It provides clear explanations along with practical examples, making it an essential all-in-one reference. There is also a handy index of 2,500 verbs with their English meanings.

French - Berlitz Vocabulary Handbook

Berlitz French Grammar Handbook provides a complete overview of syntax, parts of speech, punctuation, and other grammar fundamentals. Special sections target potential problems area, the use of present tense expressing future meaning, and the use of relative pronouns. --This text refers to an out of print or unavailable edition of this title.

French Vocabulary

From simple--je mange--to compound tenses--que j'eusse mangé--this easy-to-use, comprehensive guide to French verbs offers clear explanations and multiple examples of usage. A perfect supplement for learners of French at all levels. Over 200 pages.

French Grammar Handbook

"An easy-to-understand guide to the basics of French grammar"--P.[1] of cover.

French Verb Handbook

This innovative new edition helps experienced beginners get to the next level of language learning. It focuses on topics of high-interest and features a variety of interactive exercises, pronunciation activities and practical conversations with native speakers to let learners acquire vocabulary and build their language skills with confidence.

Berlitz French Grammar Handbook

Designed for the young and hip, this French book is packed full of the language really spoken by locals. From colloquial phrases to the down and dirty, this is one language reference users will want to read from cover to cover.

Berlitz Intermediate French

With its completely redesigned interior making the book even more accessible than before, the Berlitz French Phrase Book is ideal for travellers of all ages who are looking for a reliable and up-to-date phrase book that contains all the phrases they really need when they are in France. The new and improved

content has a more visually appealing colour-coding system, enabling users to find what they want, when they want it, and in less time. The book also provides simplified phonetics to ensure that users pronounce the French words and phrases correctly. Stunning images enhance the content and make this the most visually attractive French phrase book on the market.

Hide This French Book - Berlitz Language

Presents 1000 entries for terms in French and English with corresponding illustrations to show usage.

Berlitz French Phrase Book & Dictionary

Covering French verb function and structure, this handbook features clear explanations of how the verb system works, along with practical examples demonstrating how to use the different types of verbs correctly.

1,000 French Words

This compact language set comprises three paperbacks providing everything you need to learn the rudiments of grammar, verbs and vocabulary. Each book features clear explanations along with practical examples, making the set an outstanding reference tool. It is ideal for students of all levels and will complement any Berlitz self-teach course.

French - Berlitz Verb Handbook

You will never be lost for words with Berlitz - from arriving at the airport, to ordering food and drinks, sightseeing or booking accommodation; this portable French phrase book and dictionary covers everything you need to know to enjoy your trip. Featuring over 8,000 of the most useful everyday phrases, you will be able to converse with confidence in any situation that you may come across; whether you are travelling with children, on business, or you have a disability. You can forget spending hours of valuable time rifling hopelessly through pages of dull, small print, because the easy-to-use, colour-coded sections in this book allow you to flick straight to the phrase you need; leaving you more time to enjoy yourself. Language is up-to-date and accompanied by clear pronunciations, so you can start using this book straight away, regardless of ability. Full-colour photographs and illustrations help to visually clarify many important subjects, such as currency and motoring signs. Also included is a comprehensive bilingual dictionary and quick reference table for the most essential French phrases. With language as no barrier you can truly get the most out of your destination.

French Berlitz Reference Set

Berlitz Essentials are comprehensive, self-teaching guides which provide beginning language students with a quick, practical, and simple approach to learning language for everyday situations. Traditional in approach, each guide includes a wide range of exercises and activities that utilize interesting dialogues and entertaining illustrations to provide a thorough introduction to the language within its cultural context.

French Phrase Book & Dictionary

Small in size but big in features, this reference work delivers a wealth of elements unheard in its size. The Berlitz French Pocket Dictionary has been thoroughly revised to cover all the latest vocabulary.

Berlitz Essential French

This brand new Standard Dictionary has a long-lasting vinyl cover and is exceptionally easy to use. It features up to 130,000 entries, covering a wide range of vocabulary plus many idiomatic expressions too. Extra grammatical information will extend your knowledge of the language even further. A clear layout along with bright, blue headwords enables you to navigate around the book quickly so you will be finding the words you need in no time at all!

Berlitz French Pocket Dictionary

If you buy into the *Pépé Le Pew* stereotype of the French – arrogant, stuffy, overly amorous, and rather odiferous (*Pépé Le Pew* was a skunk. Talk about stereotypical!) – then think again. Not only are the French people some of the most relaxed, pleasant people you'll ever meet, but their society is one of

the oldest, most culturally rich societies in the world. So it's no surprise that French is known as perhaps the most beautiful of all languages. Listen to someone speak French – sure, you don't have a clue what she's saying, but aren't you enraptured by the sound of it? Unfortunately, just because a language is beautiful doesn't mean that it's easy to learn. Although French has many things in common with English, French has had many, many centuries to evolve into the language it is today, which means it's had all that time to become more complex. That's where French For Dummies can help. Written in partnership with the language experts at Berlitz, this book can give you what you need for basic communication in French. French For Dummies covers the following topics and more: Basic pronunciation and gestures The nuts and bolts of French grammar Meeting and greeting in French Situations in which you can use French: Making small talk, dining out, shopping, and talking on the phone Traveling to France: Dealing with French currency, staying at a hotel, and getting around town Top Ten lists on ways to pick up French quickly, things you should never say in French, favorite French expressions, and important French holidays to remember. Appendixes with verb conjugation tables, as well as a French mini-dictionary French For Dummies also comes with a CD that has audio transcriptions of all the exercises in the book, so that you can actually hear the French pronunciations. So whether you're taking a business trip and need to pick up a little French quickly; you're cramming for your high school French final; or you've always wanted to learn a new language but don't have the time to drag yourself to a class once a week, French For Dummies can get you well on your way to becoming fluent in no time.

French

A French course on four compact discs, designed to teach real communication skills. It features over 2200 words and phrases to help the user converse in everyday situations with ease and confidence. A learner's guide, bilingual dictionary and verb handbook are included.

French For Dummies

Compact in size, yet comprehensive in coverage, this bilingual dictionary features more than 50,000 entries, all main headwords in blue for quick reference, and a robust vinyl cover.

French Today
