For the Win

It's the twenty-first century, and all over the world, MMORPGs are big business. Hidden away in China and elsewhere, young players are pressed into working as "gold-farmers," amassing game-wealth that's sold to Western players at a profitable markup. Some of these pieceworkers rebel, trying to go into business for themselves—but there's little to stop their bosses from dragging them back into servitude. Some of them, like young Mala in the slums of Bombay—nicknamed "General Robotwallah" for her self-taught military skill—become enforcers for the bosses, but that only buys them so much. All the way over in L.A., young Wei-Dong, obsessed with Asian youth culture and MMORPGs, knows the system is rigged, knows that kids everywhere are being exploited. Finally, he and his Asian counterparts begin to work together to claim their rights. Under the noses of the ruling elites, they fight the bosses, the game owners and the rich speculators, outsmarting them with their street-gaming skills. But soon the battle will spill over from the virtual world to the real one, leaving the young rebels fighting not just for their rights, but for their lives....

In this #1 New York Times bestselling thriller from Harlan Coben, a dead man's secrets fall into the hands of a vigilante antihero--drawing him down a dangerous road. Over twenty years ago, the heiress Patricia Lockwood was abducted during a robbery of her family's estate, then locked inside an isolated cabin for months. Patricia escaped, but so did her captors -- and the items stolen from her family were never recovered. Until now. On the Upper West Side, a recluse is found murdered in his penthouse apartment, alongside two objects of note: a stolen Vermeer painting and a leather suitcase bearing the initials WHL3. For the first time in years, the authorities have a lead -- not only on Patricia's kidnapping, but also on another FBI cold case -- with the suitcase and painting both pointing them toward one man. Windsor Horne Lockwood III -- or Win, as his few friends call him -- doesn't know how his suitcase and his family's stolen painting ended up with a dead man. But his interest is piqued, especially when the FBI tells him that the man who kidnapped his cousin was also behind an act of domestic terrorism -- and that the conspirators may still be at large. The two cases have baffled the FBI for decades, but Win has three things the FBI doesn't: a personal connection to the case; an ungodly fortune; and his own unique brand of justice.

How to Win the Nobel Prize in Literature

With humour, wit and insight David Carter provides an account of the trials and tribulations of the Nobel Prize in Literature, together with tongue-in-cheek guidelines for the would-be laureate. There are acclaimed writers - James Joyce, Marcel Proust, Leo Tolstoy, Mark Twain - who never won the Nobel Prize - and others, less well-known, such as Henryk Sienkiewicz, Paul Heyse and Wladyslaw Reymont, who did. What do you have to do to impress, or be snubbed by the Nobel Committee? Using the device of a set of guidelines for the would-be laureate, the book explores many of the unusual and controversial decisions made by the committee over the years. The reader can discover the many quirky considerations that hopeful writers must bear in mind. Certain factors always help, such as 'being a man' and 'having your work translated into Swedish'. Presenting interesting quotes from the presentation and acceptance speeches and from other sources in the writers' works, David Carter provides answers to some intriguing questions, such as: Why did some writers refuse to accept the prize, and why were others rejected? Is there evidence for political, ideological and geographical bias in the selection? Why was it sometimes awarded to two writers and sometimes not at all? What does it actually take to win?

In 2009, Canadian entrepreneur Mike Quinn packed his backpack and moved to Lusaka, Zambia on a mission to find African entrepreneurs building scalable, high-impact businesses. There he stumbled across two South African brothers who had founded a business to help unbanked smallholder farmers receive mobile payments in a market where cash was king. After convincing his retired parents to mortgage their house and lend him \$100,000, Mike joined as a co-founder of Zoono and became CEO for nine of the next ten years. With his partners, Mike built a network of more than 3,000 entrepreneur agents across Zambia and Malawi that enabled millions of unbanked consumers to send and receive \$2.5-billion in money transfers and remittances. Headquartered in Cape Town, South Africa, Zoono raised over \$35-million of venture investment and operated on the leading edge of Africa's emerging fintech ecosystem. Mike's remarkable story gives a rare and honest glimpse into the workings of a pioneering African startup through the lens of a purpose-driven entrepreneur who went "all in". Zoono faced tremendous adversity along the way: currency crises, investment round collapses, ruthless pushback from the major mobile network operators, and a continuous internal struggle to discover and execute a growth strategy that matched the company's billion-dollar ambition. It was by failing to win that Mike learned what entrepreneurship - specifically purpose-driven entrepreneurship - is all about, and it was what motivated him to double down and try again. "This raw, honest account is a must-read for anyone thinking about starting a company and for every entrepreneur who feels alone in the journey." - Elizabeth Yin, Co-Founder & General Partner of Hustle Fund "Startups are hard. Most

people understand this. However, most people don't understand why. Mike's story is a rare glimpse into how challenges present themselves - and ultimately how to overcome." - Matt Flannery, Co-Founder of Kiva & Branch "In a rare look behind the scenes, Mike shares a vivid picture of the other side of leadership we don't talk about enough. As he aptly describes 'founding, failing and winning', this book highlights the risk of taking that all-important first step, embracing failure and ensuring you learn the transformative lessons critical to success as an entrepreneurial leader." - Fred Swaniker, Founder of African Leadership Group "This story is a gift for entrepreneurs and indeed anyone wanting to learn about the first generation of African fintechs that paved the way for future companies to thrive." - Katlego Maphai, Co-Founder & CEO of Yoco

Shuggie Bain

"Much of this book is about loneliness. Yet its pages are bracingly companionable. It is one of the friendliest books ever written. It is a superb piece of autobiography, testimony that cannot be impeached. While it is a statement of an American tragedy, it has laughter, brevity, style; as a book to pass the time away with, it is in a class with the best fiction." — Carl Sandburg, *New York World* "Nothing half as rewarding has come down the highway of books about thieves, tramps, murderers, bootleggers and crooks in years " — *New Republic* "I believe Jack Black has written a remarkable book; it is vivid and picturesque; it is not fiction; it is a book that was needed and it should be widely read." — Clarence Darrow, *New York Herald Tribune* A major influence on William S. Burroughs and other Beat writers, this lost classic was written by Jack Black, a drifter and small-time criminal. Born in 1872, Black hit the road at the age of 16 and spent most of his life as a vagabond. In this plainspoken but colorful memoir, he recaptures a hobo underworld of the early twentieth century, a time when it was possible to pass

anonymously from town to town. Black's firsthand accounts of hopping trains, burglaries, prison, and drug addiction offer a compelling portrait of life outside the law and honor among thieves.

The Hunter

A Wall Street Journal and Washington Post Bestseller A playbook for creating your company's winning strategy. Strategy is not complex. But it is hard. It's hard because it forces people and organizations to make specific choices about their future—something that doesn't happen in most companies. Now two of today's best-known business thinkers get to the heart of strategy—explaining what it's for, how to think about it, why you need it, and how to get it done. And they use one of the most successful corporate turnarounds of the past century, which they achieved together, to prove their point. A.G. Lafley, former CEO of Procter & Gamble, in close partnership with strategic adviser Roger Martin, doubled P&G's sales, quadrupled its profits, and increased its market value by more than \$100 billion in just ten years. Now, drawn from their years of experience at P&G and the Rotman School of Management, where Martin is dean, this book shows how leaders in organizations of all sizes can guide everyday actions with larger strategic goals built around the clear, essential elements that determine business success—where to play and how to win. The result is a playbook for winning. Lafley and Martin have created a set of five essential strategic choices that, when addressed in an integrated way, will move you ahead of your competitors. They are: • What is our winning aspiration? • Where will we play? • How will we win? • What capabilities must we have in place to win? • What management systems are required to support our choices? The stories of how P&G repeatedly won by applying this method to iconic brands such as Olay, Bounty, Gillette, Swiffer, and Febreze clearly illustrate how deciding on a strategic approach—and then making the right choices to support it—makes the difference between just playing the game and actually winning.

Playing to Win

This winner of the 2019 Man Booker International Prize and national bestseller is “an innovative reimagining of the family saga . . . Celestial Bodies is itself a treasure house: an intricately calibrated chaos of familial orbits and conjunctions, of the gravitational pull of secrets” (The New York Times Book Review). In the village of al-Awafi in Oman, we encounter three sisters: Mayya, who marries after a heartbreak; Asma, who marries from a sense of duty; and Khawla, who chooses to refuse all offers and await a reunion with the man she loves, who has emigrated to Canada. These three women and their families, their losses and loves, unspool beautifully against a backdrop of a rapidly changing Oman, a country evolving from a traditional, slave-owning society into its complex present. Through the sisters, we glimpse a society in all its degrees, from the very poorest of the local slave families to those making money through the advent of new wealth. The first novel originally written in Arabic to ever win the Man Booker International Prize, and the first book by a female Omani author to be translated into English, Celestial Bodies marks the arrival in the United States of a major international writer.

On the Battersea Reach of the Thames, a mixed bag of eccentrics lives in houseboats. Belonging to neither land nor sea, they belong to one another. How each of their lives complicates the others is the stuff of this perfect little novel. Winner of a 1997 Booker Prize.

The Remains of the Day

The last thing event planner Tara Lincoln needs is the jet-set lifestyle of a football pro like Mick Riley; even though their steamy and passionate one-night stand proved that Mick is an all-star - both on the

field and in the bedroom. Tara played the game of love once and lost big, and she doesn't intend to put herself out there again, especially with a certified heartbreaker. But when Mick sets his mind to win, nothing will stop him.

WINNER OF THE NOBEL PRIZE IN LITERATURE WINNER OF THE MAN BOOKER INTERNATIONAL PRIZE NATIONAL BOOK AWARD FINALIST FOR TRANSLATED LITERATURE A visionary work of fiction by "A writer on the level of W. G. Sebald" (Annie Proulx) "A magnificent writer." — Svetlana Alexievich, Nobel Prize-winning author of *Secondhand Time* "A beautifully fragmented look at man's longing for permanence.... Ambitious and complex." — Washington Post From the incomparably original Polish writer Olga Tokarczuk, *Flights* interweaves reflections on travel with an in-depth exploration of the human body, broaching life, death, motion, and migration. Chopin's heart is carried back to Warsaw in secret by his adoring sister. A woman must return to her native Poland in order to poison her terminally ill high school sweetheart, and a young man slowly descends into madness when his wife and child mysteriously vanish during a vacation and just as suddenly reappear. Through these brilliantly imagined characters and stories, interwoven with haunting, playful, and revelatory meditations, *Flights* explores what it means to be a traveler, a wanderer, a body in motion not only through space but through time. Where are you from? Where are you coming in from? Where are you going? we call to the traveler. Enchanting, unsettling, and wholly original, *Flights* is a master storyteller's answer.

The Perfect Play

"Nothing Good Can Come from This is a book about generative discomfort, surprising sources of beauty, and the odd, often hilarious, business of being human." —Leslie Jamison, author of *The Empathy Exams* and *The Recovering* Kristi Coulter inspired and incensed the internet when she wrote about what happened when she stopped drinking. *Nothing Good Can Come from This* is her debut—a frank, funny, and feminist essay collection by a keen-eyed observer no longer numbed into complacency. When Kristi stopped drinking, she started noticing things. Like when you give up a debilitating habit, it leaves a space, one that can't easily be filled by mocktails or ice cream or sex or crafting. And when you cancel Rosé Season for yourself, you're left with just Summer, and that's when you notice that the women around you are tanked—that alcohol is the oil in the motors that keeps them purring when they could be making other kinds of noise. In her sharp, incisive debut essay collection, Coulter reveals a portrait of a life in transition. By turns hilarious and heartrending, *Nothing Good Can Come from This* introduces a fierce new voice to fans of Sloane Crosley, David Sedaris, and Cheryl Strayed—perfect for anyone who has ever stood in the middle of a so-called perfect life and looked for an escape hatch.

A NPR, Electric Lit, and Entropy Best Book of the Year A Washington Post, Shondaland, NPR Books, Parade, Lit Hub, PureWow, Harper's Bazaar, PopSugar, NYLON, Alta, Ms. Magazine, Debutiful and Good Housekeeping Best Book of Fall A perceptive and powerful debut of identity and belonging—of a young woman determined to be seen. Willa Chen has never quite fit in. Growing up as a biracial Chinese American girl in New Jersey, Willa felt both hypervisible and unseen, too Asian to fit in at her mostly white school, and too white to speak to the few Asian kids around. After her parents' early divorce, they both remarried and started new families, and Willa grew up feeling outside of their new lives, too. For years, Willa does her best to stifle her feelings of loneliness, drifting through high school and then college as she tries to quiet the unease inside her. But when she begins working for the Adriens—a wealthy white family in Tribeca—as a nanny for their daughter, Bijou, Willa is confronted with all of the things she never had. As she draws closer to the family and eventually moves in with them, Willa finds herself questioning who she is, and revisiting a childhood where she never felt fully at home. Self-examining and fraught with the emotions of a family who fails and loves in equal measure, *Win Me Something* is a nuanced coming-of-age debut about the irreparable fissures between people, and a young woman who asks what it really means to belong, and how she might begin to define her own life.

Henri le vert tome 1

Dans un futur pas si lointain où l'humanité demeure passive face aux défis écologiques qui s'imposent à elle, Lambda - Tome 1 raconte le destin hors du commun de Lucile Arias, une adolescente dont la vue se met inexplicablement à dépasser les limites du spectre de la lumière visible. Pourchassés par Radius, l'énigmatique laboratoire, Lucile et ses amis se lancent à la recherche de la vérité pour mettre au jour la sombre menace qui ne plane pas seulement sur elle, mais également sur l'humanité tout entière. À PROPOS DE L'AUTEUR Depuis 2016, Paul Feinte exerce le métier de professeur de physique-chimie. Passionné par les sciences et notamment par l'astronomie, il est un grand amateur de science-fiction qui a décidé de franchir le pas en signant ici son premier ouvrage. Sur fond de critique de l'inaction climatique, Lambda - Tome I cherche à exploiter les possibilités qu'offrirait une vision qui ne se borne plus aux limites physiques imposées par la constitution de l'œil humain.

Lambda - Tome 1

Elle est vampire, il est humain : leurs chemins ne devaient jamais se croiser... Anna Andolini, vampire sanguinaire, connue et réputée pour sa monstruosité s'est retrouvée emprisonnée par le Conseil des vampires. Après cinq décennies d'enfermement et de torture, Anna est enfin libérée à la condition de récupérer la seule chose qui lui manquait depuis sa transformation... son âme. Nick Castle, un humain

victime de la cruauté d'un vampire s'est retrouvé veuf avec sa petite fille à sa charge, Emma. Anéanti, il noie son chagrin dans l'alcool et la solitude. Opprimés par leur culpabilité et leur souffrance, auront-ils la force de s'accorder une nouvelle chance de bonheur ? Les ennemis d'Anna lui permettront-ils de vivre dans l'insouciance de ses crimes passés ? Fantasy et romance sont au rendez-vous de ce premier tome envoûtant ! À PROPOS DE L'AUTEURE Priscilla Llorca, née le 15 décembre 1989, à Toulon, écrit depuis l'âge de 15 ans : "Au départ, il s'agissait seulement de fan-fiction. Je reprenais des épisodes de mes séries préférées pour donner les fins que je souhaitais avoir. Puis un jour, j'ai eu un déclic : écrire ma propre histoire, mes propres romans, avec mes personnages. Et Vampire Solitaire est né..."

Vampire Solitaire - Tome 1

Il y a, dans ce monde, des gens à qui la vie offre des dons extraordinaires. Leurs pouvoirs sont tels qu'ils pourraient changer le cours de l'Histoire. On les appelle les doués. Il y a aussi ceux qui remuent ciel et terre pour les débusquer : les traqueurs. Et puis, dans l'ombre, il y a la Société Zeus et le Projet Trou Noir. Alexandre Day laisse une impression singulière aux gens qu'il rencontre. Bien malgré lui. Alexandre Day n'est pas un homme ordinaire. Il a des dons. Cadeau que la vie lui a fait à sa naissance. Mais si vous lui demandez son avis, il vous dira que c'est un cadeau empoisonné... Le jour où Alexandre rencontre Rachel pour la première fois, il est conquis. Chaque jour, il retourne dans le même parc, espérant la revoir. Il l'admire de loin, reste à l'écart, de peur d'être repoussé. A sa grande surprise, c'est Rachel qui viendra vers lui. Le jeune homme comprendra alors qu'il faut un être particulier pour en attirer un autre. Il ignore par contre que Rachel court un grave danger. D'ailleurs, la jeune femme ne le sait pas elle-même. Démuni, Alexandre se tournera alors vers Jane Hart. Spécialiste dans l'étude des phénomènes paranormaux, elle soumettra le cas du couple à Michael Haggart. Celui-ci occupe un poste-clé dans un hôpital psychiatrique et dirige des recherches en parapsychologie. Ce que Jane ignore toutefois, c'est le lien qu'il entretient avec la Société Zeus. Traqueurs, une trilogie où les êtres d'exception devront choisir leur clan.

Traqueurs Tome 1

Son grand-père s'attendait-il à mourir ? Pourquoi cette lettre si énigmatique ? Que contient ce coffret qui pourrait mettre en danger ceux qui connaissent son existence ? Et qui est donc cette étrange inconnue ? Tant de questions qui taraudent l'esprit d'Anna, une jeune étudiante. Les réponses qu'elle cherche la mèneront, ainsi que ses amis, au cœur d'une incroyable aventure. Entre archanges, démons et autres créatures terrifiantes, laissez-vous guider au sein de cette épopée où se mêlent danger et romance. À PROPOS DE L'AUTEUR Mickaël Jouve a toujours été passionné par les récits d'action et d'aventure. Prenant du plaisir à s'inventer des histoires, le premier confinement lui offre l'occasion de s'investir davantage dans l'écriture. Il nous livre ainsi le premier tome de la saga intitulée La guerre éternelle.

La guerre éternelle - Tome 1

Un secret de famille. Une rencontre hors du commun. Un voyage au-delà du temps. Un soir d'hiver, hantée par l'explicable disparition de sa mère vingt années auparavant, Anna se réfugie sur une plage déserte. Oublier... faire taire cette douleur lancinante qui broie ses entrailles. Tandis que l'obscurité avale peu à peu les vagues, la jeune femme n'aperçoit pas immédiatement la forme qui émerge des flots et se dirige vers elle. Pourtant, cette étrange rencontre va lui ouvrir la voie, l'aider à reconstituer un puzzle dont les pièces sont éparpillées à travers le temps et l'espace. Cette quête la mènera aux frontières de l'inimaginable...

Un éternel commencement, tome 1

Lorsque Sara jeune Ecossaise arrive à Paris, elle croit passer les trois semaines les plus tranquilles de sa vie. Adam lui qui débarque du Canada, pense vivre de bons moments avec son meilleur ami qu'il n'a pas vu depuis longtemps. Si le destin en avait décidé autrement ? Si un seul instant pouvait les bouleverser à tout jamais ? Feront-ils confiance en leur bonne étoile ?

Un regard peut tout changer - Tome 1

La Guerre et la Paix est un chef-d'oeuvre de Léon Tolstoï. Dans le roman Léon Tolstoï expose sa vision de l'histoire de la campagne de Russie. Il conteste les théories historiques, la science militaire et le génie de Napoléon. Pour Tolstoï, les véritables explications de la guerre sont inaccessibles à

l'entendement humain. Le roman fut à l'époque de sa publication un immense succès, bien que Tolstoï ne s'y attendît pas. La richesse et le réalisme de ses détails ainsi que ses nombreuses descriptions psychologiques font qu'il est souvent considéré comme un roman majeur de l'histoire de la littérature. La Guerre et la Paix a engendré un nouveau genre de fiction. Bien qu'aujourd'hui considéré comme un roman, cette œuvre a cassé de si nombreux codes du roman de son époque que de nombreux critiques ne le considèrent pas comme tel.

GUERRE ET PAIX (TOME 1)

Ce livre numérique présente "Guerre et Paix (l'intégrale, Tome 1, 2 & 3)" avec une table des matières dynamique et détaillée et des notes du traducteur. La Guerre et la Paix ou Guerre et Paix est un roman de Léon Tolstoï. Publié entre 1865 et 1869 dans Russkii Vestnik, un périodique de l'époque, ce livre narre l'histoire de la Russie à l'époque de Napoléon Ier (notamment la campagne de Russie en 1812). La Guerre et la Paix fut à l'époque de sa publication un immense succès, bien que Tolstoï ne s'y attendît pas. La richesse et le réalisme de ses détails ainsi que ses nombreuses descriptions psychologiques font qu'il est souvent considéré comme un roman majeur de l'histoire de la littérature. Tolstoï y développe une théorie fataliste de l'histoire, où le libre arbitre n'a qu'une importance mineure et où tous les événements n'obéissent qu'à un déterminisme historique inéluctable. La Guerre et la Paix a engendré un nouveau genre de fiction. Bien qu'aujourd'hui considéré comme un roman, cette œuvre a cassé de si nombreux codes du roman de son époque que de nombreux critiques ne le considèrent pas comme tel.

La Guerre et la Paix - L'intégrale: Tome 1, 2 et 3

Les Âmes Mortes, ce titre annonce d'emblée la couleur. L'auteur a imaginé un scénario burlesque pour dépeindre, en un kaléidoscope de personnages, le ridicule qui imprègne les moindres pores de la société russe profonde de l'époque. Nikolaï Gogol est l'auteur turbulent de la littérature russe classique. Il fait une large place à la farce et à la satire dans son oeuvre, dont ce livre, allant souvent à la limite entre folie et paradoxes. Un des nombreux intérêts de ce texte, outre un style, une écriture d'une qualité désormais rare, tient à la mise en scène de personnages traversant les périodes et les frontières, dignes d'Ubu ou Kafka. Attention, les personnages dépeints ne sont spécifiques ni à cette époque ni à ce pays. Leurs traits profonds, les motivations et les travers n'ont rien à envier à ceux d'hommes et femmes sous d'autres cieux ou d'autres temps. Si l'on met de côté tout le folklore, les objets et les traditions ornant les scènes de ce texte, Les Âmes Mortes nous raconte une histoire de dupes intemporelle à bien des égards, pourvu que la société lui donnant vie soit suffisamment oligarchique et bureaucratique pour que l'absurde puisse y alimenter le pouvoir et les influences. À nous de savoir y voir ce qui ne se voit pas, et prendre un sain plaisir à ce livre à la langue savoureuse.

Guerre et Paix (l'intégrale, Tome 1, 2 & 3)

1re partie : Anna est sous le charme. Terrorisée et sous le charme. Les fantômes n'existent pas. Pourtant elle en a croisé un dans son grenier. Son nom est Rodéric. Si elle a très envie de devenir son amie, le fantôme lui, est horrifié à cette idée. Non seulement, il risque de perdre sa tranquillité, mais aussi sa vie. La relation avec les humains est formellement interdite par la loi des fantômes ! Qu'importe Anna est décidée et ne doute pas une seconde de réussir à le convaincre. 2e partie : Anna le constate tous les jours : vivre sous le même toit qu'un fantôme n'est pas de tout repos. Cela frise même la catastrophe, lorsqu'une invitée surprise du nom de Cornélia débarque dans la maison. Ce fantôme turbulent, joueuse de cornemuse et amateur de cosmétiques pour ectoplasmes, a dans ses valises tout un stock de mauvais coups. Pourtant Anna ne subira pas passivement ses farces douteuses. Encore moins, depuis qu'elle soupçonne Cornélia d'être la petite amie de Rodéric.

Les Âmes Mortes - Tome 1

Je n'étais pas une nerd, ni la capitaine de l'équipe de pom-pom girl... Non, moi, j'étais juste une fille banale, qui flashait depuis toujours sur le bad boy du lycée. Lui, c'était un cliché ambulant : tatouages, moto, veste en cuir, comportement mystérieux... Et pour couronner le tout, la petite timide débarquant de nulle part avait l'air d'avoir toute son attention. Cette fois-ci, j'en avais marre ! Je refusais que l'histoire du mauvais garçon et de la gentille fille se répète encore une fois... Enfin, sauf si c'était moi dans le rôle de l'héroïne. J'étais donc vraiment prête à tout pour vivre l'une de ces histoires clichés qui avaient inspiré tant de films. Mais je ne savais pas ce qu'attirer l'attention d'un mec aussi sombre impliquait.

Non, je n'aurais jamais imaginé une seule seconde que mon plus grand désir allait devenir mon pire cauchemar.

Anna et son fantôme -

Paru en 1877, ANNA KARENINE est un roman de Léon Tolstoï qui se divise en deux tomes et comprend huit parties dont trois appartiennent au premier tome et cinq au second. Se déroulant en Russie, l'histoire est centrée sur l'amour, ses diverses formes et les conséquences dans la vie. Connaissant un grand succès, ce chef d'oeuvre marque également l'entrée triomphante de la littérature russe dans la culture européenne. Résumé: Stépan Arkadiévitch Oblonski, surnommé Stiva est marié avec la princesse Daria Alexandrovna, surnommée Dolly, depuis huit ans. Ce dernier entretient une liaison avec une française, Mademoiselle Roland, qui avait été l'institutrice des ses enfants. Lorsque Dolly apprend cette liaison, elle envisage de le quitter, et celui-ci se demande comment s'y prendre pour rompre avec l'institutrice. Il invite à Moscou sa soeur ANNA, que sa femme apprécie pour essayer de la convaincre de rester..... Bonne lecture.....

Héroïne Tome 1

1 ROMAN, 4 HISTOIRES Tamara – 32C Être une des plus grandes de mon âge ne m'a jamais dérangée. Et je n'ai pas été traumatisée quand j'ai eu mes premières règles, la veille de mes onze ans. Ce qui me complexe, ce sont mes seins. Ils sont ÉNORMES ! C'est pour ça qu'il y a un peu plus d'un an, j'ai changé de look et adopté le style tomboy. Pour ne rien laisser paraître. Parce que, si les gars de ma classe les remarquent, je suis fichue ! Rosalie – Face de pizza Des boutons, j'en ai une collection. Je pourrais ouvrir le Musée de l'acné et imposer un tarif d'entrée ! Donc, chaque fois que mes amies se plaignent de leur unique bouton prémenstruel... eh bien... ça me fait suer. Si c'était ma face de pizza qu'elles voyaient dans le miroir, est-ce qu'elles pleureraient, comme je le fais parfois ? Est-ce qu'elles refuseraient de sortir de chez elles comme moi, certains matins ? Livia – Dans le rouge Je viens d'avoir mes premières règles, à quatorze ans, en plein cours de français. Je capote ! Je ne peux pas compter sur ma gang de boys pour m'aider... Et encore moins sur mon père, qui m'élève seul depuis que ma mère est partie vivre à des milliers de kilomètres d'ici. Il paraît que c'est la chose la plus normale qui soit, de devenir une femme, mais je ne sais pas quoi faire ! Florence – Toucher le fond Chaque fois que je me lève, je me demande à quelle version de ma mère je devrai faire face. Hier, c'était à « pantoufles et yeux bouffis ». Parfois, c'est à la « lionne en cage ». Chez ma mère, la dépression prend plusieurs visages, qui exigent tous que je mente à mes proches et marche sur des œufs en permanence. Disons que faire mes devoirs et étudier pour mes examens ne sont plus tellement mes priorités.

J'ouvris les yeux lentement sur un ciel que la lune pleine éclairée de sa blancheur. « Alexianne ! » Je tournai la tête vers la droite, là d'où semblait provenir ce si beau son mais ne trouvai qu'un magnifique papillon aux ailes d'un rouge sang qui posé sur ma main semblait danser sous les rayons blancs. Je regardai autour de moi, essayant de comprendre où j'étais et mis quelques secondes avant de me rappeler. Et ce rappel fut brutal. Depuis combien de temps étais-je allongée là sur le pont de ce yacht, à même le sol ? Je me souvenais m'être réveillée vers treize heures, après avoir passé une nuit chaotique, j'avais avalé un verre d'eau et je m'étais affalée au soleil. Il m'avait d'abord réchauffé même si je gardai toujours en moi cette impression de froid, comme si mon cœur avait été gelé. Ensuite, j'avais commencé à sentir sa brûlure sur ma peau mais n'avais pas eu la force de me relever. Cette douce torture, ce feu me donnait l'impression d'exister à nouveau. J'étais vivante puisque je souffrais, non ? CE QU'EN PENSE LA CRITIQUE Au

Dans Les Chevaliers du saphir, roman-feuilleton publié en 1869 et 1872, Paul Saunière développe une histoire où le crime et l'esclavage des Noirs sont imbriqués l'un dans l'autre d'une façon originale. L'action se passe tantôt en France, tantôt aux États-Unis, c'est-à-dire dans des pays où des histoires d'argent et d'idéologie jouent un rôle important. Aussi l'espace-temps devient-il extensible pour accommoder tous les développements de l'intrigue non linéaire. Si le titre de ce roman cherche à fixer l'attention du lecteur sur un groupe d'hommes (les chevaliers du saphir) dont les membres et

les actions criminelles restent ignorés du grand nombre, il y a aussi des femmes qui, décidées à lutter contre l'injustice et le malheur, vont transformer la donne romanesque.

Musée des familles

Après le fol intermède d'Auribeau, le couple est revenu à Esclarmont, dans leur trois pièces superposées sans eau courante. Désireux de fuir l'inconfort des lieux et la médiocrité ambiante, Louis est plus que jamais décidé à construire une maison sur leur terrain, ce terrain si merveilleusement situé, plein sud, à un jet de pierre du village, et doté d'une vue grandiose sur la vallée et l'Estérel. Mais son manque d'accès direct à la route grève fortement le projet. Il y a bien le terrain du dessus, une friche, qui, lui, jouxte la route, mais la propriétaire, une vieille fille de Marseille, méprise les Esclarmontais, et s'est toujours refusée à vendre. Louis lui écrit, il sait que sa plume peut faire des miracles ! De fait, la dame accepte la transaction, et pour un prix dérisoire (fin du tome 24). L'été est venu, et avec lui les voyages. Ils s'enchaînent, amenant leurs lots de voyageuses esseulées, avides d'une aventure avec le guide, éventuellement le chauffeur. Une rencontre marquante : Louise, troisième du nom. Mais la relation ne survit pas au retour à Paris et à une fatale soirée, où Louis perd son sang-froid et fait un esclandre. On ne se refait pas, particulièrement quand la concurrence prend les traits d'un bellâtre, ami d'une des femmes. Séville, et sa sublime place San Fernando ! Louis en a rêvé, il en est tombé amoureux, il lui a même dédié un long poème. Et ce rêve se matérialise : Nadine et lui vont y passer l'hiver. Hélas, écoeurée par l'huile d'olive, celle-ci ne mange bientôt plus que des fruits et s'affaiblit. Il faut prendre pension chez l'habitant et faire sa propre cuisine. Les semaines passent, Louis observe avec passion les coutumes andalouses, mais Nadine ne suit pas. La liste de ses griefs s'allonge : l'espagnol ? un charabia incompréhensible ; la viande ? des semelles impossibles à cuire ; l'eau et l'électricité ? rationnées comme en temps de guerre ; les hommes ? mal éduqués, ils crachent par terre et parlent trop fort, un comble pour une sourde ; José, ce grand ami de Louis ? un Espagnol bon teint dont la gentillesse cache mal son mépris pour elle et l'influence qu'elle a sur Louis... Finalement il cède, et quelques jours après Noël, ils font leurs valises. Le bon côté de l'aventure : Nadine est maintenant enthousiaste pour construire sur le terrain du haut. Ce sera la Quinta...

It Girl - tome 1

" Écrits en grande partie sous forme de saynètes dialoguées, ces six romans décrivent mieux que n'importe quel traité de sociologie l'Amérique marginale des années 70 et 80, quand San Francisco était le laboratoire de toutes les expériences nouvelles. Amours, liberté, solitude, ambition professionnelle, fric, joints, homosexualité, et son affreux corollaire, le sida... tout est minutieusement décrit avec légèreté et brio. C'est criant de vérité et, surtout, ça nous ressemble. On rit, on pleure, on s'amuse, on jubile, on ne peut pas lâcher la tribu : au bout des cent premières pages, on est déjà complètement accro. Inspirés des Mystères de Paris d'Eugène Sue, publiés l'année précédente, le roman "Les Mystères de Londres" de Paul FEVAL sera publié le 20 décembre 1843 sous le pseudonyme de "Francis Trolopp". Le succès populaire est immédiat. Lorsque la première partie du feuilleton s'achève le 28 janvier 1844, Féval est déjà parti à Londres pour se documenter afin de rédiger la suite et d'y amener une touche locale. Le roman sera prolongé jusqu'au 12 septembre 1844. Ce roman en version intégrale se compose de quatre parties que nous avons regroupé en 2 tomes. Ce livre vous entraîne dans une étonnante plongée dans l'ombre des sociétés secrètes, vision hallucinée où se mêlent la réalité sociale de Dickens et le mystère de Willie Collins. Ce roman ouvrira à Paul FEVAL les portes du succès. Résumé: Dans les années 1840, tout Londres ne vit que des frasques du marquis de Rio-Santo, dandy insolent dont la richesse paraît sans limite, qui subjugué l'aristocratie et règne en même temps sur les bas fonds de la capitale. Rio-Santo est irlandais, et se trouve à la tête d'une association de malfaiteurs baptisée "Les Gentilhommes de la nuit". Il prépare en secret une révolution destinée à libérer l'Irlande. Complots, poursuites, assassinats nous entraînent à un rythme d'enfer de rebondissements en rebondissements, égarés d'une fausse piste à une autre dans le Londres noir. Ce roman noir écrit en 1844 est un des premiers romans noirs modernes. Impossible de résumer l'intrigue de cette fresque littéraire en quelques mots même en quelques lignes, je vous laisse y pénétrer..... Bonne lecture.

UN LONG VOYAGE ou L'empreinte d'une vie - tome 25

Guerre et Paix de Léon Tolstoï C'est une oeuvre mythique de la littérature russe, une vaste fresque historique et familiale, modèle de ce que seront les grandes sagas du 20^{ème} siècle. Publié sous forme de feuilleton dans le journal Le messager russe, le roman relate l'histoire du peuple russe au moment de l'invasion de la Russie par les troupes de Napoléon en 1812. Mettant en scène de très nombreux personnages, Tolstoï brosse le portrait historique et réaliste de toutes les classes sociales du pays durant cette époque critique de la vie nationale du pays. Empreint de nombreuses réflexions personnelles et philosophiques de l'auteur, l'ouvrage interroge sur la place de l'homme dans l'histoire et la violence dans la vie humaine, mais évoque également de nombreux sujets comme la question du servage et de la guerre. Dès sa parution, le roman soulève l'enthousiasme du public comme des critiques. Considéré comme un roman majeur de la littérature russe tant pour la richesse et le réalisme de ses détails que par les descriptions psychologiques de ses personnages, Guerre et Paix qui connaît un succès fulgurant consacre dès lors définitivement la gloire de Léon Tolstoï. TOME 1 Oeuvre mythique de la littérature russe, Guerre et Paix suit le destin de deux familles pendant les campagnes militaires du début du XIX^{ème} siècle. Dans cette fresque «monumentale», ce sont les tourments passionnés et les questions existentielles de tout un peuple que Tolstoï nous conte. 1805. L'armée menée par Napoléon se rapproche inexorablement des frontières de l'empire Russe, pendant qu'à Moscou et Saint-Pétersbourg, les Rostow, Bolkonsky ou Besoukhov, aristocrates ou grand bourgeois, mènent une vie mondaine, insouciant et frivole. Au moment où la Russie entre en guerre aux côtés de l'Autriche contre la France, tout bascule.

Le premier tome du plus grand projet d'édition jamais entrepris par la Musardine : les œuvres complètes d'Esparbec en 12 volumes ! Inclus : les trois premiers romans de l'auteur ! Bien qu'il soit l'auteur érotique le plus lu en France, une bonne partie de l'œuvre d'Esparbec reste totalement inconnue, même de ses plus fidèles lecteurs. Il manquait pour cet auteur hors norme une édition à sa démesure, qui donne les versions originales de ses écrits : tous les textes, même les plus scandaleux, une édition de qualité, où biographie, analyses, préfaces, témoignages, archives inédites nous font entrer dans l'univers de cet écrivain inclassable. C'est le projet de ces Œuvres complètes : 12 volumes d'environ 1

000 pages chacun, qui paraîtront sur plusieurs années. Ce premier tome met en perspective les trois premiers romans d'Esparbec et son dernier, et tente de répondre à la question " Comment devient-on pornographe ? " à travers : • Une préface et une biographie établies par Claude Bard, éditeur et ami d'Esparbec, qui livre un portrait authentique de l'écrivain, retrace l'aventure éditoriale qu'ils vécurent ensemble, et donne quelques clés de son œuvre ; • Les premiers érotiques d'Esparbec, aujourd'hui introuvables : La Voleuse de plaisir, Annie la Sucette et La Fille au collier de chien ; • Le dernier écrit majeur d'Esparbec, autobiographique et scandaleux : Le Pornographe et ses Modèles ; • Des inédits, tirés d'archives : poésies, projets de romans... ; • Une bibliographie complète. Esparbec, qualifié par Jean-Jacques Pauvert de " dernier des pornographes \

Sept siècles après Gondemar de Rossal, la Vérité est à nouveau en péril. Et elle n'a jamais été aussi terrible. Dans cette nouvelle série, l'auteur retrouve l'univers de la série Damné sept cent ans plus tard. En mars 1939, la guerre est imminente et le Troisième Reich planifie la Shoah. Dans le Sud de la France, l'Obersturmführer Otto Rahn a retrouvé la tombe et le testament d'un chevalier mort depuis sept siècles : Gondemar de Rossal. Celui-ci y raconte comment il avait consacré la vie qu'on lui avait rendue à protéger la Vérité : une lettre de Ponce Pilate à l'empereur Tibère dans laquelle le Procureur de Judée affirme que Jésus n'est pas mort sur la croix, et une épître dictée par Jean le Baptiste qui prêche la religion ancienne et décrie le message guerrier de son cousin Jésus. S'amorce alors une course effrénée entre diverses factions qui ne reculeront devant rien pour posséder ces documents. La Schutzstaffel d'Heinrich Himmler se voit déjà les brandir pour réduire la chrétienté en ruines sur lesquelles il construira la religion nordique du Troisième Reich. Le Vatican doit à tout prix les récupérer pour survivre. Entre les deux, les Sages de Sion, une société occulte vouée à la préservation du peuple juif, souhaite les monnayer au plus offrant. Au milieu de tout cela, un homme, Roland Sentenac, ramené de l'enfer malgré plusieurs meurtres et un suicide avec la même mission que Gondemar de Rossal jadis : protéger la Vérité jusqu'au jour de sa révélation. Mais Rossal ne savait pas tout. La Vérité est plus vaste et plus terrible encore. Les Tables de la Loi pourraient mener à l'embrasement du monde.

Guerre et Paix

Blue est l'auteure du moment. À chaque sortie, tout le monde s'arrache son nouveau roman... On ne sait que peu de choses à son propos. Blue serait une femme d'une vingtaine d'années. Les spécialistes pensent même que ce n'est pas son unique pseudonyme... En plus d'écrire assez rapidement, Blue signe également des scénarios pour le cinéma et la télévision. Caroline Nicholson est l'assistante de Blue, sur le tournage de *Behind the scene*, la série adaptée des romans du même nom. La jeune femme joue les médiateurs entre la production et l'auteure. En réalité, Caroline est Blue. Jusqu'à maintenant, elle croyait son secret bien gardé. Ne supportant plus le comportement de Darren Carter, l'acteur principal de la série, les producteurs exigent de Blue qu'elle se sépare définitivement de son personnage, Logan. Refusant de perdre aussi facilement son unique emploi depuis des années, l'homme tente alors de séduire Caroline afin qu'elle lui fasse rencontrer Blue et qu'il puisse sauver sa carrière. Mais au contact de l'assistante, il réalise son erreur et oublie son envie, voulant vraiment de la jeune femme dans sa vie. Dépassée par les événements, Caroline va accumuler les maladroitness, qui conduiront à son secret... Un roman d'amour original qui pose la question de l'équilibre, parfois si ténu, entre vérité et mensonge. EXTRAIT La voix d'Anna, mon éditrice, résonne depuis plus d'une heure. Je ne sais pas pourquoi elle perd son temps à me lire les commentaires postés sur les réseaux sociaux, alors que je les ai sous les yeux. Peut-être qu'elle le fait pour elle, une manière de satisfaire ses propres envies... Vu le grand sourire qu'elle affiche, elle doit se rendre compte qu'Éternel, sera un best-seller avant la fin de la semaine. Anna lève le nez de sa tablette et en s'installant au fond de son fauteuil, elle commente : — C'est marrant ça ! À chaque fois, les discussions finissent sur ton identité. Je souris et rétorque en gardant la tête sur mon portable. — C'est ce qui fait mon succès ! Les fans ne savent pas qui admirer réellement, ils s'inventent donc la personne qu'ils veulent que je sois. C'est pour ça que j'en ai autant, ils pensent tous que je suis comme eux. Les adolescents s'imaginent que je suis leur grande sœur, qui débute. Alors que les quadras ou quinquas me voient plus comme une personne expérimentée, qui tente des choses audacieuses, qu'une jeune auteure ne ferait sûrement pas. C'est cette folie en moi qu'ils aiment tous, en plus du fait qu'ils ne savent pas qui je suis. À PROPOS DE L'AUTEUR Virginie Cailleux, ViiVii ou Vii. 25 ans. Passionnée d'écriture depuis l'âge de 7 ou 8 ans. J'ai commencé par raconter les folles aventures de mon doudou. Aujourd'hui, j'écris celles de personnages adultes, entre romance, fantastique ou même thriller. Pour moi, l'écriture c'est un moyen de m'évader, de changer mon quotidien, en inventant la vie d'une multitude de personnages très différents, l'univers dans lequel ils vont évoluer. Je suis très créative et souvent je me laisse submerger.
