Planet in Trouble: the UFO Assault on Earth - Startling Proof of the Danger from Outer Space and How Wilhelm Reich's Discoveries Can Be Used to Combat It

Before his death, Gen. Douglas MacArthur warned mankind that World War III may well be fought between humans and intelligent beings from outer space. This book provides evidence that such an interplanetary war is already taking place. Using technology far superior to anything known on Earth, spacemen seem to be conducting a slow, stealthy assault on our planet. Jerome Eden, a journalist,

presents shocking facts that must be faced if humanity is to survive as a species. In his previous book, "Orgone Energy: The Answer to Atomic Suicide," Eden shed much light on the discovery of orgone by the late Dr. Wilhelm Reich, an associate of Freud and a researcher in biology and physics. Reich astonished Albert Einstein with his discovery of the primordial, atmospheric life energy, which he named "orgone." Here in "Planet in Trouble," Eden delves deeply into Reich's findings with respect to UFOs, which seem to use orgone as their propulsive force. Practical applications of orgone energy could topple 200 years of research in classical physics. The author builds a strong case in support of Reich's disclosures regarding the UFO assault on Earth. He reveals how Reich engaged in battles with UFOs, first in Maine and, later, in the Arizona desert. Only a knowledge of Reich's discoveries can provide humanity with a reasonable means of reversing the present trend toward global disaster. Eden discloses the principles behind Reich's invention of the "cloudbuster," a scientific apparatus used to control weather and clean up areas contaminated by UFOs and radioactivity.

Planet in Trouble

UFOs (Unidentified Flying Objects) are visiting Earth from many years ago throughout the history. There are different shapes of UFOs which is thought to be related to the different Aliens or entities from other planets, who are visiting Earth, one of the most beautiful planets in the universe. Different shapes of UFOs are shown in the chapter 1. Different types of Aliens who have been witnessed by humans when they are visiting Earth are discussed in the chapter 2. Usually, there are different types of encounters between humans, UFOs and the extraterrestrials entities which are classically called the close encounter type I up to the close encounter type IV and type V. The close encounter type IV are the ones in which Aliens or extraterrestrials entities abduct humans, mostly for medical examination and genetic engineering. In the chapter 3 and 4, some cases of close encounters type III and type IV were described, respectively. There is no doubt that the Aliens, frequently Nordic Aliens, Gray Aliens, and Reptilian Aliens have manipulated and engineered human genome to give higher and better capabilities to humans for survival, advancement, and preserving the planet Earth. Astronomical studies by NASA shows that there are two trillion galaxies in the universe. Our galaxy which is milky way galaxy has 100 billion planets, from which 6 billions are Earth like planets. The distances between Earth like planets and our Earth planet are at least many light years distance, Considering this point and lack of human knowledge and having technical difficulties for building UFOs similar to Aliens' ones who can travel the long distances between their planets and Earth in short period of time, a need for collaboration between the humans and Aliens are felt for inhabiting Earth like planets. We humans can use their knowledge and technology for building the advance UFOs or if it be impossible or Aliens do not transfer technology to the humans, we can use Alien collaboration and their UFOs by their own conduction based on the mutual agreement to inhabit Earth like planets. This theory is evaluated in the chapter 5 of this book.

Out of the Stars

This book is Mr. Cater's follow up work to The Awesome Life Force. It contains countless gems of thought provoking ideas. In this two volume set you will discover an explanation for seemingly unexplainable phenomena. Levitation, missile weight loss in space, pyramid power and a closer look at the properties of light. Joseph Cater points out the fundamental weakness in conventional mathematics. The role of the soft electrons is expanded upon. Magnetic fields and astronomical error in determining planetary sizes and distances are fully explained. Volume 2 carries us into the mystery of the Crystal Skull. Have you ever wondered how from certain rock formations water can be produced? Everything in the process of creation proceeds from the simple to the more complex. If there is a test for the validity of a theory or concept in its ability to be explained Joseph Cater accomplishes it in this set of books. You do not have to be a genius to understand, there is something here for everyone!

UFO and Alien Types and Inhabiting Earth Like Planets by Help of Aliens and Their UFOs

The Federation of Planets has ruled the galaxy for hundreds of Star Dates. But now the fragile peace has been threatened. Intelligence probes transiting the Galactic Four Worm Hole have discovered an alien world in the outer spiral arm, confirmed to be harboring weapons capable of destroying an entire planet. Even though the evolution of this species is far behind others in the galaxy, Admiral Platz is convinced that they will soon be capable of launching their weapons to other solar systems. The threat to Federation member planets nearby is real and immanent. Unable to decipher their complicated language the Federation has sent three star ships full of combat soldiers to invade the alien planet and attack their storage sites with the mission to destroy their weapons. But there is concern that the

high percentage of inexperienced soldiers in the Strike Force could jeopardize the mission. Concern heightens when some soldiers die during Deep Sleep due to the failure of their sleep pods. Other soldiers question the validity of the mission and some file for conscientious objector status before the battle. When the Hologram Combat Simulator reveals the truth about the aliens the soldiers will face, they react with fear. When the attack shuttles finally break through the alien atmosphere and deposit the Attack Teams onto the forbidding cold surface they are stunned. Never in the history of the Federation have soldiers had to face such an enemy. The aliens are four times their size; they are ugly, smelly and grotesque in every way. With no turning back, what will happen when this horrid species fights to defend its Alien Planet?

Unearthly Disclosure is a story of alien bases, alien contacts and abductions, genetic mutants, animal mutilations, and government paranoia. Here, Timothy Good, one of the world's most respected authorities on the alien phenomenon, reveals for the first time sensational information provided to him by high-level military and scientific sources, who confirm that aliens have established subterranean and submarine bases on Earth and that extra-terrestrial contact has been made with a select group in the US military and scientific intelligence community. Among numerous revelations in this book are those involving the alien creature photographed by Filiberto Caponi in Italy. The author spent several years investigating this controversial case and commissioned an Expert Witness checked by the Law Society to analyse Caponi's astonishing photographs. Published for the first time, this unique story forms the central section of Unearthly Disclosure.

The Extraterrestrial Report

New Abridged Version - February 2020 "The Invasion of Earth" (Edition 2 - Abridged) is not a Science Fiction Novel; in fact, it is real-life stories of UFO encounters from around the world. Over 400 pages, it is packed with UFO incidents from Europe, South America, Africa, Australia, the United Kingdom, Russia, the United States, and Asia. Research shows for, over the last 100 + years, UFOs and their occupants have been monitoring this planet. This book is prepared to tell you the truth about the reality of UFOs and our contact with Aliens / Extraterrestrials. The author has researched thousands of declassified military UFO records, and newspaper articles and brings these stories to you. Through 26 chapters, we discuss many topics, including the various forms of evidence, actual military and civilian UFO case histories as well as alien contact. The stories are compelling and include the typical "cat and mouse" games Alien pilots use when confronting our jets. It is diabolical in that, on the one hand, our police and military jets chase the UFOs. Yet, on the other hand, UFOs pursue our military and commercial planes. You will come away understanding the reasons why they are here, what they are doing, and the ships they use. The Author: John Scott Chace is the author of "UFOs In US AIRSPACE" and "Project Blue Book." He is the son of Colonel Chaplain Alston R. Chace (USAF Retired) and Nephew of Colonel Frank C. Chace (USMC). A military brat, he lived on many of the US Air Force bases where several UFO incidents have taken place. John became a researcher and historian on the UFO phenomenon after sightings in Connecticut. This book contains US Air Force Project Blue Book Case and more.

Unearthly Disclosure

The newest, most accurate book on discovering what's going on with extraterrestrials on our planet as well as their home planets. Remote viewing has proven to be an extremely accurate and revealing

"spying" medium. And now we are revealing the information that has been obtained by a number of different Remote Viewers who have viewed aliens. Some of these results have been amazing. Getting any kind of information on aliens by using any other methods over the years has been very limited, confusing and possibly inaccurate. That's why remote viewing aliens is a very exciting method for finally getting questions answered! And not only are we viewing them, but often two-way communications have been established so that answers have come through from the aliens! Find out where they are, who they are, what they are doing, what are their plans for us, predictions for the fate of Earth, and so much more! But I must warn you that this isn't for the weak-hearted, some of the answers may shake your faith in religions, our governments, who we are and how we are doing things!

Would We Survive an Alien Invasion?

EXTRATERRESTRIAL CIVILIZATIONS ON EARTH is a stimulating, current accounting of extraterrestrial beings who came to Earth long ago in space ships to cultivate ancient civilizations. Ancient continents existed such as Lemuria, Lumania, Atlantis, Thule, Telos, Rama and Mar. Ancient ruins were discovered on different continents. A golden age existed in ancient times. Empires from the stars came to Earth. Mankind evolved in different races and cultures. Regalians from Orion came to Earth to dominate ancient civilizations. Galactic citizenship is important to establish planetary unity, peace and harmony. Life on other planets exists. The lost city of a goddess is described. Legendary, seven cities of gold are revealed. Extraterrestrial findings are found and described by Zecharia Sitchin. New, sensational findings are revealed by Erich Von Daniken. Extraterrestrial beings came to Earth. Many people have been contacted by extraterrestrial beings. UFOs exist and have been hovering around the Earth. There are extraterrestrial civilizations that exist on Earth. You will learn about specific evidence regarding extraterrestrial beings and UFO sightings and personal experiences about UFOs and extraterrestrial beings.

The Alien Plan for Earth

The world is going through a phase of Third World War. What will happen to the world when nuclear weapons would be used? Who will save the world from nuclear weapons? The Earth would become no longer inhabitable for humans and other living beings. Who will help humans then? Why humans have made weapons of their own destruction? Would Aliens come from a different planet to save the Earth? Let's find the answers with the help of Neha, Jack and Elena. This science fiction has a serious message for the world community

The UFO Literature

This book provides insight into the presence of UFOs and their spiritual mission to help save this planet from further and faster destruction. Maitreya, the World Teacher and head of our planetary spiritual Hierarchy, works tirelessly with the Space Brothers in a fraternal enterprise to restore sanity to this Earth.

UFO on PLANET EARTH

This book is an interesting and thrilling collection of live encounters with aliens travelling in special aircraft emitting bright orange or yellow lights. Sometimes, strange creatures with peculiar skin and colour have been seen coming out of these flying saucers. These encounters have been with common people such as farmers, housewives, children playing in a park, movie actresses, doctors and scientists themselves! There have also been reports of kidnapping and accidents caused by these other world visitors from different planets or satellites.

The Invasion of Earth

James and his girlfriend, Flo, agree to meet at a company picnic. James arrives at the site, and just as he notices Flo going toward him, there is a big explosion and a flash of light. James, unable to move, sees bodies scattered everywhere. Clusters of light enter each body, and each in turn disappears. Flo also disappears in this way. The lights enter James and, finding him alive, orders him to forget what has happened. James does not forget; he is recruited by this life-form from alternate Earth and is given great powers. James returns Flo and many others to Earth. They discover that the aliens harvest X cells from human bodies. James finds many possible ways for the aliens to harvest the calls they require. James and Flo, along with other humans, live in a dome provided by the aliens. They are attacked, as

alien invaders, by world governments with little success. Over many years, most of the dome people move without notice back to the world population. Finally being alone in the dome, James and Flo move to the west coast. When Flo dies, James paddles a canoe out to the Pacific. He is picked up by a pirate ship and taken to their base in Africa. James becomes known as the alien prophet and helps many people achieve freedom. He becomes tired and again paddles out to sea and drowns. Under a new leader, the system of cell harvest falls apart, and the police closes them down. The other universe aliens disappear from Earth's skies, and Earth leaders declare a victory over these aliens (Xanderites). After many quiet years, a large planet-size ship arrives and settles in Earth orbit. This causes great damage with earthquakes, volcanoes, and high tides. Small ships leave the mother ship and attack worldwide. Earth has no defense against them, and millions die. A last-hope meeting of NORAD is desperately seeking some solution when the Xanderites reappear. They announce that they are willing to help but can only hold the invaders, not defeat them. They state that, as this Earth is no longer fit for humans, they will move the survivors to an alternate Earth they have discovered. There are no functioning Earth governments, so NORAD accepts the offer. All Earth survivors, except Muslims who state they are fighting a holy war, are moved to a wilderness Earth and build settlements. There is a total of 146,000 survivors who build a new world. After a few hundred years, old Earth becomes only a myth, a legend, and the origin of man is unknown. The Xanderites do not appear on this Earth.

Remote Viewing Aliens - Alien Remote Viewing Results

Through Scientific Remote Viewing, the author "reveals that at least two alien civilizations have been and continue to be intimately involved with Earth humans: a Martian race who ... still struggle to survive on their nearly dead planet; and the Greys, a highly advanced humanoid people."

Extraterrestrial Civilizations on Earth

What if there really are aliens and they do attack? Read what two scientists reveal in this "how-to" survival manual for the space age. Some events (such as a deliberate asteroid strike) produce such a massive setback to life, the Earth and humanity that we must understand and prepare for them, even if the chances are low that they'll come about. But where to begin? Drs. Travis S. Taylor and Bob Boan are experienced scientists, physicists with expertise in both defense and military signal intelligence and experience working with the Department of Defense and NASA. These two intellectual heavyweights take us on an amazing journey through what we do³/₄and do not³/₄know about how to defend ourselves from space. Sure, that day may never come in our lifetimes³/₄but everyone should have a copy of this lying around just in case. . . . At the publisher's request, this title is sold without DRM (Digital Rights Management).

I CAN BRING STARS

Humankind's first contact with an intelligent extraterrestrial species was not friendly. Because their star, a dying red dwarf, would soon fail to provide life-supporting warmth, a distant alien species recognized Earth, a planet similar to their world, perfect for their needs. In preparation for the move to Earth, the highly intelligent entities implemented a cleverly devised nanobot attack in an attempt to eradicate all life on Earth. They planned to follow the attack by sending a detachment to terraform the planet and assure all life on Earth was eliminated by the time they arrived. At least that was their plan. Fortunately, they didn't recognize the resolve of the human species to survive. While enlisting the extraordinary talents of a gifted physicist, the first attack was thwarted, but the aliens were not deterred. They had no choice. It was move or perish. With the immediate threat eliminated, Earth's scientist searched for the origin of the sinister nanobots and learned they came from a planet called Gliese 581-d that was more than twenty light-years away. They began to study the giant, water-covered planet and its weak, red dwarf star. A ten year study via the Hubble Space Telescope showed little change, and then one day, scientist were shocked to see a mammoth flotilla of alien spaceships assemble near the distant planet and set out on a course that would bring them to Earth. But, because Gliese 581-d was so far away, the scientist weren't too concerned. Even if the alien ships could travel at light-speed, it was decided it would be over two decades before they arrived. Because Einstein predicted nothing other than a photon can travel at light-speed, a theory later proven with the discovery of the Higgs Field, the flotilla wasn't expected to arrive in this century unless they could construct a stable wormhole, something no one believed they could. However, as a precaution, the world leaders decided to keep a close eye on the mammoth flotilla, code named Target One, and begin working on countermeasures should Target One arrive. They assumed they will have developed more advanced technology, and would be able to

repel any future attacks. Should Target One show up in Earth's space earlier than expected, it would be a battle between the might of the greater numbered humans and their determination, against the superior technology of the lesser numbered aliens, and the outcome could not be determined. That was ten years ago, and in episode two, the surveillance continues . . .

The Ultimate Collection on UFOs

This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as "Above Top Secret" and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

The Gathering of the Forces of Light

Have you ever wondered if aliens are watching us? Do you believe in UFOs? Many people believe that aliens have visited our planet and that alien bases exist beneath our seas, lakes and various secret places on land. But what do you think would happen if the human race declared a world-wide nuclear war? Do you think that the aliens would step in and take over the world? This book is about such a scenario that might happen. How do you think people would react to such an event? This novel tells of such a possibility. This novel is unique in its portrayal of the Earth being taken over by two races of aliens who have lived together in peace and watched our planet's progress for thousands of years. They are the Greys and the Anunnaki. Once you have read this novel, you will see that the scenario explained could be a possible reality in such an event of a nuclear war between humans. Since 1945 when the 'A' Bombs were dropped on Nagasaki and Hiroshima, there has been a massive increase of alien sightings and reported abductions. Could this be a build-up to a possible world takeover by the alien races who are watching our planet? Have you seen a UFO? Thousands of people have and all of these are from reputable people. The Earth has evidence of past ancient alien help scattered all over our planet in the form of lost cities and ruins that no one can really and truly explain how they were built. Only alien technology could have been responsible for such structures, but why did the aliens go into hiding and stop helping the human race? These and other questions will be attempted to be answered within the pages of this novel. When you have read this book, it is then up to you to decide if you think what I have portrayed in this book could be a possible outcome of an alien takeover. I have used a positive scenario, but it could very easily be the other way and total extinction to the human race by the aliens that plague our planet. What differences do you think the aliens would make if they decided to join us and help us live in peace all over the world? What would we do about money, work situations, country leaders positions and many other major issues? Our lives would change completely. I have tried to suggest in this book some of the possibilities and how the aliens would deal with those who wouldn't comply to their ruling. I am planning a sequel to this book for around the end of this year, 2015. I hope you will all enjoy this novel, it will certainly leave you thinking... I would ask all readers to give their feedback after reading the book, as it helps others who are considering buying this book. You will not be able to put it down... I also have other books on Amazon Kindle. I wish you happy and enjoyable reading. Keith Argyle (Author).

Mysteries Around Ufos And Aliens

Blue Planet Project is allegedly the notebook of a scientist who worked on a top secret United States government program involving alien research. The document contains notes and drawings supposedly made by the scientist. The scientist visited various ufo crash sites, and the notes and drawings were allegedly made from those visits. This book is in the public domain.

Cosmic Voyage

Dear Readers: My new book, UFOs That Crashed to Earth, is a fiction book based on the recorded history of nuclear weapon's detonations on Earth, current plans for nuclear waste storage facilities around the world, cover ups of USAF, UFO studies, real military bases and aircraft and documented UFO sightings. The characters are not real and are not intended to be anyone living or dead. They do the things that people would have to do to find out the truth. Are nuclear weapons and nuclear power plants polluting the Earth? Do these things pose a danger to Mankind? I think they do. Did Reverse Engineering of alien and Nazi aircraft and weapons lead us into the Atomic Age on Earth? What can we do now to prevent the nuclear destruction of our planet? The reader will decide if these questions are true or false and if they have a plan. of action. The characters in the book find out the truth and make a plan to change things for the better. Perhaps we all can learn from their example. Tom King

Alien Invasion

John B. Leith was born in 1920 with a photographic mind. He graduated from high school in 1937 and took spiritual training in Lhasa, Tibet for nine months before joining the Office of Strategic Services. During the last two years of WW II he led a six-man special-forces team out of London specializing in breaking prisoners out of German jails in France, Germany, and Poland. Though he became the most highly decorated soldier of any war, he was not allowed to acknowledge he had any combat service until after his death. He studied literature at Oxford while describing his 12 most exciting of 62 missions behind German lines. As liaison officer between General Patton and Gen Von Rundstedt he learned how selected people were fleeing Germany. These missions are described in The Man with the Golden Sword. Leith studied in Canada and spent 25 years earning a living as a journalist. In 1975, after demonstrating that he could keep his OSS experiences hidden from the public for 30 years, the CIA asked Leith to team up with another wartime OSS officer, Father John in WW II, and interview people associated with the development of "round-wing planes," both for our allies and for Germany. Neither group was allowed to use that technology for war, because both were assisted by wiser beings from off this planet. Genesis for The Space Race: The Inner Earth and the Extraterrestrials was dedicated to "an unsung hero, Jonathan E. Caldwell, inventor of this civilization's first spacecraft." He used several names for security. Read about him on Wikipedia. Like most CIA-approved releases, this 376-page book was required to have disinformation published with it and shown in a map of inner-Earth civilizations provided by an Atlantean cartographer. A 4-page Preamble helps the reader understand the disinformation and it's need. This book falsely indicates Hitler went with other officers and scientists to New Berlin, accessed from Antarctica. Pope Pius XII trained him to convert pagans in the jungles of Ecuador. The map falsely shows 125-mile-diameter holes at each poll required by the CIA to keep wealthy people from spending their fortunes in attempts to access the Inner Earth to acquire advanced technologies. Leith's term "Inner Earth" was sometimes changed to "Hollow Earth" and the story modified to match. Also, this book says that Hitler's son came to his father's funeral in Zaragoza, Spain in 1974, though the real funeral to which his son, born to Eva Braun in 1945, came was in Cuenca, Ecuador in 1978. It has three sections: Space Race, The Inner World of Extra Terrestrials, and Primer For a New Age of Space. Chapter XVII is titled Intrusion of Alien Beings into World Societies and Interviews with Leading Extra Terrestrials. The Epilogue describes how the 54-12 committee developed strategy for USA presidents since Eisenhower to maintain air supremacy into the 1980s and beyond. It describes foreign awards presented to Lt. General Caldwell after he retired in 1967, including a singular Congressional Medal presented by Eisenhower. The Appendix is titled Social, Political, Economic and Religious life in Inner Earth. Notes and Sources follow with excellent research on many controversial issues that came up during the interviews. Following are pictures of construction of New Berlin and a completed housing block with many German soldiers lined up for inspection. A 57-item bibliography from Occult and the Third Reich by Jean-Michel Angelbert to The Bible and Future Events by Leon Wood is listed. Between are: The Secret Doctrine by Blavatsky; UFO's and Interplanetary Visitors by Fowler; Our Haunted Planet by Keel; Aliens from Space by Keyhoe; The Great White Brotherhood by Prophet; and Secret of the Ages - UFOs from Inside the Earth by Trench. Following Leith's writing are addendums by the Owner, Robyn Andrews, who worked with Leith at conferences, and by MUFON Investigator Michael Forte who investigated Leith's research specialist, Frank Hudson.

Alien Offensive - Book 2

• Details how exploratory probes sent to Mars in the 1970s triggered a plethora of anomalous events, particularly crop circles (glyphs), and how these events are messages from ET intelligence to help us send a human mission to Mars • Reveals how the anomalous Cydonia region of Mars fits the Golden Ratio Spiral and looks at links between Martian formations and Earth's ancient sites • Illustrated throughout with color photographs, maps, and diagrams In this full-color study based on 25 years of research, Mary Bennett explores the ancient and modern connections between Mars and Earth as well as how extraterrestrial intelligences are trying to assist us in constructing a viable spacecraft to take a human crew swiftly and safely to Mars. She details how exploratory probes sent to Mars in the 1970s triggered over three decades of anomalous yet scientifically validated events, including crop circles, or crop glyphs. She explains how these formations, along with related events, encode advanced engineering concepts that offer solutions to the fundamental problems presently hindering long-haul crewed -spaceflight--whether to the Moon, Mars, or beyond. Looking at the red planet itself, the author reveals the scientifically verifiable evidence pointing to intelligent design on the surface of Mars, specifically in the Cydonia region, which fits the Golden Ratio Spiral. She looks at the covert links between the Martian formations and Earth's ancient sites, such as the Avebury landscape in England and the Giza Complex. She describes how agencies concerned with space travel have been quietly mirroring areas of Mars through construction projects here on Earth, revealing that many of the ET messages have already been partially decoded. Taking you from a complex on Mars to the Teotihuacán pyramids in Mexico, from phi ratios to the Pentagon, from the Great Pyramid to quantum computing, this exploration of the hidden influence of Mars shows that our abilities as a future space-faring species began in the ancient past and are now coming to fruition

Chicorel Index to Parapsychology and Occult Books

"UFOs, the Alien Invasion and the CIA" first became available in March 2021, with photographs, artists' conceptions of UFOs, and factual content. What you get is a book filled with facts of CIA, KGB, and military UFO case files. Cases are presented one after another around the globe. "UFOs, the Alien Invasion and the CIA" is not a Science Fiction Novel; in fact, it is a compilation of declassified, and non-declassified UFO encounters from around the world. It is packed with 400 pages of UFO incidents from Europe, South America, Africa, Australia, the United Kingdom, Russia, the United States, and Asia. Research shows for, over the last 1000 + years, UFOs and their occupants have been monitoring this planet. I contend this visitation of humanoid beings of different species from other worlds is an advanced Invasion plan of planet Earth. This book is prepared to tell you the truth about UFO / UAP reality. It highlights the polarized differences between "The Truth" and "Deception": 1. On the one hand, we have "DECEPTION" with the World Intelligence Agencies (the Central Intelligence Agency and the KGB) hiding information from the public on UFO intrusions at top military sites and human contact with Aliens / Extraterrestrials. 2. And on the other, we have "TRUTH," where Presidents Gorbachev and Ronald Reagan agreed to assist one another in a potential alien conflict. This desire for "Truth" extends to the American, British, and Russian Air Force and Naval Military Leaders that desired the public to be informed of the UFO reality. Statements by those in the know: Case 1: Russian General states: "The UFO, with a diameter from 100 to 200 meters, was not accompanied by the sound of any kind and was distinguished by its startling maneuverability. It seemed the UFOs were completely devoid of inertia. In other words, they had somehow 'come to terms with gravity. At present, terrestrial machines could hardly have any such capabilities." (The KGB); Case 2: CIA Officer states: "On the US obtaining a copy of a declassified KGB document on an alien incident, a CIA representative stated, "It is horrific"! "If the KGB file corresponds to reality, this is an extremely menacing case. The Aliens possess technology that goes beyond all our assumptions. They can stand up for themselves if attacked." Case 3: US Naval Officer states: "Official representatives of the US government, including the CIA, came aboard the aircraft carrier to debrief (interview) all the witnesses. After the debriefing, the 25 witnesses were transferred off the ship to other assignments\
