why you keep buying books you don't read - why you keep buying books you don't read by Answer in Progress 156,145 views 1 day ago 18 minutes - Why are **buying books**, and reading **books**, two different hobbies? Why is your to be read (TBR) list only ever getting longer?

realizing i have a problem, in real time
the ikea kallax system system has failed me
of course i made this into an existential crisis
forcing myself to read (again)

eat your heart out, storygraph

what did i learn

oh, it's that i'm BASIC

nvm, maybe i'm NUANCED

i read the ACOTAR series (derogatory)

how BookTok changed publishing

how BookTok changed my reading

wait but why is BookTok so efficient?

how traditional publishing works

the benefits of BookTok

trying to justify my problem instead of solving it

this is an extended metaphor, trust me, it pays off

what happens to unsold books

just be glad i didn't show you a supply-demand graph

please don't judge me

the metaphor is about to pay off

SEE!

now i'm just restating the metaphor because... it was very extended
