The Accident

After a great interval

He came at last
He descended
The voice of an older man
Day and night
The blind man
The king
Their senses
One morning
One complacent individual
One struck his trail
He gripped its Spade
He began to run
He stayed outside the wall
I was mad
Blind philosophers came
There came a time
A guilty indulgence
Hes an idiot
Its sight
A disagreeable doubt
He kissed her a year
Last day of vision
To the things beyond
One saw the sky
He glanced back
