The Life of the Prophet Muhammad

All Praise is due to Allah, the Lord of the Worlds, the [One Who] Sustains the Heavens and Earths, Director of all that is created, who sent the Messengers (may the peace and blessings of Allah be upon all of them) to rational beings, to guide them and explain the religious laws to them with clearproofs and undeniable arguments. I praise Him for all of His bounties. I ask Him to increase His Grace and Generosity. I bear witness that there is none worthy of worship except Allah alone, who has no partner, the One, Who Subdues, the Generous, the Forgiving. I bear witness that our leader Muhammad is His servant and Messenger, His beloved and dear one, the best of all creation. He was honoured with the Glorious Qur'an that has been an enduring miracle throughout the years. He was also sent with his guiding Sunnah that shows the way for those who seek guidance. Our leader Muhammad has been particularised with the characteristic of eloquent and pithy speech, and simplicity and ease in the religion. May the peace and blessings of Allah be upon him, the other Prophets and Messengers, all of their families and the rest of the righteous. NO Copyrights!!! Seerah of Prophet Muhammad SAW Vol 2

This is the second book in the series and it covers the period from the birth of Prophet SAW upto the beginning of Prophethood and revelation. The book discusses all stories from childhood, and early manhood of Prophet SAW. It Also discusses all major events in life of Prophet SAW up until beginning of Wahy. The book does not only mention stories, but also discusses all the benefits that can be derived from the life of Prophet SAW.

Why I Am Not a Muslim

Those who practice the Muslim faith have resisted examinations of their religion. They are extremely guarded about their religion, and what they consider blasphemous acts by skeptical Muslims and non-Muslims alike has only served to pique the world's curiosity. This critical examination reveals an unflattering picture of the faith and its practitioners. Nevertheless, it is the truth, something that has either been deliberately concealed by modern scholars or buried in obscure journals accessible only to a select few.

Seerah of Prophet Muhammad SAW Vol 3

This is the third book in the series and it covers the period from the beginning of the Dawah of the Prophet SAW upto the the year of sorrow The book discusses all stories of difficulties that Prophet SAW and the Sahaba had to go through in the first 10 years of Prophethood, and other events including immigration to Abyssinia, boycott of Quraysh, and the year of sorrow. The book does not only mention stories, but also discusses all the benefits that can be derived from the life of Prophet SAW.

The Life of Prophet Muhammad (saw) - Volume 2

Compiled in the 14th century AD by a prominent Syrian scholar, the al-sira al-Nabawiyya of Ibn Kathir is a full examination in chronological order, of the Prophet Muhammad, peace be upon him. Drawn from the earliest and most reliable Arabic sources, it offers, in this close English translation, the fullest available account of the historical circumstances and personalities most important in the founding of Islam. Ibn Kathir's work offers a fine example of Islamic scholarship; the quotations and anecdotes that constitute its core are evaluated in terms of the trustworthiness of their sources. Variant wordings that are related through differing lines of transmission are noted, and Ibn Kathir gives both his own assessments and those of the earliest Islamic authorities concerning the likely authenticity of these records. The comments and conversations, derived from ancient texts, that are quoted in this work constitute the basis of our knowledge of Islam during the lifetime of its founder. Volume 2 (of this 4 volume series) Looks at the early years of the Prophethood and includes such episodes at the Night Journey from Mecca to Jerusalem and the ascent to Heaven the Prophets marriages to Aisha(ra) and Sawda (ra) and the emigration to Madina. It gives details of events in the two years following the emigration, including the building of the Holy Mosques and various military expeditions and reveals how Islam as a faith developed.

The Story of the Holy Prophet Muhammad

The newest biography for children and young adults of the Holy Prophet Muhammad, designed to be read over the month of Ramadan.

Seerah of Prophet Muhammad SAW Vol 1

In this series of books, Insha'Allah we will embark on a journey that will help us in becoming better Muslims. This series of books will be concentrating on the life and times of the single greatest human being who has ever lived, Prophet Muhammad SAW. Now my methodology for the Seerah is something very unique and different. It will be more academic than maybe other Seerah that you have read. And the purpose of this Seerah is not just to narrate stories, that will make you feel good. But to give you morals and benefits and wisdoms of the Seerah. So, after every incident, we will have a pause and ask ourselves, what can we derive from this story, and how can we benefit from this story. Especially in light of modern times. And so, we will go into extensive detail with this. Because this is my methodology. And we're going to analyze and dissect the Seerah. And Insha'Allah my goal is that the Seerah is presented in a manner that really has not been presented before. Because I go back to the source. we'll go back to Ibn Ishaq and Ibn Hisham, and Al-Bayhaqi, and Ibn Sa'd. we'll go back to the original sources. In this volume, we begin by talking about some of the broad characteristics of our Prophet SAW. Some of the unique and specific characteristics that Allah Subhana WA Ta'ala has given to our Prophet SAW. We embark on why we study Seerah, and what is Seerah. And then we begin with the birth and the Pre-Islamic Arabia. Then, we will continue talking about his characteristics and his appearance and his mannerisms. The purpose of this is to give you a little bit of a taster of the life of the Prophet SAW. I want to give you a little summary, a bird's eye view. So, we get the summary of who exactly our Prophet SAW was. So, before we begin with the birth of the Prophet SAW. We need to explain the world at his time. We're going to begin by doing that and discuss the benefit we can derive from it. Then, we will

be as discussing the genealogy of the Prophet SAW. And we began by talking about the entire Arab race. Because this is how the books of Seerah began. Who exactly are the Arabs? And there are many theories presented by scholars that we will discuss.

The Noble Life of the Prophet

The advent of the Prophet Muhammad SAW changed the face of the history of mankind in a manner that this world has never seen before. Since the first man and Prophet Adam PbuH was sent down to Earth, Allah SWT sent many prophets and messengers to guide mankind to the Truth and to the Straight Path. Soon after the deaths of these prophets, their followers deviated from the teachings and corrupted the religion of Allah. He rejuvenated the Truth as taught by the previous prophets and messengers, and re-established the Law of Allah on Earth through the teachings of The Holy Qur'an and the practice of the Sunnah. At the time of the birth of the Prophet Muhammad SAW, two great prophetic religions were practiced in the environs of Arabia - namely Judaism and Christianity. Both of these religions were born from the basic teachings of Islam (Tawhid/Pure Monotheism) as taught by Prophet Musa PbuH and Prophet Isa PbuH. However, the original teachings were lost, and these religions were born. Though the Arabs believed in the concept of a supreme deity as originally taught by their progenitor Prophet Ibrahim PbuH, most of the Arabs had become polytheists while a minority amongst them turned towards the religions of their cousins, Judaism and Christianity. The Bait-Al-Haraam in Makkah, which had been reconstructed by Prophet Ibrahim PbuH for Allah's worship had been filled with hundred images and idols by these polytheists.

Life of Prophet Muhammad Saw the Last Messenger and Prophet of God English Edition Hardcover Version

Prophet Muhammad SAW from Mecca, unified Arabia into a single religious polity under Islam faith. Believed by Muslims to be a prophet and messenger of God, Muhammad is almost universally considered by Muslims as the last prophet sent by God to mankind. While non-Muslims generally regard Muhammad as the founder of Islam, Muslims consider him to have restored the unaltered original monotheistic faith of Prophet Adam, Prophet Abraham, Prophet Moses, Prophet Jesus, and other prophets. Prophet Muhammad SAW was orphaned at an early age; he was raised under the care of his paternal uncle Abu Talib. After his childhood Muhammad primarily worked as a merchant. Occasionally he would retreat to a cave in the mountains for several nights of seclusion and prayer; later, at age 40, he reported at this spot, that he was visited by Gabriel and received his first revelation from God. Three years after this event prophet Muhammad SAW started preaching these revelations publicly, proclaiming that "God is One." Prophet Muhammad, may the mercy and blessings of God be upon him, is the man beloved by more than 1.2 billion Muslims. He is the man who taught us patience in the face of adversity, and taught us to live in this world but seek eternal life in the hereafter. It was to

Prophet Muhammad that God revealed the Quran. Along with this Book of guidance God sent Prophet Muhammad, whose behavior and high moral standards are an example to us all. Prophet Muhammad's life was the Quran. He understood it, he loved it and he lived his life based on its standards. He taught us to recite the Quran, to live by its principles and to love it. When Muslims declare their faith in One God, they also declare their belief that Muhammad is the slave and final messenger of God. Prophet Muhammad taught us to love God and to obey Him. He taught us to be kind to each other, to respect our elders, and care for our children. He taught us that it was better to give than to receive and that each human life is worthy of respect and dignity. He taught us to love for our brothers and sisters what we love for ourselves. Prophet Muhammad taught us that families and communities are essential, and he pointed out that individual rights although important are not more important than a stable, moral society. Prophet Muhammad taught us that men and women are equal in the sight of God and that no one person is better than another except in respect to his or her piety and devotion to God.

The Life of Prophet Isa AS and Prophet Muhammad SAW English Edition

One of the most important characteristics which form a perfect and concrete example of the Prophet Muhammad (saw) is the way he lived his family life. He established a superior, most virtuous and happiest home with his wives who had different ages, cultures, abilities and characters. That home that he established was so full of patience and beauty that the scent of happiness covered them even though, for days, they were not able to cook a single hot meal (due to lack of food). In addition, in that holy home, the room of each wife was merely a place to lay one's head. However, in that home the most delicious provisions were acceptance, patience, and submission. His education method that he practiced in his family life filled their hearts with a limitless devotion and affection. No wife can love their husband to the degree that the Holy Mothers loved the Prophet (saw). No husband can love his wife to the degree of the Messenger's love for his holy wives. No child can love his or her father to the degree that Hz. Fatima loved her father. No father can love their child as much as Allah's Messenger loved Hz. Fatima. This is also true for grandchildren... Our mother Hz. Fatima, the apple of the eye of the Ehl-Bayt, who was one of the rare roses of this exceptional rose garden, means many things to the mothers and fathers these days: her life was short but adorned with taqwa, the awareness of Allah (swt). She shows them, in a lively way, that raising a child required a big effort and responsibility and that the children's futures were in Allah's hands. The only purpose in that spiritual home; which had between its members a sense of deep affection, sacrifice, and attachment; was the reaching of Allah's acceptance. In that home the biggest worry was about losing Allah's (swt) and His Messenger's (saw) affection and acceptance. The Prophet's (saw) exceptional wives, were the recipient of the honor of being the "Mothers of the Believers" by Allah's command. They observed the Prophet (saw) as he received the inspirations of Quran, and while he was praying, while he was reading Quran, eating, speaking, and sleeping: shortly, in every point of life, they were cognizant of his spiritual mysteries which were far from all other eyes. They past their lives with the sensitivity of deserving this big honor and virtue and they became, to the women of the ummah (community), the best guides and teachers. Thousands of hadiths were reported from them which explain the characteristics, attitude and sunnet (actions and sayings) of the Prophet (saw).

The Mothers of the Believers

It is very important for anyone who wants to spread the message of Islam to study the life of the Prophet (blessings and peace of Allah be upon him) and discover how he undertook the mission of da'wah, or calling to Islam. This book is a blueprint for da'wah. From studying his biography we learn the lessons of patience and perseverance in the face of adversity and opposition, and the readiness to sacrifice everything for the cause of Islam. In this book, Dr. as-Sibâ'ie shows us how the Prophet's approach was gentle yet determined and clear-cut, with no compromise on basic issues. The author takes the most important events of the Messenger's life, summarizes them in order to offer a brief overview, then outlines the lessons that we learn from these events. This is an excellent introduction both to the principles of da'wah and to the seerah, the study of the life of the Prophet (blessings and peace be upon him). It should be on the bookshelf of every Muslim who wants to call others to Allah.

The Mothers of the Believers - Wives of Prophet Muhammad (saw)

Many books have been written about the life of the Prophet Muhammad (SAW), However, In writing this book, the author (Sheikh Muhammad al-Ghazali) had a specific objective. He used the life of the Prophet (SAW) to go into depths that many historians had only touched upon from the various aspects of his (saw) life. This book goes into detail and provides reasons and explanations for whatever took place. It is a blend of modern analysis and ancient detail. Its objective is to nurture faith, purify characters and fan the struggle to embrace the truth and be faithful to it. Indeed, the life of the Prophet (SAW) has been documented as a message for practical implementation, not intellectual entertainment'. You may think that you have studied the life of Muhammad by following his history from birth to death but this is a grave mistake. You will never really understand the Seerah unless you study the noble Qur'an and the purified Sunnah. The amount that you derive from these will tell the strength of your connection with the prophet of Islam, sallallahu `alaihi wa sallam' Drawing upon his profound classical Islamic learning and an extensive knowledge of modern science, Sheikh al-Ghazali has broken new ground

in the study of Seerah, bringing to bear a fresh but wholly authentic approach. This is a work which all serious students should have, to complement the Seerah of the Prophet Muhammad (SAW)

They past their lives with the sensitivity of deserving this big honor and virtue and they became, to the women of the ummah (community), the best guides and teachers. Thousands of hadiths were reported from them which explain the characteristics, attitude and sunnet (actions and sayings) of the Prophet (saw). The book that is in your hands; which tells the story of the perfect human and family head, and also that of his family life and his wives; is like the summary of this very important and detailed subject. In society today; where many social and family problems are lived and divorce increases day by day, and the struggling children of these broken homes increase; we need to know the holy and model home of the Prophet (saw) very much: to the degree that we can smell the compassion, mercy, peace and inspiration!

I Love Prophet: The Life of 25 Prophet

Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' Muhammad: His Life Based to the Earliest Sources is unlike any other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. Muhammad: His Life Based to the Earliest Sources was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.
