Speak Up!

Middle school is a tough time for nearly everyone, but it can be especially hard on girls. Between social and cultural pressures, academic challenges, family dynamics, changing hormones, and a growing awareness of the world around them, middle school girls often end up feeling voiceless and powerless. They can struggle with speaking in class, standing up for their beliefs, navigating complicated social situations, and generally letting their voices be heard. *Speak Up!* confronts these issues head on. In a relatable, frank tone, *Speak Up!* lets young girls know that what they have to say is important and that their thoughts are worth hearing. By presenting real issues and scenarios that girls will recognize from their own day-to-day lives, as well as exploring the negative thoughts and feelings that can hold them back, *Speak Up!* will supply girls with the tools they need to understand their feelings and speak up in any situation. Interactive exercises, lists, real-life examples, and attractive graphics will keep the readers engaged from start to finish. More than a book about self-esteem, *Speak Up!* addresses the cultural factors that hold girls back, and features real strategies to enable them in finding, and using, their voices.

Speak Up

"A powerful book on an important topic. *Speak Up* helps us understand the subtle elements that contribute to our holding back valuable ideas and observations. Their TRUTH framework – which is as practical as it is rigorous – identifies essential elements to help individuals find their voice." Amy Edmondson, Professor, Harvard Business School, Author, *The Fearless Organization* (Wiley, 2019) What you say or don't say in a conversation can have life-defining consequences on ourselves and those around us. *Speak Up* helps you to navigate power differences so you can speak up with confidence and enable others to find their voice in a way that will be heard. Our day-to-day conversations define how we see ourselves and how we're seen. The choices we make about what to say and who to say it to are decisive factors in whether we get promoted, or side-lined. Whether we steer clear of trouble, or find ourselves in it up to our necks. With daily scandals hitting the headlines and the continuous need to innovate to survive, creating a more honest, open, fulfilling and productive workplace has never been more pressing. Our conversational choices harness the ideas and intelligence of the people we work with, or result in that revolutionary concept never seeing the light of day. They make us feel proud or ashamed of ourselves for what we have or have not said. They cause us to flourish and feel motivated, or result in us feeling dissatisfied and resentful. *Speak Up* helps you to navigate power differences and speak up with confidence in a way that you will be heard. But it's no good speaking up if there isn't anyone listening so we also help you to understand how your power enables others to speak up and how it might silence them.

Taking the Stage

Many women today wonder: what will it take to get that seat at the boardroom table? Earn that coveted promotion? Or simply have their voices heard? Taking the Stage provides a comprehensive, proven approach that enables women to come forward into the spotlight and speak up, stand out, and succeed. Based on a program from the Humphrey Group that has been delivered to over 400,000 women worldwide, Taking the Stage shows women—no matter their age, rank, or profession—how to communicate with courage and confidence in every situation, from formal speeches to brief hallway conversations. Judith Humphrey provides the inspiration and practical advice for women to “take the stage” mentally, verbally, vocally, and physically. Women can make the most of every opportunity by understanding how best to: Speak up confidently, even when others don’t agree; Convey their accomplishments without self-doubt; Be assertive but not aggressive; Deliver clear and convincing messages; Move beyond “minimizing” language and apology; Find their own powerful and authentic voice; Achieve confident body language and a leadership presence. By applying these techniques and others to every communication—whether making a presentation, speaking at meetings, conducting an elevator conversation, or selling themselves in job interviews—women will be recognized as the leaders they are and attain positions of influence. For women at all stages of their career, and for managers and executives committed to supporting and guiding women on their leadership journeys, Taking the Stage is the practical, broad-based solution that will allow women to speak up confidently, gain respect, earn the promotions they deserve, and secure their places at the boardroom table.

Why do I have to go live with mommy and her new husband? Why does my mommy have to have a new baby? Why do I have to go to a new school? Why do I have to make new friends? Why? Why? Why? If Morgan got a grade for her attitude and her actions it would be an F. But after her mommy gets really sick and Morgan thinks her mommy is going to die she starts to feel bad about her attitude and realizes how mean she’s been to almost everybody. Though she is having a hard time adjusting to all the new things in her life, especially her new baby brother and stepdad, Derek, Morgan makes up her mind that no matter what is going on, she is going to have an A+ attitude.

Mentoring with Morgan

Our journey began the first day I preached a sermon in front of people. Morgan told me after that sermon, "You must free yourself from the manuscript." I couldn't imagine doing that, and asked Morgan for help. Our journey continued for fifteen years. I shared my sermons (written and video) with Morgan

and we engaged in conversations about preaching, congregations, struggles, God, and life. Join us and watch as I learn to preach, Morgan shares a lifetime of wisdom with me, and we both receive the blessing of friendship and sharing ministry. For anyone who presumes to preach, and those who listen to their sermons, this book peeks behind the screen to the place where sermons are made.
