The Glorious Church

The purpose of God is to establish Christ—and not just the personal Christ but also the corporate Christ, which is the Church: “as the body is one, and hath many members, and all the members of the body, being many, are one body; so also is the Christ” (1 Cor. 12.12 Darby). The work of the Holy Spirit in these past two thousand years has been centered on building this body of Christ. We will fail God in seeing His purpose and fail the Holy Spirit in cooperating with His work if we are not “holding fast the Head, from whom all the body, being supplied and knit together through the joints and bands, increaseth with the increase of God” (Col. 2.19). The body of Christ is not only most spiritual but also most practical. It is an earthly testimony as well as a heavenly body. All its spiritual principles must be and can be practiced in a local assembly. Here in these pages, therefore, we shall find that Watchman Nee shares with us the practical aspects of the assembly life. He touches on such practical matters as authority in the church, ministry in the church, church fellowship, church meetings, and the boundary of a local assembly. It is important for the reader to remember that this volume emphasizes only the practical side of the Church, and hence concentrates on the life of the local assembly. There is another side of the Church—that of the spiritual principles inherent in the Church universal—which is not the subject of this book. To maintain the right balance and to obtain the whole concept of the Church, both the principle and the practice, both the universal and the local, must be received and kept. For it must never be forgotten that a new wine-skin is for containing the new wine; and therefore the first without the second is meaningless. May the Head of the Church find himself expressed corporately among His people.

Church Affairs

The Normal Christian Church Life is a record of messages given during conferences held in Shanghai and Hankow. Watchman Nee spoke to his fellow workers on the principles in the New Testament concerning the practical arrangement of the churches, the ministry, and the work. In his speaking, he honestly examined his own work before the Lord in the light of these principles, provided adjustment and encouragement to his co-workers, and confirmed through personal testimony that the practice of the normal Christian church life revealed in the New Testament can be recovered.

The Glorious Vision and the Way of the Cross

God's work in turning the age is always done through men. Before a new age is ushered in, there are always men in the previous age who are used by God particularly to turn the age. And in every age-turning work, God purposely uses young people. This book show us God's need for men who turn the age and then shows us the characteristics of such men who are used by God.

The Kingdom

Christ is the life and content of the church life, but what is the proper ground of the church life? In this book Witness Lee unfolds biblical principles from both the Old and New Testament concerning the proper ground of the church and the importance of oneness in God's eyes. Lee continues with some practical points related to the proper way for Christians to meet together.

Being Desperate and Living Uniquely for the Gospel

Christ is the life and content of the church, and the church is the vessel to express Christ. In order for Christ to be properly expressed through the church, His members need to learn certain crucial lessons related to dealing with the heart and differentiating the spirit from the soul.

The Normal Christian Church Life

"This book is composed by messages given by Brother Witness Lee in Anaheim, California in an international co-workers and elders' blending conference on April 9-11,1996"--Preface.

Men Who Turn the Age

Listen to the prayer of the apostle Paul for his beloved church in Philippi: "this I pray, that your love may abound yet more and more in knowledge and all discernment; so that ye may approve the things that are excellent; that ye may be sincere and void of offence unto the day of Christ" (Phil. 1.9-10). What was it that inspired him to offer such a prayer for the dear saints in Philippi? Do we today desperately need the same prayer? We talk about love and fellowship, and yet we encounter many problems and failures. What is the missing link to a glorious church? Can it be the lack of "full knowledge and all perception that ye may prove [or, distinguish] the things that differ" (literal translation)? Certainly spiritual discernment is the pressing need of today. How can we obtain this full knowledge of God? Where do we get spiritual discernment that we may know the things which differ or are more excellent? These are the matters which brother Watchman Nee tried to address during his latter years of ministry. This present volume, entitled *Spiritual Discernment* is composed of three parts: Abound in Knowledge, Abound in Discernment, and Approve the Excellent. The Publishers were able to acquire these Notes in Chinese recently, and they have now been translated into English for sharing with the English-speaking saints. May these Notes help many in meeting the pressing need of today.

The God-Men

Prayer Ministry of the Church is a collection of five messages on prayer by the great Chinese pastor and teacher, Watchman Nee.

The Ground of the Church and the Meetings of the Church

This book considers the excelling gift for the building up of the church. This matter is spoken of by Paul in 1 Corinthians 14.

Concerning the Person of Christ

In this volume, the noted Chinese pastor/writer Watchman Nee interprets for us what is meant by the phrase, "from glory to glory". He assures us of the love of Christ and exhorts us to have the mind of Christ, which is indeed from glory to glory.

The Up-to-Date Presentation of the God-Ordained Way and the Signs Concerning the Coming of Christ

Another book in the Ron Cottle Teaches the Masters series, *The Work and Responsibility of the Ekklesia* draws from the writings of the Watchman Nee book, *The Glorious Church*. Dr. Cottle shows that the Ekklesia is best suited and set in place for reinforcing and maintaining the Lord's redemptive victory in the earth! The Ekklesia's assignment is to execute the Lord's victory and bring in the Kingdom. When all has been done that will be done in the earth to bring about the ultimate defeat of Satan and his power, God will bring to Himself one glorious Church, the predetermined Ekklesia, arrayed in all the glory and honor determined before the fall.

Dealing With our Inward Parts for the Growth in Life

The New Testament presents both the revelation and the experience of the wonderful Christ. While the Scriptures reveal Christ objectively, they also reveal Christ as a wonderful person who indwells the believers for their subjective experience. After passing through many steps to accomplish God's salvation, Christ comes into the believers to be their life and person within.

The Divine and Mystical Realm

The crucial books of Galatians, Ephesians, Philippians, and Colossians are short but truly profound. While providing a complete vision of Christ, they also give us the key to knowing and experiencing Christ in a full way. In *The Experience of Christ in Galatians, Ephesians, Philippians, and Colossians*, Witness Lee opens up the central revelation at the heart of the New Testament by considering these books in the order of the believers' experience: Colossians unveils the all-inclusive Christ who is everything to God and to the believers. Galatians shows that Christ must be very subjective to us, living in us and even being formed in us. Philippians gives us the secret of experiencing and partaking of Christ. Lastly, Ephesians reveals that the issue, the result, of the experience of Christ is the church. Book jacket.

Spiritual Discernment

This book contains eight sermons preached by the great Chinese pastor/writer, Watchman Nee, gospel messages delivered in his early years of his ministry.

Preaching the Gospel on the College Campuses

"The exercise of our spirit is for godliness, which is the manifestation of God in the flesh. God is Christ, who is in our spirit, so we need to deal with our spirit. Our spirit must be a spirit of a subdued and submissive will, of a properly exercised emotion, and of a clear, sound, and sober mind. This exercise also requires a good, pure, and single heart, one that seeks only the Lord Himself, and it requires love and faith. All these matters are the preparation for our exercise of the spirit."

The Orthodoxy of the Church

This book contains the miscellaneous unpublished writings of the noted Chinese pastor/writer, Watchman Nee, gathered by his faithful followers after his death and presented to the public in book form.
