and actionable advice—and using some of the most powerful, political songs in Amos's canon—this book is for readers determined to steer the world back in the right direction.

### Lucifer - Revelation

Many years have passed since the death of his companions on Gauda Prime, but Avon is still very much on the minds - and a thorn in the side - of those in power. On the run in a stolen spaceship, Avon has world leaders, warlords, aliens, bandits and hitmen on his trail, all hoping to seize control of the super computer Orac, and to be rid of Avon once and for all. However, those who underestimate Avon do so at their peril.

### Decoding Despacito

A behind the scenes look at the music that is currently the soundtrack of the globe, reported on and written by Leila Cobo, Billboard's VP of Latin Music and the world's ultimate authority on popular Latin music. Decoding "Despacito" tracks the stories behind the biggest Latin hits of the past fifty years. From the salsa born and bred in the streets of New York City, to Puerto Rican reggaetón and bilingual chart-toppers, this rich oral history is a veritable treasure trove of never-before heard anecdotes and

insight from a who's who of Latin music artists, executives, observers, and players. Their stories, told in their own words, take you inside the hits, to the inner sanctum of the creative minds behind the tracks that have defined eras and become hallmarks of history. **FEATURING THE STORIES BEHIND SONGS BY:** José Feliciano • Los Tigres Del Norte • Julio Iglesias • Gloria Estefan and Miami Sound Machine • Willie Colón • Juan Luis Guerra • Selena • Los Del Río • Carlos Vives • Elvis Crespo • Ricky Martin • Santana • Shakira • Daddy Yankee • Marc Anthony • Enrique Iglesias with Descemer Bueno and Gente De Zona • Luis Fonsi with Daddy Yankee • J Balvin with Willy William • Rosalía

## Fleetwood Mac - Anthology Songbook

**BOOK ONE OF THE DARK DUET:** Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him. **WARNING:** This book contains very disturbing situations, dubious consent, strong language, and graphic violence.

## Captive in the Dark

This book is both a contribution to an interdisciplinary study of literature and other media and a pioneering application of cognitive and frame-theoretical approaches to these fields. In the temporal media a privileged place for the coding of cognitive frames are the beginnings while in spatial media physical borders take over many framing functions. This volume investigates forms and functions of such framing spaces from a transmedial perspective by juxtaposing and comparing the framing potential of individual media and works. After an introductory theoretical essay, which aims to clarify basic concepts, the volume presents eighteen contributions by scholars from various disciplines who deal with individual media. The first section is dedicated to framing in or through the visual arts and includes discussions of the illustrations of medieval manuscripts, the practice of framing pictures from the Middle Ages to Magritte and contemporary American art as well as framings in printmaking and architecture. The second part deals with literary texts and ranges from studies centred on framings in frame stories to essays focussing on the use of paratextual, textual and non-verbal media in the framings of classical, medieval and modern German and American narrative literature; moreover, it includes studies on defamiliarized framings, e.g. by Julio Cortázar and Jasper Fforde, as well as an essay on end-framing practices. Sections on framings in film (including the trailers of Tolkien's *The Lord of the Rings*) and in music (operatic overtures and Schumann's piano pieces) provide perspectives on further media. The volume is of relevance to students and scholars from various fields: intermedia studies, cognitive approaches to the media, literary and film studies, history of art, and musicology.

### Framing Borders in Literature and Other Media

A novel attempt to make sense of our preoccupation with copies of all kinds—from counterfeits to instant replay, from parrots to photocopies. The *Culture of the Copy* is a novel attempt to make sense of the Western fascination with replicas, duplicates, and twins. In a work that is breathtaking in its synthetic and critical achievements, Hillel Schwartz charts the repercussions of our entanglement with copies of all kinds, whose presence alternately sustains and overwhelms us. This updated edition takes notice of recent shifts in thought with regard to such issues as biological cloning, conjoined twins, copyright, digital reproduction, and multiple personality disorder. At once abbreviated and refined, it will be of interest to anyone concerned with problems of authenticity, identity, and originality. Through intriguing, and at times humorous, historical analysis and case studies in contemporary culture, Schwartz investigates a stunning array of simulacra: counterfeits, decoys, mannequins, and portraits; ditto marks, genetic cloning, war games, and camouflage; instant replays, digital imaging, parrots, and photocopies; wax museums, apes, and art forgeries—not to mention the very notion of the Real McCoy. Working through a range of theories on biological, mechanical, and electronic reproduction, Schwartz questions the modern esteem for authenticity and uniqueness. The *Culture of the Copy* shows how the ethical dilemmas central to so many fields of endeavor have become inseparable from our pursuit of copies—of the natural world, of our own creations, indeed of our very selves. The book is an innovative blend of microsociology, cultural history, and philosophical reflection, of interest to anyone concerned with problems of authenticity, identity, and originality. Praise for the first edition “[T]he author... brings his considerable synthetic powers to bear on our uneasy preoccupation with doubles, likenesses, facsimiles, replicas and re-enactments. I doubt that these cultural phenomena have ever been more comprehensively or more creatively chronicled.... [A] book that gets you to see the world anew, again.” —The New York Times “A sprightly and disconcerting piece of cultural history” —Terence Hawkes, London Review of Books “In *The Culture of the Copy*, [Schwartz] has written the perfect book: original and repetitive at once.” —Todd Gitlin, Los Angeles Times Book Review

### Violin Star 1, Accompaniment Book

There are a million stories about naïve girls being taken by beautiful monsters. In some of them, the monster is a tortured soul with a damaged past, but even then, that monster is redeemable. This is not one of those stories. My monster revels in the carnage he creates. My monster is a villain with no redemption, one that revels in the malice he inflicts. My reality is dark. His demons are darker. And though I love my monster with every beat of my morbid heart, this is no fairy-tale. For me, there is no happily ever after. *Dahlia Saga*\* This saga contains EXTREMELY dark themes. Reader discretion highly advised. Malice Obscene Depravity Malevolence Iniquity

### Opera Canada

Paul Darrow's vivid reimagining picks up Avon's story at the final moments of the final episode of *Blake's 7* and follows him on his fight for survival. The adventure continues years later as Avon, now an old man, finds himself a key player in the game of power politics being played out on a grand scale by The Quartet - four ruthless leaders in an uneasy alliance, who govern the world in place of the Federation. Old enemies resurface and dangerous new ones appear as the time comes for old scores to finally be settled.

### The Culture of the Copy

Rodgers and Hammerstein's beloved song from *The Sound of Music* has captured hearts for generations. Now acclaimed illustrator Renée Graef's heartwarming illustrations give it new meaning. Complete with its score, *My Favorite Things* is perfect for reading and sharing.

### Opera in Canada

Tragic and Twisted fell in love... Ave Satanas, something wicked this way comes. It's time for the reckoning to begin. Enter the Devil's Playground wary where you tread, for demons are lurking with trickery up their sleeves. Here good and bad cease to exist, and not all will make it to the end. The price of freedom will be revealed only after bloodshed and rapture. A claiming of one and purging of others.

That audio recording played exactly three minutes before the crash. It was a riddle, a warning, and a promise. But they didn't know that until it was too late. Now stranded with two friends and a group of apprehensive strangers, Liliana Serpine must decide who and who not to trust as they navigate their way through hell in the form of an opulent city. There's one person who stands out among the others. He's got a gorgeous face and darkly enigmatic aura. Being drawn to him is inevitable but staying by his side becomes necessary to survive. When secrets start being revealed in blood, everything changes. From dabbling in the taboo, being tempted by the forbidden, and falling in lust with the carnage. For those that make it out of this alive, they'll never be the same people they once were. **\*\*Warning\*\*** Devil's Playground is a dark new adult (not high-school) series. There are graphic situations and content some readers may find objective. If you need fluff and sweet romance this is not the series for you. Books 1 & 2 tie together. The remaining books in the series are individual standalones.

#### Malice

This study brings together writings on this controversial genre, spanning the history of horror in literature and film. It discusses texts from the United States, Europe, the Caribbean and Hong Kong.

#### Lucifer

This book examines issues of censorship, publicity and teenage fandom in 1950s Britain surrounding a series of controversial Hollywood films: *The Wild One*, *Blackboard Jungle*, *Rebel Without a Cause*, *Rock Around the Clock* and *Jailhouse Rock*. It also explores British cinema's commentary on juvenile delinquency through a re-examination of such British films as *The Blue Lamp*, *Spare the Rod and Serious Charge*. Taking a multi-dimensional approach, the book intersects with star studies and social history while reappraising the stardom of Marlon Brando, James Dean and Elvis Presley. By looking at the specific meanings, pleasures and uses British fans derived from these films, it provides a logical and sustained narrative for how Hollywood star images fed into and disrupted British cultural life during a period of unprecedented teenage consumerism.

The first book in the instant New York Times bestselling series, the Empirium Trilogy! Furyborn is an epic YA fantasy about two fiercely independent young women, centuries apart, who hold the power to save their world...or doom it. When assassins ambush her best friend, Rielle Dardenne risks everything to save him, exposing herself as one of a pair of prophesied queens: a queen of light, and one of blood. To prove she is the Sun Queen, Rielle must endure seven elemental magic trials. If she fails, she will be executed as the Blood Queen...unless the trials kill the queen first. One thousand years later, the legend of Queen Rielle is a fairy tale to Eliana Ferracora. A bounty hunter for the Undying Empire, Eliana believes herself untouchable—until her mother vanishes. To find her, Eliana joins a rebel captain and discovers that the evil at the empire's heart is more terrible than she ever imagined. #### The Horror Reader

Love is madness. Love is anguish. Ours was ill-fated from the beginning. Crazier than crazy. Sicker than sick. Samael was the epitome of a beautiful nightmare. Together, we were poetry. The kind that bled and wept, a mess of euphoric bliss and heartbreak. I promised I'd be by his side until the bitter end, but after far too long I needed to be free of him. Leaving would be one of the hardest things I'd ever done. He'd come after me, of that I was sure. Many would lose their lives, becoming casualties in our war. When this was all said and done, our story would be whispered in darkened corners for years to come. A tale of a wolf pursuing a lamb, but with a masochistic twist. For even lambs have teeth, and this one bites back.

### Miscreants

The Bhagavad Gita has been called India's greatest contribution to the world. For more than five thousand years, this great scripture has shown millions in the East how to fill their lives with serenity and love. In these pages, Jack Hawley brings these ancient secrets to Western seekers in a beautiful prose version that makes the story of the Gita clear and exciting, and makes its truths understandable and easy to apply to our busy lives. The Gita is a universal love song sung by God to His friend man. It can't be confined by any creed. It is a statement of the truths at the core of what we all already believe, only it makes those truths clearer, so they become immediately useful in our daily lives. These truths are for our hearts, not just our heads. The Gita is more than just a book, more than mere words or concepts. There is an accumulated potency in it. To read the Gita is to be inspired in the true sense of the term: to be "inspired," to inhale the ancient and ever-new breath of spiritual energy.

THE LOCAL HALLOWEEN CONTEST IS TURNING INTO A REAL FRIGHT FEST! Bayport citizens are wild about the Merchant Association's new Halloween mystery contest. The prizes for winning include DVD players, a classic motorcycle, a boat, and even flying lessons! It's sure to be the biggest social event of the fall season. When big prizes are up for grabs, though, some people will do anything to win -- and it's up to the Hardys to keep the competition honest. As they try to keep things in line, the Hardy boys and their friends contend with spooky settings, fright-masked bandits, a chase through the Halloween parade, and a horror movie star with secrets "buried" in his past.
