

the not so wild wild west property rights on the frontier stanford economics and finance

[#frontier property rights](#) [#WildWest economics](#) [#Stanford economics research](#) [#land ownership history](#) [#economic governance frontier](#)

Explore the surprising structure of property rights on the American frontier, challenging the myth of a chaotic 'Wild West.' This research from Stanford Economics and Finance delves into the intricate mechanisms that governed land ownership and economic development in early westward expansion, revealing a more organized approach to resource allocation than commonly believed.
