The British theatre

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world),

and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The British Theatre

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The British Theatre

First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

The British Theatre; Or, A Collection of Plays

Excerpt from The British Theatre, Vol. 7 of 25: Or a Collection of Plays, Which Are Acted at the Theatres Royal, Drury Lane, Covent Garden, and Haymarket This play is censured by some critics for its comic scenes - the tragic are so much superior, they want more of the last, and none of the first. But, more of Isabella, exquisite as she is, might cause satiety. The author in his work has given variety, and that variegated scene which nature gives. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The British Theatre, Or, a Collection of Plays, which are Acted at the Theatres Royal, Drury Lane, Covent Garden, and Haymarket, Printed Under Authority of the Managers from the Prompt Books; with Biographical and Critical Remarks by Mrs. Inchbald, in Twenty-five Volumes

The Encyclopedia of Romantic Literature is an authoritative three-volume reference work that covers British artistic, literary, and intellectual movements between 1780 and 1830, within the context of European, transatlantic and colonial historical and cultural interaction. Comprises over 275 entries ranging from 1,000 to 6,500 words arranged in A-Z format across three fully cross-referenced volumes Written by an international cast of leading and emerging scholars Entries explore genre development in prose, poetry, and drama of the Romantic period, key authors and their works, and key themes Also available online as part of the Wiley-Blackwell Encyclopedia of Literature, providing 24/7 access and powerful searching, browsing and cross-referencing capabilities

The British Theatre, Or, a Collection of Plays, which are Acted at the Theatres Royal, Drury Lane, Covent Garden, and Haymarket, Printed Under Authority of the Managers from the Prompt Books; with Biographical and Critical Remarks by Mrs. Inchbald, in Twenty-five Volumes

Excerpt from The British Theatre, Vol. 19 of 25: Or a Collection of Plays, Which Are Acted at the Theatres Royal, Drury Lane, Covent Garden, and Haymarket By some, this appellation was meant as an honour by Others, as a reproach to Warwick: but as, in the distribution of thrones, he never showed a wish to secure one for himself, it may fairly be supposed that he conscientiously gave the royal sceptre into that hand, which he hoped and believed best could wield it; his latent self love pointing out to him, alternately, that candidate as most worthy of the crown, who most revered his power and dignity. In this tragedy, the youthful, gay, and gallant Edward the Fourth, is, for the first and the last time, brought upon the stage in person; though a well known character, by description, in some of our best English dramas. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find
