London Revenant

London Revenant is a dark and magical exploration of London and the tenebrous world that lies beneath it. A madman is pushing people in front of Tube trains. Adam Buckley has a feeling it might be someone he knows. But that is the least of his worries. His narcolepsy is worsening, sucking him into an uncertain, twilight state. He sees people at parties he has no memory of, but who seem to know him. Deep within London's sprawling Underground, he sees shadowy figures beckoning him into tunnels not shown on any map. His friends are drifting away, intent on chasing down insane, uncharted zones hidden within the capital, and they seem to be succumbing to a strange wasting disease. The suggestion of a half-remembered life and the encroaching shadow of violence threatens to engulf Adam and everyone he knows, unless he can unveil his true identity and that of his stalking nemesis. Conrad Williams' masterful novel peels back layer upon layer of the city's skin to reveal the grinning skull that lies beneath.

Dark Delicacies III: Haunted

In this third installment of the Bram Stoker Award-winning anthology series, editors Del Howison and Jeff Gelb examine what it means to be Haunted in all of its different permeations. From the constant haunting visits of a locale to being haunted by our own thoughts and memories to being haunted by the spirit of evil, Haunted explores the emotions of obsession, desire and pain. We are all haunted by something. The horror is in how we deal with it. Join twenty of the genre's finest authors as they deal with their ghosts. Includes stories by Kevin J. Anderson, Clive Barker, Michael Boatman, Heather Graham, Richard Christian Matheson, David Morrell, Chuck Palahniuk, Victor Salva, Simon R. Green, and many more!

Good Morning, Midnight

NOW A MAJOR NETFLIX FILM 'THE MIDNIGHT SKY', DIRECTED BY GEORGE CLOONEY, STARRING FELICITY JONES AND GEORGE CLOONEY 'A remarkable and gifted debut' Colson Whitehead, author of *The Underground Railroad* 'Fans of Emily St. John Mandel's *Station Eleven* and Kim Stanley Robinson's *Aurora* will appreciate the Brooks-Dalton's exquisite exploration of relationships' *Washington Post* There is a particular beauty in silence, in being cut off from the world. Augustine, a brilliant, ageing scientist, is consumed by the stars. He has spent his entire life searching for the origins of time itself. He has now been left alone on a remote research base in the Arctic circle, all communication with the outside world broken down. But then he discovers a mysterious child, Iris, who must have hidden herself away when the last of his colleagues departed. Sully is a divorced mother. She is also an astronaut, currently aboard *The Aether* on a return flight from Jupiter. This is the culmination of her career, the very reason for all the sacrifices she has made - the daughter she left behind, the marriage she couldn't save. When all communication goes silent, she is left wondering what she will be returning to. Marooned in the vast silence of space and the achingly beautiful sweep of the Arctic, both Augustine and Sully begin to understand their place in the world, and what gives their life meaning. For only in the silence can we find out who we truly are.

The Routledge Companion to Folk Horror

The Routledge Companion to Folk Horror offers a comprehensive guide to this popular genre. It explores its origins, canonical texts and thinkers, the crucial underlying themes of nostalgia and hauntology, and identifies new trends in the field. Divided into five parts, the first focuses on the history of Folk Horror from medieval texts to the present day. It considers the first wave of contemporary Folk Horror through the films of the 'unholy trinity', as well as discussing the influence of ancient gods and early Folk Horror. Part 2 looks at the spaces, landscapes, and cultural relics, which form a central focus for Folk Horror. In Part 3, the contributors examine the rich history of the use of folklore in children's fiction. The next part discusses recent examples of Folk Horror-infused music and image. Chapters consider the relationship between different genres of music to Folk Horror (such as folk music, black metal, and new wave), sound and performance, comic books, and the Dark Web. Often regarded as British in origin, the final part analyses texts which break this link, as the contributors reveal the larger realms of regional, national, international, and transnational Folk Horror. Featuring 40 contributions, this authoritative collection brings together leading voices in the field. It is an invaluable resource for students and scholars interested in this vibrant genre and its enduring influence on literature, film, music, and culture.

American Gods

AN ACCLAIMED, EMMY-NOMINATED TV SERIES ON AMAZON PRIME VIDEO WINNER OF THE HUGO, LOCUS AND BRAM STOKER AWARDS 'To give him his full title: Neil Gaiman, Architect of Worlds, Svengali of Plot, Shaman of Character, Exploder of Cliché, Master Craftsman of Style, Dreamer Laureate of the Republic of Letters' DAVID MITCHELL 'Original, engrossing, and endlessly inventive' GEORGE R.R. MARTIN 'Brilliant and unique' *GUARDIAN* --- 'This is about the soul of America, the idea that everyone came here from somewhere' NEIL GAIMAN --- After three years in prison, Shadow Moon is free to go home. But hours before his release, his beloved wife is killed in a freak accident. Numbly, he boards a plane where he meets an enigmatic stranger who seems to know Shadow and claims to be an ancient god - and king of America. Together they embark on a profoundly strange road trip across the USA, encountering a kaleidoscopic cast of characters along the way. But all around them a storm of unnatural proportions is gathering. War is coming, an epic struggle for the very soul of America. And Shadow is standing squarely in its path. NEIL GAIMAN. WITH STORIES COME POSSIBILITIES.

The Neon Court

War is coming to London. A daimyo of the Neon Court is dead and all fingers point towards their ancient enemy -- The Tribe. And when magicians go to war, everyone loses. But Matthew Swift has his own concerns. He has been summoned abruptly, body and soul, to a burning tower and to the dead body of Oda, warrior of The Order and known associate of Swift. There's a hole in her heart and the symbol of the Midnight Mayor drawn in her own blood. Except, she is still walking and talking and has a nasty habit of saying 'we' when she means 'I.' Now, Swift faces the longest night of his life. Lady Neon herself is coming to London and the Tribe is ready to fight. Strange things stalk this night: a rumored 'chosen one,' a monster that burns out the eyes of its enemies, and a walking dead woman. Swift must stop a war, protect his city, and save his friend -- if she'll stop trying to kill him long enough for him to try.

Arts & Humanities Citation Index

From the earliest days of oral history to the present, the vampire myth persists among mankind's deeply-rooted fears. This encyclopedia, with entries ranging from "Abchanchu" to "Zmeus," includes nearly 600 different species of historical and mythological vampires, fully described and detailed.

Encyclopedia of Vampire Mythology

The Caribbean is an exotic but not too distant land, full of rich cultural traditions. The literature of the Caribbean reflects the social, political, and cultural concerns of the region and is a valuable tool for learning about the area and its people. This book includes chapters on roughly a dozen contemporary Caribbean writers. Along with plot summaries, these sections discuss major themes and give close attention to how Caribbean culture figures in the writer's texts. To help students conduct further research, each chapter cites works for further reading.

Literature of the Caribbean

Adult books are categorized by genre (i.e., fiction, mystery, science fiction, nonfiction). Along with bibliographic information, the expected date of publication and the names of literary agents for individual titles are provided. Starred reviews serve several functions: In the adult section, they mark potential bestsellers, major promotions, book club selections, and just very good books; in the children's section, they denote books of very high quality. The unsigned reviews manage to be discerning and sometimes quite critical.

Kirkus Reviews

"The Life of Almost is a dark comedy set in Wales and a spectral reworking of Dickens's Great Expectations. Almost is a boy, brought up by his sister, Perfection. He is shrouded by bereavement and surrounded by the hauntings of his family's undead. ... He is a poet: a bard boy surrounded by a cast of family and friends drawn from sea caves, the embalming table, the graveyard and the dark Clandestine House, which respire heavily and in which time has stopped. Like Pip, he sings into the sea and likes to tell stories ... the story of his life, his struggles and triumphs. He is thwarted in love but understands -- the night he meets a ragged convict, for the convict is a merman, come on land -- that he has deep and commanding powers."--Publisher

Jim Kobak's Kirkus Reviews

The definitive work on the subject, this Dictionary - available again in its eighth edition - gives a full account of slang and unconventional English over four centuries and will entertain and inform all language-lovers.

The Life of Almost

Explores the intersection of the vampire and zombie with 21st Century dystopian and post-apocalyptic cinema
Twenty-first century film and television is overwhelmed with images of the undead. Vampires and zombies have often been seen as oppositional: one alluring, the other repellant; one seductive, the other infectious. With case studies of films like I Am Legend and 28 Days Later, as well as TV programmes like Angel and The Walking Dead, this book challenges these popular assumptions and reveals the increasing interconnection of undead genres. Exploring how the figure of the vampire has been infused with the language of science, disease and apocalypse, while the zombie text has

increasingly been influenced by the trope of the reluctant vampire, Stacey Abbott shows how both archetypes are actually two sides of the same undead coin. When considered together they present a dystopian, sometimes apocalyptic, vision of twenty-first century existence. Key features Rather than seeing them as separate or oppositional, this book explores the intersection and dialogue between the vampire and zombie across film and television Much contemporary scholarship on the vampire focuses on Dark Romance, while this book explores the more horror-based end of the genre Offers a detailed discussion of the development of zombie television Provides a detailed examination of Richard Matheson's *I Am Legend*, including the novel, the script, the adaptations and the BBFC's response to Matheson's script

A Dictionary of Slang and Unconventional English

It is the 1850's, and a young boy, Thomas, leaves his family to be apprenticed to a pharmacist, at the behest of his dead grandmother. He also inherits a magical box from her, which provides him entry into a mysterious garden. But while visiting it, he sees a ghostly vision of his grandmother, who tells him she was poisoned, and warns him that he must find the person responsible, and save her precious garden. For she was one of five members of an arcane guild, each of whom cultivated an individual garden, mastering the art of poison, perfume and medicine. The guild members jostle for power as, one by one, they are murdered... can Thomas solve the mystery, before he in turn is threatened?

Undead Apocalypse

Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world, including many up-and-coming writers as well as established names. With over 8,000 entries, this updated edition features: * Concise biographical information on novelists, authors, playwrights, columnists, journalists, editors, and critics * Biographical details of established writers as well as those who have recently risen to prominence * Entries detailing career, works published, literary awards and prizes, membership, and contact addresses where available * An extensive listing of major international literary awards and prizes, and winners of those prizes * A directory of major literary organizations and literary agents * A listing of members of the American Academy of Arts and Letters

The Writers Directory

Essays on Judaism in the modern world, from philosophy and history to art and politics In these essays Deutscher speaks of the emotional heritage of the European Jew with a calm clear-sightedness. As a historian he writes without religious belief, but with a generous breadth of understanding; as a philosopher he writes of some of the great Jews of Europe: Spinoza, Heine, Marx, Trotsky, Luxemburg, and Freud. He explores the Jewish imagination through the painter Chagall. He writes of the Jews under Stalin and of the "remnants of a race" after Hitler, as well as of the Zionist ideal, of the establishment of the state of Israel, of the Six-Day War, and of the perils ahead.

The Poison Garden

A comprehensive bibliography of books and short fiction published in the English language.

Galignani's Messenger

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine

Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book

International Who's Who of Authors and Writers 2004

"A spunky Cinderella story with a heroine who's equal parts compassion, determination, and pure magical delight." —Rachel Vincent, New York Times bestselling author After discovering and rescuing a group of magical Changelings just like herself, Sarah Smith must now figure out what to do with the unruly children – and how to keep them and the rest of the magical world safe! Having left the structure of Miss Castwell's Institute for the Magic Instruction of Young Ladies behind, Sarah and her two best friends, Alicia and Ivy, hide out with the Changeling children in the countryside while they try to formulate a plan. They have no weapons, no guidance, and the Mother Book is gone. They only have each other and the creeping threat of Miss Morton's revenant army on the horizon... New alliances must be forged, and old friends provide what support they can, but the trio wonders who they can truly trust. They are searching for the mysterious artifact that may prove to be the undoing of the undead, after all! As the rest of magical society prepares for what they think is the highlight of Lightbourne's endless party season, Sarah, Alicia, and Ivy throw themselves headlong into planning for the night that holds their last chance to protect the safety of the entire magical world! Join the ladies of Miss Castwell's in this adventurous tale of magic, mystery and, occasionally, young romance!

The Non-Jewish Jew

History, invention, the power of deduction...Clockwork Chaos is more than goggles and gears. It is about order and structure and timing striving for mechanical perfection. But in an era where mass production does not yet exist, the unique machinery brought forth into the world is at times bound to fall short of the goal. This chaos turns the science into mayhem and when the gears spring forth this mechanical viscera is indicative of a world turned inside out. Join us in our journey through the shine of society to the dark steamy underbelly of grit and crime. Thirteen stories of steam-driven genius plumb the depths of human intrigue even as they raise our vision to the skies. Patrick Thomas's *Spellpunk* tale *Deadly Imitation* turns the Ripper into a tourist attraction. Gail Gray's *The Foxglove Broadside* uses the power of the press to bring down the political machine. And Jeff Young's *Ambergris* in *Ice* gets to the grist of the matter on the issue of smuggling. Necessity may be the mother of invention, but read on to discover how mods make the man. Featuring the work of Jeff Young, Richard Marsden, Matt Dinniman, Bernie Mojzes, R. Rozakis, Patrick Thomas, Angel Leigh McCoy, Gail Gray, Patricia Puckett, James Chambers, N.R. Brown, C.J. Henderson, and James Daniel Ross.

A New English Dictionary on Historical Principles

Study on the autobiographies of Amrita Pritam, 1919-2005, Panjabi authoress; Kamala Das, b. 1934, Indo-English women litterateur and Jean Rhys, 1890-1979, English women novelist.

The Oxford English Dictionary

A FICTION HOUSE PRESS REPRINT: An outlaw of space, she was, with the strength of ten men. Here is an interplanetary story that will fill you with enthusiasm. She whipped the man she loved ... then rescued him from death. This is the Golden Amazon in all of her original pulp adventures with the original illustrations.

The Observer Index

In the tradition of *Bury My Heart at Wounded Knee*, a stunningly vivid historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West, centering on Quanah, the greatest Comanche chief of them all. *Empire of the Summer Moon* spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second is the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined just how and when the American West opened up. Comanche boys

became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. Against this backdrop Gwynne presents the compelling drama of Cynthia Ann Parker, a nine-year-old girl who was kidnapped by Comanches in 1836. She grew to love her captors and became infamous as the "White Squaw" who refused to return until her tragic capture by Texas Rangers in 1860. More famous still was her son Quanah, a warrior who was never defeated and whose guerrilla wars in the Texas Panhandle made him a legend. S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told.

Science Fiction, Fantasy & Horror

An explosive insider account of grime, from subculture to international phenomenon. ***** A group of kids in the 2000s had a dream to make their voice heard - and this book documents their seminal impact on today's pop culture. DJ Target grew up in Bow under the shadow of Canary Wharf, with money looming close on the skyline. The 'Godfather of Grime' Wiley and Dizzee Rascal first met each other in his bedroom. They were all just grime kids on the block back then, and didn't realise they were to become pioneers of an international music revolution. A movement that permeates deep into British culture and beyond. Household names were borne out of those housing estates, and the music industry now jumps to the beat of their gritty reality rather than the tune of glossy aspiration. Grime has shaken the world and Target is revealing its explosive and expansive journey in full, using his own unique insight and drawing on the input of grime's greatest names.

The Football Girl

Presents biographical profiles of significant women from throughout the history of the world, each with birth and death dates when known, a time line, quotation, and references. Arranged alphabetically from R-Schr.

Music, Books on Music, and Sound Recordings

London, 1914. Two young women dream of breaking free from tradition and obligation; they know that suffragettes are on the march and that war looms, but at 35 Park Lane, Lady Masters, head of a dying industrial dynasty, insists that life is about service and duty. Below stairs, housemaid Grace Campbell is struggling. Her family in Carlisle believes she is a high earning secretary, but she has barely managed to get work in service - something she keeps even from her adored brother. Asked to send home more money than she earns, Grace is in trouble. As third housemaid she waits on Miss Beatrice, the youngest daughter of the house, who, fatigued with the social season, is increasingly drawn into Mrs Pankhurst's captivating underground world of militant suffragettes. Soon Bea is playing a dangerous game that will throw her in the path of a man her mother wouldn't let through the front door. Then war comes and it is not just their secrets - now on a collision course - that will change their lives for good. Brilliantly capturing a deeply fascinating period of British life in which the normal boundaries of behaviour were overturned and the social hierarchy could no longer be taken for granted, Park Lane is as gripping and intense as Frances Osborne's number one bestselling The Bolter.

Frankenstein was likely written because of a volcano.

The first draft of Frankenstein was written for a contest.

Victor Frankenstein was inspired by a real-life scientist and castle.

The loss of Shelley's first child may have inspired the book's "back to life" theme.

People thought Mary's husband, Percy, wrote Frankenstein.

Thomas Edison gave us the first film adaptation of Frankenstein.

Shelley is often credited with creating the science fiction genre.

Hollywood's monster looks nothing like Mary Shelley's.

Magdalen Rising

"Smart and earthy . . . richly imaginative . . . the epitome of the storyteller's art."—St. Louis Post-Dispatch, named one of "The Year's Best Books" "This amazing book could well become a classic of women's literature."—Booklist, named one of the "Year's Ten Best Fantasy Books" Young Magdalen and Jesus, brimming with youthful charm and arrogance, find each other and fall in love, forging a bond that is stronger than death. Their pleasure is overshadowed by a brilliant but unbalanced druid who knows a perilous secret about Maeve's past. The prequel to The Passion of Mary Magdalen. Now in paperback!

Magdalen Rising

The prequel to The Passion of Mary Magdalen, now in paperback.

Magdalen Rising

A feminist historical fantasy. Magdalen meets and loves Jesus in Druid College during his lost years.

The Passion of Mary Magdalen

"Cunningham weaves Hebrew scripture, Celtic and Egyptian mythology, and early Christian legend into a nearly seamless whole, creating an unforgettable fifth gospel story in which the women most involved in Jesus's ministry are given far more representation."—Library Journal "This year's must-have summer reading."—KINK Radio "Lavish and lusty . . . Cunningham's Celtic Magdalen is as hot in the mouth as Irish whiskey."—Beliefnet (chosen as one of this year's "heretical beach-books") "Explodes off the page with its tales of love, hope, power, and redemption—book clubs looking for a great discussion, take note."—TheBookBrothel.com

Red-Robed Priestess

After a life of passion and adventure that has brought her through slavery to the Resurrection garden, through the controversies of the Early Church to a hermit cave in southern Gaul, Maeve, the Celtic Mary Magdalen, returns to the Holy Isles accompanied by Sarah, her daughter with Jesus. Their mission: to find Maeve's first-born child, stolen from her by the druids more than forty years ago. Since then, Maeve's homeland has suffered its own trials--Roman invasion and occupation. The Celtic tribes to the east and south are under direct rule, and the Romans are determined to rout the resistance of the western tribes, resistance fueled by the druids of Mona. Just before she crosses the channel from Gaul

to Britain, Maeve encounters a man she mistakes for Jesus's ghost. This familiar stranger is equally haunted, and the two are drawn into a moonstruck liason that will entwine their lives in "an impossible Celtic knot." For unbeknownst to Maeve at the time, he is none other than General Gaius Suetonius Paulinus, the newly-appointed Roman Governor of Britain. Maeve keeps this troubling tryst a secret even after she finds her long-lost daughter Boudica, the fierce and charismatic queen of the Iceni tribe. Druid-trained in her youth, Boudica married the Iceni king, hoping to rally him to a rebellion for which he has no stomach. Now estranged from her husband, Boudica keeps the old ways, sustained by her pride in her descent from her father (and Maeve's!) the late great druid Lovernios. Seeking to circumvent disaster, Maeve travels back and forth from Iceni country to Mona, from the heart of native resistance to a Roman fort on the Western front, steadfast in her conviction: "Love is as strong as death."

Bright Dark Madonna

"The best one yet!"—Catherine MacCoun, author of *On Becoming an Alchemist* "As usual, Cunningham provides plenty of juicy controversy embodied by vivid characters and expressed in vigorous action, all in crisply drawn biblical settings."—Booklist "Gleefully iconoclastic. For that dwindling demographic with a sense of humor about religion, Maeve's profane skewering of the all-too-human foibles of the Church fathers is a hoot." Kirkus Reviews ""Elizabeth Cunningham has again delved into her fabulous treasure trove of impeccable research, and come up with gold. In *Bright Dark Madonna*, her interweaving of Biblical-Celtic themes brings the first century to life with unexpected freshness and many surprises." —Katherine Neville, author of *The Eight* and *The Fire After* playing an intimate role in the mystery of the Resurrection, what is left for Maeve, the Celtic Mary Magdalen? Never a follower, will she emerge as a leader of the early church? Will she retire quietly to mother a sacred bloodline? Will she set sail for France to proselytize and go spelunking? The answer: all and none of the above. No sooner does Maeve open her mouth to preach the gospel her way than a fierce debate begins about what to do with the child she is carrying. Maeve has her own ideas about where best to raise the savior's scion. When she returns to Temple Magdalen, the holy whorehouse she founded, a custody battle of biblical proportions ensues. Maeve, her infant daughter Sara, and Jesus' mother flee to the remote Taurus Mountains where they live in hiding among the Galatians until a mysterious man is dumped on their doorstep more dead than alive. When Maeve discovers the identity of the man she has healed, she is appalled and determined to keep her family's secret. But Maeve has reckoned without the will of her brilliant, angry adolescent daughter who resolves to find out the truth about her father—for herself. Required reading for fans and accesible to those new to The Maeve Chronicles, *Bright Dark Madonna* takes the reader on a breathtaking journey from the temple porticoes of Jerusalem, to the Temple of Artemis in Ephesus, to the south of France, and, as always, to the treacherous, beautiful terrain of the human heart.

Time's Legacy

A Sunday Times Top 10 bestseller. Ancient secrets buried deep in Glastonbury's past – and one woman's quest to finally set them free.

How to Spin Gold

"The traditional tale of Rumpelstiltskin turns on the revelation of a name. But what if the spinner of gold has no name? What if she is a girl, outcast from her village -- welcomed only by the one she has always feared as witch? In this classic early novel, Elizabeth Cunningham deftly works her magic, transforming a familiar tale into a startling encounter with our deepest human longings. The nameless narrator's journey from bitterness to wonder is a profound meditation on the alchemy of the spirit."--Page 4 of cover.

On Becoming an Alchemist

A modern-day alchemist reveals the secrets of alchemical transmutation, explaining how an alchemist can exert influence over people and events to transform the harmful into the helpful and the useless into the valuable.

Daughter of the Shining Isles

Cunningham recasts Mary Magdalene as a powerful young Celtic woman named Maeve who was raised by a band of witches. She becomes a student at the famous Druid college at Mona, where she meets Esus, a Jewish student from Galilee.

The History and Politics of Exhumation

This book argues that a serious, scholarly study on exhumation is long overdue. Examining more well-known cases, such as that of Richard III, the Romanovs, and Tutankhamen, alongside the more obscure, Michael Nash explores the motivations beyond exhumation, from retribution to repatriation. Along the way, he explores the influence of Gothic fiction in the eighteenth century, the notoriety of the Ressurrection Men in the nineteenth century, and the archeological heyday of the twentieth century.

The Expected One

A deadly political rivalry that ended in two brutal executions...An intricate love triangle that altered the course of history...A religious revolution that changed the world... THE TREASURE... For two thousand years, an undiscovered treasure rested in the rocky wilds of the French Pyrenees. A series of scrolls written in the first century by Mary Magdalene, these startling documents hold the power to redefine the events and characters of the New Testament. Protected by supernatural forces, the priceless cache can only be uncovered by a special seeker, one who has been chosen for the task by divine providence - The Expected One. THE CHOSEN ONE... When journalist Maureen Paschal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so complex and dangerous that thousands of people have killed and died for it. As a long buried family scandal comes to light, she can no longer deny her own role in a deadly drama of epic international consequences.

The Past Is Never

Siblings Bert, Willet, and Pansy know better than to go swimming at the old rock quarry. According to their father, it's the Devil's place, a place that's been cursed and forgotten. But Mississippi Delta summer days are scorching hot and they can't resist cooling off in the dark, bottomless water. Until the day six-year-old Pansy disappears. Not drowned, not lost . . . simply gone. After years with no sign, no hope of ever finding Pansy alive, Bert and Willet have tried to move on. But as surely as their mother died of a broken heart, they can't let go. So when clues surface drawing them to the remote tip of Florida, they drop everything and drive south. Deep in the murky depths of the Florida Everglades they may find the answer to Pansy's mysterious disappearance . . . but truth, like the past, is sometimes better left where it lies. Perfect for fans of Flannery O'Connor and Dorothy Allison, *The Past Is Never* is an atmospheric, haunting story of myths, legends, and the good and evil we carry in our hearts.

Feminism and Religion

Rita M. Gross offers an engaging survey of the changes feminism has wrought in religious ideas, beliefs, and practices around the world, as well as in the study and understanding of religion itself. "This book will be an important resource for all ongoing work in feminist teaching and research in religion."-Rosemary Radford Ruether

Crooked Snake

In 1968, during Albert Lepard's fifth escape from a life sentence at Parchman Penitentiary, he kidnapped Lovejoy Boteler, then eighteen years old, from his family's farm in Grenada, Mississippi. Three decades later, still beset by half-buried memories of that time, Boteler began researching his kidnapper's nefarious, sordid life to discover how and why this terrifying abduction occurred. *Crooked Snake: The Life and Crimes of Albert Lepard* is the true story of Lepard, sentenced to life in Parchman for the murder of seventy-four-year-old Mary Young in 1959. During the course of his sentence, Lepard escaped from prison six times in fourteen years. In *Crooked Snake*, Boteler pieces together the story of this cold-blooded murderer's life using both historical records and personal interviews—over seventy in all—with ex-convicts who gravitated to and ran with Lepard, the family members who fed and sheltered the fugitive during his escapes, the law officers who hunted him, and the regular folks who were victimized in his terrible wake. Throughout *Crooked Snake*, Boteler reveals his kidnapper's hardscrabble childhood and tracks his whereabouts before his incarceration and during his jailbreaks. Lepard's escapes take him to Florida, Michigan, Kansas, California, and Mexico. *Crooked Snake* captures a slice of history and a landscape that is fast disappearing. These vignettes describe Mississippi's countryside

and spirit, ranging from sharecropper family gatherings in Attala County's Seneasha Valley to the twenty-thousand-acre Parchman farm and its borderlands teeming with alligator, panther, bear, and wild boar.

Mythos

The Greek myths are amongst the best stories ever told, passed down through millennia and inspiring writers and artists as varied as Shakespeare, Michelangelo, James Joyce and Walt Disney. They are embedded deeply in the traditions, tales and cultural DNA of the West. You'll fall in love with Zeus, marvel at the birth of Athena, wince at Cronus and Gaia's revenge on Ouranos, weep with King Midas and hunt with the beautiful and ferocious Artemis. Spellbinding, informative and moving, Stephen Fry's Mythos perfectly captures these stories for the modern age - in all their rich and deeply human relevance.

Anagram Solver

Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

Gaia Codex

An Ancient Wisdom Text Revealed . . . Both an ancient, "found" wisdom text and a sumptuous, epic novel, Gaia Codex reveals the hidden histories of a world long forgotten, the secret wisdom of an ancient lineage of women, the Priestesses of Astera. Set in a near future of impending societal and environmental collapse, the novel is a tale of hope and remembrance, as well as an inspired vision of humanity's origins and of the potential we hold for conscious evolution.

The White Goddess

The White Goddess is perhaps the finest of Robert Graves's works on the psychological and mythological sources of poetry. In this tapestry of poetic and religious scholarship, Graves explores the stories behind the earliest of European deities—the White Goddess of Birth, Love, and Death—who was worshipped under countless titles. He also uncovers the obscure and mysterious power of "pure poetry" and its peculiar and mythic language.

Aztec Autumn

After the Aztec empire falls to the Spaniards, a young Aztec named Tenamaxtli begins recruiting from among his fellow survivors of the Conquest to once again challenge the Spaniards and restore the Aztec empire.

The Wild Mother

Enter the world of The Wild Mother--modern fairytale, bold biblical midrash, filled with the psychological depth and imaginative originality for which the author of The Maeve Chronicles is known. Elizabeth Cunningham's classic feminist novel is as fresh and timeless today as when it was first released in 1993 to critical acclaim. Adam Underwood and Eva Brooke appear to be made for each other. Both are single parents. Both are academics, he a dazzling, enigmatic professor of Alchemy, she a humble but dedicated professor of Fairytales. Adam's children, Ionia and Fred, share a latchkey after school with Eva's precocious son, Jason. So why don't Adam and Eva marry and live happily ever after? Eva can't help wondering. Pathologically polite, she cannot bring herself to ask personal questions. She struggles not to find it strange that Adam has never so much as mentioned his children's absent mother. Nor has Adam's own mother-cum-housekeeper, the feisty, outspoken Ursula, ever uttered her name. Yet Eva glimpses the missing woman in ten-year-old Ionia's haunted and haunting purple eyes and in Ionia's drawings of a woman dancing on the crest of a hill, wild black hair spread out against the sky.... Then one night, she returns: Lilith, the wild mother. The precarious status quo that Eva, Adam, and their families have achieved is shattered and their world is turned inside out or, more precisely, outside in. As wild breaks into their lives, Adam, obsessed with control, attempts to seal them all in a deadly trap. Now a crucial challenge confronts each one of them. Will these very human beings embrace their

own wildness, risking all they value and understand? Or will they deny the freedom essential to Lilith's nature--and their own.

Atlas and Cyclopedia of Ireland

"When young Katherine vanishes without a trace while visiting relatives in London, her godmother's strange, often terrifying dreams may be the only clues that can save her: Katherine has been abducted and forced into sexual slavery in a highly exclusive gentleman's club whose powerful members will stop at nothing to protect their sometimes lethal secrets. In their increasingly perilous quest to find her, all the adults in Katherine's life must confront the secrets they keep, even-or especially-from themselves. From the racial tensions of 1960s America to the seamy underbelly of mod London, *All the Perils of This Night* offers a vivid flashback of a tumultuous era and a window into a surprising and magical reality. With a Dickensian mastery of character and plot, Cunningham sounds timeless and timely themes--innocence and loss, guilt and redemption, slavery and liberation, and love across racial and gender boundaries"--

All the Perils of This Night

White tells his emotional, incredible true story of crime and redemption, vanity and spirituality, as he discovers happiness and fulfillment in an unlikely place--imprisonment in The Long Center, the last leper colony in the U.S. 30 color photos.

In the Sanctuary of Outcasts

In 1990, novelist Elizabeth Cunningham found herself engaged with an outspoken, irreverent, hand-drawn character who called herself Madge and demanded her own book of cartoons. Together, Madge and Elizabeth graphically (in every sense!) protested the first Gulf War, and *The Book of Madge* took form. This collaboration led them to write *The Maeve Chronicles*, a series of award-winning novels featuring a feisty Celtic Magdalen. In November 2016 *Madge Returns*, taking a flying leap into the 21st century, landing more or less on her feet, or at any rate collapsing on the bed in the blue-striped bathrobe that has traversed the centuries.... Now, for the first time, Maeve fans can meet her as Madge in her contemporary, pictorial form. Madge, Magdalen, Maeve, she is the same, outrageous, Madgical being. And if you have never met her before, here she is in all her (naked) glory!

The Book of Madge

Now available as an ebook.

The Women's History of the World

Gator Fontenot of the Special Forces paranormal squad can't refuse an urgent request to save the elusive Iris Johnson, a victim of the same horrific experiments that warped Gator. Now unleashed, she's a flame-haired weapon of unimaginable destructive powers, a walking time bomb bent on revenge in the sultry bayous of New Orleans, and hunted by a shadowy assassin. It's Gator's job to reel Iris in. But can two people haunted by violent betrayals trust the passion that soon ignites between them? Or is one of them just playing another seductive and deadly night game?

The Nature of Translated Text

In this new edition, the original topics have been brought up to date, added to and elaborated upon: *Abbreviations*, for example, now includes an essential array of chat room acronyms; *Fashion* boasts a complete list of British Hairdressers of the Year; and *Music* features a comprehensive listing of every top-ten single in the last forty years. And there are a wealth of new subjects to be discovered and enjoyed too, from the Top Tens of 2002 to world coins and paper money, bingo calls to crime and punishment, the Mr Men books to the works of Charles Dickens. What can be Big Boy, Early Girl or Supersonic? Which British Prime Minister links John Lennon and Gary Lineker? Which classic novel begins 'Now, what I want is facts'? (See Reviews for Answers) This monumental work of reference is a must-have title on your bookshelf - both an enjoyable book to dip into and a cornucopia of sheer fact.

Night Game

The Goddess is returning! She takes shape in the hands of an Episcopal priest's shy, retiring wife. She invades the dreams of a grande dame who thinks women priests are a scandal. She lures a

poker-playing ex-convict onto unfamiliar terrain, literally. Then there is the mysterious old man in the wood, who's been watching, waiting for a sign of her return. Who is the Goddess? Where has she been for so long? What does she want from the four human beings whose lives she is turning upside down and inside out? As they confront these questions, Esther, Spencer, Marvin and Fergus find themselves drawn together, forging friendships across boundaries of age, class and race, discovering—and recovering—powerful, erotic passions. All their encounters, with themselves and each other, lead them deeper into Blackwood, an old estate that shelters an imperiled grove of trees sacred to the Goddess, a grove it becomes their mission to save. *The Return of the Goddess, A Divine Comedy* marks Cunningham's first explicit exploration of Christianity and the power of a divine feminine, long forgotten, obscured, and suppressed by the Church. She went on to write *The Maeve Chronicles*, featuring her iconic, outspoken Celtic Magdalen. *The Return of the Goddess* takes the reader inside the world of Cunningham's origins where a gap in a wall leads from the church to the sacred grove. Twenty-six years after its first publication *The Return of the Goddess, A Divine Comedy* remains a classic in what has become a movement, both within established religions and beyond, to reclaim the goddess and to embody her return.

In Excited Reverie

"This book is a sweeping multi-generational view of an Irish-speaking family who moved from Kerry to the Meath Gaeltacht and the disasters that befall their children in Irish institutions."-- Publisher's web site.

An A to Z of Almost Everything

Small Bird Poems and Prayers Elizabeth Cunningham These short, well-focused, and superbly balanced poems by the author of "How to Spin Gold" celebrate a passionate connection with what the author calls "Great Mystery," offering a tribute to the sacredness of the earth and the poignancy of the human longing for the divine. Simple, timeless, profound, they resonate with the short devotional works of Rilke and Rumi.

The Return of the Goddess

"This is the first book in the Boudica series. In AD 60, Boudica, war leader of the Eceni, led her people in a final bloody revolt against the occupying armies of Rome. It was the culmination of nearly twenty years of resistance. This book recreates the beginnings of a story so powerful its impact has survived through the ages." --Worldcat.org.

The Cruelty Men

The Book Critically Surveys The World Famous Authors In English Literature Spread Over A Long Period. The Book Will Be Found Of Great Interest By The Students Of English Literature, Researchers And The General Readers. The Author Is Well-Known Authority On The Subject Of The Book.

Small Bird

Best known for *The Maeve Chronicles*, a series of award-winning novels, featuring a feisty Celtic Magdalen, Elizabeth Cunningham turns her formidable imagination to another historical setting and a time-honored form, the mystery. Descended from generations of Episcopal Priests, in *Murder at the Rummage Sale*, Cunningham serves up a delicious roman a clef. September 1960. Kennedy and Nixon race for the presidency, and the Women of the Church of the Regeneration prepare as usual for the annual rummage sale under the imperious direction of their leader, the light-fingered Charlotte Crowley....Until she is found in the basement smothered by a bag of coats still wrapped in plastic from the dry cleaners. Though the police initially rule the death an accident, Lucy Way, an older, not-quite-maiden lady with a mystical bent, has her doubts. She donated the coats and saw them to their proper department. How did they end up on top of Charlotte in the basement? Reluctantly rector Gerald Bradley concedes that Charlotte makes a perfect murder victim. Who didn't want to murder her? Including his organist, the irascible German war refugee, Elsa Ebersbach; pesky, pious parishioner Mildred Thomson; and even his own wife, Anne, a quiet woman, locked in grief over the death of their son, whose rage smolders behind a dutiful exterior. But it is Frank Lomangino, the ex-con Gerald strong-armed the vestry into hiring as sexton, who is arrested for the crime. When Anne discovers Gerald believes her capable of murder, she joins forces with Lucy in a perilous, amateur

investigation. Unbeknownst to the adults, the most determined sleuths are Katherine Bradley, the minister's seven-year-old daughter, and her sworn blood-brother, Frankie Lomangino, Jr.. Trespassing in the woods next door, the children witness something none of the grownups can imagine. Murder at the Rummage Sale presents a vivid depiction of a vanished world, full of period detail. Like all the best mystery novels, it brings to fresh life the timeless quirks and contradictions of human nature, the comic and the poignant, the merciful--and the murderous.

Boudica

"This book provides an in-depth guide to the Maynooth medieval manuscripts (some sixteen of them, plus fragments) with illustrations. The descriptions of the manuscripts include complete palaeographical and codicological details and full information on the contents of the manuscripts and their history as far as it is known. Some of the manuscripts are of particular importance, either for their texts or for their illustrations, which are of good quality, or in one case because of the particular circumstances in which it was made. This material has lain mostly unknown for up to two hundred years, and in most cases the works contained in the manuscripts have not hitherto been identified. For the first time, consideration is also given to the collection as a whole, and how its make-up may reflect the history and character of the institution where it was built up. In the absence of any one major donor whose interests might have dominated, the collection grew over decades mainly in the nineteenth century. It therefore reflects the tastes of a succession of senior members of the college plus a few donors"--Publisher description.

Modern English Literature From Chaucer To The Present Day

Before you follow the path into your family's history, beware of the secrets you may find... The new novel from the Sunday Times bestselling author.

Murder at the Rummage Sale

In her latest collection of poems, Elizabeth Cunningham takes an imaginative leap into a magical world that is also palpably real, a once-upon-a-time place that could exist just after our own time or long ago. Here we meet a motley assortment of people, a temple sweeper, a sword woman, a morose fool, a merry drunk, an enigmatic ancient dreamer, among a host of others. Human voices mingle with those of animals--the mouse who thinks it's an elephant, a flying pig--and also the voices of river, rain, tree, and stone. Through songs, dreams, and conversations, a story emerges, or many stories woven into one. Cunningham's hypnotically beautiful language draws us into this story, one we may dimly remember and long to hear again.

The Medieval Manuscripts at Maynooth

This wide-ranging and ground-breaking book, especially relevant given Brexit and renewed Scottish independence campaigning, provides in-depth analysis of ways Scottishness has been performed and modified over the centuries. Alongside theatre, television, comedy, and film, it explores performativity in public events, Anglo-Scottish relations, language and literary practice, the Scottish diaspora and concepts of nation, borders and hybridity. Following discussion of the 1320 Declaration of Arbroath and the real meanings of the 1706/7 Treaty of Union, it examines the differing perceptions of what the 'United Kingdom' means to Scots and English. It contrasts the treatment of Shakespeare and Burns as 'national bards' and considers the implications of Scottish scholars' invention of 'English Literature'. It engages with Scotland's language politics --rebutting claims of a 'Gaelic Gestapo' -- and how borders within Scotland interact. It replaces myths about 'tartan monsters' with level-headed evidence before discussing in detail representations of Scottishness in domestic and international media.

The Ghost Tree

Tell Me The Story Again
