Fighting Fate

Forgiving your brother's murderer may be noble, but falling in love with him borders on betrayal. When Paige Zukowski enrolls at Granton University in honor of her dead brother, she has no idea fate will land her on the same campus with the very guy who killed him. But Logan Xander isn't quite the murderer she's always believed him to be. A day hasn't passed since the tragedy that Logan doesn't wish he could go back and undo everything. It doesn't take Paige long to realize he's suffered as much as she has. Forgiving him for ruining her life might not be so impossible after all. But when she actually starts to like him and realizes he likes her in return, their true anguish begins.

Loving Lies

Tess Simpson absolutely cannot handle seeing anyone suffer. When she volunteers to work as a candy striper after the Granton University school shooting, she is only supposed to coax the amnesiac in room 312 to eat his supper. Yeah right. After learning no one's come to visit him since he woke from a coma and can't remember who he is, Tess needs to make him feel loved, ASAP. Telling him she's his girlfriend isn't part of her plan, but that's exactly what blurts from her mouth. Except one little lie made from the purest of intentions can still rattle the hardest of hearts.

Believing Bailey

All Bailey Prescott wants is to wrangle a certain cowboy on campus. She spends most weekends searching the party crowds for him. One night, at a lame frat house, she finds herself trapped in a bathroom and ends up the sole witness to a crime...or not a crime? Bailey's one small voyeuristic moment has gigantic implications. Now she's forced to make a choice: forget what she saw and move on, or expose herself in order to save a man from spending years behind bars. Whatever her decision, her testimony is the key to everything. It may even open the door to her happily ever after. That is, if anyone actually believes her. She just wanted to find her cowboy...how did she get mixed up in a mess like this?

To Professor, with Love

Junior in college. Star athlete. Constant attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one person gets a glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much.-N. G.--Provided by publisher.

The Revenge Plan

After I caught my boyfriend cheating, I tried to be mature about it with an amicable split. But he took his retaliation too far, and I have officially had enough. No more Miss Nice Haven. No one is allowed to lie to me, betray, embarrass, and devastate me, fill me with self-doubt, or put my future at risk, and expect to get away with it. He is going to feel my wrath. Enter Wick Webster, his archenemy. Nothing would provoke my ex more than to see me moving on with the one guy he hates most, so that's exactly what I plan to do. The only hitch in my brilliant scheme is Wick himself. He's just gotta be all love-not-war and peace-is-the-only-way. He's more concerned about helping me heal than seeking my sweet revenge. And what the hell is it about his soothing presence and yummy looks that calls to me until I forget how much pain I'm in? He's making it awfully hard to use and abuse him for my malicious means. The damn guy is making me fall for him.

Delinquent Daddy

IT'S NOT EVERY DAY YOU LEARN YOU HAVE A NINE-YEAR-OLD DAUGHTER Boston Kincaid's life is forever changed when he reads the note from Cassidy Trenton, who's looking for her daddy. Vividly remembering the girl's mother, Boston is compelled to learn the truth about Cassidy's paternity. Single working mother Ellie Trenton is completely bowled over to find her old college flame, whom she hasn't seen in ten years, loitering on her front porch when she comes home from work one day. At the sight of each other, Boston and Ellie's decade apart melts away, and that old chemistry between them flares back to life. But trust doesn't come easily, and old wounds never healed properly. Can Boston and Ellie learn to forgive and forget so they can experience the love they never shared, or will child custody battles keep them apart forever'

Addicted to Ansley

Through all the years that passed, the memory of their love never faded. Motivational speaker and drug rehab counselor Ward Gemmell can hold an audience in the palm of his hand-because he knows what it's like to have everything he loved slip through his fingers. When a particularly heartfelt speech reunites him with the daughter he never knew he had, suddenly the love of his life is back within his grasp. What could a guy like him do to earn a second chance? Good girl Ansley Marlow was heartbroken the day Ward revealed his hidden life-the kind of secret that would tear anyone apart. But so many years have passed and so much has changed that it isn't as hard now for her to believe in fate and redemption, even when those around her are unforgiving. All she needs is the strength to reach out and reclaim the beautiful life she should have had so long ago.

Insta-Family

LUCY GAMBLE, KNOCKED UP BY DYING MAN SHE GAVE SYMPATHY SEX, NOW MOVING ON TO HIS BIG BROTHER. Have you ever tried to come up with a headline for your life? Well, mine's so cringeworthy I can't believe it's actually my story...or a hundred percent true. But honestly, how could I say no to the one-night-stand when he begged? Only a monster could deny someone their dying wish, right? I mean, okay, getting pregnant from the encounter was a regrettable, irresponsible mistake; I can fully admit that. Turning to his brother, however, was never part of the plan. Initially, I didn't even like the guy. Except Vaughn Merrill is a force to be reckoned with. He's determined to be an "involved" uncle, and no matter how much I tell him he doesn't have to be so helpful, he's just so freaking helpful. And gorgeous. Plus not at all the ass I assumed he was. Then there's this massive pain and grief and loneliness I see in his eyes. I just want to hug him constantly and give him the sense of family he so desperately needs. So really, can you blame me for falling for the one man I know I shouldn't?

Hot Commodity

SHE MARRIED THE ONE MAN SHE WAS TRYING TO AVOID Thinking to assure a business merger with the wealthy, successful Cameron Banks, Olivia Donovan's mother drags her to Las Vegas for a business convention, demanding she meet Banks and seduce him into wanting to marry her. But Olivia's finished being Little Miss Yes-mother-whatever-you-say-mother. So, she sneaks away, intending to rebel and marry the very antithesis of Cameron Banks. Who she finds is a drunk hottie that takes her to new heights of pleasure and shows her a side of herself she never knew existed before. But after her amazing night in her new husband's arms, she awakens the next morning only to discover she married and slept with the very Cameron Banks she'd been trying to avoid. Is Cam the devil she feared, or will he end up being her one true hero? (2nd Edition)

Price of a Kiss

I don't care what my cousin says; I am not the queen of impossible relationships. I mean, just because my last boyfriend tried to kill me and left a bit of a scar on my neck, then forced me to move across the country and legally change my name to Reese Randall to escape him, does not mean- Oh, who am I kidding? For a freshman in college, I have to have the worst dating track record ever. It's no wonder love is the last thing on my mind when Mason Lowe enters my life. But the chemistry between us is like bam! Our connection defies logic. And he's just so freaking hot. Being around him makes me feel more alive than I've ever felt before. I even like bickering with him. He could be my soul mate...except for one teeny tiny glitch. He's a gigolo. Boy, do I know how to pick them.

Secrets That We Keep

Gracen Lowe has a new life theory: What you don't know can't hurt you. Which is exactly why he decides not to tell his twin sister, Bella, that he's accidentally falling for the woman she hates most, the very woman who allegedly cheated with Bella's last boyfriend and broke them apart. Bella might be his best friend and ultimate confidante, but she'd legit cut off his favorite body part if she knew which woman he'd been craving. So even if his theory's totally whack, staying quiet will definitely keep him safer. Except he feels so guilty about it all. Meanwhile, Bella's heating up the sheets with one of Gracen's best friends, and she can't seem to reveal that little detail to her brother either, due to—you know—reasons. When the truth is exposed, all bets are off. Shattered secrets will either set everyone free or wreck their relationships forever.

A Perfect Ten

Let your hair down, Caroline, they said. It'll be fun, they said. I know I've closed myself off in a major way in the past year, ever since "the incident" where I messed up my life completely. It's past time I try to live again or just give up completely. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder. Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye.

Monster Among the Roses

"Do you know how to get to the rose garden?" "No, you can't go there. A monster lives there." Shaw Hollander is desperate. Broke, unemployed, and determined to help his ailing mother, he falls on the good graces of a wealthy benefactor who is willing to give Shaw a job at his mansion in order to pay off his mother's debts. Suddenly finding himself surrounded by lavish riches, he has no idea what his duties truly entail until he's sent to the rose garden and meets the tragically mutilated Isobel. This Beauty and the Beast story holds true to the core of the fable while shaking off the element of fantasy and dragging it into present-day reality. Shaw and Isobel are ready to let you climb into their four-wheel-drive pickup and take a ride with them into their version of happily ever after, but only if you first dare to gaze upon the monster among the roses.

With Every Heartbeat

I used to think everything was black and white, truth or lie, easy or hard, that if I could just escape my strict, overbearing, abusive father, my life would be perfect. But since I've found a reason to risk his wrath and leave, to help a friend in need, I've come to realize everything I thought I knew is wrong. Friends have their own agenda, honesty comes with a dosage of lie, easy doesn't even exist, keeping secrets sucks, and love...love is the most painful thing of all. Maybe if Quinn Hamilton hadn't asked me to skip classes for the day and help him pick out an engagement ring for my best friend, I wouldn't have fallen for him so completely on that sunny Tuesday afternoon and I wouldn't feel so conflicted. But I did, and I can't take it back, no matter how hard I try. So I have to deal with the fact that even I'm not as good, or honest, or caring as I'd always thought I was, and no matter what I do next, someone's going to get hurt. Probably me. -Zoey Blakeland

Be My Hero

Once upon a time, there was this pampered rich girl who was kind of full of herself. She really only cared about appearances and hiding all her dark, ugly secrets under the guise of an opinionated snob. But then Eva Mercer got pregnant, shot by a psycho, and kicked out of the only home she knew. Now she's broke, unemployed, and has to start anew with a newborn to raise. But how? On the other side of town, sexy, tattooed orphan, Patrick Ryan, can't get a break. He's out on parole for defending the last damsel in distress while trying to help her support her child, but all he wants is to find his one true love. He knows this woman by scent, smile, and laugh, but he's never actually met her. He doesn't even know her name. He just knows she's the key to fixing everything. One kind of hero can save you from physical harm. Another can rescue you from a different kind of doom. To reach their dreams, Eva and Pick can save each other. But first, they must open their hearts and learn how to trust.

Black Crimson

Camille had only been heading to her grandma's house because Gran couldn't figure out her cable again, but along the way, she stumbled across the city's notorious graffiti artist. And now that she knows who the face behind the spray-paint can is, she can't seem to listen to her friends' sage advice and follow the safe path, leaving well enough alone. She's determined to coax Black Crimson into agreeing to an exclusive interview so she can become the famous newspaper journalist she's always wanted to be. But in this contemporary twist to the Little Red Riding Hood fable, our red-headed heroine learns just how dangerous talking to strangers can be...to her heart.

Kissing the Boss

What's the one thing you shouldn't do when your boss is your ruthless evil widowed stepmother who hates your guts more than anyone? Kiss the man she's interested in. So what does Kaitlynn Judge find

herself doing? Yep, she kisses the one man her stepmother currently wants, who also happens to be the CEO of the company where she works. Can we say doomed? After the death of her father, Kaitlynn's life has been stuck in a rut. But that begins to change after meeting a dashing stranger during the office Halloween party. Now she has to navigate vengeful stepmothers, meddling stepsiblings, and gorgeous guys in hot pursuit to reach her happily ever after. While making a detour from the fantasy aspect, this contemporary take on the Cinderella story continues to cling to a few of our favorite traditions. You'll still find the unmerited oppression along with fleeing women, missing shoes, mouse companions, magic wands, pumpkin-like rides to the big bash, and so much more. So rest assured, it's all familiar and yet quirkily different.

Bad Intentions

Lo Moving to River's Edge was supposed to be a fresh start. Away from chaos. Away from bad influences and worse relationships. All I wanted was to give my little brother more of a chance than I ever had. It should've been simple. I didn't count on my transgressions following me. And I definitely didn't count on meeting Dare. Tall, tortured, and tattooed. A Lost Boy through and through. Falling for someone like him was asking for heartache. But I was a sucker for punishment. Dare I had a routine. Eat, work, sleep, repeat, only ever doing the bare minimum to keep up appearances. I kept my circle small and my guard high. I spent years making sure I didn't repeat the mistakes of my past, forming an impenetrable layer of ice around my heart. Then Logan showed up in my town, in my tattoo shop, testing my patience along with my self-control. She was fire and I was ice. I should've stayed away. But I had been cold for far too long.

Lifers

Jordan Kane is newly released from prison, but it's not back into the loving arms of his family. Small town gossip can be harsh, and it's only when he meets the pastor's daughter, Torrey Delaney, that he encounters true compassion.

The Right to Remain Mine

You have the right to remain cherished. Anything you read or scream out in rapture can and will be used against you in the bedroom of Willow DeVane. You have the right to enjoy a big, sexy cop. If you can't find your own, one by the name of Raith Malloy will be provided for you to enjoy and explore thoroughly within these pages. Tempers flare from the first moment divorce lawyer Willow DeVane crosses paths with sheriff deputy Raith Malloy. Both too stubborn and controlling for their own good, Willow and Raith butt heads until anger turns to passion, and they begin an affair despite their brewing hostilities. But more than one force works against them when they learn Willow's being targeted by a dangerous stalker.

B & E Ever After

Gretel, er, I mean, Gabriella Salazar finds temptation and desperation to be too great and breaks into a wicked witch's--uh, that is--a pretentious, rich woman's condo, only to discover she's not the only one with a B & E fetish. The twist is that the mysterious, handsome Hansel to her Gretel who has also stolen into the same apartment is anything but brotherly, and the two strangers find themselves lip-locked before the evening is over. Now Gabby and her new, aggravating accomplice must get crafty and work together to free themselves and everyone they hold dear from a mad woman's clutches. But breaking and entering never ends with a happily ever after. Right?

Consolation Prize

Don't you just hate it when someone destroys all your carefully made plans? I mean, I had goals: college to graduate in one semester, a future I was working hard to reach, and an image of myself I wanted the world to see. My life was stacked into these precisely placed blocks. But then Colton Gamble came along and knocked them all askew. I hated how he messed everything up, how he could hog all my attention whenever he was around, how he made my pulse quicken—but only because he ticked me off...not because I was attracted to him. Oh! And I hated how he knew how attractive he was too, the shallow, full of himself, doesn't take no for an answer, too flirty, too cocky, extremely irritating jerk. The boy had all the qualities that turned me off. Or so I thought. One night he wasn't quite the brainless, overconfident jerk I assumed he always was. One night, he took care of me when I was at my lowest. He

opened up to me and made me open up to him. Now I'm learning maybe he's not what I first thought he was. And maybe I'm not what I first thought I was. Maybe it's okay to rearrange a couple of my perfectly set blocks. Maybe, just maybe, I'll stop worrying about what I'm afraid everyone else will think and finally reach for something I really want. It's possible some of my plans need to be destroyed, and Colton Gamble is exactly the kind of mess I need in my life. What do you think? Should I give him a try? Desperately seeking your advice, Julianna Radcliffe

The Girl's Got Secrets

So, she auditions as a guy...and makes the cut. Becoming "Sticks," a member of Non-Castrato, isn't quite what she dreamed it would be, though. She spends most of her time keeping up the subterfuge and learning how to walk, talk, act, and drink like a man. But what's even harder to deal with is acting oblivious when the band's heartthrob lead singer, Asher Hart, treats her like one of the guys and not a woman. She never imagined he'd be so much more than a pretty face with a nice voice. But he's better than perfect. He's perfect for her. When love and lies combine, Remy must keep up the act or lose everything. But who knew lying to reach one dream could prevent you from attaining an even bigger dream?

Priceless

Three things in my life were fact. I needed Sarah to survive. I needed sex to remain sane. And I could never mix sex with Sarah. I just knew—deep in my marrow—that if I did, I'd somehow lose her. All my deepest darkest secrets would crack open, bleed out, and ruin everything between us. I wouldn't unleash the shit inside me on my worst enemy, let alone her. So she stayed strictly in the friend zone. People probably thought I never went there with her because of her cerebral palsy, but f*ck them. She knew she was the most important person in my world, and I wasn't about to risk hurting our relationship just to make my c*ck happy. Until the moment she begged me to take her virginity. Now it's all about to hit the fan, because how the hell do you resist the one person forbidden to you when she says please? --Brandt Gamble

She meets her prince charming at her father's company Christmas party. Problem is he happens to be her dad's new boss. Worse problem is, her dad totally hates him. But what Daddy doesn't know... The Price of Mason

I might've ruined any chance I ever had at a meaningful relationship when I decided to become a male prostitute at eighteen, but that was okay. I paid off my mom's debt, the rent, my sister's hospital bills. I put food on the table and kept eviction notices at bay. It was worth it. But was it worth the price of my soul? Two years later, this job has begun to kill me in every way but physically, until SHE comes along. Reese is the breath of fresh air I need. She makes me smile, she makes me laugh, she makes me want more. But how can we ever be together after all the choices I've made? Listing one mistake after another, these are my confessions and how we came through to the other side. *** The Forbidden Men series concludes with THE PRICE OF MASON by looping back to the beginning and retelling PRICE OF A KISS through his eyes. Just when you thought you knew everything, here's the rest of the story.

One True Love

Custom demanded that Prince Urban get a love mark tattooed to the side of his left eye as an infant, just like the rest of his people, but to him, the stupid things have only brought on the scorn of his father, the misery of his siblings, and caused his entire kingdom to go broke from fighting so many wars over the irritating ink stains. When Urban's sister must travel to Donnelly, the kingdom within the sand, for her arranged marriage to align two realms, he goes with her. But he no sooner steps foot inside their castle than his mark starts itching like a son of a bitch, telling him his one true love is near. It just figures, though, that the woman meant for him is completely forbidden. Now he must decide if he should ignore the persistent mark, telling him she's the one, in order to avoid a possible war between kingdoms, or if he should discover whether she's worth risking everything for so they can be together. Either way, his life gets sucked into chaos with threats of beheadings, dark magic lurking, castle traitors scheming, and sword fights eminent. Who knew one little tattoo could cause so much trouble?

Tacky

An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column "Store-Bought Is Fine" Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in "You Wanna Be On Top," Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. Hannibal meets Mistborn in Marina Lostetter's THE HELM OF MIDNIGHT, the dark and stunning first novel in a new trilogy that combines the intricate worldbuilding and rigorous magic system of the best of epic fantasy with a dark and chilling thriller. In a daring and deadly heist, thieves have made away with an artifact of terrible power—the death mask of Louis Charbon. Made by a master craftsman, it is imbued with the spirit of a monster from history, a serial murderer who terrorized the city. Now Charbon is loose once more, killing from beyond the grave. But these murders are different from before, not simply random but the work of a deliberate mind probing for answers to a sinister question. It is up to Krona Hirvath and her fellow Regulators to enter the mind of madness to stop this insatiable killer while facing the terrible truths left in his wake.

The Color of Grace

When my mother remarried after thirteen years of being a widow, I had to move to a new town and enroll in a new school. Suddenly thrust into an entirely different kind of life, I just wanted to go home. I didn't want to meet new people, didn't want to leave my old friends, didn't want to become a third wheel

to my mom and her husband....and I really didn't want to see Ryder Yates again. Ugh, I still don't know why I turned down that too-good-to-be-true boy who flirted with me when we were attending separate schools. But honestly, it wasn't as bad as I thought it would be. It was worse. Who knew becoming lost in a new life could help a girl find her true colors?

A Man for Mia

When Drew Harper agrees to do some spying for his sister, who believes her husband is cheating on her, he encounters Mia Stallone, a woman still healing after a tragic loss and reluctant to reveal her secrets.

Yvain

The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

The Stillburrow Crush

Sixteen year old, Carrie Paxton, isn't the most popular girl in her small town of Stillburrow. But that's never concerned her before. Her life revolves around her writing, and she loves her job as the student editor of the school paper. But when she gets assigned to interview the football team's beloved quarterback, she takes one look into Luke Carter's blue eyes and is a goner. Suddenly, she doesn't like her lowly rank so much. Then her dreamy, popular crush surprises her when he starts to act as if he likes her in return. But there's no way Luke Carter could possibly ever like a nobody like Carrie Paxton. Is there?

Intro

Why did you write a book about human nature?

How do we reverse a lack of self-awareness?

How to get rid of qualities we don't like about ourselves

Where does our dark side come from?

How to pursue that thing you've always wanted to do

The unseen importance of creating a sense of urgency

How to know if you're following a false purpose

Should a young person just be saying yes to everything?

How to manage other people that get in the way of what we want to do

Do we have to lie to be successful?

How to read someone's body language

A smile says loads about how someone feels about you

People's personalities are contagious

Frenemies, what they mean and how to spot one

What's the most controversial point from your book?

Does equality exist when we all strive for power?

Becoming the best, what it really means

Is death a motivator for you?

The importance of relationships

How to deal with dark thoughts

Advice for people going through self-doubt & hard moments

Why did you write this book, The Sublime?

What would be your parting message to the world?

How can we rise above our emotional reactions?

How has your research influenced how you view politics?
