The bad-boy-turned-good attempts to convince Charley to forgive him, and as her best friend starts spending time with Jake's, Charley calls a truce, only to find herself tumbling back into a friendship with him. As they grow closer, the spark between them flares and begins playing havoc with their lives and relationships. When jealousy and longing rear their destructive heads, Charley and Jake struggle to come to grips with what they mean to one another. And even if they work it out, there is no guarantee Charley will ever trust Jake to lead her back into the deep...

While everyone else seems to be finding themselves in college, Charley is terrified that, along with almost everything else that's important to her, she's lost herself. While friends and family deal with their own tumultuous lives, there is one person resolved to uncover the reason behind Charley's sudden defection and unhappiness. Refusing to give up without a fight, Jake

believes he is the only one who can truly understand what Charley is going through, and this time he's determined to prove he's there for her no matter what obstacles are thrown in their way. However, as Charley strives through the biggest personal journey of her life thus far, there is no guarantee that the woman she is becoming will still need Jake as much as the girl she once was did...
