"The Book of the Courtier" by Baldassarre conte Castiglione is a lengthy philosophical dialogue on the topic of what constitutes an ideal courtier or court lady, worthy to befriend and advise a Prince or political leader. Castiglione set the narrative of the book in his years as a courtier in his native Duchy of Urbino. It offers a poignantly nostalgic evocation with a reverent tribute to the friends of Castiglione's youth.

The Book of the Courtier

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

The Complete Works of William Shakespeare

The Garden Without Walls explores the story of a reserved young man, Dante Cardover, and his struggles to find true love. Dante was brought up with a Puritan mindset. Early in life, he lost his mother and rarely communicated with his distant father. The author presents Dante as a shy, introverted man who suppressed his feelings to the extent that it kept him from finding love. As the story moves forward, three entirely distinct women offer him different kinds of love. Ruthita is his childhood friend. Fiesole is a great flirt with profound ideals of her own. Vi Carpenter is Dante's soulmate, but a barrier exists between them. The author did an excellent job giving all the women independence and not making them appear merely for Cardover to pick and choose. The book beautifully delivers a take on the wisdom and misunderstandings of youth. It covers various events in Dante's life, including his school days to his days at Oxford, his relationship with his father, and his encounters with women. It is an incredibly written story with a delightful plot and unique characters that will please the reader of any kind.

The Art Of Seduction

De proprietatibus rerum, 'On the properties of things', has long been referred to by scholars as a medieval encyclopedia, but evidence suggests that it has been many things to many people. The sheer number of extant manuscript copies and printed editions, along with translations, adaptations, and mentions in poems and sermons, testify to its continuous significance for Europeans of all estates and different walks of life, from the thirteenth to the seventeenth centuries. While first compiled soon

after the time of St Francis by a humble continental friar to meet the needs of his expanding religious brotherhood, by 1600 English men of letters had claimed Bartholomew as a noble compatriot and national treasure. What was it about the work that propelled it through a progression of medieval cultures and into an exalted position in the world of English letters? This reception history traces evidence for the journey of 'Properties' over four centuries of social, political and religious change.

With unflinching honesty, Jackson delves into the tumultuous minds of ordinary individuals navigating the home front, exposing the profound impact of war guilt and the exploration of forbidden desires.

The Journey of a Book

At publication date, a free ebook version of this title will be available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. In the post–World War I American climate of isolationism, nativism, democratic expansion of civic rights, and consumerism, Italian-born star Rodolfo Valentino and Italy's dictator Benito Mussolini became surprising paragons of authoritarian male power and mass appeal. Drawing on extensive archival research in the United States and Italy, Giorgio Bertellini's work shows how their popularity, both political and erotic, largely depended on the efforts of public opinion managers, including publicists, journalists, and even ambassadors. Beyond the democratic celebrations of the Jazz Age, the promotion of their charismatic masculinity through spectacle and press coverage inaugurated the now-familiar convergence of popular celebrity and political authority. This is the first volume in the new Cinema Cultures in Contact series, coedited by Giorgio Bertellini, Richard Abel, and Matthew Solomon.

The Only Astrology Book You'll Ever Need

David Bowie's career as a pioneering artist spanned nearly 50 years and brought him international acclaim. He continues to be cited as a major influence on contemporary artists and designers working across the creative arts. This book, published to accompany the blockbuster international exhibition launched at London's Victoria and Albert Museum, is the only volume that grants access to Bowie's personal archive of performance costumes, ephemera, and original design artwork by the artist, bringing it together to present a completely new perspective on his creative work and collaborations.

The book traces his career from its beginnings in London, through the breakthroughs of Space Oddity and The Rise and Fall of Ziggy Stardust and the Spiders from Mars, and on to his enormous impact on 20th-century avant-garde music and art. Essays by V&A curators on Bowie's London, image, and influence on the fashion world are complemented by Howard Goodall on musicology; Camille Paglia on gender and decadence, and Jon Savage on Bowie's relationship with William Burroughs and his fans. The more than 300 color illustrations include personal and performance photographs, album covers, costumes, original lyric sheets, and much more. Praise for David Bowie Is "Perusing David Bowie Is (V&A Publishing, distributed by Abrams), the exhibition's catalog, with its procession of poses and costumes and weighty essays tracking the cross-references to pop culture and high art, you get a sense of how much hard work it took to be Mr. Bowie." --The New York Times "The fans of 50 years or those making discoveries in retrospect will be intrigued by the accompanying book David Bowie Is that is far more than a fanzine."--The New York Times "Lends context and picks away at Bowie with such insight that it's a rare hagiography with soul." --Chicago Tribune "Combining top-notch articles on the singer/actor's life and work with official images and reproductions of his fashion and associated ephemera, the hefty, mango-colored book is nothing short of a treasure trove of all things Bowie; a one-stop smorgasbord for the eyes whose pictorials chronicle the groundbreaking star from Ziggy Stardust to Thin White Duke to Heathen and every personality in between." --Examiner.com

Performing Menken uses the life experiences of controversial actress and poet Adah Isaacs Menken to examine the culture of the Civil War period and what Menken's choices reveal about her period. It explores the roots of the cult of celebrity that emerged from crucible of war. While discussing Menken's racial and ethnic claims and her performance of gender and sexuality, Performing Menken focuses on contemporary use of social categories to explain patterns in America's past and considers why such categories appear to remain important.

In an age which is supposedly experiencing a sexual revolution, a volume of thoughtful essays on eros is not only not out of place but perhaps is a positive contribution to the understanding of contemporary man. It was the conviction of the editors that the scientific view of sexuality, as promoted in such valuable studies as those conducted by Masters and Johnson, needed considerable supplement and perspective. The perspective is here furnished by writers from both Europe and America, authors from various fields, such as philosophy, psychology, and even musicology, all of whom are united, in that their approach to the problem of eros is phenomenologically oriented. At first it might well seem strange that musicology would have much to say about eros. It is true, musicology has been the "science" of music, at least in intent. Yet in a larger view of the discipline, philosophical and aesthetic problems are also important to it, and this particularly if we agree with Enzo Paci, that our very culture depends on eros. Surely musical culture, as pointed out by Kierkegaard, is the embodiment of what western civilization has known as sensuality; and Mozart's Don Giovanni is its incarnation. On the surface it is easier for us to grasp the work of the philosopher in this area; and, of course, one expects the psychologist to deal with sexuality more explicitly than anyone else.

At first glance, romance seems an improbable angle from which to write a cultural history of the German Democratic Republic. By most accounts the GDR was among the most dour and disciplined of socialist states, so devoted to the rigors of Stalinist aesthetics that the notion of an East German romantic comedy was more likely to generate punch lines than lines at the box office. But in fact, as John Urang shows in *Legal Tender*, love was freighted as a privileged site for the negotiation and reorganization of a surprising array of issues in East German public culture between 1949 and 1989. Through close readings of a diverse selection of films and novels from the former GDR, Urang offers an eye-opening account of the ideological stakes of love stories in East German culture. Throughout its forty-year existence the East German state was plagued with an ongoing problem of legitimacy. The love story's unique and unpredictable mix of stabilizing and subversive effects gave it a peculiar status in the cultural sphere. Urang shows how love stories could mediate the problem of social stratification, providing a language with which to discuss the experience of class antagonism without undermining the Party's legitimacy. But for the Party there was danger in borrowing legitimacy from the romantic plot: the love story's destabilizing influences of desire and drive could just as easily disrupt as reconcile. A unique contribution to German studies, *Legal Tender* offers remarkable insights into the uses and capacities of romance in modern Western culture.

Sex Tourism examines the issues which emerge from sex worker-client interactions and from tourists visiting 'sex destinations'. It is a comprehensive summary of past research by academics and original primary and secondary research by the authors and has examples from Asia, Australasia and the USA. The authors have generated new models to show different dimensions of sex tourism, which normalise at least some components of the sex industry, and represent a new way of looking at sex tourism by challenging the preconceived perceptions that some people have of sex tourism or confirm the impression of others. *Sex Tourism* looks at issues of importance to those working in tourism, women's studies, gender studies and social change.

Though he never reached the lead actor status he labored so relentlessly to achieve, Warren Oates (1928--1982) is one of the most memorable and skilled character actors of the 1970s. With his rugged looks and measured demeanor, Oates crafted complex characters who were at once brazen and thoughtful, wild and subdued. Friends remember the hard-living, hard-drinking actor as kind and caring, but also sometimes as mean as a blue-eyed devil. Married four times, partial to road trips in his RV affectionately known as the "Roach Coach," and famous for performances for directors ranging from Sam Peckinpah to Steven Spielberg, Warren Oates remained a Hollywood outsider perfectly suited to the 1960s and 1970s counterculture. Born in the small town of Depoy in rural western Kentucky and reared in Louisville, Oates began his career in the late 1950s with bit parts in television westerns. Though hardly lucrative work, it was during this time Oates met renegade director Sam Peckinpah, establishing the creative relationship and destructive friendship that produced some of Oates's most unforgettable roles in *Ride the High Country* (1962), *Major Dundee* (1965), and *The Wild Bunch* (1969), as well as a leading part in *Bring Me the Head of Alfredo Garcia* (1974). Though Oates maintained a close association with Peckinpah, he had a penchant for working with a variety of visionary directors who understood his approach and were eager to enlist the subtle talents of the consummate character actor. With supporting roles in *In the Heat of the Night* (1967), *The Hired Hand* (1971), *Badlands* (1973), *1941* (1979), and *Stripes* (1981), Oates delivered solid performances for filmmakers as diverse and talented as Norman Jewison, Peter Fonda, Terrence Malick, Steven Spielberg, and Ivan Reitman. Oates's offscreen personality was just as complex as his on-screen persona. Notorious for being a nightlife reveler, he was as sensitive and introspective as he was outgoing and prone to periods of exuberant, and at times illegal, excess. Though he never became a marquee name, Warren Oates continues to influence actors like Billy Bob Thornton and Benicio Del Toro, as well as directors such as Quentin Tarantino and Richard Linklater, all of whom have cited Oates as a major inspiration. In *Warren Oates: A Wild Life*, author Susan Compo skillfully captures the story of Oates's eventful life, indulgent lifestyle, and influential career.

The Works of John Marston

The "fascinating" true story behind the HBO Max and Hulu series about Texas housewife Candy Montgomery and the bizarre murder that shocked a community (Los Angeles Times Book Review). Candy Montgomery and Betty Gore had a lot in common: They sang together in the Methodist church choir, their daughters were best friends, and their husbands had good jobs working for technology companies in the north Dallas suburbs known as Silicon Prairie. But beneath the placid surface of their seemingly perfect lives, both women simmered with unspoken frustrations and unanswered desires. On a hot summer day in 1980, the secret passions and jealousies that linked Candy and Betty exploded into murderous rage. What happened next is usually the stuff of fiction. But the bizarre and terrible act of violence that occurred in Betty's utility room that morning was all too real. Based on exclusive interviews with the Gore and Montgomery families, Edgar Award finalist *Evidence of Love* is the "superbly written" account of a gruesome tragedy and the trial that made national headlines when the defendant entered the most unexpected of pleas: not guilty by reason of self-defense (Fort Worth Star-Telegram). Adapted into the Emmy and Golden Globe Award-winning television movie *A Killing in a Small Town*—as well as the new limited series *Candy* on Hulu and *Love and Death* on HBO Max—this chilling tale of sin and savagery will "fascinate true crime aficionados" (Kirkus Reviews).

The Home Book of Verse - Volume 3 By Burton Egbert Stevenson
POEMS OF NATURE The world is too much with us; late and soon, Getting and spending, we lay waste our powers: Little we see in Nature that is ours; We have given our hearts away, a sordid boon! This sea that bares her bosom to the moon, The winds that will be howling at all hours, And are up-gathered now like sleeping flowers; For this, for everything, we are out of tune; It moves us not. -Great God! I'd rather be A Pagan suckled in a creed outworn; So might I, standing on this pleasant lea, Have glimpses that would make me less forlorn; Have sight of Proteus rising from the sea; Or hear old Triton blow his wreathed horn. William Wordsworth [1770-1850]
MOTHER NATURE THE BOOK OF THE WORLD Of this fair volume which we World do name, If we the sheets and leaves could turn with care, Of him who it corrects, and did it frame, We clear might read the art and wisdom rare; Find out his power which wildest powers doth tame, His providence extending everywhere, His justice which proud rebels doth not spare, In every page, no, period of the same. But silly we, like foolish children, rest Well pleased with colored vellum, leaves of gold, Fair dangling ribbons, leaving what is best, On the great Writer's sense ne'er taking hold; Or, if by chance we stay our minds on aught, It is some picture on the margin wrought. William Drummond [1585-1649]
NATURE The bubbling brook doth leap when I come by, Because my feet find measure with its call; The birds know when the friend they love is nigh, For I am known to them, both great and small. The flower that on the lonely hillside grows Expects me there when spring its bloom has given; And many a tree and bush my wanderings knows, And e'en the clouds and silent stars of heaven; For he who with his Maker walks aright, Shall be their lord as Adam was before; His ear shall catch each sound with new delight, Each object wear the dress that then it wore; And he, as when erect in soul he stood, Hear from his Father's lips that all is good. Jones Very [1813-1880]
COMPENSATION In that new world toward which our feet are set, Shall we find aught to make our hearts forget Earth's homely joys and her bright hours of bliss? Has heaven a spell divine enough for this? For who the pleasure of the spring shall tell When on the leafless stalk the brown buds swell, When the grass brightens and the days grow long, And little birds break out in rippling song? O sweet the dropping eve, the blush of morn, The starlit sky, the rustling fields of corn, The soft airs blowing from the freshening seas, The sunflecked shadow of the stately trees, The mellow thunder and the lulling rain, The warm, delicious, happy summer rain, When the grass brightens and the days grow long, And little birds break out in rippling song! This Love of Mine (Raine Series 1)

I needed an escape. An escape from my momma, a woman who cared more about herself than her own daughter. A woman who couldn't stand the sight of me since my father left. A boyfriend who was nothing but trouble. Trouble that I couldn't say no to. Unfortunately, leaving them both would prove to be either the best decision I could ever make, or the biggest mistake of my life. My plan was to escape to the one place I always felt safe. A place where life is simple and quiet, and a place where I could finish my senior year of high school unscathed. Abernathy, Texas was my second home, and my grandparents were the parents I always wanted. There was no one around this one horse town to complicate my life any further, or at least that's what I thought. That was, until I met Madison Raine. He held the power to turn my peaceful escape upside down and inside out with just one look. He was beautiful, in every sense of the word and with that beauty, came trouble. There were a million reasons why I should stay away from him, but none of them seemed to matter when I caught sight of those emerald green eyes. It was becoming clear that staying away from Madison would be harder than I had anticipated. A past like mine never fully disappears, until you find yourself faced with the irreparable truth that sometimes you have to take matters into your own hands, consequences be damned. Kayla James (KJ) was everything I never knew I wanted. This was the last summer I would be on the farm before I headed off to college, and meeting her was the last thing I expected. I didn't know what had brought her here, and I honestly didn't care. I had my own things to deal with and a relationship wasn't one of them. Little did I know that this girl, would wind up being exactly what I needed in every way possible. Life hasn't always been easy, and telling my grandparents that I was going to college in another state was going to be the death

of me, but it was something I needed to do. I needed a life outside of Texas, one where no one knew who I was or what I had lost. Between baseball and my band, I thought I had it made. All it took was one look into those baby blues and I was a goner. I ended up needing her like I needed air to breathe, and everything inside of me wanted to be with her regardless of the outcome. How do you choose between love and life, and convince the one person who trusts no one, to take a chance on you? (This is book #1 of three in The Raine Series. It contains mature language and situations)

Love Be Mine (The Louisiana Ladies Series, Book 3)

Hugh Lancaster and Micaela Dupree were enemies from the start. Hugh, a handsome American, is convinced the Dupree family is skimming profits from his New Orleans trading company and that someone is out to murder him. Love is Mine

"Just because you were ordinary there doesn't mean you have to be anything less than extraordinary here." That's the advice orphan Amira DeLante was given when she found herself caught accidentally in an alternate realm. Still unable to swallow her new reality, she found herself beginning to question her past, present, and future. From a geeky childhood to a lonely adulthood, all the 18-year-old teenager knew was to keep her head down and complete her education, come what may. After accidentally transporting herself to the Imperium Realm on the night of a solar eclipse, she was expected to keep the origin of her arrival a secret because it would bring up too many questions to which nobody had answers. Still unable to swallow her new reality, she attempted to blend in with the swarm of elemental students at the Arcadia Academy of Advanced Arts. But, the more she tried to go unnoticed, the more the spotlight continued falling on her. Everything seemed like happiness and sunshine on the outside, but she never expected that buried underneath all that goodwill were rotten secrets which would cause a catastrophe. And when past betrayals come to seek revenge on the injustice done to them, it's the younger generation who has to pay. She finds herself caught in the deep end of a web of lies she wove, the deception of politics, a royal scheme, unexplainable disasters, and more magic than she could handle. The possibility of true peace seems impossible, but along with new friends and acquaintances, a strong effort to thwart pain could definitely be made. The life she knew, completely upended, Amira DeLante steps into shoes too large for her to bring glory to.

The Sermons of John Donne

Brit wants to get on with her life and leave her rough past far behind. Most of the cowboys who end up in her care are cranky old ex-rodeo stars. But not the new guy. He's a tall, mouthwatering hunk with the hottest body she's ever seen. And she can see it all, since not one inch of that incredible flesh is hidden from her gaze. The blunt, crude man shocks Brit a bit when he flat-out tries to get her into his bed...immediately. Brit is the sexiest woman River has ever come across. Every time he thinks he's starting to tame her, she tries to bolt from his life. He's a man who always gets what he wants and the more time he spends with the mouthy, stubborn woman, the more convinced he becomes that he can never give her up. Good thing for him he's not above chaining a woman to his bed if that's what it takes to keep her right where he wants her--under him.

English devotional poets of 17c set in a wider European and Catholic context. This book offers a comprehensive account of the literary and theological background to English devotional poetry of the seventeenth century, concentrating on four major poets, Donne, Herbert, Vaughan and Crashaw. It challenges both Protestant poetics and postmodernism, the prevailing critical approaches to Renaissance literature: by reading the poetry in the light of continental Catholic devotional literature and theology, the author demonstrates that religious poetry in seventeenth-century England was not rigidly or exclusively Protestant in its doctrinal and liturgical orientation. He argues that poetic genres and devices that have been ascribed to strict Reformation influence are equally prominent in the Catholic poetry of Spain and France; he also shows that postmodernist anxiety about subjective identity and the capacity of language for signification is in fact a concern of such landmark Christian thinkers as Augustine and Aquinas, and appears in devotional poetry in the Christian tradition. Raine on Me

It all started with the bereavement flowers with my name on them. Not the best way to wake up, right? I work in a flower shop. I know a funeral arrangement when I see one. I know a killer when I see one, too. And one is standing in my hospital room right now, straight behind the man who saved my life. I can't tell anyone the truth, because that's the fastest way to really die. So I do the next best thing. I "lose" my memory. I fake my amnesia. Pretending not to remember a brutal attempted murder has its perks. The killer is backing down, spending less time around me, loosening the noose. The less I claim to recall, the more my rescuer, Duff, works to help me "remember." I hate lying to him. But he doesn't understand that my memory is dangerous. To me. And to him. Fooling everyone isn't easy. It's the hardest thing I've ever done. Except it's starting to look like I've been fooling myself. In more ways than one. Read Book 1 in the newest series from USA Today bestselling author Meli Raine. "The first book in the False trilogy is a psychological thriller worthy of Hitchcock, keeping you guessing until the very end. Lily Thornton is the ultimate unreliable narrator — after waking from a 14-month coma, she struggles to remember the day she was shot. As Lily slowly recovers, she's terrified when she recognizes the face of her would-be killer among her inner circle — but can she trust her own memory? With potential enemies at every turn, a twisty political conspiracy, and just a hint of romance, False Memory offers thrills that will delight both romance and mystery readers." — Apple Books Editors "...intrigue and dark humor on display in this thriller..." While the immediate—and more compelling—tension in Raine's (A Shameless Little Bet, 2018, etc.) heart-pumping series opener comes from Lily's constant proximity to her would-be killer, the action takes place against a backdrop of secret government scandals. Fortunately, Lily's voice is captivating, wry, and tough enough to sell this thriller. The novel ends with a cliffhanger that startles, if only because readers will have become so attached to Lily. — Kirkus Reviews Praise for Meli Raine's books: "Fresh, riveting, and thrumming with emotion and romantic suspense, False Memory is absolutely unputdownable. You need this book!" - New York Times bestselling author Meghan March "I accidentally lost a day to this trilogy! It is unputdownable. Apparently I'm on a dark-and-twisty binge, and this book is addictive." - USA Today bestselling author Sarina Bowen (Harmless series)

When you're born without a trace, no one knows you're a weapon. I lie for her. I hunt for her. I kill for her. And above all, I betray my mission for her. She doesn't know why. She doesn't care why. I do. Treason comes in many forms. Love is one of them. Our training taught me to be a sociopath. A machine. A pawn. Nothing more than a tool for a larger goal, without attachments or feelings. Our teachers forgot one important detail: Pawns shouldn't have hearts. Yet we do. It turns out our emotions are our greatest weapon. And I know exactly where mine are aimed. Josselin was vicar of Earls Colne, Essex, from 1641 until his death in 1683, and this is the intimate record of his ministry and his private doubts and triumphs as a Christian that give the Diary its shape. As a prosperous farmer, he also noted details of harvests, accounts, the weather and farming methods, which pieces together a picture of yeoman farming at that time. As father and husband he felt impelled to record a series of observations on family life that seem unique for this period. Recognized as one of the great seventeenth-century diaries, ranging over topics from sin and disease, dreams and money to millenarianism and the Civil War, this richly rewarding document reveals Josselin as a sympathetic and entirely human figure, and provides fascinating insights into the thought-world of seventeenth-century life.

Hidden Treasure

For fans of the quirky, heartfelt fiction of Nick Hornby and Eleanor Brown comes a smart, wry, and poignant novel about reconciliation between fathers and daughters, between spouses; the deep ties between sisters; and the kind of forgiveness that can change a person's life in unexpected and extraordinary ways. The Rockwell women are nothing if not . . . Well, it's complicated. When the sisters—Esme, Liv, and Ru—were young, their eccentric mother, Augusta, silenced all talk of their absent father with the wild story that he was an international spy, always away on top-secret missions. But the consequences of such an unconventional upbringing are neither small nor subtle: Esme is navigating a failing marriage while trying to keep her precocious fifteen-year-old daughter from live-tweeting every detail. Liv finds herself in between relationships and rehabs, and Ru has run away from enough people and problems to earn her frequent flier miles. So when a hurricane hits the family home on the Jersey Shore, the Rockwells reunite to assess the damage—only to discover that the storm has unearthed a long-buried box. In a candid moment, Augusta reveals a startling secret that will blow the sisters' concept of family to smithereens—and send them on an adventure to reconnect with a lost past . . . and one another. Praise for *All of Us and Everything* “Engaging . . . [a] lively comic novel about stormy women and the spy (and other sexy types) who loved them.”—People (“The Best New Books”) “Similar to Nick Hornby’s *A Long Way Down*, [All of Us and Everything] rewards readers with an engrossing plot rich in witty and frank dark humor. . . . Readers will linger on the story’s web of connections. . . . Thoughtful and provoking.”—Booklist “[Bridget] Asher’s newest title spotlights her unique voice plus an affinity for quirky, wounded characters that are both realistic and likable. . . . The subtle theme [is] how changing our stories can change us. An entertaining yet astute look at family, self, story, and connections.”—Kirkus Reviews “Charming, original, and impeccably written, *All of Us and Everything* is a spirited romp through the lives of an unusual family of women—three adult sisters, their mother, one teenage daughter, and their longtime housekeeper—and the men who love them, amuse them, pursue them, and lose them. When I wasn’t laughing out loud or eagerly turning pages to see what happened next, I was marveling at Bridget Asher’s ability to tell a highly entertaining, fully engaging, and deeply insightful story.”—Cathi Hanauer, New York Times bestselling author of *Gone* “While many writers strive to create a single memorable character, Bridget Asher, seemingly with the flick of her wrist, brings forth four amazing, unique, altogether brilliant characters in *All of Us and Everything*. The Rockwell siblings, Esme, Liv, and Ru, as well as their fascinating mother, Augusta, won me over completely, and their story twists and turns in such fascinating, hilarious, and heartfelt ways that it left me in awe of Asher’s abilities.”—Kevin Wilson, New York Times bestselling author of *The Family Fang* “Bridget Asher’s fascinating, eccentric characters are such good company that I finished *All of Us and Everything* in one sitting. This is a compelling, funny, moving story about an irresistible family.”—Leah Stewart, author of *The New Neighbor*

The Miss America Family In this stunning follow-up to the acclaimed *Girl Talk*, a fading beauty-pageant veteran and her sixteen-year-old son team up as the delightfully nimble co-chroniclers of one family's soulful, mordantly funny remembrance of things past. With her irreverent evocation of suburban dissolution, Julianna Baggott gives us a fictional world whose emotional complexity and comedic dysfunction closely resemble our own. It's 1987 in Greenville, Delaware. Ezra Stocker is the son of an insomniac ex-Miss New Jersey named Pixie and a gay, absentee father; the stepson of an ex-quarterback dentist with a taste for turtle-patterned golf pants; and the grandson of a superstitious, stroke-addled woman with a passion for birds and some truly odd notions about fish and the family ancestry. He has created for himself a specific goal this summer vacation: to make a list of "Rules to Live By," his own set of guidelines to take him through life. A boy whose chief distinguishing traits include webbed toes and a knack for standardized aptitude tests, Ezra has no reason to expect that by the end of this particular summer, due largely to a doomed romance with a wealthy podiatrist's daughter and a fateful episode with a gun, every one of those rules will be tossed out the window. It's 1987 in Greenville, Delaware, but Pixie Stocker is consumed by the past. When she was Ezra's age, she too sought the secret rules and how-to's for negotiating life and attaining her dream of the all-American family. Pixie had found her answers in the comfortingly black-and-white strictures of Emily Post -- and later in the rigid absolutes of the beauty pageant circuit. Such certainties have long since vanished, replaced by the relentless haunting of her memory, and the ceaseless reverberations of a long-ago act of brutal violation. When Ezra's grandmother, disoriented from her stroke, reveals to her daughter an explosive and longburied family secret, she spurs Pixie toward a series of bizarre and dangerous choices in an endeavor to reclaim her tragic past and, for better or worse, start anew. In the pages of *The Miss America Family* Julianna Baggott creates as unique a voice -- and as idiosyncratic a sensibility -- as any novelist has managed in years, extending her range and craft with dazzling, high-wire mixtures of absurdity and pathos, hilarity and darkness.

Light A Penny Candle

"A mesmerizing tale of star-crossed love and of the dark secrets in a fracturing family . . . This novel is so full of wonders that it leaves you haunted, amazed, and, like every great read, irrevocably changed." -- Caroline Leavitt, New York Times bestselling author of *Pictures of You* The reclusive Harriet Wolf, revered author and family matriarch, has a final confession: a love story. Years after her death, as her family comes together one last time, the mystery of Harriet's life hangs in the balance. Does the truth lie in the rumored final book of the series that made Harriet a world-famous writer, or will her final confession be lost forever? Harriet Wolf's *Seventh Book of Wonders* tells the moving story of the unforgettable Wolf women in four distinct voices: the mysterious Harriet, who, until now, has never revealed the secrets of her past; her fiery, overprotective daughter, Eleanor; and her two grown granddaughters -- Tilton, the fragile yet exuberant younger sister, who's become a housebound hermit, and Ruth, the older sister, who ran away at sixteen and never looked back. When Eleanor is hospitalized, Ruth decides it's time to do right by a pact she made with Tilton long ago: to return home and save her sister. Meanwhile, Harriet whispers her true life story to the reader. It's a story that spans the entire twentieth century and is filled with mobsters, outcasts, a lonesome lion, and a home for wayward women. It's also a tribute to her lifelong love of the boy she met at the Maryland School for Feeble-minded Children. Harriet Wolf's *Seventh Book of Wonders*, Julianna Baggott's most sweeping and mesmerizing novel yet, offers a profound meditation on motherhood and sisterhood, as well as on the central importance of stories. It is a novel that affords its characters that rare chance we all long for -- the chance to reimagine the stories of our lives while there's still time.

The Ever Breath

This is the mysterious manuscript that tells the exciting story of Mr. Magorium and the beginnings of his now-famous magical Wonder Emporium.

Harriet Wolf's Seventh Book of Wonders

A perfect Mother's Day treat! Fans of Jane Green and Marian Keyes will love these two novels from Bridget Asher. Plus *My Husband's Sweethearts* has been optioned for a Hollywood film starring Julia Roberts. *My Husband's Sweethearts* Lucy Shoreman discovers in one fell swoop not only that her husband, Artie, has been cheating on her, but that his heart is failing and he's dying. So in a drunken moment she takes his little black book and dials up all his former lovers, asking them to schedule their turn caring for him on his death bed. After all, they were there for the good times, so why should she deal with the bad times on her own? The last thing she expects is that any will actually show up. But one by one they do. The one who hates him. The one who owes her life to him. The one he turned into a lesbian, and the one he taught to dance. And amongst them is one person with the strangest story of all ... *The Pretend Wife* For Gwen Merchant, love has always been doled out in little packets - from her widowed father and from her safe and respectable husband, Peter. But when an old college boyfriend, the irrepressible Elliot Hull, invites himself back into Gwen's life with a surprising proposition, she suddenly starts questioning everything she's ever expected from love. Elliot, it turns out, is in need of a pretend wife, just for the weekend, in order to fulfill his dying mother's last wish. But as Gwen finds herself drawn into Elliot's quirky, wonderful family - and uncovers a few secrets about her own - a pretend relationship just might turn out to be the most real thing she's ever known...

The Amazing Compendium of Edward Magorium

We know you are here, our brothers and sisters. We will, one day, emerge from the Dome to join you in peace. For now, we watch from afar, benevolently. Pressia Belze has lived outside of the Dome ever since the detonations. Struggling for survival she dreams of life inside the safety of the Dome with the 'Pure'. Partridge, himself a Pure, knows that life inside the Dome, under the strict control of the leaders' regime, isn't as perfect as others think. Bound by a history that neither can clearly remember, Pressia and Partridge are destined to forge a new world.

A Book of Golden Deeds (EasyRead Super Large 18pt Edition)

In her dark and witty third novel, award-winning Man Booker longlisted author Louise Dean evokes the perplexing marriages of two couples living in Provence and explores the possibilities for love when life begins to fall apart.

My Husband's Sweethearts and The Pretend Wife 2 in 1

After Delia's sister dies, she returns to Nashville to sell her sister's house. She is greeted by a variety of family members and "friends" and must decide who she will let in.

Pure

Provence, 1942 Luc Bonet, brought up by a wealthy Jewish family in the foothills of the French Alps, finds his life shattered by the brutality of Nazi soldiers. Leaving his abandoned lavender fields behind, Luc joins the French Resistance in a quest for revenge. Paris, 1943 Lisette Forestier is on a mission: to work her way into the heart of a senior German officer, and to infiltrate the very masterminds of the Gestapo. But can she balance the line between love and lies? The one thing Luc and Lisette hadn't counted on was meeting each other. Who, if anyone, can be trusted - and will their own emotions become the greatest betrayers of all?

The Idea of Love

Women's voices offering an intimate view into women's lives Lizzie Borden in Love, a collection of poems by national bestselling author Julianna Baggott, offers poignant commentary in the voices of women as varied as Mary Todd Lincoln and Monica Lewinsky. The poems often focus on a particular moment in life: Katherine Hepburn discovers the dead body of her brother in an attic, or painter Mary Cassatt mourns the failure of her eyesight. Sometimes heartbreaking, sometimes ecstatic, the poems in this collection never fail the trust of the subjects of their intimate portrayals

Bowling Avenue

An epic tale for fans of Justin Cronin, THE HUNGER GAMES and Cormac McCarthy. The final part in the PURE trilogy. Partridge has escaped the safety of his father's empire and left the Dome, where his people - the Pures - have sheltered for so long. He has ventured into the destroyed world inhabited by the Wretches, who live crippled by their injuries. Pressia, a Wretch, is desperate to decode the secrets of the past and, together with Partridge, she must seek out the answers that will save all their futures. But Partridge's actions will not be forgiven. As the Dome unleashes horrifying vengeance upon the Wretches, Partridge has no choice but to return to face the darkness that lies there, leaving Pressia to continue searching for the truth that will change the fate of the world for all time.

Dreaming of Provence

The Anybodies Fern discovers that she was swapped at birth and leaves her tragically dull parents for an unforgettable adventure with her true father, the Bone. Just who are the Anybodies? You'll have to read to find out! Narrated by the hilariously intrusive N. E. Bode, The Anybodies is a magical adventure for readers of all ages. The Nobodies Fern Drudger's quirky adventures continue in this delightful sequel to The Anybodies. She goes to Camp Happy Sunshine Good Times and is bombarded by desperate messages from people who call themselves the Nobodies. But who are the Nobodies, and what do they want from Fern?

The Lavender Keeper

Inside the Dome, Partridge, having taken his father's place as leader of the Pures, realizes that things are not as clear as he thought while outside, Pressia and Bradwell continue their efforts to heal the Wretches, unsure if they can still trust their friend Partridge.

Lizzie Borden in Love

For Gwen Merchant, love has always been doled out in little packets - from her widowed father and from her safe and respectable husband, Peter. But when an old college boyfriend, the irrepressible Elliot Hull, invites himself back into Gwen's life with a surprising proposition, she suddenly starts questioning everything she's ever expected from love. Elliot, it turns out, is in need of a pretend wife, just for the weekend, in order to fulfill his dying mother's last wish. But as Gwen finds herself drawn into Elliot's quirky, wonderful family - and uncovers a few secrets about her own - a pretend relationship just might turn out to be the most real thing she's ever known...

Burn

Written in 1928 by French biographer and novelist Andre Maurois, *Climates* became a best seller in France and all over Europe. The first 100,000 copies printed of its Russian translation sold out the day they appeared in Moscow bookstores. This magnificently written novel about a double conjugal failure is imbued with subtle yet profound psychological insights of a caliber that arguably rivals Tolstoy's. Here Phillipe Marcenat, an erudite yet conventional industrialist from central France, falls madly in love with and marries the beautiful but unreliable Odile despite his family's disapproval. Soon, Phillipe's possessiveness and jealousy drive her away. Brokenhearted, Phillipe then marries the devoted and sincere Isabelle and promptly inflicts on his new wife the very same woes he endured at the hands of Odile. But Isabelle's integrity and determination to save her marriage adds yet another dimension to this extraordinary work on the dynamics and vicissitudes of love.

Burn

The world-famous French singer Édith Piaf (1915-63) was never just a singer. This book suggests new ways of understanding her, her myth and her meanings over time at home and abroad, by proposing the notion of an 'imagined' Piaf.

The Pretend Wife

Na de dood van haar man moet Heidi verder met haar leven. Samen met haar zoontje en haar zestienjarige nichtje gaat ze op vakantie naar het familiehuis in de Provence. Maar bij aankomst is de rust ver te zoeken. Het huis is verwaarloosd, de kinderen zijn lastig, en al hun spullen zijn onderweg gestolen. Gelukkig is daar Julien, de buurjongen met wie Heidi vroeger altijd speelde. Hij is van een bokkige puber veranderd in een o zo charmante, hulpvaardige Fransman. Misschien een beetje té hulpvaardig?
