Mrs. Rabbit had four little bunnies.

Their names were Mopsy, Flopsy, Cotton-tail, and Peter

One day Mrs. Rabbit said, We need bread.

She grabbed her basket and an umbrella.

Mrs. Rabbit looked at her bunnies.

Your father went there.

Mrs. Rabbit headed off to town.

The bunnies put on their jackets and shoes.

The four bunnies hopped down the path.

I see a blackberry bush!

"Yum!" said Flopsy and Cotton-tail.

Flopsy, Mopsy, and Cotton-tail ran to the bush.

Peter's sisters started to pick blackberries.

### Cappuccetto mortissimo

A rollicking mystery with an unexpected hero, this fully-illustrated chapter book continues the adventures of Ghoulia, a lovable, not-so-scary zombie. One dark and stormy night, Ghoulia's cousin Dilbert comes to visit her at Crumbling Manor. She's confused—she didn't invite him, and it turns out that Dilbert's a real grouch. He complains about everything! When Ghoulia tries to track down Auntie Departed to find out why she invited Dilbert, she finds that Auntie has vanished. Ghoulia can't find her. And the doorbell won't stop ringing. One after another, Ghoulia's friends arrive—all with the same mysterious invitation in hand. As the gang searches Crumbling Manor for Auntie Departed, one of their own goes missing. Finally, Dilbert inadvertently solves the mystery in the greenhouse when he finds himself face-to-face with the sinister Chatterbox Ivy. Clue meets Little Shop of Horrors in this fun romp, which includes full-color illustrations and kid-friendly activities.

### Ghoulia and the Mysterious Visitor (Book #2)

Book #3 in this fully illustrated, not-so-spooky chapter book series starring everyone's favorite little zombie Ghoulia, Auntie Departed, and Tragedy the greyhound are back for another adventure at Crumbling Manor! They're preparing for the annual Dead but Not Departed New Year's Eve party. A young ghost arrives, and he seems to be fading away. Turns out, the ghost has forgotten his own name and is in danger of vanishing entirely—all because there's no one left alive who remembers him. Not on Ghoulia's watch! If she can help the ghost figure out his name, she'll be able to keep him safe. But will Ghoulia be able to discover the truth before it's too late? With all the hijinks and Tim Burton-style art that made Books #1 and #2 fan favorites, Book #3 is sure to deliver!

### Ghoulia and the Ghost with No Name (Book #3)

In un'epoca in cui i rapporti diventano inesorabilmente virtuali e l'amicizia sembra un concetto da social network, con "Face to Face Book" Martí Guixé ci invita a ritrovarci fisicamente, seduti fronte a fronte. I libri di Martí Guixé non sono quasi mai soltanto libri: sono divertenti provocazioni, dialoghi giocosi con il lettore-disegnatore in cui il gioco diventa spunto di riflessione. Ancora una volta Martí Guixé ci invita a sperimentare senza rischi e a seguire le regole della nostra originalità, con un nuovo libro "da fare\

This inventive picture book is brimming with humour and imagination. Parent and child will love to read along together over and over again.

### Tooth Monsters

In the tradition of Ira Levin's *A Kiss Before Dying* and Donna Tartt's *The Secret History* comes a suspenseful thriller from the international bestselling author of *The Bronze Horseman*—an utterly captivating story about four Ivy League students whose bizarre friendship leads to a twisted maze of secrets, lies, betrayal, and murder. As the star player of Dartmouth College's women's basketball team, Kristina Kim is beautiful, intelligent, and fearless. But though she's just 21, Kristina has already had her share of heartache, loss, and dark secrets that haunt her. She's best friends with Conni, Albert, and Jim, but the only one who seems to really know her is Albert. With long dark hair, tattoos, and a rebellious streak, Albert doesn't fit in with the rest of the clean-cut Ivy Leaguers. Like Kristina, he has his share of secrets—secrets that are beginning to unravel this intimate circle of friends. One wintry Thanksgiving weekend tragedy strikes... When Detective Spencer O'Malley goes to investigate something suspicious at the foot of a steep hill on Dartmouth's campus, he doesn't expect that the frozen, naked body found in deep snow would belong to Kristina Kim—the remarkable young woman he met recently who entranced him. Now Spencer will never know if the chemistry he had with her was real. All he can do is find her killer. Spencer is pulled into the strange, complex web of the surviving friends. Many important questions about Kristina's murder cannot be answered, such as: why did none of them report her missing for nine days before her body was discovered? The more Spencer digs, the more clear it becomes that each of the three has a motive for killing Kristina. And as Spencer, seeking justice for a dead girl, is led down a labyrinth of deceit, every new revelation proves more shocking than the last....and more dangerous. "Simons handles her characters and setting with a certain skill, creating mystery from the ordinary, protected lives of these Ivy League kids, slowly peeling away their deceptions to reveal denial, cowardice, and chilling indifference...an engrossing story."—Publishers Weekly
