Ominous

After the shocking revelations made in the Private prequel, *The Book of Spells*, Noelle and Reed know they are descendants of the original Billings Girls and their legacy includes a mysterious coven of witches. But it's nothing compared to what happens next. One by one, Billings Girls go missing from campus. The entire community bands together to find the lost girls, hoping they are still alive. Reed can't believe tragedy has struck Easton again, and she begins to wonder if the Billings Girls are cursed. But when the first body shows up containing a message just for her, she fears her friends are worse than cursed: they're doomed. The penultimate book in the suspenseful Private series!

Ominous

After the shocking revelations made in the Private prequel, *The Book of Spells*, Noelle and Reed know they are descendants of the original Billings Girls and their legacy includes a mysterious coven of witches. Has Reed unknowingly recreated their powerful magic and what will the consequences be once the others find out what they come from? Will Reed be able to get out of Easton Academy alive?

Private

Fifteen-year-old Reed Brennan is delighted when she wins a scholarship to Easton Academy - it's the golden ticket out of her suburban life and away from her pill-popping mother. But when she arrives at the beautiful, tradition-steeped campus, everyone is more sophisticated, more gorgeous and a WHOLE lot wealthier than she is. Reed may have been accepted to the Academy, but she certainly hasn't been accepted by her classmates. She feels like she's on the outside, looking in... until she meets the Billings Girls. They're the most beautiful, intelligent and powerful girls on campus. And, boy, do they know it. Reed vows to do whatever it takes to be accepted into their inner circle. But once she's in, she discovers much more than designer clothes hiding in their closets - there are also plenty of skeletons... Secrets which must be kept PRIVATE. Whatever the cost. This compelling series full of dark secrets, mystery and satire is a must for fans of *Gossip Girl*, *Pretty Little Liars* and *Mean Girls*?

Megan Meade's Guide to the McGowan Boys

When she was nine, Megan Meade met a group of terrible, mean, Popsicle-goo-covered boys, the sons of her father's friend -- the McGowan boys. Now, seven years later, Megan's army doctor parents are shipping off to Korea and Megan is being sent to live with the little monsters, who are older now and quite different than she remembered them. Living in a house with seven boys will give Megan, who has never even been kissed, the perfect opportunity to learn everything there is to know about boys. And she'll send all her notes to her best friend, Tracy, in... *Megan Meade's Guide to the McGowan Boys*
Observation #1: Being an army brat sucks. Except that this is definitely a better alternative to moving to Korea. Observation #2: Forget evil, laughing, little monsters. These guys have been touched by the Abercrombie gods. They are a blur of toned, suntanned perfection. Observation #3: I need a lock on my door. STAT. Observation #4: Three words: six-pack abs. Observation #5: Do not even get me started on the state of the bathroom. I'm thinking of calling in a hazmat team. Seriously. Observation #6: These boys know how to make enemies. Big time. Megan Meade will have to juggle a new school, a new family, a new crush -- on the boy next door, as in next bedroom door -- and a new life. Will she survive the McGowan boys?

The Book of Spells

The year is 1915 and sixteen-year-old Eliza Williams has just arrived at the Billings School for Girls, the sister school of Easton Academy, founded to turn girls into dutiful wives. Eliza's parents expect her to learn the qualities needed to be a graceful and obedient wife, but Eliza has a dangerous secret... she's a witch! After finding a dusty, leather-bound spell book, Eliza forms a secret coven with eleven other Billings girls, disguising their gatherings as a literary society to keep their teachers from discovering the truth. Bonded in sisterhood, they cast spells - cursing the headmistress, giving blisters to boys with

wandering hands and conjuring beautiful dresses out of rags. The girls taste freedom and power for the first time, but what starts out as innocent fun turns into something more sinister when one of the spells has an unexpected - and deadly - consequence. Eliza realises that magic could bring her everything she's ever wanted... but it could also destroy everything she holds dear. But is it too late to stop what she's started?

Vanished

After the initiation ceremony of Reed's newly created secret society, Noelle has disappeared and the only clue is a mysterious note. Is Reed's behaviour the cause or is there something more sinister happening? With the kidnapper warning of worse things to come if Reed tells anyone of Noelle's abduction, Reed realises it's up to her to discover who has taken Noelle and to try and rescue her... before she becomes the next target.

Fake Boyfriend

He's absolutely perfect. If only he were real. Lane and Vivi have had it with Isabelle Hunter's boyfriend, Shawn Littig (a.k.a. Sluttig). He is the only person who can turn their smart, confident best friend into a complete mess. When Shawn Sluttig cheats on and dumps Izzy just months before the prom she's been planning since the ninth grade, Lane and Vivi decide to take action. With a few quick keystrokes, they create a MySpace page for "Brandon," the perfect guy to get Izzy out of her revolving-door relationship with Shawn. Too bad he's totally fake. Vivi's younger brother, Marshall, who they hire to be the "man" behind the profile, is way too into being Izzy's fake boyfriend. So they turn to cute, prep-school Jonathan to be the face of Brandon. But when Vivi falls for Jonathan, and Sluttig tries to wedge his way back into Izzy's prom picture, the whole plan starts to go south faster than you can say "fake boyfriend."

The Virginity Club

When an announcement is made for a special scholarship, four best friends begin a special club that is designed to demonstrate the "purity" required by the scholarship committee.

The Complete Private Collection

The entire Private collection by Kate Brian is now available as an eBook! When Reed Brennan arrived at Easton Academy, she entered a world of privilege she had never known. The other students have everything: trust funds, private planes—and horrible secrets. When Reed's new crush is found dead in the woods, Reed embarks on a fight for her life as one crazy person after another wants her out of Easton or dead. No one said private school was easy. Now, the entire Private collection is available in one eBook and includes a total of sixteen books: all fourteen books in the series as well as the two standalone prequels, Last Christmas and The Book of Spells.

Ominous

After they discovered a shocking secret about the original Billings Girls, Reed Brennan and Noelle Lange's world was turned upside down. But it's nothing compared to what happens next.

Privilege

Ariana Osgood plots her escape from the mental institution where she was locked up after being arrested for the death of Thomas Pearson at Easton Academy, as she plans to reunite with and seek revenge on her old friends.

Invitation Only

For use in schools and libraries only. Reed learns how difficult it is to be one of the Billings Girls at the Eaton Academy when she is not invited to the huge Halloween party in New York City and she is blackmailed by her roommate into finding some dirt on her new friends.

Last Christmas

Before Reed Brennan came to Easton Academy... Before Thomas Pearson was murdered... Before Noelle Lange ruled Billings House and Ariana Osgood became Easton's most notorious student, Ariana was just another girl at boarding school. But then one cold snowy night on campus, Ariana fell for

someone she shouldn't - and that changed everything. Because someone was watching. And now they're intent on turning Ariana's holiday weekend into a nightmare...

Paradise Lost

Now that Cheyenne's murderer has been revealed and Reed knows the truth about who's been stalking her, she's ready for a break. What better way to relax than on a five-star Caribbean vacation with the Billings Girls? At first the trip is heaven on Earth: beach parties, forty-foot yachts, shopping trips to exclusive boutiques . . . But even in sunny paradise, the Girls are never far from trouble - and they're about to get burned.

Untouchable

Cheating, partying, blackmail, and now...murder? Can the Billings Girls remain untouchable? Reed's boyfriend, Thomas Pearson -- the popular, easygoing, irresistibly handsome and charismatic boy she fell in love with -- is dead. No one knows how it happened, and everyone is after the truth. Or are they? Life at Easton Academy begins to feel very different. Taylor is acting like the poster child for Prozac, Kiran is spiking her cornflakes, Noelle is being kind of...nice, and Arianna keeps floating along as if nothing has happened. Thanksgiving break arrives and Reed and Josh find themselves alone on campus. They are forced to confront the feelings they've been hiding. Those feelings combined with an empty campus result in the hottest hookup Reed could possibly imagine. But when Reed breaks the news about Josh to the Billings Girls, there's no fun game of tell-all. Instead, Josh begins to look like suspect No. 1 in the murder of Thomas Pearson. The perfect life Reed has constructed as a Billings Girl begins to crumble. And as everyone becomes more convinced of Josh's guilt, Reed's private suspicions lead her somewhere she doesn't want to go.

Confessions

Sometimes the truth hurts... Reed's new boyfriend Josh has been arrested for her ex-boyfriend's murder, but Reed is convinced that he is innocent and that the killer is still out there. Desperate to uncover the truth, Reed does some digging - but what she unearths is more dangerous than even she knew. For the girls of Billings Hall have more secrets than the CIA, and they aren't relinquishing their hold on Reed. Once a Billings Girl, always a Billings Girl... Forever.

Ominous

One by one, Billings Girls go missing from the Easton campus and Reed begins to wonder if they are all cursed--or doomed.

Tarantula

Richard Lafargue is an eminent plastic surgeon haunted by dirty secrets. He has an operating theatre in the basement of his chateau and keeps his partner Eve imprisoned in her bedroom, a room he has equipped with an intercom and 300-watt speakers through which he bellows orders. Eve is only allowed out to be paraded at cocktail parties and on the last Sunday of each month, when the couple visit a young woman in a mental asylum. Following these outings, Lafargue humiliates Eve by forcing her to perform lewd sexual acts with strangers while he watches through a one-way mirror. In alternating chapters, Jonquet introduces seemingly unrelated characters - a criminal on the run after murdering a policeman, and an abducted young man who finds himself chained naked in a dark chamber, forced to endure all manner of physical torture at the hands of a mysterious stranger, whom he calls Mygale, after a type of tropical spider. All of these characters are caught in a deceitful web, waiting to meet their fate.

Inner Circle

Once you're in, there's no way out... It's a new school year, and Reed Brennan returns to prestigious Easton Academy, ready to put the dramatic events of last year behind her. When the headmaster forbids Billings Hall from holding its traditional secret initiation ceremony, Reed is relieved. She champions the new rules and welcomes the new recruits to Billings Hall. But there's one Billings resident who's adamant that the old ways should be kept alive - no matter what, or who, stands in her way...

Sweet 16

Teagan Phillips is obnoxiously rich, obnoxiously fashionable, and, this year, she's obnoxiously turning sixteen. No one's sweet sixteen party will be as glitzy, glamorous, decadent, and, well, obnoxious as Teagan's sweet sixteen party. She might single-handedly take the sweet out of sweet sixteen. In typical fashion, nothing is quite right for Teagan on the night of her sweet sixteen party. When a slew of unfortunate events unfold at what was supposed to be the sweet sixteen event of the century, she hits rock bottom, literally, by falling down the stairs into the wine cellar. When she comes to, a strange woman is standing over her. What happens next will bring Teagan back in time to when she was a sweet little girl with two parents, before her mother died and her father threw himself into his work. She'll be forced to face the choices she made that led her to be the person she is on her sixteenth birthday. And with the help of her fairy godmother (or whoever the heck the creepy woman in white is), this will be the sweetest of all sixteens.

Ask a Manager

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Ex-mas

Two Exes. One holiday adventure. Merry Ex-Mas? Seventeen-year-old Lila Beckwith's parents just left for vacation, and Lila's all set to throw the holiday party of the season. But when her Christmas-obsessed little brother, Cooper, discovers that global warming is melting the North Pole, he and his best friend, Tyler, take off on a runaway mission to save Santa. Lila has to get Cooper safely home before her parents get back on Christmas Eve. But the only person who can help her is Tyler's older brother, Beau -- a.k.a. Lila's musician, anti-everything ex-boyfriend. It'll take more than a Christmas miracle for Lila and Beau to overcome their differences and find their fugitive brothers. But could a journey destined for disaster help these polar opposites fall in love...all over again?

Cruel Love

After escaping from the Brenda T. Trumbull Correctional Facility for Women and stealing the identity of rich socialite, Ariana Osgood finally thought she was on the path she always believed she deserved. But her past caught up with her and she is forced right back to her old ways, making everything she wants seem further out of reach. And some familiar faces are back to make things even worse for her. The *Privilege* series comes to an end with all the suspense, romance, drama and, wherever Ariana is concerned, murder you'd expect.

A Night to Remember

A cloth bag containing eight copies of the title.

Fandom as Methodology

An illustrated exploration of fandom that combines academic essays with artist pages and experimental texts. *Fandom as Methodology* examines fandom as a set of practices for approaching and writing about art. The collection includes experimental texts, autobiography, fiction, and new academic perspectives on fandom in and as art. Key to the idea of "fandom as methodology" is a focus on the potential for fandom in art to create oppositional spaces, communities, and practices, particularly from queer perspectives, but also through transnational, feminist and artist-of-color fandoms. The book provides a range of examples of artists and writers working in this vein, as well as academic essays that explore the ways in which fandom can be theorized as a methodology for art practice and art history. *Fandom*

as Methodology proposes that many artists and art writers already draw on affective strategies found in fandom. With the current focus in many areas of art history, art writing, and performance studies around affective engagement with artworks and imaginative potentials, fandom is a key methodology that has yet to be explored. Interwoven into the academic essays are lavishly designed artist pages in which artists offer an introduction to their use of fandom as methodology. Contributors Taylor J. Acosta, Catherine Grant, Dominic Johnson, Kate Random Love, Maud Lavin, Owen G. Parry, Alice Butler, SooJin Lee, Jenny Lin, Judy Batalion, Ika Willis. Artists featured in the artist pages Jeremy Deller, Ego Aghaiwe Sowinski, Anna Bunting-Branch, Maria Fusco, Cathy Lomax, Kamau Amu Patton, Holly Pester, Dawn Mellor, Michelle Williams Gamaker, The Women of Colour Index Reading Group, Liv Wynter, Zhiyuan Yang

I Love Jesus, But I Want to Die

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

Rewire Your Brain

How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be “hardwired” to function in predetermined ways. It turns out that’s not true. Your brain is not hardwired, it’s “softwired” by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: *Brain-Based Therapy-Adult*, *Brain-Based Therapy-Child*, *Improving Your Memory For Dummies* and *Heal Your Anxiety Workbook* Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, *Rewire Your Brain* will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

Pure Sin

Ariana Osgood is one the more popular girls on campus and is a member of the best secret society. She is also in love with a hot guy. But Lexa Greene knows a terrible secret about her. Will she be able to keep up the facade ... or is her house of cards about to tumble around her?

Legacy

Everyone at Easton Academy is struggling to recover from the death of Cheyenne Martin - especially the girls of Billings Hall. With Cheyenne gone, they need to elect a new leader, and who better than Reed Brennan, the ultimate Billings Girl? Reed revels in her new-found status but she knows that

Billings leaders have a tainted legacy. Now that Reed has everything she's ever wanted, she's got everything to lose. And she's about to find out just how tough it is at the top...

The Posthuman

The Posthuman offers both an introduction and major contribution to contemporary debates on the posthuman. Digital 'second life', genetically modified food, advanced prosthetics, robotics and reproductive technologies are familiar facets of our globally linked and technologically mediated societies. This has blurred the traditional distinction between the human and its others, exposing the non-naturalistic structure of the human. The Posthuman starts by exploring the extent to which a post-humanist move displaces the traditional humanistic unity of the subject. Rather than perceiving this situation as a loss of cognitive and moral self-mastery, Braidotti argues that the posthuman helps us make sense of our flexible and multiple identities. Braidotti then analyzes the escalating effects of post-anthropocentric thought, which encompass not only other species, but also the sustainability of our planet as a whole. Because contemporary market economies profit from the control and commodification of all that lives, they result in hybridization, erasing categorical distinctions between the human and other species, seeds, plants, animals and bacteria. These dislocations induced by globalized cultures and economies enable a critique of anthropocentrism, but how reliable are they as indicators of a sustainable future? The Posthuman concludes by considering the implications of these shifts for the institutional practice of the humanities. Braidotti outlines new forms of cosmopolitan neo-humanism that emerge from the spectrum of post-colonial and race studies, as well as gender analysis and environmentalism. The challenge of the posthuman condition consists in seizing the opportunities for new social bonding and community building, while pursuing sustainability and empowerment.

Perfect Mistake

MAKE NEW FRIENDS AND KILL THE OLD.... Ariana Osgood has everything she's ever wanted. A place at elite Atherton-Pryce boarding school. Fabulous friends. A new crush. And most importantly, a new identity. Now that she's officially become Briana Leigh Covington, Ariana's troubled past is dead and buried. Or is it? When the one person who knows her secret arrives on campus, Ariana decides it's time to say good-bye to her ex-best friend -- forever. From the author of the bestselling PRIVATE novels comes a series about the dark world of wealth, secrets, and PRIVILEGE.

Acting Class

From the acclaimed author of Sabrina, Nick Drnaso's Acting Class creates a tapestry of disconnect, distrust, and manipulation. Ten strangers are brought together under the tutelage of John Smith, a mysterious and morally questionable leader. The group of social misfits and restless searchers have one thing in common: they are out of step with their surroundings and desperate for change. A husband and wife, four years into their marriage and simmering in boredom. A single mother, her young son showing disturbing signs of mental instability. A peculiar woman with few if any friends and only her menial job keeping her grounded. A figure model, comfortable in his body and ready for a creative challenge. A worried grandmother and her adult granddaughter; a hulking laborer and gym nut; a physical therapist; an ex-con. With thrumming unease, the class sinks deeper into their lessons as the process demands increasing devotion. When the line between real life and imagination begins to blur, the group's deepest fears and desires are laid bare. Exploring the tension between who we are and how we present, Drnaso cracks open his characters' masks and takes us through an unsettling American journey.

What He Wants

Christo's life fell apart when his partner of eight years walked out on him. There wasn't even a reason for it: sometimes love just fades, as quickly and mysteriously as it appears in the first place. Enter Damien. Damien's the guy with a different man on his arm for every event, he's smooth and arrogant and always impeccably turned out. Christo hates him. But God, he's gorgeous. Damien could be exactly what Christo needs to get him over John. It's only going to be a fling. Nothing serious, nothing that will affect their working relationship or the rest of their lives. So why are they fighting through the night rather than letting go and walking away? Why does Damien's secretive nature bug Christo so much? And why does he even care that the other man might not be as tough as he pretends to be?

She's So Dead to Us

Ally Ryan would rather be in Maryland. She would rather be anywhere, in fact, than Orchard Hill, site of her downfall. Well, not hers exactly—but when your father's hedge fund goes south and all your friends lose their trust funds, things don't look so sunny for you. Her mother moved her to Maryland to flee the shame, but now they're moving back. Back to the country-club, new-car-every-year, my-family-came-over-on-the-Mayflower lifestyle that Ally has outgrown. One bright spot, however, is gorgeous, intense Jake Graydon. But it won't be easy for the two of them to be together—not if his friends (her former friends) have anything to say about it. Is Ally ready to get thrown back into the drama of the life she left behind?

Little Girl Lost

This New York Times bestseller is perfect for fans of Tana French and Dennis Lehane. Midwinter. A child is found wandering through the snowy woods, her hands covered in someone else's blood. And she cannot—or will not—speak, not even to share her name. Who is this little girl lost? The only adult she seems to trust is the young officer who found her, Detective Lucy Black. Before long, Lucy manages to connect her case to that of a missing teenager, the kidnapped daughter of a local real estate tycoon. As the investigation twists and turns, Lucy is forced to question not only a range of dangerous suspects, but also everything she thought she knew about her own past.

The Shadowlands

Lief, Barda and Jasmine have two parts of the fabled Pirran Pipe. Now they must seek the final part on the emerald isle of Keras. The Pipe is their only chance of saving the thousands of Deltorans enslaved in the Shadowlands, for it is said to be the only thing the Shadow Lord fears in his own domain. But can the Pipe be made whole? And if it can, will its ancient magic still prevail against the enemy's sorcery? Or are the companions walking into a trap? Filled with doubts they move on, knowing that, whatever happens, their quest will end in the darkness and horror of the Shadowlands itself.

The Fellowship of the Ring

'The Fellowship of the Ring' is the first part of JRR Tolkien's epic masterpiece 'The Lord of the Rings'. This 50th anniversary edition features special packaging and includes the definitive edition of the text.|PB

Small Angels

In a hypnotic tale of sisterhood, first love, and hauntings, a wedding in a small English village stirs up unsettling magic and forces a troubled family's secrets out into the open. "This beautifully written modern ghost story is an enchanting place to get lost."—Danielle Trussoni, *The New York Times Book Review* "A twisting gothic tale of darkness, intrigue, heartbreak, and revenge."—Jennifer Saint, author of *Ariadne* The woods are stirring again. . . . Lucia and her sisters grew up on the edge of Mockbeggar Woods. They knew it well—its danger, but also its beauty. As a lonely teenager, Kate was drawn to these sisters, who were unlike anyone she'd ever met. But when they brought her into the woods, something dark was awakened, and Kate has never been able to escape the terrible truth of what happened there. Chloe has been planning her dream wedding for months. She has the dress, the flowers, and the perfect venue: Small Angels, a charming old church set alongside dense, green woods in the village that her fiancé, Sam, and his sister, Kate, grew up in. But days before the ceremony, Chloe starts to learn of unsettling stories about Small Angels and Mockbeggar Woods. And worse, she begins to see, smell, and hear things that couldn't possibly be real. Now, Kate is returning home for the first time in years—for Sam and Chloe's wedding. But the woods are stirring again, and Kate must reconnect with Lucia, her first love, to protect Chloe, the village, and herself. An unforgettable novel about the memories that hold us back and those that show us the way forward, this is storytelling at its most magical. Enter Small Angels, if you dare.

Shadows in the Mist

Kept a secret for sixty years, and buried deep beneath the soil in Germany, is a Nazi relic that is so potentially dangerous that some wish to bury the truth forever and others plan to use it to unleash hell on Earth.

The Grapes of Wrath

Novel about the plight of American farmers who were forced off their farms by drought and foreclosure during the 1930's.

Talk Sweetly to Me

Nobody knows who Miss Rose Sweetly is, and she prefers it that way. She's a shy, mathematically-minded shopkeeper's daughter who dreams of the stars. Women like her only ever come to attention through scandal. She'll take obscurity, thank you very much. All of England knows who Stephen Shaughnessy is. He's an infamous advice columnist and a known rake. When he moves into the house next door to Rose, she discovers that he's also wickedly funny, devilishly flirtatious, and heart-stoppingly handsome. But when he takes an interest in her mathematical work, she realizes that Mr. Shaughnessy isn't just a scandal waiting to happen. He's waiting to happen to her...and if she's not careful, she'll give in to certain ruination. Talk Sweetly to Me is the final novella in The Brothers Sinister series. The other books in the series are: ½. The Governess Affair (prequel novella) 1. The Duchess War 1½. A Kiss for Midwinter (a companion novella to The Duchess War) 2. The Heiress Effect 3. The Countess Conspiracy 4. The Suffragette Scandal 4½. Talk Sweetly to Me

The Governess Affair

The start of a critically acclaimed historical romance series by New York Times bestselling author Courtney Milan... Hugo Marshall earned the nickname "the Wolf of Clermont" for his ruthless ambition--a characteristic that has served him well, elevating the coal miner's son to the right hand man of a duke. When he's ordered to get rid of a pestering governess by fair means or foul, it's just another day at work. But after everything Miss Serena Barton has been through at the hands of his employer, she is determined to make him pay. She won't let anyone stop her--not even the man that all of London fears. They might call Hugo Marshall the Wolf of Clermont, but even wolves can be brought to heel... The books in the Brothers Sinister series: ½. The Governess Affair (free prequel novella) 1. The Duchess War 1½. A Kiss for Midwinter (a companion novella to The Duchess War) 2. The Heiress Effect 3. The Countess Conspiracy 4. The Suffragette Scandal 4½. Talk Sweetly to Me

The Duchess War

Miss Minerva Lane is a quiet, bespectacled wallflower, and she wants to keep it that way. After all, the last time she was the center of attention, it ended badly--so badly that she changed her name to escape her scandalous past. Wallflowers may not be the prettiest of blooms, but at least they don't get trampled. So when a handsome duke comes to town, the last thing she wants is his attention. But that is precisely what she gets. Because Robert Blaisdell, the Duke of Clermont, is not fooled. When Minnie figures out what he's up to, he realizes there is more to her than her spectacles and her quiet ways. And

he's determined to lay her every secret bare before she can discover his. But this time, one shy miss may prove to be more than his match... The books in the Brothers Sinister series: ½. The Governess Affair (free prequel novella) 1. The Duchess War 1½. A Kiss for Midwinter (a companion novella to The Duchess War) 2. The Heiress Effect 3. The Countess Conspiracy 4. The Suffragette Scandal 4½. Talk Sweetly to Me

The Suffragette Scandal

An idealistic suffragette... Miss Frederica "Free" Marshall has put her heart and soul into her newspaper, known for its outspoken support of women's rights. Naturally, her enemies are intent on destroying her business and silencing her for good. Free refuses to be at the end of her rope...but she needs more rope, and she needs it now. ...a jaded scoundrel... Edward Clark's aristocratic family abandoned him to die in a war-torn land, so he survived the only way he could: by becoming a rogue and a first-class forger. When the same family that left him for dead vows to ruin Miss Marshall, he offers his help. So what if he has to lie to her? She's only a pawn to use in his revenge. ...and a scandal seven years in the making. But the irrepressible Miss Marshall soon enchants Edward. By the time he realizes that his cynical heart is hers, it's too late. The only way to thwart her enemies is to reveal his scandalous past...and once the woman he loves realizes how much he's lied to her, he'll lose her forever. The Suffragette Scandal is the fourth full-length historical romance in The Brothers Sinister series. The other books in the series are: ½. The Governess Affair (a prequel novella) 1. The Duchess War 1½. A Kiss for Midwinter (a companion novella to The Duchess War) 2. The Heiress Effect 3. The Countess Conspiracy 4. The Suffragette Scandal 4½. Talk Sweetly to Me (a coda to The Brothers Sinister Series) The Suffragette Scandal was originally listed as The Mistress Rebellion in some promotional materials, but the title has changed.

A Kiss for Midwinter

Miss Lydia Charingford is always cheerful, and never more so than at Christmas time. But no matter how hard she smiles, she can't forget the youthful mistake that could have ruined her reputation. Even though the worst of her indiscretion was kept secret, one other person knows the truth of those dark days: the sarcastic Doctor Jonas Grantham. She wants nothing to do with him...or the butterflies that take flight in her stomach every time he looks her way. Jonas Grantham has a secret, too: He's been in love with Lydia for more than a year. This winter, he's determined to conquer her dislike and win her for his own. And he has a plan to do it. If only his plans didn't so often go awry... The books in the Brothers Sinister series: ½. The Governess Affair (free prequel novella) 1. The Duchess War 1½. A Kiss for Midwinter (a companion novella to The Duchess War) 2. The Heiress Effect 3. The Countess Conspiracy 4. The Suffragette Scandal 4½. Talk Sweetly to Me

The Countess Conspiracy

Sebastian Malheur is the most dangerous sort of rake: an educated one. When he's not scandalizing ladies in the bedchamber, he's outraging proper society with his scientific theories. He's desired, reviled, acclaimed, and despised—and he laughs through it all. Violet Waterfield, the widowed Countess of Cambury, on the other hand, is entirely respectable, and she'd like to stay that way. But Violet has a secret that is beyond ruinous, one that ties her irrevocably to England's most infamous scoundrel: Sebastian's theories aren't his. They're hers. So when Sebastian threatens to dissolve their years-long conspiracy, she'll do anything to save their partnership...even if it means opening her vulnerable heart to the rake who could destroy it for good. The books in the Brothers Sinister series: ½. The Governess Affair (free prequel novella) 1. The Duchess War 1½. A Kiss for Midwinter (a companion novella to The Duchess War) 2. The Heiress Effect 3. The Countess Conspiracy 4. The Suffragette Scandal 4½. Talk Sweetly to Me

The Brothers Sinister

This is the complete boxed set of Courtney Milan's acclaimed Brothers Sinister Series – four full length books, three novellas – together, almost half a million words. The Governess Affair Miss Serena Barton intends to hold the petty, selfish duke who had her sacked responsible for his crimes. But the man who handles all the duke's dirty business has been ordered to get rid of her by fair means or foul. She'll have to prove more than his match... The Duchess War The last time Minerva Lane she was the center of attention, it ended badly—so badly that she changed her name to escape her scandalous past. So when a handsome duke comes to town, the last thing she wants is his attention. But that is precisely

what she gets... A Kiss for Midwinter Miss Lydia Charingford does her best to forget the dark secret that nearly ruined her life, hiding it beneath her smiles. But someone else knows the truth of those dark days: the sarcastic Doctor Jonas Grantham. She wants nothing to do with him...or the butterflies that take flight in her stomach every time he looks her way... The Heiress Effect Miss Jane Fairfield does everything wrong in society--intentionally. Mr. Oliver Marshall does everything right. So why is it, then, that the one woman he can't forget is the exact opposite of what he needs? The Countess Conspiracy Sebastian Malheur is the most dangerous sort of rake. Violet Waterfield, the widowed Countess of Cambury, on the other hand, is entirely respectable--and she'd like to stay that way. Their association would be scandalous even if someone suspected lies. But the truth about the secrets they share will bring England to its knees... The Suffragette Scandal A suffragette meets a scoundrel, and as scoundrels do, he lies to her, attempts to blackmail her...and falls in love with her against his better judgment. By the time he realizes that his cynical heart is hers, it's too late. Once the woman he loves realizes how much he's lied to her, he'll lose her forever. Talk Sweetly to Me Miss Rose Sweetly is a shy, mathematically-minded shopkeeper's daughter who dreams of the stars. When Stephen Shaughnessy, infamous advice columnist and known rake, moves next door, she knows she should avoid him. But you know what they say about the best-laid plans of mice and astronomers...

The Heiress Effect

Miss Jane Fairfield has made a career of social disaster. She wears outrageous gowns and says even more outrageous things. The only reason she's invited anywhere is because of her immense dowry--which is all part of her plan to avoid marriage and keep the fortune-hunters at bay. Mr. Oliver Marshall is the illegitimate son of a duke. His acceptance in society is tenuous as it is. If he wants any kind of career at all, he must do everything right. He doesn't need to come to the rescue of the wrong woman. He certainly doesn't need to fall in love with her. But there's something about the lovely, courageous Jane that he can't resist...even though it could mean the ruin of them both. The books in the Brothers Sinister series: ½. The Governess Affair (free prequel novella) 1. The Duchess War 1½. A Kiss for Midwinter (a companion novella to The Duchess War) 2. The Heiress Effect 3. The Countess Conspiracy 4. The Suffragette Scandal 4½. Talk Sweetly to Me

A Right Honorable Gentleman

Miss Catherine Hooks is one of the best governesses in all of England; her employer, the Right Honorable Edward Glennon, is one of the busiest men. The fact that they've fallen in love is immaterial. Honorable people in their situation do not mention such things. But Edward's son is on the verge of leaving for school, and when Cat asks for the only thing she can demand under the circumstances—a reference and help finding a new position—she discovers that even a right honorable gentleman has his limits... A Right Honorable Gentleman is a short story of about 7,000 words long, and was previously available in the anthology "Premiere."

Trade Me

Tina Chen just wants a degree and a job, so her parents never have to worry about making rent again. She has no time for Blake Reynolds, the sexy billionaire who stands to inherit Cyclone Systems. But when he makes an off-hand comment about what it means to be poor, she loses her cool and tells him he couldn't last a month living her life. To her shock, Blake offers her a trade: She'll get his income, his house, his car. In exchange, he'll work her hours and send money home to her family. No expectations; no future obligations. But before long, they're trading not just lives, but secrets, kisses, and heated nights together. No expectations might break Tina's heart...but Blake's secrets could ruin her life. Trade Me is the first book in the Cyclone series.

Once Upon a Marquess

The last man Judith Worth wants to see again is Charles Trent, the Marquess of Ashford—the man who spent summers at her family home, who kissed her one magical night...and then heartlessly ruined her father. But when a tricky business matter arises, he's the only one she can ask for help. She expects that he'll engage a servant to take care of the matter, and she won't even have to talk with him. But Ashford has never forgotten Judith. He knows she will never forgive him for what he's done, but when offered the chance to assist her, he arrives in person. His memory of Judith may have haunted him, but it pales in comparison to the reality of the vivacious, beautiful woman he rediscovers. Throughout his life, he has always done what is correct. But now, he finds himself doing something utterly wrong...falling in

love with the one woman he can never have. *Once Upon a Marquess* is the first book in the Worth Saga. The second book, *After the Wedding*, is available now.

Blood Brothers

A Liverpudlian *West Side Story*, *Blood Brothers* is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. *Blood Brothers* was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

The Brothers Karamazov

The Brothers Karamazov, also translated as *The Karamazov Brothers*, is the final novel by the Russian author Fyodor Dostoyevsky. Dostoyevsky spent nearly two years writing *The Brothers Karamazov*, which was published as a serial in *The Russian Messenger* and completed in November 1880. The author died less than four months after its publication. *The Brothers Karamazov* is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, judgement, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed as one of the supreme achievements in world literature.

Proof by Seduction

It's not easy for a woman with neither money nor family to make her own way in the world, but as one of London's premier fortune-tellers, Jenny Keeble has managed precisely that. All she has to do is smile sweetly, listen carefully, and tell her clients precisely what they want to hear. It works...until Gareth Carhart, the scientifically-minded Marquess of Blakely, decides to prove that she's a fraud. At first, all Gareth wants is to free his gullible cousin from Jenny's clutches. But he discovers that she's clever, spirited, beautiful, and not at all the conniving liar that he initially imagined. Still, there's nothing logical about his attraction to her, and so he refuses to give in to it. He's vowed to ruin her, so he will-even if he has to break his own heart in the process. This is an enhanced ebook. In addition to the text of the book itself, it contains pictures, audio, and author commentary. You can read this enhanced ebook on any device, but the audio content may not be accessible on all ereaders. That content has been made available on the web, so you won't miss anything if your device doesn't support audio. *Proof by Seduction* is the first full-length book in the Carhart series. The full series is: - *This Wicked Gift*, a prequel novella - *Proof by Seduction* - *Trial by Desire*

Under the Milky Way

Nothing ever happens in Dawson, Colorado. Until high school senior Cassidy Roekiem's mom checks into a "wellness center," but nothing is wrong with her. Then people start seeing lights in the sky and missing chunks of time, but the town insists nothing is going on. And now Hayden, the new boy at school who keeps to himself and is more than a little mysterious, starts to notice her like it's nothing out of the ordinary. Suddenly, "nothing" is starting to feel a whole lot like something. And everything leads back to Hayden. The boy she's starting to fall for. The boy with too many dark secrets for his kind heart. The boy she's pretty sure isn't human...

Unveiled

Of all Ash Turner's accomplishments, stealing a dukedom from his old enemy is by far the most brazen. Now that he's been recognized as the heir, nothing remains but to head to Parford Manor and survey the estate that will be his. He expects opposition. He gets Lady Margaret. Margaret lost everything when Ash claimed the dukedom: her dowry, her legitimacy, and her place in society. Now Ash wants to take her family home, too. She disguises herself as a nurse, determined to learn his weaknesses. But the closer she comes to Ash, the greater the pull of his reckless charm. If she wants to reclaim what she has lost, her only choice is to betray the man she is beginning to love... This is an enhanced ebook. The Perfectly Imperfect Match

Pitcher Dylan Dennings has his future all mapped out: make the minors straight out of high school, work his way up the farm system, and get called up to the majors by the time he's twenty-three. The Plan has been his sole focus for years, and if making his dreams come true means instituting a strict "no girls" policy, so be it. Lucy Foster, needlepoint ninja, big sister to an aspiring pitcher, and chicken advocate, likes a little mayhem. So what if she gets lost taking her brother to baseball camp...at her own high school? The pitching coach, some hotshot high school player, obviously thinks she's a hot mess. Too bad he's cute, because he's so not her type. Problem is, they keep running into each other, and every interaction sparks hotter than the last. But with Dylan's future on the line, he has to decide whether some rules are made to be broken... Disclaimer: This book contains a crazy night of moonlit skinny-dipping, a combustible crush, and kisses swoony enough to unwind even the most Type A athlete. Each book in the Suttonville Sentinels series is STANDALONE: * The Bad Boy Bargain * Swinging at Love * The Perfectly Imperfect Match

The Devil Comes Courting

Captain Grayson Hunter knows the battle to complete the first worldwide telegraphic network will be fierce, and he intends to win it by any means necessary. When he hears about a reclusive genius who has figured out how to slash the cost of telegraphic transmissions, he vows to do whatever it takes to get the man in his employ. Except the reclusive genius is not a man, and she's not looking for employment. Amelia Smith was taken in by English missionaries as a child. She's not interested in Captain Hunter's promises or his ambitions. But the harder he tries to convince her, the more she realizes that there is something she wants from him. She wants everything. And she'll have to crack the frozen shell he's made of his heart to get it.

A Midsummer-night's Dream

Nineteen Eighty-Four (1949) was George Orwell's final novel and was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period.

Nineteen Eighty-Four

Mrs. Bertrice Martin—a widow, some seventy-three years young—has kept her youthful-ish appearance with the most powerful of home remedies: daily doses of spite, regular baths in man-tears, and refusing to give so much as a single damn about her Terrible Nephew. Then proper, correct Miss Violetta Beauchamps, a sprightly young thing of nine and sixty, crashes into her life. The Terrible Nephew is living in her rooming house, and Violetta wants him gone. Mrs. Martin isn't about to start giving damns, not even for someone as intriguing as Miss Violetta. But she hatches another plan—to make her nephew sorry, to make Miss Violetta smile, and to have the finest adventure of all time. If she makes Terrible Men angry and wins the hand of a lovely lady in the process? Those are just added bonuses. Author's Note: Sometimes I write villains who are subtle and nuanced. This is not one of those times. The Terrible Nephew is terrible, and terrible things happen to him because he deserves them. Sometime villains really are bad and wrong, and sometimes, we want them to suffer a lot of consequences.

Mrs. Martin's Incomparable Adventure

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

A Little Life

Penelope Fletcher gave up everything to board the RMS Titanic. Forced to travel to America for her father's new job, Penelope left her home in Scotland, her beloved grandmother, and even her girlfriend, who promptly got engaged to someone else. Heartbroken, Penelope isn't looking forward to the weeklong journey. Or that her parents want her to find a husband in America. To make matters worse, she also has to share a cabin with a complete stranger. Ruby Cole, her spunky Irish roommate,

is unlike anyone Penelope ever met. They become fast friends as they bond over crushing family expectations and sneaking into lush parties together. That Ruby likes women, too, comes as a surprise to Penelope, but she knows their affair can only be temporary. Because as soon as the Titanic arrives in New York, Penelope will have to marry someone of her father's choosing. Before long, though, they'll both have to decide what—and who—is really worth fighting for.

After the Wedding

In the three years since her husband left her, Lady Kate Carhart has managed to forge a fulfilling life for herself. But when Ned Carhart unexpectedly returns, she finds her tranquility uprooted—and her deepest secrets threatened. Though she has no intention of falling for Ned's charms, Kate can no longer deny the desire that still burns in her heart. Ned is determined to regain his wife's trust by using unbridled seduction. But just as Kate surrenders to Ned's passion, her carefully guarded past threatens to destroy her. Now Kate must place her faith in the only man she's ever loved, and the only one who has ever betrayed her....

The Breath Between Waves

Contemporary / British English Gordie Lanchance and his three friends are always ready for adventure. When they hear about a dead body in the forest they go to look for it. Then they discover how cruel the world can be.

Trial by Desire

This beguiling pair of novels from author Mary Blayney delivers a double dose of romance and intrigue as two people from one extraordinary family find themselves on the right—and wrong—sides of love, and the law.... **Traitor's Kiss** When an enigmatic beauty rescues accused traitor Lord Gabriel Pennistan from a French prison cell, it's just the beginning of an adventure in mystery and seduction. For Gabriel has no idea who Charlotte Parnell is, or why she has saved him... and Charlotte has underestimated the sensual stranger who awakens in her a passion that culminates in a night of exquisite lovemaking. But when she abruptly vanishes, Gabriel will not rest until he finds her—no matter what the cost.... **Lover's Kiss** In her worst nightmares, Lady Olivia Pennistan never imagined she would be kidnapped. And retired soldier Michael Garrett never expected to be her rescuer. But he could hardly ignore the naked young beauty scrambling through the forest. Neither anticipates sharing a kiss—or wanting another. The final surprise comes when Garrett is hired to protect Olivia and her family from the insidious threats that persist. As their simmering attraction ignites, rumors of Olivia's indiscretion surface—rumors she longs to make come true....

The Body

This beautiful HarperCollins Children's Modern Classics edition is perfect for every bookshelf.

Traitor's Kiss/Lover's Kiss

The first time I saw Skull, he was standing atop a speeding motorcycle. The second time, he was putting his fist through my brother's face. Now he's everywhere I look. He's making my life hell with his vulgar remarks and seductive lure, but it's not my fault my brother joined The Border Lords, his rival crew. I keep my nose out of their business and my head in the books, yet he's always there provoking me. Dragging me into their conflict. Everyone in town knows you don't mess with the Sons of Sinister, but no one ever told me what to do when a Son of Sinister messes with me. New York Times bestselling author Tabatha Vargo invites you to fall in love with the Sons of Sinister! A new adult spin on MC books with all the grunge, angst, and dirty, foul-mouthed biker boys who know how to handle curves. The Sons of Sinister consists of four standalone novels. Shattered Skull, Dirty Saint, Ruthless Crow, & Joker's Wild. This series is the Blow Hole Boys meets crotch rockets meets naughty, bully bastards who don't give a f*ck and the good girls who can't help but fall for them! They run the streets, the money, and can outride any other crew on the streets.

The Phantom Tollbooth

"A strange plague called the 'Gets is decimating humanity on a global scale. It causes people to forget--small things at first, like where they left their keys, then the not-so-small things like how to drive or the letters of the alphabet. Then their bodies forget how to function involuntarily. There is no cure. But

far below the surface of the Pacific Ocean, a universal healer hailed as 'ambrosia' has been discovered. In order to study this phenomenon, a special research lab has been built eight miles under the sea's surface. When the station goes incommunicado, a brave few descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths...and perhaps to encounter an evil blacker than anything one could possibly imagine"--Page [4] of cover.

Shattered Skull

A Kirkus Best Book of 2017 * A New York Public Library Best Book of the Year * An ALA/YALSA Best Fiction for Young Adults Selection Read the book Morris Award finalist Sonia Patel called "a brilliant, subtle debut," and Kirkus hailed as "heart-wrenching, funny, hopeful, and not-to-be-missed" in a starred review! *The Closest I've Come* is a must-read from talented first-time author Fred Aceves, in the tradition of Walter Dean Myers. Marcos Rivas yearns for love, a working cell phone, and maybe a pair of sneakers that aren't falling apart. But more than anything, Marcos wants to get out of Maesta, his hood, away from his indifferent mom and her abusive boyfriend—which seems impossible. When Marcos is placed in a new after-school program, he meets Zach and Amy, whose friendship inspires Marcos to open up to his Maesta crew, too, and starts to think more about his future and what he has to fight for. Marcos ultimately learns that bravery isn't about acting tough and being macho; it's about being true to yourself. *The Closest I've Come* is a story about traversing real and imagined boundaries, about discovering new things in the world, and about discovering yourself, too.

The Deep

Jessica Farleigh is desperate. She's a courtesan, and when she's asked to seduce Sir Mark and destroy his good name in exchange for enough money to solve all her problems, she agrees. There is, after all, no such thing as a good man, and she should know. She's known men all her life. Sir Mark Turner wrote the book on male chastity—literally—and made a name for himself as an upright moralist. But he's also a romantic, and he's been waiting for the right woman to share his life, his heart, and yes, his bed. Jessica can't fall in love with him. She can't let herself respect him. And by the time she realizes she's in love with him, it's too late. The only way to win the freedom she needs is to destroy the most honorable man she's ever met. Note: This book was originally released in 2011. This is a rerelease with an added epilogue.

The Closest I've Come

After a year of grand adventures touring the classical ruins of Italy and Greece, Iphigenia Bright returned to England to discover that the real excitement was at home. It seems that her Aunt Zoe has fallen victim to a sinister blackmailer and only Iphigenia can hope to stop the culprit before he can do more harm. Her plan is inspired: Imitating history's most legendary beauties--Cleopatra, Helen of Troy, Aphrodite--the former schoolmistress will remake herself, and descend upon London Society as the dazzling mistress of Marcus Valerius Cloud, the infamous Earl of Masters. Rumors hint that the Earl has disappeared at the blackmailer's hands, and by posing as his unknown mistress, Iphigenia is convinced she can ferret out the villain. Overnight, Iphigenia is transformed into a vision with a host of eager admirers, including one she does not expect -- the Earl of Masters himself, who strides into a shimmering ballroom one evening to coolly reclaim his "mistress". He is everything they say he is... arrogant, attractive, devastatingly seductive, and Iphigenia can't help but be enthralled. But when Marcus agrees to play along with her charade, she doesn't know that the determined earl has plans of his own: to tease and tempt her, until the beautiful deceiver becomes more than his mistress in name only.

One of PureWow's "20 Books We Can't Wait to Read in 2018" and "Books to Read in April" • One of InStyle UK's "Best New Books to Read in 2018" • One of LitHub's 20 Books You Should Read This April • One of Bustle's "5 Gripping Memoirs Under 300 Pages To Read In One Weekend" A memoir of growing up on the run—and what happens when it comes to a stop. "Lucid, tender, exquisitely re-imagined, and compulsively readable." —Jessica Nelson, author of *If Only You People Could Follow Directions* "In this wondrous and richly detailed coming of age story, Tyler Wetherall follows the breadcrumbs of her childhood to discover a family home that is unlike any other." —Katy Lederer, author of *Poker Face* Tyler had lived in thirteen houses and five countries by the time she was nine. A willful and curious child, she never questioned her strange upbringing, that is, until Scotland Yard showed up outside her ramshackle English home, and she discovered her family had been living a lie: Her father was a fugitive and her

name was not her own. In sunny California, ten years earlier, her father's criminal organization first came to the FBI's attention. Soon after her parents were forced on the run taking their three young children with them, and they spent the following years fleeing through Europe, assuming different identities and hiding out in a series of far-flung places. Now her father was attempting one final escape—except this time, he couldn't take her with him. In this emotionally compelling and gripping memoir, Tyler Wetherall brings to life her fugitive childhood, following the threads that tie a family together through hardship, from her parents' first meeting in 1960s New York to her present life as a restless writer unpacking the secrets of her past. *No Way Home* is about love, loss, and learning to tell the story of our lives.

Mistress

Willow Figure skating was supposed to be my whole world. One unlucky injury and I'm down...but I'm definitely not out. I just need to rehab—a boatload of it. But who'd have thought I could do it on the boys' hockey team? Of course, the infuriatingly hot captain of the team seems to think I'm nothing but sequins and twirls. Now the only thing a girl can do is put him in his place. Game on. Brodie Hockey is my whole world. I've worked my tail off getting my team in a position to win the championships—and impress major college scouts. So what's a guy to do when a figure skater ends up as our new goalie? Of course, the distractingly sexy skater thinks I'm a testosterone-laced bro with a competitive streak. But I'm almost certain she's just biding her time to heal, then she's gone. Game over.

No Way Home

From the best-selling author of *One Day* comes a bittersweet and brilliantly funny coming-of-age tale about the heart-stopping thrill of first love--and how just one summer can forever change a life. Now: On the verge of marriage and a fresh start, thirty-eight year old Charlie Lewis finds that he can't stop thinking about the past, and the events of one particular summer. Then: Sixteen-year-old Charlie Lewis is the kind of boy you don't remember in the school photograph. He's failing his classes. At home he looks after his depressed father--when surely it should be the other way round--and if he thinks about the future at all, it is with a kind of dread. But when Fran Fisher bursts into his life and despite himself, Charlie begins to hope. In order to spend time with Fran, Charlie must take on a challenge that could lose him the respect of his friends and require him to become a different person. He must join the Company. And if the Company sounds like a cult, the truth is even more appalling: The price of hope, it seems, is Shakespeare, *Romeo and Juliet* learned and performed in a theater troupe over the course of a summer. Now: Charlie can't go the altar without coming to terms with his relationship with Fran, his friends, and his former self. Poignant, funny, enchanting, devastating, *Sweet Sorrow* is a tragicomedy about the rocky path to adulthood and the confusion of family life, a celebration of the reviving power of friendship and that brief, searing explosion of first love that can only be looked at directly after it has burned out.

In the Penalty Box

SHORTLISTED FOR THE 2012 COSTA FIRST NOVEL AWARD ON AN ISLAND OFF THE EDGE OF THE MAP, *BOYS ARE DISAPPEARING*. The day the tall men come from the mainland to trade, Mary's little brother goes missing. She needs to find him. She needs to know a secret that no-one else can tell her. Jess Richards' stunning debut will show you crows who become statues and sisters who get tangled in each other's hair, keys that talk and ghosts who demand to be buried. She combines a page-turning narrative and a startlingly original voice with the creation and subversion of myths.

Sweet Sorrow

"Derry and her eight siblings live in an isolated house by the lake, separated from the rest of the world by an eerie and menacing forest. They know it's for their own good. After all, the world isn't safe for people with magic. And Derry feels safe--most of the time. Until the night her eldest sister disappears. When a second sibling goes missing, feeling safe is no longer an option. Derry will risk anything to protect the family she has left. Even if that means returning to the forest that has started calling to Derry in her missing siblings' voices. As Derry spends more time amidst the trees, her magic grows more powerful . . . and so does the darkness inside her, the viciousness she wants to pretend doesn't exist. But saving her siblings from the forest might mean embracing the darkness. And that just might be the most dangerous thing of all."--Dust jacket flap.

Snake Ropes

**** A New York Times Bestseller ** NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: Time • The New Yorker • NPR • GQ • Elle • Vulture • Fortune • Boing Boing • The Irish Times • The New York Public Library • The Brooklyn Public Library** "A complex, smart and ambitious book that at first reads like a self-help manual, then blossoms into a wide-ranging political manifesto."—Jonah Engel Bromwich, The New York Times Book Review One of President Barack Obama's "Favorite Books of 2019" Porchlight's Personal Development & Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention, and our value is determined by our 24/7 data productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screed, or the back-to-nature meditation we read so often, *How to do Nothing* is an action plan for thinking outside of capitalist narratives of efficiency and techno-determinism. Provocative, timely, and utterly persuasive, this book will change how you see your place in our world.
