Art Nouveau Posters (Art Colouring Book)

The bold and distinctive imagery in the adverts produced by the artists of the Art Nouveau period is a delight to behold and is now yours to recreate in this beautiful new book. Printed on high quality paper, there are 45 classic posters by the likes of Chéret, Toulouse-Lautrec and Mucha for you to colour, with suggestions too on how to start the colouring. This book will give you many hours of pleasure and calm, taking you on an enjoyable journey where the satisfaction of creating stunning artworks is mixed with rediscovering the joy of colouring. You can use a wide variety of pens: from gel and pencil, to pigment and crayons, from ballpoint and rollerball to highlighters, although it's best to avoid the heavy felt pens. Each page is perforated near the spine of the book, so you can tear out and frame or simply place your wonderful creation on the walls of your home, perhaps even send them as a gift to your loved ones. Bring the Ink to life!

Art Nouveau Colouring Book

More and more adults and older children are turning to colouring; a hobby that is nostalgic, creative and therapeutic all at the same time. The Art Nouveau Colouring Book provide beautiful Art Nouveau designs to colour that are a step beyond children's favourites. The paper is perfect for colouring using marker pens, coloured pencils, crayons or paints, and the designs are printed on just one side of the paper to avoid show-through. There are small, simple motifs that are perfect for colouring in when you have just a few minutes to spare, as well as more absorbing projects for when you have more time. At the front of the book are some ready-coloured images to inspire you, and if you want to colour a favourite image again, they can all be downloaded as PDFs from our website www.searchpress.com. Those who prefer to work onscreen can scan the images from the book and use their favourite software to colour them. Whether you colour for relaxation or wish to incorporate the pictures into larger, more creative projects, there is something for everyone in this beautiful book. Note: The designs used in this book were previously published as Art Nouveau Designs, in the Design Source Book series (published by Search Press, 2001).

Alphonse Mucha (Art Colouring Book)

Bring the ink to life! Mucha's distinctive style evoked a beautiful, spiritual life, and these gorgeous Art Nouveau masterpieces will provide hours of pleasure. Calming and relaxing, almost every type of pen,

ink and pencil can be used to bring joy to a fabulous journey of colouring. Each page is perforated, ready for you to frame.

Art Nouveau Windows Stained Glass Coloring Book

16 boldly outlined motifs depicting florals, vines and leaves; birds, mythical creatures, more. For coloring with crayon, felt-tip pens, acrylics, other media.

Aubrey Beardsley

Aubrey Vincent Beardsley (1872-1898) was a fashionable English illustrator and author associated with the aesthetic movement and the development of the art nouveau style. Known today and in his time as a master of black-ink line work executed with supple fluidity and slashing vigor, Beardsley veered away from Victorian convention, choosing instead to portray characters and scenes as he saw them. "Things shape themselves before my eyes just as I draw them. . . . They all seem weird and strange to me." He asserted that "the grotesque is the only alternative to the insipid commonplace." His fantastic illustrations expressed his appreciation of the unexpected, the erotic, the dark and decadent. Although he struggled with ill-health throughout his brief life-he was diagnosed with tuberculosis as a child and died of the disease at twenty-five-Beardsley was a prolific and well-known artist, and by his early twenties was the art editor of *The Yellow Book*, an avant-garde literary quarterly. His audacious style influenced artists of diverse genres, and whether despite or because of its modish affectedness, Beardsley's artwork continues to captivate audiences. This coloring book features a selection of twenty-five black-and-white illustrations published in late nineteenth- and early twentieth-century versions of literary works such as *Le Morte Darthur* by Sir Thomas Malory, *The Rape of the Lock* by Alexander Pope, and *Salomé* by Oscar Wilde.

ESCAPES Collage Art Coloring Book

Inspired by Art Nouveau posters, Japanese prints, vintage seed packets, and other sources, these 55 illustrations are rendered in a collage style that ranges from dramatic to playful. Meditative and

inspiring, each stunning design is printed horizontally and on one side of ivory-colored pages, which are perforated for easy removal and display.

Adult Coloring Book Vintage Series

The Masters of Fashion Illustration recreates some of the most iconic fashion magazine cover illustrations as a gorgeous new coloring book for adults. The book features 5 of the most prolific fashion artists of the art deco and art nouveau periods: Helen Dryden, Erte, George Wolfe Plank, Frank Leyendecker, and George Barbier. These artists appeared on the covers of the most popular fashion magazines of all time; magazines still being published today. Take a trip to the golden age of fashion illustration, before photography permanently took its place. Hand-drawn and lovingly reproduced by best-selling coloring book artist Wendy Piersall, these 30 highly detailed illustrations are true to the original works while being adapted specifically to be an absolute joy to color."

Art Nouveau Coloring - In The Spirit of Mucha

Find your Chill! Relax and express yourself with a beautifully illustrated coloring book from Color Me Chilled by artist Nancy Aurand-Humpf. This book features 24 detailed illustrations, based on the work of renowned Art Nouveau artist Alphonse Mucha. Full-color reference images are available on colorme-chilled.com to help you with your creative journey. About Mucha and Art Nouveau Alphonse Mucha was a Czech artist. He lived and studied in Paris during the Art Nouveau Period. From about 1890-1910, Art Nouveau was a popular style of design that featured graceful, flowing curves. It included decorative arts, architecture, jewelry, pottery, glass, and illustrations. Mucha became an overnight Paris sensation when he created an Art Nouveau poster of actress Sarah Bernhardt. Copies of the life-sized illustration hung all over the streets of Paris and caused an immediate stir. Alphonse Mucha went on to become the most prolific illustrator of the period. Coloring Recommendations The paper used in this book is sturdy but best suited for dry media. Markers also work well, but you should expect some bleed through. We recommend placing a sheet of cardstock in between pages to prevent colors from bleeding onto other pages.

Anton Seder

At the end of the nineteenth century, German artist and professor Anton Seder was appointed founding director of Strasbourgs College of Decorative Arts. Seder (1850-1916) developed the school as an influential artistic force in the Alsace-Lorraine region, creating work that bridged French and German artistic styles and contributed to the development of Art Nouveau. Among Seder's work from this time is *Die Pflanze in Kunst und Gewerbe* (The plant in art and trade), two volumes of approximately two hundred images, stunning in their artistry and graceful depiction of nature. One hundred thirty

years after its publication, this visual tour of the world's plants (and a few animals, if you look closely) represents some of the most vibrant work of the era. The illustrations in this colouring book come from a copy of *Die Pflanze* held in the collections of the British Library. One page at the back of the colouring book has been left blank, so that you can decoratively document the plant life that flourishes near you.

Alphonse Mucha's Art Nouveau

Inside these pages, you'll find over 30 beautiful monochrome prints by Art Nouveau master, Alphonse Mucha. The pictures were hand selected and edited for maximum coloring enjoyment. There's no right or wrong way to color, so grab your pencils and take a trip through time. Each coloring page is one sided for easy removal and display.

The Art of Fae Nouveau

In this companion piece to his acclaimed series of Art Nouveau inspired coloring books, Fae Nouveau and Faerie Nouveau, the artist, Herb Leonhard shares his own full-color versions of the images, as well as providing photographs, stories and personal commentary detailing their creation.

Colour Your Own Klimt

Create your own Gustav Klimt with 22 illustrations of his paintings to colour in. The Austrian symbolist painter Gustav Klimt was famous for his striking paintings, murals and sketches and remains one of Europe's most popular artists today. His iconic images are instantly recognizable, and this inspiring new colouring book contains a selection of Klimt's greatest works from the collection of the Belvedere Museum in Vienna. The book includes intricate illustrations of works such as *The Kiss*, *Portrait of Adele Bloch-Bauer*, *The Beethoven Frieze*, *Portrait of Fritz Riedler* and *Lake Attersee*. Each of the original artworks is reproduced in colour, so that you can decide whether you prefer to choose your own colours, or to use the colours that the artist intended. So grab your gold pen, and discover the therapeutic magic of colouring!

Art Deco Fashion (Art Colouring Book)

Featuring the stylish and delightful designs of Barbier and the artists of *Harpers' Bazaar*, this beautiful new book will give you many hours of pleasure, and calm. Printed on high quality paper, this new book features 45 powerful art deco fashion designs for you to colour, offering a suggestion of how the original looked as well as key information such as title and date. Barbier's famous illustrations of high culture still provide a powerful influence on modern design, and this wonderful book will take you on an enjoyable journey where the satisfaction of creating stunning artworks is mixed with rediscovering the joy of colouring. You can use a wide variety of pens: from gel and pencil, to pigment and crayons, from ballpoint and rollerball to highlighters, although it's best to avoid the heavy felt pens. Each page is perforated near the spine of the book, so you can tear out and frame, or simply place your wonderful creation on the walls of your home, perhaps even send them as a gift to your loved ones. Bring the Ink to life!

Artists Colouring Bks Barcelon

Each title contains 16 different sheets (format 25 x 34.5 cm) of superior acid-free drawing paper, printed with exceptional designs in very light lines. The printing is done in such a way that, depending on the techniques used, the original outline will be hardly visible after colouring.

The Art Deco Adult Coloring Book

Color your world with The Art Deco Adult Coloring Book! Relax and unwind with 25 gorgeous images from an era characterized by bold geometric shapes and lavish ornamentation. Abandon stress and embrace inner peace with beautiful illustrations from some of the period's most talented artists.

Goddesses Coloring Book

Thirty dynamic portraits of female deities range from the well-known Greek and Roman goddesses to legendary figures from Celtic, Norse, Egyptian, African, Native American, Asian, and other cultures. Brief captions.

Alphonse Mucha Coloring Book

Soft cover book with staple binding. 48 pages with 22 images to color. Coloring pages are blank on the back so they can be cut out and displayed.

Postcard Colouring Book

Colour it in psychedelic colours, in tasteful tones, in all shades of orange! But just colour it! Recapture the purest sense of creativity by colouring in the most beautiful figurative designs – flowers, birds, butterflies – provided by a leading textile designer. By adding the key ingredient of colour you add your own spark of creativity to great designs. The design team, who work closely with Tate Modern in London, provide 24 postcards with six different designs to choose from. You can experiment with the colour combinations, using crayons, pencils, felt/fibre tip pens, and even paint on these uncoated postcards. A brief introduction gives some tips on using colours and suggests colour combinations to use on the specific designs, but you are encouraged to let your own creativity get to work! Great fun for all those looking for a burst of creative expression and useful for designers of all types who want to experiment with colour. The cards can be kept together in the book or detached, framed or posted to a friend.

Art Nouveau: The Essential Reference

Full-color and black-and-white works by virtually every key artist of the Art Nouveau movement, including Mucha, Seguy, Beardsley, and Verneuil. Includes material from rare books, portfolios, and major periodicals, plus bibliographies and artist biographies.

Art Nouveau Tiles

PEPIN Colouring Cards Books contain 20 cards, made of the same fine acid-free watercolour paper as our watercolour Postcards Books. The 250 gsm cards are thick enough to make them suitable for mailing and they fit into square 160 x 160 mm envelopes; a standard size available from most stationery shops.

Diane Nancy'S Pitty Pooh

In 1978, high school senior Bobby decides to skip class with his wealthy buddy Rich. It turns out its both of their birthdays, so the boys see no point in going to school when they can party down on Dana Point instead. Richs grandmother has a mansion there, and the old ladys been known to throw some awesome parties. Today is no exception. Ninety-year-old Greta Jane welcomes their arrival, and so begins a day of decadence and adventure. Young Bobby has visions of beautiful women and drugs, but what he finds is an unfamiliar world of affluence, intrigue, and bizarre fetishes. He grows up fast, embracing the finer things in life with troublemaker Rich by his side. Soon, Bobby finds himself having a bit too much fun. Things quickly spiral out of control, and a day of birthday ditching threatens to turn downright deviant. Still, Bobby convinces himself that hes a man now; he can handle whatever life throws his way. They skipped school to enjoy a day of freedom, but both boys get a whole lot more than they expected.

Diane Nancy's Pitty Pooh

In 1978, high school senior Bobby decides to skip class with his wealthy buddy Rich. It turns out it's both of their birthdays, so the boys see no point in going to school when they can party down on Dana Point instead. Rich's grandmother has a mansion there, and the old lady's been known to throw some awesome parties. Today is no exception. Ninety-year-old Greta Jane welcomes their arrival, and so begins a day of decadence and adventure. Young Bobby has visions of beautiful women and drugs, but what he finds is an unfamiliar world of affluence, intrigue, and bizarre fetishes. He grows up fast, embracing the "finer" things in life with troublemaker Rich by his side. Soon, Bobby finds himself having a bit too much fun. Things quickly spiral out of control, and a day of birthday ditching threatens to turn downright deviant. Still, Bobby convinces himself that he's a man now; he can handle whatever life throws his way. They skipped school to enjoy a day of freedom, but both boys get a whole lot more than they expected.

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

The Other End of the Leash

Atlas Shrugged Is The Astounding Story Of A Man Who Said That He Would Stop The Motor Of The World--And Did. Tremendous In Scope, Breathtaking In Its Suspense, Atlas Shrugged Stretches The Boundaries Further Than Any Book You Have Ever Read. It Is A Mystery, Not About The Murder Of A Man'S Body, But About The Murder--And Rebirth--Of Man'S Spirit.

Atlas Shrugged

In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Watching the English

Fourteen provocative papers on the oppression of women in capitalist countries, along with three articles on the subordinate position of women in two communist countries, Cuba and China. These important, often path-breaking articles are arranged in five basic sections, the titles of which indicate the broad range of issues being considered: Introduction; motherhood, reproduction, and male supremacy; socialist feminist historical analysis; patriarchy in revolutionary society; socialist feminism in the United States. The underlying thrust of the book is toward integrating the central ideas of radical feminist thought with those pivotal for Marxist or socialist class analysis.

Capitalist Patriarchy and the Case for Socialist Feminism

Inspired by Frances Schultz's popular House Beautiful magazine series on the makeover of her East Hampton house, Bee Cottage, what began as a decorating book evolved into a memoir combining the best elements of both: beautiful photos and a compelling personal story. Schultz taps into what she learned during her renovations of Bee Cottage—determining how each area in the house and garden would be used and furnished—to unravel the question of how a mature, intelligent, successful woman could have made such a mess of her personal life. As she figures out each room over a period of years, Frances finds a new path in life, also a continual process. She comes to learn that, like decorating a home, our lives must adapt to who we are and what we need at different points along the way. The Bee Cottage Story is part memoir, part home decorating guide. Frances discusses the kinds of useful, commonsense design issues that professionals take for granted and the rest of us just may not think of, prompting the reader to examine and discover her own “truth” in decorating—and in her life.

The Bee Cottage Story

Dog is a cat- the only problem is that he doesn't behave like one! Instead he wags his tail, sticks out his tongue and yaps in a manner which is distinctly puppyish. Something has to be done! The pride of cats is at stake - the shame of an entire species a consequence of allowing a feline to behave in such a disgraceful canine manner.

A Cat Called Dog

Deconstructing Development Discourse

Master the huge array of quality children's books from the past and the present with this must-have resource from children's librarian Elizabeth Bird.

Catalog of Copyright Entries

KEY BENEFIT: This book presents a comprehensive discussion of international children's books and their use in K-8 classrooms. **KEY TOPICS** Global Perspectives in Children's Literature reviews the status of children's literature around the world and elaborates on the benefits of international children's literature for children's development and the curriculum. The book presents various genres such as picture books, fiction, informational books, and poetry. Issues in the field and criteria for selecting books to be used in the classroom are provided, as well as a discussion of history and contemporary trends worldwide. Specific ways to share international books are also presented, as they relate to theme studies, specific content areas, visual literacy, and language arts. Useful for anyone interested in global education, specifically that of Children's Literature.

Children's Literature Gems

Adam Bede, the first novel written by George Eliot (the pen name of Mary Ann Evans), was published in 1859. It was published pseudonymously, even though Evans was a well-published and highly respected

scholar of her time. The novel has remained in print ever since and is regularly used in university studies of 19th-century English literature

Global Perspectives in Children's Literature

The vivid and untold story of the Golden Age of classic animation and the often larger-than-life artists who created some of the most iconic cartoon characters of the twentieth century

Adam Bede Illustrated

Footnotes have not had it easy. Their dominance of eighteenth- and nineteenth- century literature and scholarship was both hard-won -- following many years of struggle -- and doomed, as it led to belittlement in the twentieth century. In *The Devil's Details*, Chuck Zerby playfully explores footnotes' long and illustrious history and makes a clarion call to save them from the new world of the Internet and hypertext. In a story that boasts a marvelous plot and a rogues' gallery of players, Zerby examines traditional footnotes and their less-buttoned-down incarnations, as when used by pornographers. Yes, *The Devil's Details* is full of surprises: Zerby hunts down the first bona fide fully functioning footnote; unearths a multivolume history of Northumberland County, England, that uses one volume for a single footnote; and uncovers a murder plot. He even explains why footnotes are like blind dates. Carefully researched and highly opinionated, *The Devil's Details* affirms that delight in reading can come from unexpected places.

Wild Minds

Since the 1980s a great deal has been written about the relationship between art, architecture, and design, on the one hand, and the city or social space on the other. In *Evictions* Rosalyn Deutsche investigates the dominant uses of this interdisciplinary discourse, exploring topics that range from public art and homelessness to the repression of feminism in critical theories of public space. The book also intervenes in debates taking place in art, architecture, and urban studies about the meaning of public space, and places these struggles within broader contests over the definition of democracy. Opposing the nostalgic belief that democracy's survival demands a return to the ideal of a unitary public sphere, Deutsche contends that plurality and conflict, far from undermining public space, are the conditions of its possibility and extension.

His Natural Life

THE NO.1 NEW YORK TIMES BESTSELLER, AND COMPANION NOVEL TO AMERICAN GODS. HIGHLY ANTICIPATED TELEVISION SERIES JUST ANNOUNCED - COMING ON AMAZON PRIME VIDEO. 'Neil could never have known that he was writing for a confused Jamaican kid who, without even knowing it, was still staggering from centuries of erasure of his own gods and monsters' MARLON JAMES 'A warm, funny, immensely entertaining story about the impossibility of putting up with your relations - especially if they happen to be Gods' SUSANNA CLARKE 'It's virtually impossible to read more than ten words by Neil Gaiman and not wish he would tell you the rest of the story' OBSERVER --- 'People think that funny and serious are mutually exclusives. They think they're opposites, and that's not actually true' NEIL GAIMAN --- Everything changes for Fat Charlie Nancy, the South London boy so called by his father, the day his dad drops dead while doing karaoke. Charlie didn't know his estranged father was a god - Anansi the trickster, master of mischief and social disorder. He never knew he had a brother either. Now brother Spider is on his doorstep, about to make life more interesting . . . and a lot more dangerous. It's a meeting that will take Fat Charlie from his London home to Florida, the Caribbean, and the very beginning of the world itself. Or the end of the world, depending on which way you're looking. NEIL GAIMAN. WITH STORIES COME POSSIBILITIES.

The American Kennel Club Stud Book Register

Adrian Mole's first love, Pandora, has left him; a neighbor, Mr. Lucas, appears to be seducing his mother (and what does that mean for his father?); the BBC refuses to publish his poetry; and his dog swallowed the tree off the Christmas cake. "Why" indeed.

The Devil's Details

'Nothing gets me to a bookstore faster than Eloisa James' - Julia Quinn Miss Kate Daltry doesn't believe in fairy tales . . . or happily ever after. Forced by her stepmother to attend a ball, Kate meets a prince,

and decides he's anything but charming. A clash of wits and wills ensues, but they both know their irresistible attraction will lead nowhere. For Gabriel is promised to another woman - a princess whose hand in marriage will fulfil his ruthless ambitions. Gabriel likes his fiancée, which is a welcome turn of events, but he doesn't love her, and knows, he should be wooing his bride-to-be, not the witty, impoverished beauty who refuses to fawn over him. Godmothers and glass slippers notwithstanding, this is one fairy tale in which destiny conspires to destroy any chance that Kate and Gabriel might have a happily ever after - unless one kiss at the stroke of midnight changes everything. 'Eloisa James is extraordinary' - Lisa Kleypas 'Romance writing does not get much better than this' - People

The 50th Anniversary edition of the ground-breaking, worldwide bestselling feminist tract. 'The Female Eunuch retains that power of transformation; it asserts the possibility of creativity within female experience' Guardian

Catalog of Copyright Entries. Fourth Series

At the age of ten, when Martin Amis spent a year in Princeton, New Jersey, he was excited and frightened by America. As an adult he has approached that confusing country from many arresting angles, and interviewed its literati, filmmakers, thinkers, opinion makers, leaders and crackpots with characteristic discernment and wit. Included in a gallery of Great American Novelists are Norman Mailer, Gore Vidal, Truman Capote, Joseph Heller, William Burroughs, Kurt Vonnegut, John Updike, Paul Theroux, Philip Roth and Saul Bellow. Amis also takes us to Dallas, where presidential candidate Ronald Reagan is attempting to liaise with born-again Christians. We glimpse the beau monde of Palm Beach, where each couple tries to out-Gatsby the other, and examine the case of Claus von Bulow. Steven Spielberg gets a visit, as does Brian de Palma, whom Amis asks why his films make no sense, and Hugh Hefner's sybaritic fortress and sanitised image are penetrated. There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject, and America has found in him a superlative chronicler.

Anansi Boys

The Man Who Went Too Far By E. F. Benson "I am one with it," he said to himself, "the river and I, I and the river. The coolness and splash of it is I, and the water-herbs that wave in it are I also. And my strength and my limbs are not mine but the river's. It is all one, all one, dear Fawn.."A quarter of an hour later he appeared again at the bottom of the lawn, dressed as before, his wet hair already drying into its crisp short curls again. There he paused a moment, looking back at the stream with the smile with which men look on the face of a friend, then turned towards the house. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

The Secret Diary of Adrian Mole, Aged 13 3/4

During the Cold War, freedom of expression was vaunted as liberal democracy's most cherished possession—but such freedom was put in service of a hidden agenda. In *The Cultural Cold War*, Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA—whether they knew it or not. Called "the most comprehensive account yet of the [CIA's] activities between 1947 and 1967" by the *New York Times*, the book presents shocking evidence of the CIA's undercover program of cultural interventions in Western Europe and at home, drawing together declassified documents and exclusive interviews to expose the CIA's astonishing campaign to deploy the likes of Hannah Arendt, Isaiah Berlin, Leonard Bernstein, Robert Lowell, George Orwell, and Jackson Pollock as weapons in the Cold War. Translated into ten languages, this classic work—now with a new preface by the author—is "a real contribution to popular understanding of the postwar period"

(The Wall Street Journal), and its story of covert cultural efforts to win hearts and minds continues to be relevant today.

A Kiss At Midnight

At the same time, official speeches and proceedings on colonial practices, such as the public trials of Clive and Hastings, became theatrical events themselves."--Jacket.

The Female Eunuch

NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK The remarkable story of James Howard "Billy" Williams, whose uncanny rapport with the world's largest land animals transformed him from a carefree young man into the charismatic war hero known as Elephant Bill. In 1920, Billy Williams came to colonial Burma as a "forest man" for a British teak company. Mesmerized by the intelligence and character of the great animals who hauled logs through the jungle, he became a gifted "elephant wallah." In *Elephant Company*, Vicki Constantine Croke chronicles Williams's growing love for elephants as the animals provide him lessons in courage, trust, and gratitude. *Elephant Company* is also a tale of war and daring. When Japanese forces invaded Burma in 1942, Williams joined the elite British Force 136 and operated behind enemy lines. His war elephants carried supplies, helped build bridges, and transported the sick and elderly over treacherous mountain terrain. As the occupying authorities put a price on his head, Williams and his elephants faced their most perilous test. *Elephant Company*, cornered by the enemy, attempted a desperate escape: a risky trek over the mountainous border to India, with a bedraggled group of refugees in tow. Part biography, part war epic, *Elephant Company* is an inspirational narrative that illuminates a little-known chapter in the annals of wartime heroism. Praise for *Elephant Company* "This book is about far more than just the war, or even elephants. This is the story of friendship, loyalty and breathtaking bravery that transcends species. . . . *Elephant Company* is nothing less than a sweeping tale, masterfully written."—Sara Gruen, *The New York Times Book Review* "Splendid . . . Blending biography, history, and wildlife biology, [Vicki Constantine] Croke's story is an often moving account of [Billy] Williams, who earned the sobriquet 'Elephant Bill,' and his unusual bond with the largest land mammals on earth."—*The Boston Globe* "Some of the biggest heroes of World War II were even bigger than you thought. . . . You may never call the lion the king of the jungle again."—*New York Post* "Vicki Constantine Croke delivers an exciting tale of this elephant whisperer—cum—war hero, while beautifully reminding us of the enduring bonds between animals and humans."—Mitchell Zuckoff, author of *Lost in Shangri-La* and *Frozen in Time*

The Moronic Inferno

Dark and Hurrying Days is the text of a diary kept by Robert Menzies, then Prime Minister of Australia, of his experiences during a wartime trip to England in 1941. It was a grim time when British cities were enduring heavy bombing and German invasion seemed imminent. Menzies' *Diary* reveals the shifting feelings and fears which these experiences engendered in him, and is of prime importance in capturing the brooding spirit of this grim time.

The Survivors Speak

In the midst of spiraling ecological devastation, multispecies feminist theorist Donna J. Haraway offers provocative new ways to reconfigure our relations to the earth and all its inhabitants. She eschews referring to our current epoch as the Anthropocene, preferring to conceptualize it as what she calls the Chthulucene, as it more aptly and fully describes our epoch as one in which the human and nonhuman are inextricably linked in tentacular practices. The Chthulucene, Haraway explains, requires sym-poiesis, or making-with, rather than auto-poiesis, or self-making. Learning to stay with the trouble of living and dying together on a damaged earth will prove more conducive to the kind of thinking that would provide the means to building more livable futures. Theoretically and methodologically driven by the signifier SF—string figures, science fact, science fiction, speculative feminism, speculative fabulation, so far—*Staying with the Trouble* further cements Haraway's reputation as one of the most daring and original thinkers of our time.

The Man Who Went Too Far

In *The Inimitable Jeeves*, Bertie Wooster and his valet Jeeves embark on a series of riotous adventures. Among other things they involve Bertie's feeble attempts to stop his friend Bingo Little from falling in

love with every girl he meets. But the amiable chump's main concern is to avoid the eagle eye and iron will of his merciless Aunt Agatha. In one of the funniest works in the English language, P. G. Wodehouse charms, delights, and occasionally surprises the reader with his shrewd parody of the carefree lives of the English elite.
