Pieces of Me

Their plane crashed in the South Pacific. It was a struggle to survive. Why after the rescue did life become more dangerous? Davis Chatham wasn't supposed to be on this flight, but a crisis with Chatham Industries demanded it. There was always a crisis—granted none like this, but his name was on the building, it was his problem to solve . . . right? Being an admitted workaholic is what destroyed his marriage—leaving him broken, bitter, and wishing he'd handled things differently. Life had not been kind to Nicole DonLeavy and the last year had been particularly brutal. She wanted a fresh start—a new beginning. When the opportunity of a lifetime presented itself, she jumped at the chance and all thanks to the man who made it possible—a man she'd never met—Davis Chatham. One fateful night changes the course of everything. Get to know Davis and Nicole as they fight to survive on and off an island paradise. Emotions collide, danger lurks, and ghosts of the past return. Prepare yourself; this is not your typical love story. Adult Content. Steamy love scenes.

Fractured Sky

Damaged. Broken. Destroyed. I've heard it all. A single moment of trusting the wrong person shattered my life into pieces, and my family has never looked at me the same. It's impossible to convince them that I'm anything more than the broken girl they rescued all those years ago. Until I meet him. Ramsey's grumpy demeanor and menacing scowl scare most of the world away. But not me. Not when I've seen his gentle hands soothe an abused colt or comfort a terrified mare. And when I finally get up the courage to strike out on my own, Ramsey's there. Roommates felt like such a safe proposition until Ramsey's lingering touches and wicked smile light a fire in me I don't think will ever be extinguished. And he feels it, too... But just as my new life begins to take root, an evil from my past emerges from the shadows,

casting a darkness on my newfound freedom. And this time, they won't settle for pieces of me. They want everything...

My family needs me to make ends meet, and I'll never let my sisters down again. Giving up my dreams to help a fake boyfriend seems like my only answer. The lines between make-believe and reality blur the first time Preston touches me. One kiss, and I'm a goner. Sweet words whispered in heated moments, and I know I'll never be the same. From girls' nights and drinking games to over the top romantic gestures, it's easy to forget why I'm here. Preston has a broken heart, but mine was never supposed to be on the line. He wants me to believe in happily ever after, but I'm finding it impossible when I know Prince Charming could leave me in the end. There's a crazy old lady telling everyone I'll fix him, but when I fail, who's going to fix me?

Broken

his month, my name is Mary. Every month, Joe tells me a different story, and every month, I listen. That's a Lie

Seth is back. When he walked back into my life, it almost felt like the pieces of my broken heart could be fixed. I thought we could go back to being best friends, but then I started to feel what I had been blocking out for years. I tried. Boy, did I try! But once I started to let him in, I wanted nothing more than to cross that line from friendship into something more... Just when I think I can move on and let myself be happy, an ugly reminder from my past comes storming in and threatens to destroy the sliver of hope that's been growing since Seth came back. Do I even deserve to be loved? "I'm not asking to fix your heart. I'm not asking to mend you. I love each and every shattered piece of you. I'm asking that you let me love you. Let me love each piece of your broken heart, and I swear to you I will make up for every heartache you have ever experienced." I came back for Josie. I knew I'd have to fight for her, but with the loss of her dad and the truth about what happened with her and Blake, I quickly realized that making her mine was going to be a lot harder than I first thought. The problem is, I can't pretend like she's just my best friend. I can't pretend I don't want more. I'm willing to do anything to get her to admit she has the same passionate feelings for me, because I know once she opens up and stops lying to herself, I can show her what it really means to be loved. It's a battle of wills, but my love for her is stronger than her will to stop me. So I fight for her. I fight because I know she deserves it. ***New

Adult Contemporary Romance - Recommended for readers 18+ due to explicit language and sexual themes. This is book two in a series. Reading book 1 is recommended before reading this**

He drew me into his world and down we fell. Until it all became too much. The last thing I expected to do was walk away from him. While I fell into the arms of another, He lost himself to alcohol and parties. Levi broke me. He took my heart and smashed it into pieces. Dean picked them up and started to glue them back together. All the Broken Pieces

All the Broken Pieces is a contemporary romance novel and the third INTERCONNECTED STAND-ALONE novel in the Broken series. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.*** How far would you be willing to go for someone you love? For Lauren Caldwell, the answer was: as far as necessary. She had done what she had to do to protect the one person who meant the most to her in the world-her uncle. She wasn't proud of herself, but in the end, she had protected him just as he'd always protected her. A year later, a year of being ostracized in the small Virginia town she called home, she found herself helplessly watching her worst nightmare unfold. She was alone. Until a stranger became a friend who became the glue that might finally piece together the jagged fragments of her life, of her heart. How far would you be willing to go for someone you love? Brant Matthews never wanted to fall in love again; he had worked diligently to avoid emotional entanglements at all costs. He knew what it was to lose the one you loved, to fail them so irrevocably that the entire trajectory of your life shifted. But seeing the broken look in Lauren's crystal-blue eyes, feeling that old pain flare anew and knowing from experience exactly how much she was hurting... he never stood a chance. She had him, whether she was ready to accept that or not. And when her childhood tormentor set his sights on her once more, Brant knew exactly how far he would go to keep her safe. He would die for her or kill for her. There would be no middle ground.

Her Baby His Gift

Bestselling author LaShawn Vasser delivers a powerful and intense romance in the first novel from her Slow Burn duology. Harlem Thomas has a plan for her life, and it is quickly falling off the rails. She's pregnant. The situation isn't ideal, and that's putting it mildly. Mommy, daddy, and baby make three, right? Try four. Could one call her predicament a love triangle when love isn't really involved? Harlem has no idea how she's fallen so far down the rabbit hole, but she has to climb up and out. After the clouds of confusion lift, Harlem finds that she more than welcomes motherhood, but will she also find her soul mate? HER BABY HIS GIFT ends in a cliffhanger and is a 2-book duology.

Beat of My Heart

One week. No strings. Sexy stranger. What could go wrong? My name is Julia McDowell. I'm not the pretty girl next door, I'm the boss at work who solves all your problems. I'm an awkward genius with the worst taste in boyfriends; the last one left me with a 6-figure debt to prove it. So, when the most swoon-worthy man alive saves me from a psychotic tree, who am I to say no to a drink? He's sweet yet powerful with a darkness I can't place. I should be terrified of him, but I find myself drawn to him in ways I've never experienced. He says I'm his guiding light, that our hearts beat to the same melody. But I'm not looking for forever, and he has his own demons to slay. We agreed to one week, no strings. It will have to be enough. It's definitely enough, more than enough, until it's not. I'm ready to throw our one-week rules out the window when tragedy pulls us apart. It would take a miracle to find our way back to each other, and life is no fairytale. With no happily ever after in sight, will our hearts learn a new rhythm? Or will heartache become our new theme song? Click the BUY NOW button to enter the world of Broken Hearts and find out! The Beat of My Heart is a standalone HEA in the Broken Hearts Series. While it can be read alone, Avery strongly encourages you to read book 1, Cross My Heart first as the stories overlap.

Tell Me You Love Me (The Shattered By Love Series Book 1)

"Tell me you love me, baby girl. Tell me this is real." Phoenix was my kryptonite. My weak spot. My indulgence. After she left me, I was broken beyond repair. I didn't think I would ever feel whole, again. But then she came back. And all my broken pieces started to piece back together, again. When the lies and secrets she's kept from me come between us, I don't know where to turn, anymore. Everything I've been taught tells me that she's dangerous. That I should be running for the hills when she tells me who she really is. But my love for her doesn't care about the risk. My heart was hers a long time ago. There was no changing that. For better or worse, I wanted her. That doesn't mean our story will be an easy one to tell. Our love might not make it through this unscathed. Only time will tell.

Cross My Heart

My life has never been easy, but after tragedy strikes, I need a new beginning. Becoming a nanny was not in my life plan, but after one chance encounter nearly destroyed me, this one could set me free. I've given up on the idea of love, so living with a stranger shouldn't be a problem. My past broke me beyond repair, and I've learned to accept that. What I'm not prepared for is my new boss to be the unbearably sexy single dad, Dexter Cross. He exudes a confidence I've never known and brings out a sass I didn't know I had. Teasing him comes naturally, but the more time I spend with him and his children, the harder I fear it will be to leave. And I must leave. I promised him one year, but all too quickly Dex sets his eyes and heart on me. He thinks I can choose them and stay, but he doesn't understand my kind of damaged. My scars run deep, but apparently so does his determination. With the help of our crazy friends, he sets out to make me his, one grand gesture at a time. But the question remains: Am I strong enough to let go of my past? Or are some hearts too broken to heal, even for Dexter Cross? A page-turning emotional rollercoaster; can Lanie learn to accept love? Click the BUY NOW button to enter the world of Broken Hearts and find out!

Her Broken Pieces

A dark romance and book two in the Fallen Kingdom Duet. His hollow heart called to me. Charred black from years of his own torture. An urge to fill the empty spaces that I was responsible for when I left him. He thought I deserved the same wrath he endured all those years ago. I came when I was summoned. Unaware that my past was waiting behind closed doors. One look into those eyes that wore dark shades of fury, and I knew this was part of his plan. With time, I started to see fragments of the boy I once knew. Before long, he was a man holding the key to my heart. Now that I'm ready to give him all of me, he's gone and all that's left is the broken pieces of my shattered heart.

Imperfect

From USA Today bestselling author W Winters comes an emotionally gripping romantic suspense. It's been a long time since I've looked at a man and wanted something more. Even longer since one has looked at me with a gaze that I couldn't tear my eyes from. One look and I was tempted; one taste and I was addicted. No one is perfect, but that's how it felt to be in his arms. I started to think everything was going to be alright. That life had finally put the pieces of my broken heart back together. Fate may have brought us together, it's a pretty little thought my poetic mind had. But there's no doubt that the sins of his past would tear us apart.
