The Wedding

#1 New York Times bestselling author Julie Garwood brings the soaring adventure, love and rivalry of medieval Scotland to glorious life in this classic historical romance. Journeying from England to Scotland, Lady Brenna has resigned herself to an arranged match with a highlander. But when a band of fierce, painted warriors captures her en route, she fearlessly meets their demand to instead marry their leader—her betrothed's sworn enemy—the quick-tempered Connor MacAlister. Brenna harbors no illusions that her husband is in love with her, but their shared past gives her hope. Maybe the laird who once visited her father's castle and charmed her with a dazzling, unexpected smile remains underneath Connor's stern exterior. But as she sets out to win the man whom she has come to adore, a legacy of revenge ensnares Brenna in a furious clan war—and only her faith in her new husband can save her... Includes an excerpt of another beloved Julie Garwood highland romance, The Bride

The Wedding

Connor MacAlister kidnaps and marries Lady Brenna and professes only to want her for the heir she can give him, but he soon realizes he longs to hear that she returns his undying love.

The Wedding

"Lady Brenna MacAlister harbored no illusions that her husband, a quick-tempered highland laird, was in love with her. How could he be enamored of his bride when, on their wedding day, he had assured her that she could return to her home in England as soon as she had given him a son?" "Marrying Connor MacAlister had been an impulsive act for Brenna. But MacAlister and his warriors, a savage-looking band who had captured her and her party en route to her arranged marriage to another, offered precious few alternatives. Nor could Brenna deny that in fact she had proposed to MacAlister even if that had been ten long years ago, when she was just a child, and Connor a visitor to her father's castle. Actually, Brenna scarcely remembered the secret missives she'd sent to MacAlister, abetted by her mischievous older sister...yet she had never forgotten the tall visitor's dazzling, unexpected smile." "Now, after a hasty forest wedding, they were man and wife. Determined to be happy, Brenna soon endeared herself

to most of the clan, despite or perhaps because of - her uncanny knack for getting into trouble. And although she grew to adore her brave, superstitious, gentle husband, she had no clue that Connor lived for the moments she whispered "I love you"...words she never meant him to hear. But when a rival laird struck out at the MacAlisters, trapping Brenna in a web of dangerous intrigue, she knew that only her faith in her gallant mate could save her...."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
