

# Thomas Paines Rights Of Man

[#Thomas Paine](#) [#Rights of Man](#) [#political philosophy](#) [#human rights theory](#) [#French Revolution commentary](#)

Thomas Paine's seminal work, \*Rights of Man\*, stands as a powerful defense of republican government and universal human rights, directly challenging Edmund Burke's critique of the French Revolution. This influential text explores foundational concepts of political philosophy, advocating for individual liberty and the inherent rights of all citizens against oppressive monarchical systems, making it a cornerstone of democratic thought.
