Star Wars - Vol vers l'infini

Retrouvez tout l'univers Star Wars "légendes" chez 12-21, l'éditeur numérique ! La Guerre des Clones vient d'éclater lorsque le Maître Jedi Jorus C'Baoth demande au Sénat de subventionner son projet ambitieux, une expédition visant à coloniser les régions inconnues de la galaxie. Si, dans un premier temps, le gouvernement bureaucrate s'y oppose, C'Baoth réussit finalement à gagner le crédit politique dont il a besoin pour réaliser son rêve et organiser le vol vers l'Infini. Ce que les maîtres ignorent encore, c'est que le maléfique Dark Sidious s'intéresse de très près à cette mission. Une fois dans l'espace, le Jedi devra non seulement lutter contre cet ennemi redoutable mais encore se soustraire aux attaques du machiavélique Thrawn, un alien d'une intelligence peu commune. C'Baoth, qui pensait partir pour un simple voyage de reconnaissance, se retrouve pris dans une guerre dont l'enjeu se révèle être sa propre survie...

Star Wars - The Old Republic - tome 4 : Annihilation

AN - 3500 L'Empire Sith est en pleine mutation. L'Empereur est porté disparu, présumé mort et la tentative d'un ambitieux Seigneur Sith de le remplacer s'est soldée par un échec. Dark Karrid, l'ancien Jedi passé du Côté Obscur, poursuit son inlassable conquête de la Galaxie, aux commandes du redoutable vaisseau impérial Haute Lance. Sa détermination sans faille doit faire face à celle de Theron Shan qui a encore des comptes à régler avec l'Empire. Il ne manie pas la Force, bien qu'il soit le fils d'une célèbre Jedi, mais comme chez elle, l'esprit de rébellion coule dans ses veines. Agent secret de la République, c'est la personne idéale pour mettre fin au règne de la Haute Lance. Épaulé par la contrebandière Teff'ith et l'ancien Maître Jedi de Dark Karrid, Gnost-Dural, Theron doit affronter un équipage au sang-froid glaçant. Le temps presse : le trio doit saisir son unique chance de le battre en brèche ou il ne lui restera d'autre issue que la mort...

Star Wars - L'académie Jedi - tome 2

Retrouvez tout l'univers Star Wars "légendes" chez 12-21, l'éditeur numérique ! An 11 - Star Wars L'AVENTURE REBONDIT... Que faire du Broyeur de Soleils, l'arme suprême ravie aux Impériaux par Yan Solo et Kyp Durrion, le meilleur disciple de Luke ? La République hésite. Mais l'amirale Daala, la renégate qui commande la dernière flotte impériale, pourchasse les deux voleurs. Et le Côté Obscur de la Force n'a rien perdu de sa séduction : il peut pervertir les Jedi, et un antique seigneur du Mal, celui-là même qui a retourné Dark Vador, est de retour. Le pire ennemi que puisse affronter un Maître Jedi...

Star Wars Force Rebelle - tome 6 : Soulèvement

La conclusion trépidante de la série Force Rebelle. Pour Luke, ce devait être une mission facile, rapide et discrète au coeur du palais de Nyemari. Mais tout bascule avant même qu'il ait pu quitter la planète avec son groupe de Rebelles, lorsqu'il reçoit un message de Rezi Soresh. Le perfide commandant impérial n'a pas abandonné son projet de vengeance et il a encore une carte à jouer. Il détient en effet un vaisseau rempli de voyageurs innocents. L'ultimatum est clair, implacable : si Luke ne se rend pas, tous mourront. Le piège a beau être évident, Luke n'a pas d'autre choix que de suivre les instructions de son pire ennemi...

Star Wars - The Old Republic : tome 3 : Revan

An -3954 À la fois héros, traître, conquérant, oppresseur, sauveur : Revan, ce Jedi qui a quitté Coruscant pour combattre les Mandaloriens est revenu en disciple du Côté Obscur, déterminé à anéantir la République. Mais le Conseil Jedi l'a capturé. Il lui laissera la vie sauve à condition d'effacer ses souvenirs. Ne lui resteront que ses cauchemars. Et cette peur sourde, omniprésente. Que lui est-il arrivé exactement dans la Bordure Extérieure ? Revan ne parvient ni à s'en souvenir précisément, ni à l'oublier complètement. Mais ce n'est pas un hasard s'il est confronté de nouveau à un terrible secret qui menace la galaxie. Devant un ennemi aussi puissant que maléfique, il ne pourra reculer : il lui faudra l'arrêter ou mourir...

Star Wars - Tempête Intergalactique

Retrouvez tout l'univers Star Wars "légendes" chez 12-21, l'éditeur numérique ! La République connaît des heures sombres. Pour devancer des projets nuisibles de sécession, elle compte sur le ralliement

d'Ansion, une planète apparemment sans importance. Mais une inimitié de longue date, qui divise les citadins et les nomades de cette contrée, semble faire obstacle à cette coalition. Obi-Wan et Luminara Unduli se portent volontaires pour calmer les affrontements et demandent à leurs deux élèves, Anakin et Barriss, de les accompagner. Certains habitants d'Ansion, conduits par Soergg, sont bien décidés à tout mettre en oeuvre pour les empêcher d'accomplir leur mission... Les Jedi devront recourir à la toute-puissance de la Force s'ils veulent avoir une chance de vaincre sans y laisser leur vie!

Star Wars légendes - Kenobi

An - 19. La République a sombré, emportée par le côté obscur. L'Empire règne sur la galaxie, aux mains des Seigneurs Sith. Le Maître Jedi Obi-Wan Kenobi a tout perdu. Mais sur Tatooine, grandit un espoir... Star Wars légendes - n°131 An - 19 Les Sith règnent sur la galaxie. Le Maître Jedi Obi-Wan Kenobi a tout perdu... Sauf l'espoir. Et celui-ci grandit sur Tatooine - planète désertique, écrasée par la chaleur de deux soleils. Ici, tout le monde connaît le vieux Ben, mais personne ne sait vraiment qui est ce mystérieux ermite. Lorsque des fermiers sont attaqués par une bande de redoutables Hommes des Sables, le vieux Ben est obligé de sortir de sa retraite. Car maîtriser la Force implique de lourdes responsabilités. Au risque de révéler son identité, le Maître Jedi Obi-Wan Kenobi n'a pas d'autre choix que de mener un nouveau combat.

Star wars - Sombre apprenti

Après la Guerre des Clones. AN -22 La guerre entre les forces de la République et l'armée du Côté Obscur suit une inexorable escalade, envenimée par les tactiques agressives du Comte Dooku. Celui-ci ayant ordonné le massacre d'une flottille de réfugiés sans défense, le Conseil Jedi décide alors de s'attaquer au Comte lui-même. Mais le Seigneur Sith est une proie dangereuse et insaisissable. Pour le vaincre, le Conseil prend un risque inattendu : recourir aux deux côtés de la Force. Le Jedi Quinlan Vos devra s'allier à une Sith, Asajj Ventress. Si la haine entre les deux alliés de circonstances brûle encore, celle qui anime Asajj envers son ancien Maître est plus vive encore. Ensemble, Ventress et Vos sont le meilleur espoir de la République. Du moins, aussi longtemps qu'ils parviendront à maîtriser les sentiments mêlés et complexes qui s'embrasent entre eux...

Star Wars : Thrawn

AN 2 Sauvé de l'exil par des soldats impériaux, Thrawn parvient rapidement à capter l'attention de l'Empereur Palpatine par son intelligence impitoyable et son génie tactique qui n'ont d'égal que son ambition. Et si ses méthodes anticonformistes exaspèrent ses supérieurs, elles lui assurent nombre de succès retentissants et une fulgurante ascension. Toutefois, bien que Thrawn domine le champ de bataille, il lui reste beaucoup à apprendre dans l'arène politique où les visages sont doubles et les alliances, fragiles. Devenu amiral, Thrawn devra faire face à une insurrection qui menace non seulement des vies innocentes, mais également la suprématie de l'Empire sur la galaxie... sans oublier son plan de carrière.

Star Wars : Thrawn : Alliances

J'ai senti une perturbation dans la Force. Une phrase inquiétante quelle que soit la situation, mais plus encore lorsqu'elle est prononcée par l'Empereur Palpatine. Sur Batuu, aux confins des Régions Inconnues, une menace aux contours flous prend racine. Le chef de l'Empire charge ses deux meilleurs agents de mener l'enquête : son bras armé, l'impitoyable Seigneur Vador, et le grand amiral Thrawn, stratège de génie. Deux personnalités que tout oppose ; un duo improbable pour une mission des plus cruciales. Mais Palpatine sait que ce n'est pas la première fois que son Apprenti et le Chiss unissent leurs forces. Et derrière son ordre souverain, il y a bien plus en jeu que ce que les deux hommes suspectent...

Star Wars : Morts ou vifs

Découvrez les aventures des deux héros de Solo : A Star Wars Story, quelques années avant les événements narrés dans le film. Han et Qi'ra n'ont pas grand-chose en commun, si ce n'est le fait de posséder peu. Ce ne sont que deux Souillards parmi tant d'autres au sein du gang des Vers Blancs de la planète industrielle Corellia. Mais l'un comme l'autre rêve d'une vie meilleure. Aussi sautent-ils sur l'occasion lorsque la matriarche, Lady Proxima, leur offre une chance de prouver leur valeur et d'obtenir une grosse promotion. Ils ignorent toutefois qu'ils ont accepté une seule et même mission...

Lorsque celle-ci tourne mal, toute la pègre de la planète industrielle se lance à leurs trousses et les deux Souillards devront apprendre à se faire confiance s'ils veulent survivre.

Ronin: Star Wars Visions - Un roman inédit

Un ancien Sith mystérieux erre à travers la galaxie dans cet incroyable conte Star Wars. Une histoire totalement inédite, inspirée par l'univers d'un des courts-métrages animés de la série Visions : Le Duel ! Aux confins les plus reculés de la galaxie, un vagabond solitaire parcourt la Bordure Extérieure. Au mépris des édits impériaux, le RMnin n'hésite pas à arborer une lame très particulière. Son nom n'est connu de personne et nul ne sait ce qu'il recherche. Tout ce que l'on sait, c'est que la mort et le désastre fleurissent dans son sillage. Ce nom oublié, nul doute que les dieux eux-mêmes l'ont frappé de malédiction.... Traduit de l'anglais (États-Unis) par Nathalie Huet

Star Wars - Les X-Wings - tome 6 : Le poing d'acier

Retrouvez tout l'univers Star Wars "légendes" chez 12-21, l'éditeur numérique ! An 7 - Star Wars REJOIGNEZ LA MEILLEURE ESCADRILLE DE L'ESPACE. GLISSEZ-VOUS DANS LE COCKPIT D'UNE AILE-X. ENVOLEZ-VOUS ! L'escadron Spectre, à peine revenu de sa première mission, doit affronter la mort une seconde fois. Il s'agit d'arrêter Zsinj, un seigneur de la guerre, et son superdestroyer stellaire, le Poing d'Acier. Zsinj pourrait joindre ses forces à celles des impériaux et leur donner la victoire. Mission de l'Escadron Spectre : infiltrer les forces de Zsinj en se faisant passer pour des pirates. Un bon moyen de devenir crédibles : commettre des actes de piraterie réels sur les lignes tenues par les patrouilles impériales. Peut-on survivre à un pareil test ?

Vecteur prime

Vingt et un ans après son triomphe sur l'Empire, la Nouvelle République doit affronter un ennemi plus impitoyable encore...

The High-Performance Mind

"Her purpose here is to discuss and illustrate the four types of brain waves—beta, alpha, theta, and delta—with emphasis on what they do, how they work together, and whether we can use their power."—Booklist.

Tile & Till

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1883 edition. Excerpt: ... total amount expended up to that time being " 176, 6, 7i, {not including clothing, &c, received from home." * * *) He was graduated in the class of 1767, his diploma in Latin being dated "Nassau Hall on the day before the Callends of October, 1767," and signed by the Rev. William Tennent, pres.; Elihu Spinner, John Blair, John S. Brainerd, Johannes McQus, Richardus Treat, and Carolus Macknight. This diploma was, in 1875, in the hands of Dr. Otho Evans, of Franklin, Warren County, Ohio, whose mother was a granddaughter of the Rev. Wm. Schenck. After leaving college he studied theology with the Rev. "William Tennent at Freehold, New Jersey, and was licensed by the Presbytery of New Brunswick in 1770. During this time he was intimately associated with the family of one of the old Scotch Presbyterians, Robert Cumming, whilom High Sheriff of Monmouth County, who lived at Matealapau, in the vicinity of the Tennents, and with whom he for a time lived while prosecuting his theological studies, and whose daughter, Anna Cumming, he married on the 7th day of March, 1786. She was born at Monmouth, New Jersey, 3d May, 1750, and died at Franklin, Ohio, 23d June, 1838, "a mother of many children and as full of virtuous honors aB of years." Her grandmother was Catherine van Brugh, of New York city, who married first John Noble, an English gentleman, and married second, 23 August, 1738, the Rev. William Tennent, Jun. This fact may, to some extent, account for some of the movements of the Rev. Mr. Schenck, as, in 1777, he went to Bucks County, Pa., the seat of the famous "log college," founded by the Rev. "William Tennent, Sen. The year succeeding his entry into the ministry, in 1771, he was ordained pastor of the Presbyterian church at Allentown, ...

The Rev. William Schenck, His Ancestry and His Descendants

This book provides an innovative theoretical and empirical exploration of the political participation and democratic capability of people living in authoritarian states. Merging perspectives from sociology

and political science, the book demonstrates that despite autocratic restrictions on opposition, there is often still leeway for people to express themselves as political agents and to develop democratic capability. The first two chapters problematise political participation and develop an interdisciplinary three-domain framework that allows for critical engagement with and appreciation of the contexts and varied ways in which participatory activities occur. This framework is applied to analyse six country case studies: Singapore, Jordan, Belarus, Cuba, Nigeria, and Vietnam. Drawing on a range of data sources and different analytical entry points, the book investigates the substantive opportunities people have in exercising political agency and the implications for democratic capability. The book concludes by summarising the emergent themes and examining the potential of applying this method of inquiry in other political contexts. Encompassing both governmental and societal practices, the book offers insights into state-society relations and their role in constructing political values and goals for participation, which people negotiate and mediate to inform their choices, modes, and forms of civic engagement. These insights present a broad approach towards the study of participation, with relevance for understanding political participation in various societies under non-democratic and democratic rule alike. This book will be useful for researchers and students interested in political dynamics and intersections with economic, cultural, and social aspects of development. It will also be beneficial for practitioners interested in participatory actions and social change.
