De verhalen zijn geschreven in eenvoudige taal en presenteren personages en situaties waar lezers zich gemakkelijk mee kunnen identificeren, waardoor ze perfect zijn voor degenen die dit taal beginnen te leren. Elk verhaal bevat een woordenlijst en oefeningen waarmee lezers hun begrip van de tekst kunnen controleren en hun kennis van Franse woordenschat en grammatica kunnen vergroten. Of je nu Frans leert voor de eerste keer of je leesen begripsvaardigheden wilt verbeteren, "Korte Verhalen in Frans voor Beginners" is een waardevolle bron voor iedereen die geïnteresseerd is om de taal op een leuke en interessante manier te leren.

Frans Leren - Parallele Tekst - Eenvoudig Lezen - Eenvoudig Luisteren

EENVOUDIG LUISTEREN - EENVOUDIG LEZEN - EENVOUDIG LEREN Dit is ons ultieme leertraject. Bent u een relatieve beginner bij het leren van Frans of wilt u uw talenkennis gewoon wat opfrissen? U wilt niet alleen praten als een native, maar ook alles goed begrijpen? Welkom bij Polyglot Planet. Wij bieden u de juiste tools, energie en motivatie om vol vertrouwen Frans te begrijpen en te spreken. Leer vrijwel meteen Frans spreken met onze 'Easy Reader'-teksten en 'Easy Audio'-opnamen. Zonder voorafgaande kennis van grammatica of zinsbouw leert u het alledaagse Frans consistent en effectief gebruiken. En dat niet alleen! U leert ook de basiswoordenschat, zinnen en werkwoordsvervoegingen in een gestructureerde omgeving, die wij speciaal hebben ontwikkeld, zodat u een solide basis opbouwt, die u altijd paraat hebt. Met onze 'Leer Frans - Easy Reader | Easy Audio-cursussen' hebt u snel de luister- en spreekvaardigheid onder de knie die u nodig hebt om met een native te praten. Onze audio-tutor helpt u uw uitspraak te perfectioneren en u zult zelfs de grammatica begrijpen, ondanks dat u saaie leerboeken vermijdt. Binnen een paar minuten na deze cursus spreekt u Frans! Vertalingen worden als handleiding geleverd om u te helpen woordassociaties te maken, zinsstructuren te vergelijken en een nieuwe woordenschat te leren. Ons materiaal is leuk, actueel en geschikt voor u. Frans leren kan heel leuk zijn, dus koop dit nu en u spreekt vandaag nog Frans!

Leer Frans met Beginners Verhalen: Interlineair Frans naar Nederlands

Wil je Frans leren met echte Franse beginners verhalen? Het is gemakkelijk met Frans en interlineair Nederlands. 140+ pagina's met elk woord vertaald zodat je gemakkelijk door kan lezen zonder een woord op te hoeven zoeken. Dit boek bevat beginners verhalen oorspronkelijk van Jules Lemaître en door Bermuda Word vertaald, woord voor woord, naar het Nederlands dat in een regel onder de originele Franse tekst is toegevoegd. We hebben een interlineaire vertaling aan de Franse tekst toegevoegd. Dat betekent dat de betekenis van elk Frans woord onmiddellijk zichtbaar is, wat het snel en gemakkelijk maakt om Frans te lezen en tegelijkertijd een grotere woordenschat op te bouwen. Dit is het eerste boek in de serie "Leer Frans met Interlineaire Verhalen voor Beginners en Gevorderde Lezers". Bekijk ook de boeken "Franse Sprookjes"

Leer Frans met Sprookjes: Interlineair Frans naar Nederlands

Wil je Frans leren met echte Franse sprookjes voor beginners en gevorderden? Het is gemakkelijk voor iedereen, met Frans en interlineair Nederlands. 140+ pagina's met elk woord vertaald zodat je gemakkelijk door kan lezen zonder een woord op te hoeven zoeken. Dit boek bevat sprookjes oorspronkelijk van Hélène Guerber en door Bermuda Word vertaald, woord voor woord, naar het Nederlands dat in een regel onder de originele Franse tekst is toegevoegd. We hebben een interlineaire vertaling aan de Franse tekst toegevoegd. Dat betekent dat de betekenis van elk Frans woord onmiddellijk zichtbaar is, wat het snel en gemakkelijk maakt om Frans te lezen en tegelijkertijd een grotere woordenschat op te bouwen. Dit is het derde boek in de serie "Leer Frans met Interlineaire Verhalen voor Beginners en Gevorderde Lezers". Bekijk ook de boeken "Franse Beginners Verhalen"

Korte Verhalen in het Frans

Korte Verhalen in het Frans is een verzameling van 25 onconventionele en onderhoudende korte verhalen, elk slechts een paar alinea's lang, die zijn ontworpen om beginnende tot gemiddeld niveau Frans lerenden te helpen hun taalvaardigheden te verbeteren op een leuke en boeiende manier! De meeste boeken en artikelen die voor moedertaalsprekers zijn geschreven, kunnen te lang zijn en moeilijk te begrijpen of kunnen een woordenschat op zeer hoog niveau bevatten, waardoor de cursist zich vaak overweldigd voelt en opgeeft. Als deze problemen bekend klinken, dan is dit boek iets voor jou! Deze korte verhalen creëren een ondersteunende leesomgeving door: Rijke taalkundige inhoud in verschillende genres om u te vermaken en u bloot te stellen aan een verscheidenheid van woordvormen. Kortere verhalen in hoofdstukken om u de voldoening te geven verhalen af te maken en snel vooruitgang te boeken. Teksten geschreven op uw niveau, zodat ze gemakkelijker te begrijpen zijn en niet overweldigend. Vertalingen op wisselende pagina's zodat u er regel voor regel direct naar kunt verwijzen terwijl u het Frans het verhaal leest. De belangrijkste woordenschat staat vetgedrukt in het verhaal en de vertaling, zodat u onbekende woorden gemakkelijker kunt begrijpen. Begrijpelijke vragen om uw begrip van belangrijke gebeurtenissen te testen en om u aan te moedigen meer in detail te lezen. Dus of je nu je woordenschat wilt uitbreiden, je begrip wilt verbeteren, of gewoon voor je plezier wilt lezen, dit boek is de grootste stap voorwaarts die je dit jaar in je studie zult zetten. Korte Verhalen in het Frans geeft je alle steun die je nodig hebt, dus leun achterover, ontspan, en laat je

fantasie de vrije loop terwijl je wordt meegevoerd naar een magische wereld van avontuur, mysterie en intrige - in Frans!

French For Dummies®

If you buy into the *Pépé Le Pew* stereotype of the French – arrogant, stuffy, overly amorous, and rather odiferous (*Pépé Le Pew* was a skunk. Talk about stereotypical!) – then think again. Not only are the French people some of the most relaxed, pleasant people you'll ever meet, but their society is one of the oldest, most culturally rich societies in the world. So it's no surprise that French is known as perhaps the most beautiful of all languages. Listen to someone speak French – sure, you don't have a clue what she's saying, but aren't you enraptured by the sound of it? Unfortunately, just because a language is beautiful doesn't mean that it's easy to learn. Although French has many things in common with English, French has had many, many centuries to evolve into the language it is today, which means it's had all that time to become more complex. That's where *French For Dummies* can help. Written in partnership with the language experts at Berlitz, this book can give you what you need for basic communication in French. *French For Dummies* covers the following topics and more: Basic pronunciation and gestures The nuts and bolts of French grammar Meeting and greeting in French Situations in which you can use French: Making small talk, dining out, shopping, and talking on the phone Traveling to France: Dealing with French currency, staying at a hotel, and getting around town Top Ten lists on ways to pick up French quickly, things you should never say in French, favorite French expressions, and important French holidays to remember. Appendixes with verb conjugation tables, as well as a French mini-dictionary *French For Dummies* also comes with a CD that has audio transcriptions of all the exercises in the book, so that you can actually hear the French pronunciations. So whether you're taking a business trip and need to pick up a little French quickly; you're cramming for your high school French final; or you've always wanted to learn a new language but don't have the time to drag yourself to a class once a week, *French For Dummies* can get you well on your way to becoming fluent in no time.

Learn French with Short Stories - Fifteen Beginner Stories with Parallel French and English Text

Do you want to learn French without feeling like studying? Do you want to learn idioms and speak like a real Parisien? Do you want to read French stories without having to flick through a dictionary every other word? Imagine how impressed your friends and family will be and how awesome you'll feel once you're able to have a fluent conversation with a native French speaker. Imagine sitting in a nice café in Paris sipping on your coffee and enjoying a croissant when someone strikes up a conversation and you're able to hold your weight the whole time. What if this wasn't a dream and became a reality? French Hacking's "15 Short Stories" will allow you to progress your French and learn what and how to talk to sound like a native. Learning French doesn't have to be difficult. Most of what you learn in class and grammar books are rarely used in real life scenarios. Stop wasting your time and begin learning more efficiently. Learn what to say and start conversing, even if you're a complete beginner! French can seem like a daunting language with loads of different conjugations, rules, and exceptions. By repetitively seeing and learning simple sentence structures and phrases, you'll better understand the language and have the essential knowledge to improve your French! Even if you're brand-new to the language or you don't have much time to dedicate to learning, the advice, tips and tricks you'll find inside provide you with a tried-and-tested path to success. So if you've been wanting to learn or improve your French, this book is for you. "Une nouvelle langue est une nouvelle vie." - Unknown "A new language is a new life." - Unknown Inside, you'll discover: - Real life conversations you'd hear out on the streets of France - Definitions of words below the paragraphs so there's no need for a dictionary - Bilingual French/English text so you can read line by line - Idioms to sound like a native speaker - Descriptions of important words and whether they're masculine, feminine, nouns, adjectives, etc. - Comprehension questions after each chapter to further your understanding of the text It's possible to begin conversing in French quickly by learning the right things. All you need is the proper material, idioms, and sentence structures within this book. Ready to begin your journey to becoming conversational in French? Then scroll up and grab your copy now!

Les Paris de Jack (Conte Celtique) - Jack's Weddenschappen (Een Keltische Sage)

Vexed by French verbs? Fear no more! In *500 French Verbs For Dummies*, beginning French language learners can find a quick reference for verbs in the basic present tenses. More advanced French speakers can utilize this book to learn more complex verb tenses and conjugations as well as advanced verbs with irregular endings. One page for each of the 500 most commonly used verbs in the French

language —alphabetically arranged and numbered for easy reference Special designation of the 50 most essential French verbs A summary of basic French grammar that includes verb tenses and moods An explanation of verb conjugation—the seven simple and seven compound tenses, as well as the imperative The accompanying CD-ROM includes flash cards and multiple choice questions with audio for practicing French verb conjugations and pronunciation 500 French Verbs For Dummies is beneficial for students, travelers, professionals, and life-long learners who need a reference to the intricacies of French verb usage.

500 French Verbs For Dummies

Kinderboek: De Watermeloenprinses Frans-Nederlands Tweetalig Verhaal met Illustraties Leeftijd: 3 tot 7 Een watermeloenvoortuig: spannend, grappig en ongelooflijk! 1. Waarom was dit Frans-Nederlandse prentenboek gecreëerd? Het beste moment om een tweede taal te leren is in de vroege kindertijd, wanneer de hersenen meer open staan voor de verwerving van een taal. De beste manier om een nieuwe taal te leren is door boeken te lezen, omdat dit kinderen helpt bij het tegelijkertijd leren van spelling, woordenschat, grammatica en zinsbouw. De beste boeken voor het leren van een vreemde taal zijn tweetalige boeken met plaatjes die de kinderen helpen om het verhaal te begrijpen en die hun taalgeheugen versterken. Om die reden hebben wij dit tweetalige prentenboek voor kinderen gecreëerd. 2. Wat zijn de voordelen van Frans-Nederlandse meertalige kinderen? Tweetalig zijn heeft veel voordelen. Wetenschappelijk onderzoek toont aan dat tweetalige kinderen, vergeleken met kinderen die maar één taal spreken, zich langer kunnen concentreren beter kunnen multitasken betere resultaten behalen bij het maken van toetsen op school over betere sociale en communicatieve vaardigheden beschikken betere carrièrekansen hebben meer geld verdienen met hun baan op oudere leeftijd minder risico lopen op beroertes en dementie ruimdenkender, toleranter en flexibeler zijn 3. Hoe voedt u uw kinderen tweetalig op? Einstein heeft eens gezegd: "Als je intelligente kinderen wil, lees ze dan verhalen voor; als je wil dat ze nog intelligenter worden, lees ze dan méér verhalen voor." Hij benadrukte het belang van het voorlezen van verhalen in de cognitieve ontwikkeling van een kind. Wij geloven dat het lezen van verhalen in twee talen de positieve effecten van lezen kan optimaliseren, omdat verschillende talen op verschillende plekken in de hersenen worden opgeslagen en tweetalige verhalen meer delen van de hersenen kunnen stimuleren en activeren dan eentalige verhalen. Het citaat van Einstein kan dus veranderd worden naar "Als je intelligente kinderen wil, lees ze dan eentalige verhalen voor; als je wil dat ze nog intelligenter worden, lees ze dan tweetalige verhalen voor!" Tweetalige kinderen opvoeden is een langdurend proces. Het vereist vastberadenheid, geduld, oefening en herhaling. Wanneer u uw kind dagelijks tweetalige verhalen voorleest, traint u zijn of haar taalspieren. Een klein tweetalig verhaal kan leiden tot een grote stap in het leven van uw kind. 4. Wie kunnen er gebruik maken van dit Frans-Nederlandse tweetalige boek? Dit boek wordt aanbevolen voor: tweetalige kinderen tweetalige families tweetalige kleuterscholen tweetalige scholen tweetalige lessen tweetalige bibliotheken Begin vandaag met de geweldige, tweetalige reis!

Kinderboek: de Watermeloenprinses (Frans-Nederlands)

Bilingual children's book (age 2 and up) Tim can't fall asleep. His little wolf is missing! Perhaps he forgot him outside? Tim heads out all alone into the night - and unexpectedly encounters some friends... "Sleep Tight, Little Wolf" is a heart-warming bedtime story. It has been translated into more than 50 languages and is available as a bilingual edition in all conceivable combinations of languages. www.childrens-books-bilingual.com

Sleep Tight, Little Wolf. Bilingual Children's Book (English - Anglo-Saxon/Old English)

'It wasn't uncommon in my childhood for roti to be off the menu, because the rolling pin was broken again.' Ernest van der Kwast's childhood is peopled by an array of colourful characters: from his strait-laced Dutch father, to Bollywood star Uncle Sharma, and talented heptathlete Aunt Jasleen. But it is his overbearing yet loving Indian mother who is at the centre of this big-hearted, hilarious family saga. Veena van der Kwast is a woman with an iron will, hilarious directness, and a talent for haggling. Armed with her trusty rolling pin, every man she meets is eventually beaten to submission — especially her husband and three sons. Intriguing, surprising, and moving in equal measure, this novel inspired by a very unusual family will make you smile from beginning to end.

Stay at the Villa des Roses and you will never be the same again.

Villa Des Roses

Developmental Education is an approach to education in school that aims at promoting children's cultural development and their abilities to participate autonomously and well-informed in the cultural practices of their community. From the point of view of Cultural-historical Activity theory (CHAT), a play-based curriculum has been developed over the past decades for primary school, which presents activity contexts for pupils in the classroom that create learning and teaching opportunities for helping pupils with appropriating cultural knowledge, skills, and moral understandings in meaningful ways. The approach is implemented in numerous Dutch primary schools classrooms with the explicit intention to support the learning of both pupils and teachers. The book focuses especially on education of young children (4 – 8 years old) in primary school and presents the underpinning concepts of this approach, and chapters on examples of good practices in a variety of subject matter areas, such as literacy (vocabulary acquisition, reading, writing), mathematics, and arts. Successful implementation of Developmental Education in the classroom strongly depends on dynamic assessment and continuous observations of young pupils' development. Strategies for implementation of both the teaching practices and assessment strategies are discussed in detail in the book.

Ysengrimus abbreviatus

The fast way to start speaking German Get ready to master grammar, verb conjugations, and pronunciations! Plus, put your skills to the test with useful exercises in the book and tons of real-life conversations on the accompanying CD.

Developmental Education for Young Children

This book collects more than seventy South African women's voices, from 1652 until today. Through this literature, we can see women's perspectives on the tumultuous history of South Africa from colonisation to democracy as it unfolded.

Choosing the Wrong Drivers for Whole System Reform

'He had never married and had never been with one woman for long; he had always remained a collector of first times.' Edward Landauer, a brilliant microbiologist in his forties, meets a beautiful young woman. She is the love of his life, and when the two marry in France, Edward is the happiest man in the world. At first, Ruth Walta appears to represent a victory over time, but even she cannot stop him growing older. After the birth of their long-awaited son, the 'happiness, delicate like filigree' turns into something new, and Edward no longer recognises his great romance nor the woman who induced it. PRAISE FOR TOMMY WIERINGA 'Brilliantly written ... the last few pages are mesmerising.' The Saturday Age 'While the narrative focuses on the collapse of one man's world, it still raises huge moral questions ... Haunting.' The Sunday Times

German for Dummies, Boxed Set

Authors include Arthur C. Clarke, Isaac Asimov, Mark Twain, Lewis Carroll, and many other renowned figures.

A Beautiful Young Wife

What started out as a strange assignment, lead to one of the most gruesome murder mysteries of our times. My friends and I are set and determined to find out who is killing off Fae and Witches alike.

Short Stories in French for Beginners

Mark Lamprell's *One Summer Day in Rome*, narrated by the city itself, is an enchanting novel about three couples drawn irresistibly to Rome. Brimming with wit and charm (and gelato), it is the most delicious summer read.

The Mathematical Magpie

For at least a century, attitudes to the use of translation in language teaching have been predominantly negative, the deprecators of the methodology having been particularly vocal at the turn of the 20th century and again in the 1960s and 70s. Yet, for all of this time, translation has remained a significant

component in the teaching of many languages in many parts of the world, and the 1980s saw a revival of support for the practice among a number of applied linguists. Language teaching for translators has been rather less contentious. It has always been assumed that translators must know their languages thoroughly, but little has been written about how they, as a special group, might be taught their languages. In the final quarter of the 20th century, attention among translation scholars and pedagogues has turned so decisively away from linguistics that even teaching translators about their languages and how they can be put to use has been frowned on in many quarters. This book takes a fresh look at both issues. Part One addresses the question of the place and nature of language teaching in translator training programmes. Part Two deals with the issue of how translation might best be used as a teaching and testing methodology in language classes. Finally, the papers in Part Three address the relationship between translation and language teaching from the somewhat divergent points of view of the translator trainer and language teacher.

Fighting Destiny

A Frequency Dictionary of French is an invaluable tool for all learners of French, providing a list of the 5000 most frequently used words in the language. Based on a 23-million-word corpus of French which includes written and spoken material both from France and overseas, this dictionary provides the user with detailed information for each of the 5000 entries, including English equivalents, a sample sentence, its English translation, usage statistics, and an indication of register variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are thematically-organized lists of the top words from a variety of key topics such as sports, weather, clothing, and family terms. An engaging and highly useful resource, the Frequency Dictionary of French will enable students of all levels to get the most out of their study of French vocabulary. Deryle Lonsdale is Associate Professor in the Linguistics and English Language Department at Brigham Young University (Provo, Utah). Yvon Le Bras is Associate Professor of French and Department Chair of the French and Italian Department at Brigham Young University (Provo, Utah).

One Summer Day in Rome

Francesco di Marco Datini, the 14th-century Tuscan merchant who forms the subject of Iris Origo's study, has now probably become the most intimately accessible figure of the later Middle Ages. In 1870 the whole astonishing cache, containing some 150,000 letters and great numbers of business documents, came to light. Iris Origo drew on this material to paint, in detail, a picture of Italian domestic life on the eve of the Renaissance. The book is rightly celebrated as one of the most engrossing of all modern books on Italian life and history.

Translation & Language Teaching

Analyzes the characterization of the protagonists in the five extant, so-called 'ideal' Greek novels of the first few centuries C.E., using the conceptual couples of typification/individuation, idealistic/realistic characterization, and static/dynamic character to show their complexity.

A Frequency Dictionary of French

This affecting story is the basis of the Academy Award-winning film *Character*, named the best foreign film of 1998. In reviewing the film, Roger Ebert called the tale "dark, bitter, and fascinating-about hatred so deep that it can only be ended with a knife...It evokes some of the darker episodes of Dickens and also, in its focus on the grind of poverty and illegitimacy, reflects the twisted stories of family secrets by that grim Victorian, George Gissing. It is essentially the story of a young man growing up and making good, by pluck and intelligence, but all of his success comes out of the desire to spite his father." Ferdinand Bordewijk's protagonist is an illegitimate child, raised in a Rotterdam slum by an independent, self-respecting, and austere mother. The boy's father is a force of nature-violent by design, grasping, and ruthless. The young man's rise is a quietly powerful saga. Bordewijk moves the reader because the facts in his novel-the facts of life-are arresting, pungent, and memorable.

The Merchant of Prato

An unmissable collection of eight unconventional and captivating short stories for young and adult learners. "I love Olly's work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller *A Mind for Numbers* Short Stories in Spanish for Beginners has been written especially

for students from beginner to intermediate level, designed to give a sense of achievement, and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference, these eight captivating stories will both entertain you, and give you a feeling of progress when reading. What does this book give you? · Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary · Controlled language at your level, including the 1000 most frequent words, to help you progress confidently · Authentic spoken dialogues, to help you learn conversational expressions and improve your speaking ability · Pleasure! It's much easier to learn a new language when you're having fun, and research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' · Accessible grammar so you learn new structures naturally, in a stress-free way Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including · A glossary for bolded words in each text · A bilingual word list · Full plot summary · Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed or frustrated. From science fiction to fantasy, to crime and thrillers, Short Stories in Spanish for Beginners will make learning Spanish easy and enjoyable.

Crafting Characters

The Romance of the Rose has been a controversial text since it was written in the thirteenth century. There is evidence for radically different readings as early as the first half of the fourteenth century. The text provided inspiration for both courtly and didactic poets. Some read it as a celebration of human love; others as an erudite philosophical work; still others as a satirical representation of social and sexual follies. On one hand it was praised as an edifying treatise, on the other condemned as lascivious and misogynistic. Kevin Brownlee and Sylvia Huot and the contributors to this volume—Pierre-Yves Badel, Emmanuele Baumgartner, John V. Fleming, Robert Pogue Harrison, David F. Hult, Stephen G. Nichols, Lee Patterson, Daniel Poirion, Karl D. Uitti, Dieuwke E. van der Poel, and Lori Walters—represent all the major areas of current work on the Romance of the Rose, both in American and in Europe. The volume will be of value to students and scholars of medieval literature, intellectual history, and art history.

Character

Now a major motion picture, *The Disaster Artist*, starring James Franco, Alison Brie, Zoey Deutch, Lizzy Caplan, Zac Efron, Bryan Cranston, Dave Franco, Kristen Bell, Seth Rogen, Sharon Stone, and Judd Apatow. In 2003, an independent film called *The Room* - starring and written, produced, and directed by a mysteriously wealthy social misfit named Tommy Wiseau - made its disastrous debut in Los Angeles. Described by one reviewer as 'like getting stabbed in the head', the \$6 million film earned a grand total of \$1,800 at the box office and closed after two weeks. Over a decade later, *The Room* is an international cult phenomenon, whose legions of fans attend screenings featuring costumes, audience rituals, merchandising and thousands of plastic spoons. In *The Disaster Artist*, Greg Sestero, Tommy's costar, recounts the film's bizarre journey to infamy, explaining how the movie's many nonsensical scenes and bits of dialogue came to be and unraveling the mystery of Tommy Wiseau himself. But more than just a riotously funny story about cinematic hubris, *The Disaster Artist* is an honest and warm testament to friendship.

Short Stories in Spanish for Beginners

This award-winning book continues to resonate with teachers and inspire their teaching because it focuses on the joy of reading and how it can engage and even transform readers. In a time of next-generation standards that emphasize higher-order strategies, text complexity, and the reading of nonfiction, "You Gotta BE the Book" continues to help teachers meet new challenges, including those of increasing cultural diversity. At the core of Wilhelm's foundational text is an in-depth account of what highly motivated adolescent readers actually do when they read, and how to help struggling readers take on those same stances and strategies. His work offers a robust model teachers can use to prepare students for the demands of disciplinary understanding and for literacy in the real world. The Third Edition includes new commentaries and tips for using visual techniques, drama and action strategies, think-aloud protocols, and symbolic story representation/reading manipulatives. Book Features: A data-driven theory of literature and literary reading as engagement. A case for undertaking teacher research with students. An approach for using drama and visual art to support readers'

comprehension. Guidance for assisting students in the use of higher-order strategies of reading (and writing) as required by next-generation standards like the Common Core. Classroom interventions to help all students, especially reluctant ones, become successful readers. Online resources, including inquiry unit templates, tools for teaching with drama, and tips for using visual techniques.

Rethinking the Romance of the Rose

This collection brings together scholars from a wide range of disciplines to offer perspectives on national identity formation in various European contexts between 1600 and 1815. Contributors challenge the dichotomy between modernists and traditionalists in nationalism studies through an emphasis on continuity rather than ruptures in the shaping of European nations in the period, while also offering an overview of current debates in the field and case studies on a number of topics, including literature, historiography, and cartography.

The Disaster Artist

World History: An Introduction provides readers with the knowledge and tools necessary to understand the global historical perspective and how it can be used to shed light on both our past and our present. A concise and original guide to the concepts, methods, debates and contents of world history, it combines a thematic approach with a clear and ambitious focus. Each chapter traces connections with the past and the present to explore major questions in world history: How did humans evolve from an endangered species to the most successful of them all? How has nature shaped human history? How did agricultural societies push human history in a new direction? How has humankind organized itself in ever more complex administrative systems? How have we developed new religious and cultural patterns? How have the paths of 'The West' and 'The Rest' diverged over the last five centuries? How, at the same time, has the world become more interconnected and "globalized"? How is this world characterized by growing gaps in wealth, poverty and inequality? Sharp and accessible, Eric Vanhaute's introduction to this exciting field demonstrates that world history is more of a perspective than a single all-encompassing narrative: an instructive new way of seeing, thinking and doing. It is an essential resource for students of history in a global context.

You Gotta BE the Book

De kleine Johannes Author: Frederik van Eeden ekje, waar de krekeltjes bezig waren tusschen het dunne, spichtige duingras hun lessen te leeren. Shrrr! Shrrr! Een groote, dikke krekel was meester en overhoorde. Een voor een sprongen de leerlingen naar hem toe, altijd met een sprong heen en een sprong weer naar hun plaats terug. Wie mis sprong moest op een paddestoel te pronk staan. 'Luister goed Johannes! dan kunt ge misschien ook wat leeren, ' zei Windekind.

The roots of nationalism

This text provides a comprehensive overview of all major aspects of bilingualism. It is primarily concerned with bilingualism as a socio-political phenomenon in the world and, as such, emphasizes languages in contact, language maintenance and shift, language policy, and bilingual education.
