Sensation Stories

The "Sensation Novel" ushered in the modern mystery genre. It was inaugurated by Wilkie Collins's best-seller *The Woman in White* in 1860. But this collection, selected by Peter Haining, reveals that Collins had actually been writing realistic stories of suspense for at least a decade before this. With dramatic plots that revolved around hidden secrets, bloody crimes, villainous schemes, and clever detective work all occurring in everyday settings, Wilkie Collins helped to shape a new genre that was worlds away from anything being written by his contemporaries--and one that was to have a far-reaching influence. *Sensation Stories* ranges from Collins's earliest tales and those published under the auspices of his great friend Charles Dickens to the title piece from his last, melancholic collection. Among several famous yarns and stories not published for over a hundred years is one featuring a pioneer female detective and another that has been called the first British detective story. There is a ghost story controversial for its eroticism, the first humorous or satirical detective story and a story that clearly presages *The Woman in White*, published two years later. Thrilling reads in their own right, all 10 stories showcase Wilkie Collins's towering contribution to the development of the mystery genre. Indeed, he is now regarded as the inventor of the modern detective story and the forefather of a crime fiction tradition that runs through Arthur Conan Doyle to Thomas Harris today.

Great Tales of Mystery & Suspense

A definitive collection of the best stories of the mystery and suspense genre with an introduction by the master storyteller of the field, John D. MacDonald.

Give Me Your Heart

In the chilling world of *Give Me Your Heart*, the need for love is obsessive, self-destructive and unpredictable. It takes us to forbidden places, confronts us with gruesome truths, and leads us beyond our control. In the unsettling 'Strip Poker,' a reckless teenage girl must turn the tables on a group of threatening young men. Can she outplay them? In the award-winning 'Smother!' a daughter's nightmarish childhood memory brings trouble to the door of her bourgeois mother. Which of them will win? In 'The First Husband,' a jealous man discovers his wife lied about her first marriage, and plans a cruel revenge. Will he go through with it? In these and other powerful tales, children move beyond their parents' reach, wives and husbands wake up as strangers, haunted pasts intrude upon uncertain futures, and lives hang in the balance. In ten razor-sharp stories, National Book Award winner Joyce Carol Oates shows that the most deadly mysteries often begin at home.

The Girl at My Door

'Can I give this more than 5 stars? WOW, WOW, WOW. I absolutely loved this book. It completely blew my mind and I have not been able to stop thinking about it since I finished reading it! I devoured this in one sitting... Magnificent.' Goodreads reviewer, ~~PA~~ An unputdownable mystery thriller based on a true story, about innocent young women turning to the wrong person in their hour of need. Perfect for fans of Gregg Olsen, Louise Douglas and Jess Lourey. Nail-biting, heart-breaking and unforgettable. London, 1949: Beautiful, young Queenie Osbourne has worked so hard for her new life, moving to the big city, singing in front of growing crowds at little restaurants and smoky bars. As she applies bright red lipstick, excited for her best friend's engagement party, she has no idea of the mistake she's about to make.

The night is perfect: laughter, wine, dancing. But then a spark of attraction becomes impossible to ignore, and in a split second, Queenie's life is changed forever. Like countless young women of her time, Queenie finds herself desperate and alone, facing an impossible choice. Unbound by guilt, she turns to the only person who can help her, the quiet, ex-soldier John Reginald Christie. It will be a relief to be in John's capable hands. A relief to discover there is the possibility of a fresh start. But as Queenie stands outside the door of 10 Rillington Place, she starts to ask herself: what if she has put her trust in the wrong man? Completely addictive and inspired by the true crime story of the Rillington Place murders, this stunning mystery will keep you reading long into the night. A Spot of Folly

New and uncollected tales of murder, mischief, magic and madness. Ruth Rendell was an acknowledged master of psychological suspense: these are ten (and a quarter) of her most chillingly compelling short stories, collected here together for the first time. In these tales, a businessman boasts about cheating on his wife, only to find the tables turned. A beautiful country rectory reverberates to the echo of a historical murder. A compulsive liar acts on impulse, only to be lead inexorably to disaster. And a wealthy man finds there is more to his wife's kidnapping than meets the eye. Atmospheric, gripping and never predictable, this is Ruth Rendell at her inimitable best. The stories are: *Never Sleep in a Bed Facing a Mirror*; *A Spot of Folly*; *The Price of Joy*; *The Irony of Hate*; *Digby's Wives*; *The Haunting of Shawley Rectory*; *A Drop Too Much*; *The Thief*; *The Long Corridor of Time*; *In the Time of his Prosperity*; and *Trebuchet*. Introduction from Sophie Hannah.

Bonegrinder

A suspense thriller set in the Ozarks from the New York Times–bestselling author of *The Night Caller*, who “knows how to make you shiver” (Harlan Coben). When the men find him, the boy’s legs look like they were run through a wood-chipper. He’s bleeding heavily and near death, but he still has strength to tell them of the monster that attacked him: a dark, massive creature that emerged from the bottom of the lake. The child dies before he can say more. Sheriff Billy Wintone has seen too much superstition, drunkenness, and rage in this small Ozarks town to believe the delirious boy’s tale of a monster lurking under the lake’s dark waters. Like it or not, however, Wintone must scour the woods for the man or beast who killed the child before the start of fishing season. When another body is found chewed to pieces, the Sheriff begins to wonder what evil lies at the bottom of Big Water Lake. From an Edgar Award winner who’s been called “one of the masters” by Ridley Pearson and earned widespread praise from critics for his terrifyingly suspenseful novels, this is an unforgettable story of the darkness hidden in a small mountain town. This ebook features an illustrated biography of John Lutz, including rare photos and never-before-seen documents from the author’s personal collection.

In this tightly wound, enthralling story reminiscent of Agatha Christie's works, Lo Blacklock, a journalist who writes for a travel magazine, has just been given the assignment of a lifetime: a week on a luxury cruise with only a handful of cabins. The sky is clear, the waters calm, and the veneered, select guests jovial as the exclusive cruise ship, the Aurora, begins her voyage in the picturesque North Sea. At first, Lo's stay is nothing but pleasant: the cabins are plush, the dinner parties are sparkling, and the guests are elegant. But as the week wears on, frigid winds whip the deck, gray skies fall, and Lo witnesses what she can only describe as a dark and terrifying nightmare: a woman being thrown overboard. The problem? All passengers remain accounted for--and so, the ship sails on as if nothing has happened, despite Lo's desperate attempts to convey that something (or someone) has gone terribly, terribly wrong

Land of the Living

Published in the United Kingdom and Canada as Abattoir Blues Detective Chief Inspector Alan Banks is back in this crackling novel of suspense, a moody and sophisticated mystery full of serpentine curves from New York Times bestselling, Edgar Award-winning author Peter Robinson. One of the world's greatest suspense writers returns with this sensational new novel featuring Inspector Alan Banks, hailed by Michael Connelly as "a man for all seasons." It's a double mystery: Two young men have vanished, and the investigation leads to two troubling clues in two different locations—a scorched van and a peculiar bloodstain in an abandoned airport hangar. As Banks and his team scramble for answers, the inquiry takes an even darker turn when a truck careens off an icy road in a freak hailstorm. In the wreckage, rescuers find the driver, who was killed on impact, as well as another body—a body that was dead well before the crash. Snow falls. The body count rises. And Banks, perceptive and curious as ever, feels himself being drawn deeper into a web of crime, and at its center something—or someone—dark and dangerous lying in wait. Vibrating with tension, ingeniously plotted, and filled with soul and poignancy, *In the Dark Places* is a remarkable achievement from this masterful talent.
