Second Chance

In life and love, it's never too late for a second chance... As editor-in-chief of New York's leading fashion magazine, Fiona Monaghan was utterly content with her life, jetting back and forth between Manhattan and Europe-until the day John Anderson strolled into her office. A widower with two daughters, John was as conservative as Fiona was freewheeling, and was both amused and appalled by her world of high-strung designers, anorexic models, and Sir Winston, her snoring bulldog. But after Fiona impulsively invited John to the Paris couture shows, somewhere between the magic of the catwalk and the stroll along the Seine, she let him into her heart. Within weeks of their return to New York, John was making friends with Sir Winston - and Fiona was making room in her closets. A dazzling tale of modern misadventures, career-crossed relationships, the heady magic of instant attraction and the hope that comes when we dare to do it all over again...

Again with You

He may be the successful lawyer in town, but now Jake Sutton's biggest challenge is negotiating a second chance after an unexpected reunion... I don't have time for romance. I tend to skip dinner and head straight to dessert. It's not like I'm a complete jerk, I know how to be romantic—it happened once. My friends have been trying to set me up on a blind date for months with the new bakery owner in town, to no avail. But when we end up at the same party, and our eyes meet, it all comes back. Turns out Avery is no stranger. Avery and I had a summer together a few years back in a different city. We were so many things... then one day, we were not. Yet seeing each other again, well, it's a struggle—the not jumping into bed or lying her down on the kitchen counter kind of struggle. But closure and a second chance are not the same things, and we'll need both if we want to try again. And we are about to realize that finding our way back to one another could just be bittersweet... Swoony, with heartwarming moments, *Again with You* is the fourth standalone novel from the interconnected Sage Creek series. Readers who enjoy small-town, second-chance romance with a determined hero will enjoy Jake and Avery's journey

to a HEA! *Like all Sage Creek books, this story is filled with 99.9% banter, steam, and swoon. There is, however, one scene that may pull at your heartstrings a little extra in relation to loss. Author's Note: This is the 2nd edition which includes previously exclusive bonus material and small reworks of scenes. The story remains unchanged.

I was headed to college and then pro ball, and she would be by my side, where she belonged. Until one day, she disappeared without a word. The love of my life, my best friend, was suddenly gone, vanished, evaporated into thin air. Almost as if she were never even here. Now, over a year later, at Brooks College in Georgia, she's back. I want vengeance for her leaving me so callously. But one look into her stormy-blue eyes, and I'm enamored yet again. But she's keeping secrets. Fighting For a Second Chance

A second chance at love. Lainey Wise is coming home. Lainey hasn't been back to her hometown of Mountain Valley since her mother's death, and never had any desire to return. But now she's working on a film for Mason Scott's new production company and finds herself renting a cabin on location in order to finish the script. The first person she sees on arrival is her high school boyfriend, Logan Matthews. She knew coming home meant she'd have to reckon with her past, she just didn't realize she'd have to do it so quickly. Logan Matthews has never forgotten his one true love. When Lainey walks into his furniture shop one January night in the midst of a winter storm, Logan can't believe his eyes. Years ago, he'd given up dreaming she'd ever come back to him, and here she

was. His initial disappointment at learning she'd returned for work and not him is easily quelled by the fact he's got a month to win her back. Can they find a second chance at love? When Lainey and Logan get together, it's like the years between them have vanished...until they start to talk. And when Logan brings over an expected bundle of her late mother's journals, the long-buried secrets of Lainey's past come bubbling to the surface. Has too much changed for Lainey and Logan to find their way back to each other? Coming Around Again is the fourth novel in a series of stand-alone steamy contemporary romance stories based in Mountain Valley. My Second Chance

Falling in love with your ex should never feel this good ...Twelve years, three cities, and too many pairs of stilettos later, Shaelyn Lawrence is back in the one place she vowed never to return: New Orleans. Thankfully, her hometown stint is temporary: help her grandmother, avoid her high school sweetheart, Brady, like the plague, and everything should be perfect, right? Until one run-in with Brady changes everything. She shouldn't be tempted by his drawl or the promise of his kiss. But when a family member approaches Shaelyn for help, the only person she can turn to is the man who stole her heart . . . and is tempting her to take a second chance on him. Twelve years later, New Orleans Homicide Detective Brady Taylor is geared up for a promotion. Or, he would be -- if he wasn't sitting in third place. He's cut out every distraction to focus on his career. . . until Shaelyn shows up. He shouldn't want to pursue her, kiss her, or sleep with her, right? Except that resisting Shaelyn has never been possible, and he vows that this time will be different. But when she asks him for help, suddenly he has to decide between his career . . . and the woman he's never stopped loving. For fans of Jill Shalvis and Lauren Layne, Maria Luis' new sexy contemporary romance will leave you laughing and desperate for more! SAY YOU'LL BE MINE is the first full-length novel in the NOLA Heart series, but can be read as a standalone.

Coming Around Again

My Best Friend's Brother

My best friend's brother has always been a pain. He's bossy, full of himself, and demanding. I'd rather be anywhere but in a room with him. But for Doug, I'll do just about anything, Even if that means interviewing the new mayor, And helping him with the annual Fourth of July celebration. Long hours of working together make me see Gavin in a new light, And soon I'm questioning everything I've ever thought about him. Is it that I really can't stand him? Or can I not stand how he makes me feel when I'm around him? All I know for sure is there will definitely be fireworks this Fourth of July. My Brother's Best Friend is a full-length romance novel all wrapped up with a beautiful and sweet HEA sure to make your heart soar! This book is part of the Holiday Romances series but stands alone. Books do not have to be read in order.

My Brother's Best Friend

During the summer, Marlon and Sharon are selected to attend a special athletics camp called Track Talent. Marlon's success quickly leads him to fame around the camp, however, he ends up ditching his best friend Sharon for a new crew. When Marlon finds himself in over his head, he soon discovers the value of a true friend.

Closer Than a Brother

"That's right. I was in love with my bully." Having a best friend with a cruel older brother is a recipe for disaster. It was worse for Hope who's best friend, Heather, had twin demons as brothers who restlessly bullied them, especially her when she visits their house. Fast forward to a few years, Hope finds herself in a summer where the twins come home from college. She can no longer run, especially when her friend Heather is the one visiting this time with her brothers in tow. Will Hope ever reconcile with her

bullies? Or will she be stuck harboring feelings for one of them? SAMPLE 1: Still standing under the lukewarm water I couldn't help but think back to what I heard... Nathan is in love with some girl. I know he never said the word 'love' but I could tell by his tone that's what he meant. My chest went tight and started to hurt, my eyes filled up with tears blurring my vision. Why did the thought of him being with someone else hurt so much? It's not like he has ever led me on or showed me any interest (in a romantic way) in the past. I never really told him anything to indicate that either. But even when.... No I can't... I felt the tears start to fall from my eyes. I slouched down to the floor of the shower until I was effectively sat down and hugging my legs to my chest. Before I knew it I was crying my soul out. I felt physically sick to my stomach, my chest felt like someone was sat on it. I felt more depressed than any other time in my life and nothing was going to fix it. I was stupid really.... That's right I was in love with my bully. SAMPLE 2: "How long have you been crushing on your little sister's best friend?" Matt asked his voice full of amusement. I looked away "I.. I haven't been" I stutter out. "Really?" Heather asked, trying not to laugh. The two looked at each other and laugh. "You are such a bad liar." Matt laughs. "I'm not." "So is this a recent thing or is this an old thing?" Heather teased. "No Hev, it has to be recent right Nate?" Matt quickly said asking for me. I don't answer, still looking away. "Right Nate?" Matt asks again, this time in a more serious tone. I coughed but didn't say anything still. Heather's mouth dropped open but quickly closed it again as if realizing something. "Longer?" she almost whispers. I slowly turned to them and purse my lips. "Oh my god... Seriously man?" Matt asked shocked. "How long has it been?" Dean asks, making me jump. "Since I first saw her" is all I say.

My Best Friend's Brother

*** A Young Adult Sweet Romance *** ** The Lakeland Boys 3 *** Sixteen year-old Marla Turner had been in love with Tank Gunderson her entire life. He had always been her hero. Unfortunately, to him, she would never be more than his best friend's little sister. Tank Gunderson knew one thing for sure in his messed up life. It didn't matter that she lit up his world. All that mattered was that Marla Turner was as far out of bounds as a girl could get.

My Brother's Best Friend

I can't date Dean Madden. He's a bad boy and my older brother's best friend. So what if I pretended he was my fake boyfriend in high school? That was a long time ago, and he never has to know. We're both grown up now. It's never going to happen. Until one hot weekend when everything happens. Now Dean has made a bet with me: four weeks of dating, and whoever gets dumped first loses. In order to win, I just have to date him. And the more dates we go on, the more I see the things Dean hides from the rest of the world. This might be crazy. It might make my brother mad. It might not be forever, no matter how much I want it to be. And it might be the wildest four weeks of my life. NOTE: This book was previously published under the title Bad Boyfriend.

My Best Friend's Sister

Did you know brothers make the best friends? Well they do! Watch as this brother and sister play and grow together, to become life long friends.

How to Date Your Brother's Best Friend

We used to call ourselves The Three Musketeers. I know it's cliché, but we were only kids. They usually took turns being in charge, which was fine with me. I was just happy to go along with them. After all, I thought I was the luckiest little girl in the whole world. Most of my classmates only had one best friend, but I had two: my best friend Izzy and her twin brother. Back then, I hoped things would never change, but that's the problem with more. Once I saw a glimpse of it, it was impossible to stop wanting it. Especially when it came to Shane. **This standalone best friend romance has no cheating, no cliffhangers, and is intended for a mature audience.
