I'd Tell You I Love You, But Then I'd Have to Kill You

As a sophomore at a secret spy school and the daughter of a former CIA operative, Cammie is sheltered from "normal teenage life" until she meets a local boy while on a class surveillance mission

Heist Society

Kat Bishop can steal anything-including your heart. Intrigue, adventure, romance, and charm abound in this New York Times bestselling series. For as long as she can remember, Katarina has been a part of the family business-thieving. When Kat tries to leave "the life" for a normal life, her old friend Hale conspires to bring her back into the fold. Why? A mobster's art collection has been stolen and Kat's father is the only suspect. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. The only solution is to find the paintings and steal them back. Kat's got two weeks, a teenage crew, and hopefully enough talent to pull off the biggest heist in her family's history-and, with any luck, steal her life back along the way. With its glamorous international settings, intriguing suspense, complicated cons and even more complicated romance, Heist Society is stealing the hearts of Ally Carter fans everywhere.

A Spy Like Me

A Spy Like Me is Book 1 of the Circle of Spies Series! Games can be deadly. Eighteen-year-old Savvy Bent expects fireworks on her first date with Malcolm - in Paris! Except over a picnic of sparkling cider and strawberry tarts, a sniper shoots at them. That's only the beginning. From the top of the Eiffel Tower to the depths of the catacombs, Savvy must sneak, deceive, and spy to save her family and friends and figure out whether Malcolm is one of the bad guys before she completely falls for him. free, freebie, romantic suspense, women sleuths, espionage, mystery, teen, Paris

United We Spy

Who won't survive to see graduation? Cammie Morgan has lost her father and her memory, but her last mission could be her greatest mission yet. Cammie and her friends finally know why the terrorist organisation called the Circle of Caven has been hunting her. Now the spy girls and Zach must track down the circles leaders and stop them before they can implement a master plan that will change Cammie - and her country - forever.

Out of Sight, Out of Time

Normal. I liked the sound of that. Sure, as the daughter of two secret agents, I didn't really know what normal meant, but that didn't matter. Normal was my new mission. Cammie wakes up in an Alpine convent having lost her memory of the whole summer. She and her friends must travel to the other side of the world, trying to piece together the clues that Cammie left behind. But there are people hunting Cammie - people who will stop at nothing to protect their secrets ...

Jessica Cole: Model Spy: Code Red Lipstick

Models, spies and lipstick gadgets... When Jessica's father, a former spy, vanishes mysteriously, Jessica takes matters into her own hands. She's not just a daddy's girl who's good at striking a pose; she's a trained spook who knows how to take on MI6 and beat them at their own game.

Double Crossed (Free Story)

Heist Society meets Gallagher Girls in an original crossover story by Ally Carter.

Uncommon Criminals

Kat Bishop: Friend. Niece. Daughter. Thief. Or simply, the girl who robbed the greatest museum in the world Now she's been asked to steal the infamous Cleopatra Emerald so it can be returned to its rightful owners. Trouble is, not only is the gem elusive - it's cursed. Kat might be in way over her head but help is at hand She enlists the gorgeou...

Dear Ally, How Do I Write a Book?

Problem plot lines? Character chaos? Ask Ally! The definitive guide to writing from one of teen fiction's best-loved authors. Writing finally has its own agony aunt in bestselling author, Ally Carter. Always wanted to write? Not sure how to begin, or what to do with tricky characters or pesky plotlines? Ask Ally! Ally Carter is the internationally bestselling author of Gallagher Girls, Embassy Row and Heist Society. Known for her gripping plots and adventures that combine danger and glamour in equal measure, Ally knows how to write brilliant books for teen and YA readers. Now Ally and her author friends want to help YOU write the book you've always dreamed of. Part agony aunt, part writing guru, this writing guide is thoughtful, witty and best of all, useful. With advice from some of children's fiction's brightest stars including Holly Black, Cassandra Clare and Kody Keplinger.

Cheating at Solitaire

Self-help guru Julia James has made a lot of money being single--but she soon discovers that money isn't everything.

Winterborne Home for Mayhem and Mystery

Five orphans. Two sword-wielding vigilantes. One mansion. No rules. April thought she had her happy ending. After all, she has her new house and new friends and new guardian. But she also has a very big new secret. The kids of Winterborne House are the only ones who know that Gabriel Winterborne--famous billionaire and terrible cook--is really a sword-wielding vigilante. What they don't know is that he's not the only one. When a masked figure breaks in, looking for something--or someone--it's clear that Gabriel has met his match, and now no one is safe. April and her friends will have to solve a decades-old mystery in order to hang on to the most important thing in the world: each other.

Prettyboy Must Die

A CIA prodigy's cover is blown when he accidentally becomes an internet sensation in #Prettyboy Must Die, Kimberly Reid's fun, fast thriller inspired by the #Alexfromtarget story and perfect for fans of Alex

Rider. When Peter Smith's classmate snaps a picture of him during a late night run at the track, Peter thinks he might be in trouble. When she posts that photo—along with the caption, “See the Pretty Boy Run,”—Peter knows he's in trouble. But when hostiles drop through the ceiling of his 6th period Chem Class, Peter's pretty sure his trouble just became a national emergency. Because he's not really Peter Smith. He's Jake Morrow, former foster-kid turned CIA operative. After a massive screw-up on his first mission, he's on a pity assignment, a dozen hit lists and now, social media, apparently. As #Prettyboy, of all freaking things. His cover's blown, his school's under siege, and if he screws up now, #Prettyboy will become #Deadboy faster than you can say, 'fifteen minutes of fame.' Trapped in a high school with rabid killers and rabid fans, he'll need all his training and then some to save his job, his school and, oh yeah, his life. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Only The Good Spy Young

I thought I was prepared for most scary situations. I've been almost kidnapped twice, fake kidnapped once, targeted by one terrorist organization and two very cute boys. But this moment was truly terrifying... Cammie 'The Chameleon' knows by now that even she can't hide from danger. But when she discovers that one of her most-trusted allies is a rogue double-agent, Cammie questions her trust in her classmates, her teachers - and her own heart...

The Prince

Can one girl save the world? From USA Today bestselling author Jillian Dodd comes the first book in a sizzling new series filled with action and adventure. Fans of The Selection and The Hunger Games will discover a heart-pounding thrill ride of espionage and suspense set in glittering high society. An eighteen-year-old covert agent is pulled out of training before graduation by Black X, an espionage group so secret even the President of the United States doesn't know it exists. For her first mission, she must go undercover as the long-lost daughter of a recently deceased billionaire, infiltrate high society, and protect the Prince of Montrovia from assassination. But Prince Lorenzo is known as the Playboy Prince for a reason and his sensuality and charisma add a whole other level of complication to her mission. She knows that her every move is being watched, but what she doesn't know is that the Prince is just a chess piece in a bigger game that will have world-wide ramifications. And that Blackwood Academy, the place she has called home for the past six years, has secrets of its own. With a kickass heroine and intrigue, this page turner will have you spellbound and drooling over your new book boyfriend. - H.M Ward, NYT Bestselling author The Spy Girl series is an intrigue filled, exciting ride through a world you'll wish you were part of and want to know more about! - J. Red Storm Rising

ADVENTURE / THRILLER. The Muslim terrorists who destroyed the Soviet Union's largest petro-chemical plant thought they were striking a blow for freedom. What they had done, unknowingly, was fire the first shots in World War III. Desperately short of oil, the Kremlin hawks see only one way of solving their problem: seize supplies in the Persian Gulf. To do that, they must first neutralize NATO's forces and eliminate their response?nd so they develop Red Storm, a dazzling master plan of diplomatic subterfuge and intense re-armament. The battle lines are drawn and Armageddon beckons.

Perfect Scoundrels

When feisty teenaged thief Kat Bishop's on-again off-again boyfriend, Hale, suddenly inherits his family's billion dollar company, Kat gets a tip-off that the will is a fake

Maid of Secrets

In 1559 England, Meg, an orphaned thief, is pressed into service and trained as a member of the Maids of Honor, Queen Elizabeth I's secret all-female guard. But her loyalty is tested when she falls in love with a Spanish courtier who may be a threat.

Ulysses

Cammie returns in the third volume of the bestselling Gallagher Girls series, but this semester danger is closer than she'd ever imagined with the discovery of a traitor in the Gallagher Academy. Cammie Morgan has a cover for every occasion. Being a spy-in-training, aliases, phony passports and fake IDs are a means of survival: but what happens when the ghosts of her past see through her flawless façade? This semester, Cammie continues to flirt with danger at Gallagher Academy. When a national political convention turns into a trap, Cammie is forced to lose her cover to save her best friend, Macey – a major political target – from being kidnapped. But are the kidnappers political extremists or something more sinister? And why has Zach, Cammie's mysterious (and totally hot) crush, suddenly returned? With the help of a glamorous ex-Gallagher Girl, the friends are determined to hunt down the group that threatens to tear their secret sisterhood apart: this time, it's personal. The Gallagher Girls series continues with Only the Good Spy Young.

Don't Judge a Girl by Her Cover

The heart-stopping sequel to Earthbound and an epic love triangle like you've never seen before!

Earthquake

"This is the kind of read that makes your soul sit up straight. At once a heart-wrenching tale of found family and a thrilling, atmospheric mystery that keeps you guessing at every page, Ally Carter's middle grade debut is a triumph. I loved April's character down to the barb wire wrapped around her heart, and I cheered for her journey and the extraordinary bravery required to open up to other people." —Roshani Chokshi, New York Times bestselling author of Aru Shah and the End of Time "A fast-paced thrill ride of a book . . . it's Batman meets Annie." —Stuart Gibbs, New York Times best-selling author of the Spy School series "An adventure-filled read with a twisty mystery and spunky friendships. I loved it!" —Melissa de la Cruz, New York times best-selling author of The Descendants series April didn't mean to start the fire. She wasn't the one who broke the vase. April didn't ask to go live in a big, creepy mansion with a bunch of orphans who just don't understand that April isn't like them. After all, April's mother is coming back for her someday very soon. All April has to do is find the clues her mother left inside the massive mansion. But Winterborne House is hiding more than one secret, so April and her friends are going to have to work together to unravel the riddle of a missing heir, a creepy legend, and a mysterious key before the only home they've ever known is lost to them forever.

Winterborne Home for Vengeance and Valor

The third and final instalment in the thrilling Embassy Row series. Grace has discovered that she's the lost princess of Adria ... but some people would prefer she stay lost. With her brother's life hanging in the balance and secret assassins everywhere, life on Embassy Row has never been more dangerous. Praise for Ally Carter: Ally Carter is an author that you simply can't miss. - Gripped into Books Gallagher Girls books have real heart, pushing strength and sisterhood over sass, with super wit and humour too... brilliant. ***** Books for Keeps Absolutely unputdownable and completely gripping... everything that fans of this series will have been waiting for... 10/10... an incredible series in which each book gets better and better. The Guardian Ally Carter has done it again! From the story to the cover, everything about All Fall Down is exciting and sure to keep you on your toes! <http://sassyanddangerous.blogspot.mx/> About the Author: Ally Carter writes books about spies, thieves, and teenagers. She is the New York Times best-selling author of the hugely popular Gallagher Girls series, including I'd Tell You I Love You but Then I'd Have to Kill You, Cross My Heart and Hope to Spy, Don't Judge a Girl by Her Cover, and Only the Good Spy Young. She lives in the Midwest where her life is either very ordinary or the best deep-cover legend ever. She'd tell you more, but...well...you know.

Take The Key And Lock Her Up

From the master storyteller, Ken Follett, *Hornet Flight* is a startling thriller set amidst the Danish Resistance. Europe in Darkness 1941. The Nazis have Denmark in their vice-like grip, their malign presence corroding everything its inhabitants hold dear. Even the police betray their countrymen and work with the Gestapo to hunt down spies. A Glimmer of Hope In this hostile climate the Danish resistance discover a secret that could change the course of the war – proof of an advanced German radar installation that is causing catastrophic losses to Allied planes bringing the fight to Germany. A Dangerous Mission The resistance must get the information to the British and will have only one chance, using a near-derelict Hornet Moth bi-plane mouldering away in a church. If they succeed the balance of the war will be tipped in the Allies' favour but failure will see them killed . . .

Hornet Flight

It's one thing to learn to curtsy properly. It's quite another to learn to curtsy and throw a knife at the same time. Welcome to finishing school. Sophronia is a great trial to her poor mother. Sophronia is more interested in dismantling clocks and climbing trees than proper manners-and the family can only hope that company never sees her atrocious curtsy. Mrs. Temminnick is desperate for her daughter to become a proper lady. So she enrolls Sophronia in Mademoiselle Geraldine's Finishing Academy for Young Ladies of Quality. But Sophronia soon realizes the school is not quite what her mother might have hoped. At Mademoiselle Geraldine's young ladies learn to finish . . . everything. Certainly, they learn the fine arts of dance, dress, and etiquette, but they also learn to deal out death, diversion, and espionage - in the politest possible ways, of course. Sophronia and her friends are in for a rousing first year's education.

Etiquette and Espionage

For use in schools and libraries only. After the excitement of the fall, all Cammie Morgan wants is a peaceful semester at school. But that's easier said than done when you're a CIA legacy and go to the premier school in the world...for spies.

Cross My Heart and Hope to Spy

As students at a special high school that trains them to be secret agents, six teenagers struggle to complete the training exercises as a team before being sent out into the field to sink or swim.

The Frankenstein Factory

From New York Times bestselling, National Book Award winning author Robin Benway comes the first book in a hilarious and romantic duology about a normal girl . . . who just so happens to be a spy. Being a 16-year-old safecracker and active-duty daughter of international spies has its moments, good and bad. Pros: Seeing the world one crime-solving adventure at a time. Having parents with super cool jobs. Cons: Never staying in one place long enough to have friends or a boyfriend. But for Maggie Silver, the biggest perk of all has been avoiding high school and the accompanying cliques, bad lunches, and frustratingly simple locker combinations. Then Maggie and her parents are sent to New York for her first solo assignment, and all of that changes. She'll need to attend a private school, avoid the temptation to hack the school's security system, and befriend one aggravatingly cute Jesse Oliver to gain the essential information she needs to crack the case . . . all while trying not to blow her cover.

Also Known As

The history of espionage is far older than any of today's intelligence agencies, yet the long history of intelligence operations has been largely forgotten. The first mention of espionage in world literature is in the Book of Exodus.'God sent out spies into the land of Canaan'. From there, Christopher Andrew traces the shift in the ancient world from divination to what we would recognize as attempts to gather real intelligence in the conduct of military operations, and considers how far ahead of the West - at that time - China and India were. He charts the development of intelligence and security operations and capacity through, amongst others, Renaissance Venice, Elizabethan England, Revolutionary America, Napoleonic France, right up to sophisticated modern activities of which he is the world's best-informed interpreter. What difference have security and intelligence operations made to course of history? Why have they so often forgotten by later practitioners? This fascinating book provides the answers.

The Secret World

YA. ROMANCE & RELATIONSHIPS STORIES (CHILDREN'S / TEENAGE). Miss V. Conroy is good at keeping secrets. She likes to sit as quiet as a mouse, neat and discreet. But when her father sends her to Kensington Palace to become the companion to Princess Victoria, Miss V soon finds that she can no longer remain in the shadows. Miss V's father has devised a strict set of rules for the young princess, which he calls the Kensington System. It governs her behaviour and keeps her locked away from the world. He says it is for the princess's safety, but Victoria herself is convinced that it is to keep her lonely, and unhappy. By turns thrilling, dramatic and touching, this is the story of Queen Victoria's childhood as you've never heard it before. Age 12+

My Name Is Victoria

Seventh-grader Molly has always been an outsider, even at New York City's elite Metropolitan Institute of Science and Technology, but that changes when she is recruited to join the Omegas, a secret group that polices and protects zombies.

Dead City

A School for Unusual Girls is the first captivating installment in the Stranje House series for young adults by award-winning author Kathleen Baldwin. #1 New York Times bestselling author Meg Cabot calls this romantic Regency adventure "completely original and totally engrossing." It's 1814. Napoleon is exiled on Elba. Europe is in shambles. Britain is at war on four fronts. And Stranje House, a School for Unusual Girls, has become one of Regency England's dark little secrets. The daughters of the beau monde who don't fit high society's constrictive mold are banished to Stranje House to be reformed into marriageable young ladies. Or so their parents think. In truth, Headmistress Emma Stranje, the original unusual girl, has plans for the young ladies—plans that entangle the girls in the dangerous world of spies, diplomacy, and war. After accidentally setting her father's stables on fire while performing a scientific experiment, Miss Georgiana Fitzwilliam is sent to Stranje House. But Georgie has no intention of being turned into a simpering, pudding-headed, marriageable miss. She plans to escape as soon as possible—until she meets Lord Sebastian Wyatt. Thrust together in a desperate mission to invent a new invisible ink for the English war effort, Georgie and Sebastian must find a way to work together without losing their heads—or their hearts.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A School for Unusual Girls

At sea, two lonely WWII evacuees see the night sky tear open, revealing a glittering world beyond. Quickly connected by their shared experience and the bizarre aura they see around one another, Hazel and Bec find in each other their first true friends.

Beyond the Doors

In May 1993, Sally Becker went to Bosnia to help victims of war, delivering medical aid and evacuating wounded children from the besieged city of Mostar. She was dubbed the 'Angel of Mostar', and was hailed for her efforts to treat the casualties on both sides. In 'Sunflowers and Snipers', she tells her story.

Sunflowers and Snipers

It's the ultimate challenge: breaking into the Ivy League. The hack: To get one deadbeat, fully unqualified slacker into the most prestigious school in the country. The crew: Eric Roth -- the good guy, the voice of reason. Max Kim -- the player who made the bet in the first place. Schwartz -- the kid genius already on the inside...of Harvard, that is. Lexi -- the beauty-queen valedictorian who insists on getting in the game. The plan: Use only the most undetectable schemes and techno-brilliant skills. Don't break the Hacker's Code. Don't get distracted. Don't get caught. Take down someone who deserves it. The stakes: A lot higher than they think. They've got the players, the plot, and soon -- the prize. It's go time.

Hacking Harvard

When your life is a lie, how do you know what's real? Alexandra Gastone has a simple plan: graduate high school, get into Princeton, work for the CIA, and serve her great nation. She was told the plan

back when her name was Milena Rokva, back before the real Alexandra and her family were killed in a car crash. Milena was trained to be a sleeper agent by Perun, a clandestine organization from her true homeland of Olissa. There, Milena learned everything she needed to infiltrate the life of CIA analyst Albert Gastone, Alexandra's grandfather, and the ranks of America's top intelligence agency. For seven years, "Alexandra" has been on standby and life's been good. Grandpa Albert loves her, and her strategically chosen boyfriend, Grant, is amazing. But things are about to change. Perun no longer needs her at the CIA in five years' time. They need her active now. Between her cover as a high school girl—juggling a homecoming dance, history reports, and an increasingly suspicious boyfriend—and her mission in this high-stakes spy game, the boundaries of her two lives are beginning to blur. Will she stay true to the country she barely remembers, or has her loyalty shattered along with her identity?

They Call Me Alexandra Gastone

A girl discovers her boarding school is actually an elite spy-training program, and she must learn the skills of the trade in order to find her mother in this action-packed middle grade debut that's perfect for fans of Stu Gibbs. After a botched escape plan from her boarding school, Abigail is stunned to discover the school is actually a cover for an elite spy ring called The Center, along with being training grounds for future spies. Even more shocking? Abigail's mother is a top agent for The Center and she has gone MIA, with valuable information that many people would like to have—at any cost. Along with a former nemesis and charming boy from her grade, Abigail goes through a crash course in Spy Training 101, often with hilarious—and sometimes painful—results. But Abigail realizes she might be a better spy-in-training than she thought—and the answers to her mother's whereabouts are a lot closer than she thinks...

Mrs. Smith's Spy School for Girls

THE INTERNATIONAL BESTSELLER 'Compelling, haunting, tragic stories . . . resonate long after you put the book down' James McConnachie, Sunday Times Book of the Year The routine traffic stop that ends in tragedy. The spy who spends years undetected at the highest levels of the Pentagon. The false conviction of Amanda Knox. Why do we so often get other people wrong? Why is it so hard to detect a lie, read a face or judge a stranger's motives? Using stories of deceit and fatal errors to cast doubt on our strategies for dealing with the unknown, Malcolm Gladwell takes us on an intellectual adventure into the darker side of human nature, where strangers are never simple and misreading them can have disastrous consequences.

Talking to Strangers

Introducing The Valentines – Happy Girl Lucky, the first book in the hilarious new romantic-comedy series by Holly Smale, author of the bestselling and critically acclaimed Geek Girl books.

Happy Girl Lucky (The Valentines, Book 1)

Unpleasant things are going on in an exclusive school for girls – things like murder...

Cat Among the Pigeons (Poirot)

The star and creative force behind Mr. Show and Arrested Development pens his "first and final book, chronicling his meteoric rise and abysmal fall in the literary world." After a decade spent in isolation in the Ugandan jungles thinking about stuff, David Cross has written his first book. Known for roles on the small screen such as "never-nude" Tobias Funke on Arrested Development and the role of "David" in Mr. Show With Bob And David, as well as a hugely successful stand-up routine full of sharp-tongued rants and rages, Cross has carved out his place in American comedy. Whether deflating the pomposity of religious figures, calling out the pathetic symbiosis of pseudo-celebrity and its leaching fandom, or merely pushing the buttons of the way-too-easily offended P.C. left or the caustic, double-standard of the callous (but funnier) right, Cross has something to say about everyone, including his own ridiculous self. Now, for the first time, Cross is weaving his media mockery, celebrity denunciation, religious commentary and sheer madness into book form, revealing the true story behind his almost existential distaste of Jim Belushi ("The Belushi"), disclosing the up-to-now unpublished minutes to a meeting of Fox television network executives, and offering up a brutally grotesque run-in with Bill O'Reilly. And as if this wasn't enough for your laughing pleasure in these troubled times, some of the pieces splinter off with additional material being created online in exclusive video and animated web content created

solely for the book-a historical first (presumably)! With a mix of personal essays, satirical fiction posing as truth, advice for rich people, information from America's least favorite Rabbi and a top-ten list of top-ten lists, I Drink for a Reason is as unique as the comedian himself, and cannot be missed.

V for Vendetta

In a not-too-distant future, Britain is ruled by a totalitarian regime and Evey, a young woman, is rescued from certain death by a masked vigilante, who launches a one-man crusade against government tyranny and oppression.

V for Vendetta

A masked vigilante calling himself V ignites the fuse of revolution in totalitarian London when he seizes the government-controlled airwaves. This novelization is based on the screenplay of Warner Bros. film adaptation of the classic graphic novel, in theaters March 17th.

V for Vendetta Book & Mask Set

In a world without political freedom, personal freedom and precious little faith in anything comes a mysterious man in a white porcelain mask who fights political oppressors through terrorism and seemingly absurd acts. It's a gripping tale of the blurred lines between ideological good and evil. The inspiration for the hit 2005 movie starring Natalie Portman and Hugo Weaving, this amazing graphic novel is packaged with a collectable reproduction of the iconic V mask.

V for Vendetta

A frightening and powerful tale of the loss of freedom and identity in a chillingly totalitarian world, this book stands as one of the highest achievements of the comics medium and a defining work for creators Alan Moore, and David Lloyd. Set in an imagined future England that has given itself over to fascism, this groundbreaking story captures both the suffocating nature of life in an authoritarian police state and the redemptive power of the human spirit which rebels against it. Crafted in sterling clarity and intelligence, this story brings an unequaled depth of characterization and verisimilitude to its unflinching account of oppression and resistance. -- Publisher description

V for Vendetta: New Edition

In an alternate future in which Germany wins World War II and Britain becomes a fascist state, a vigilante named "V" tries to free England of its ideological chains.

V for Vendetta 30th Anniversary Deluxe Edition

The seminal graphic novel masterpiece V For Vendetta is available in this new deluxe edition, featuring an essay from writer Alan Moore, sketches from artist David Lloyd and other bonus material! A powerful story about loss of freedom and individuality, V For Vendetta takes place in a totalitarian England following a devastating war that changed the face of the planet. In a world without political freedom, personal freedom and precious little faith in anything comes a mysterious man in a white porcelain mask who fights political oppressors through terrorism and seemingly absurd acts. It's a gripping tale of the blurred lines between ideological good and evil. Written by one of the greatest scribes in the history of the medium, Alan Moore, V For Vendetta is considered not only one of the most important graphic novel works ever, but also one of the great works in fiction. V For Vendetta 30th Anniversary Deluxe Edition brings the groundbreaking title back into hardcover for the first time in years.

V for Vendetta

A masked vigilante calling himself V ignites the fuse of revolution in totalitarian London when he seizes the government-controlled airwaves. This novelization is based on the screenplay of Warner Bros. film adaptation of the classic graphic novel, in theaters March 17th.

V for Vendetta

Veteran comic book writer Steve Moore returns with designs from industry legend Jim Steranko to take the hero of myth across the seas and into the supernatural lands of ancient Egypt. But while his band of mercenaries recovers from the bloody brutality of the Thracian Wars, they face a threat that cannot be solved so easily with the edge of sword: palace intrigue, spies, assassination, and the mystery of a death cult known only as the Hellfire Club; THE KNIVES OF KUSH.

The Knives of Kush

One of the world's foremost authors of the fantastic, Alan Moore, joins internationally esteemed photographer Mitch Jenkins to create an unprecedented visual and literary experience. An intensely poetic and innovative work of biography, Unearthing maps the lifetime of author, orientalist, and occultist Steve Moore, while simultaneously investigating the extraordinary history of South London with which that life has been intertwined. Integrating text with haunting and exquisite imagery, Unearthing excavates a territory at the margins of a city, of reality, and of human imagination. Starting life in Iain Sinclair's seminal anthology LONDON: City of Disappearances, this dazzling and hypnotic piece has evolved through a series of live performances and acclaimed recordings, culminating in this breathtaking, full-color volume. A limited edition, oversized hardcover that projects the intensity and sense of scope that Moore and Jenkins' work fully deserves.

Unearthing: Limited Edition Oversized Hardcover

From the pen of Steve Moore (Dr. Who; Jonni Future) comes a tale of Hercules in his darkest hours. When the Thracian King summons the Greek hero and his six battle-worn companions to mold the Thracian army into a bloodthirsty, ruthless killing machine, the son of Zeus rushes to answer the call of war and gold. But within the nation of Thrace lies an epic tale of war, murder, deception and sacrifice that shows Hercules how far from grace he's fallen— and what he must accomplish for redemption.

The Thracian Wars

Who is Night Raven? Find out in this complete collection of classic tales from the Marvel UK archives! Join the mystery masked vigilante in his pulp-era war on crime, as this lone man of justice stealthily stalks his villainous prey on the streets of New York City...and branding criminals with the mark of the deadly Night Raven! Follow this dark avenger into battle with mob bosses, murderers and miscreants like the Taxman, the Assassin, Dragonfire and more -in rarely-seen stories by some of Marvel UK's finest talents! COLLECTING: NIGHT RAVEN MATERIAL FROM HULK COMIC 1-20; SAVAGE ACTION 1-4, 6, 8, 12-15; MARVEL SUPER-HEROES (UK) 382-386, 389-395; DAREDEVILS 6-11; MIGHTY WORLD OF MARVEL 7-17; SAVAGE SWORD OF CONAN (UK) 85-92; CAPTAIN BRITAIN (1985) 10-12

Night Raven

This is a frightening and powerful story of the loss of freedom and individuality in a totalitarian England. Written against a backdrop of third term Thatcherism and tabloid rants against minorities, this is a work of startling clarity.

V for Vendetta: The land of do-as-you-please

The graphic novel that inspired the hit Warner Bros. motion picture and DVD from the Wachowski Bros., the directors of THE MATRIX films and SPEED RACER. In the near future, England has become a corrupt, totalitarian state, opposed only by V, the mystery man wearing a white porcelain mask who intends to free the masses through absurd acts of terrorism.

V for Vendetta

"Art for "Vincent" and additional art for "Valerie" and "The Vacation" by Tony Weare"

Absolute V for Vendetta (2023 Edition)

A jewelled whirlpool of a tale, Somnium is a richly poetic pagan fantasy, a narrative of shifting levels presented in a dazzling array of styles, ranging from that of the medi'val romance through Elizabethan tragedy to the Gothic novel and the sublime madness of the Decadents. With its delirious and heartbroken text spiralling out from the classical myth of Endymion and the Greek lunar goddess Selene, Somnium is an extraordinary odyssey through love and loss and lunacy, illuminated by the silvery moonlight of its exquisite language.

Somnium

One of the world's foremost authors of the fantastic, Alan Moore, joins internationally esteemed photographer Mitch Jenkins for an unprecedented visual and literary experience. An intensely poetic and innovative work of biography, Unearthing maps the lifetime of author, orien-talist and occultist Steve Moore, while simultaneously investigating the extraordinary history of South London. Integrating text with haunting and exquisite imagery, Unearthing excavates a territory at the margins of a city, of reality and of human imagination.

Unearthing

Before WATCHMEN, Alan Moore made his debut in the U.S. comic book industry with the revitalization of the horror comic book THE SWAMP THING. His deconstruction of the classic monster stretched the creative boundaries of the medium and became one of the most spectacular series in comic book history. With modern-day issues explored against a backdrop of horror, SWAMP THING's stories became commentaries on environmental, political and social issues, unflinching in their relevance. SAGA OF THE SWAMP THING Book One collects issues #20-27 of this seminal series including the never-before-reprinted SAGA OF THE SWAMP THING #20, where Moore takes over as writer and concludes the previous storyline. Book One begins with the story 'The Anatomy Lesson,' a haunting origin story that reshapes SWAMP THING mythology with terrifying revelations that begin a journey of discovery and adventure that will take him across the stars and beyond.

Saga of the Swamp Thing Book One

In March 2014, British comics lost one of its' most creative and distinct voices in the form of Steve Moore. The father of the 2000AD Future Shock, Steve created many memorable characters including Lazer Eraser and Axel Pressbutton for Warrior, and the psychotic Dalek killer, Abslom Daak for the Doctor Who Magazine. This collection features the highly-regarded fantasy series which Moore developed for 2000AD, along with some of his classic Future Shocks. It will also feature a new introduction from Alan Moore (no relation), for whom Steve Moore was a major influence.

Tales of Telguuth

An examination of the myths of the Moon goddess and how she appeared to the original creators of those myths in ancient Greece. Waxing and waning and reborn with each new month, the Moon has always been the supreme symbol of cyclical change in the western world. Metaphorical representations of the Moon's goddess also seem to undergo similar changes, each new century reinventing her in its own image. For Hesiod, she was a distant figure in the celestial pantheon, to Keats she was an intimate

muse; Selene's recurring role in music, literature, and song is a powerful testament to our continued fascination with her myth. A deeply erudite and meticulously researched survey, this book explores the perennial curiosity our closest orbital neighbor continues to instill, providing at once an unprecedented body of historical research and a critical armature for the author's lauded prose reverie *Somnium*. Despite the importance of the Moon to recent developments in esoteric scholarship and mythography, Selene doesn't attempt to present a "Moon-Goddess for the twenty-first century," but rather looks at the myths of one specific Moon goddess and how she appeared to the original creators of those myths in the literature of ancient Greece. In doing so, Selene marks the point at which classical scholarship comes closest to a physical embrace with its ethereal subject matter.

Selene

Tharg's Future Shocks are one-off, twist ending, sci-fi thrills that have introduced many of the biggest names in the comic book industry through the pages of 2000 AD. THE ULTIMATE VISION OF THE FUTURE! From Alan Moore to Al Ewing, Kevin O'Neill to Jon Davis-Hunt, Future Shocks have been a staple of the UK's best-selling comic 2000 AD! This exciting first volume takes us back to the earliest days of the strip and showcases the burgeoning, immense talents of such luminaries as Steve Moore, Alan Moore, Brett Ewins, Brian Bolland, Dave Gibbons, John Cooper, Carlos Pino, Jesus Redondo, Steve Dillon, Peter Milligan and many, many more.

The Complete Future Shocks, Volume One

Begging comparisons to Tolstoy and Joyce, this "magnificent, sprawling cosmic epic" (Guardian) by Alan Moore—the genre-defying, "groundbreaking, hairy genius of our generation" (NPR)—takes its place among the most notable works of contemporary English literature. In decaying Northampton, eternity loiters between housing projects. Among saints, kings, prostitutes, and derelicts, a timeline unravels: second-century fiends wait in urine-scented stairwells, delinquent specters undermine a century with tunnels, and in upstairs parlors, laborers with golden blood reduce fate to a snooker tournament. Through the labyrinthine streets and pages of Jerusalem tread ghosts singing hymns of wealth and poverty. They celebrate the English language, challenge mortality post-Einstein, and insist upon their slum as Blake's eternal holy city in "Moore's apotheosis, a fourth-dimensional symphony" (Entertainment Weekly). This "brilliant . . . monumentally ambitious" tale from the gutter is "a massive literary achievement for our time—and maybe for all times simultaneously" (Washington Post).

Jerusalem

'A wonderful collection, brilliant and often moving ... Both mind-expanding and cosmic while utterly rooted in our urban reality' NEIL GAIMAN 'One of the great fiction minds of his generation' ROLLING STONE In his first-ever short story collection, which spans forty years of work and features many never-before-published pieces, international bestselling author and legendary creator of *From Hell*, *The League of Extraordinary Gentlemen* and other modern classics, Alan Moore, presents nine stories full of wonder and strangeness, each taking us deeper into the fantastical underside of reality. In *A Hypothetical Lizard*, two concubines in a brothel for fantastical specialists fall in love, with tragic ramifications. In *Not Even Legend*, a paranormal study group is infiltrated by one of the otherworldly beings they seek to investigate. In *Illuminations*, a nostalgic older man decides to visit a seaside resort from his youth and finds the past all too close at hand. And in the monumental novella *What We Can Know About Thunderman*, which charts the surreal and Kafkaesque history of the comics industry over the last seventy-five years through several sometimes-naïve and sometimes-maniacal people rising and falling on its career ladders, Moore reveals the dark, beating heart of the superhero business. From ghosts and otherworldly creatures to theoretical Boltzmann brains fashioning the universe at the big bang, *Illuminations* is exactly that - a series of bright, startling tales from a contemporary legend that reveal the full power of imagination and magic. 'One of the most significant fiction writers in English ... Moore's influence can be felt everywhere--in our literature, on our screens, in our politics' GUARDIAN-*Illuminations* became a Sunday Times Top 5 Bestseller on 15th October 2022

Illuminations

In 1954, the comic book industry instituted the Comics Code, a set of self-regulatory guidelines imposed to placate public concern over gory and horrific comic book content, effectively banning genuine horror comics. Because the Code applied only to color comics, many artists and writers turned to black and white to circumvent the Code's narrow confines. With the 1964 *Creepy* #1 from Warren Publishing,

black-and-white horror comics experienced a revival continuing into the early 21st century, an important step in the maturation of the horror genre within the comics field as a whole. This generously illustrated work offers a comprehensive history and retrospective of the black-and-white horror comics that flourished on the newsstands from 1964 to 2004. With a catalog of original magazines, complete credits and insightful analysis, it highlights an important but overlooked period in the history of comics.

Horror Comics in Black and White

For over three decades comics fans and creators have regarded Alan Moore as a titan of the form. With works such as *V for Vendetta*, *Watchmen* and *From Hell*, he has repeatedly staked out new territory, attracting literary plaudits and a mainstream audience far removed from his underground origins. His place in popular culture is now such that major Hollywood players vie to adapt his books for cinema. Yet Moore's journey from the hippie Arts Labs of the 1970s to the bestseller lists was far from preordained. A principled eccentric, who has lived his whole life in one English town, he has been embroiled in fierce feuds with some of the entertainment industry's biggest corporations. And just when he could have made millions ploughing a golden rut he turned instead to performance art, writing erotica, and the occult. Now, as Alan Moore hits sixty, it's time to go in search of this extraordinary gentleman, and follow the peculiar path taken by a writer quite unlike any other.

Magic Words

"Jobremus Bojeffries is like any other father--trying to keep the peace in a house stuffed with two kids (Ginda and Reth), uncles Raoul and Festus, a baby, and old Grandpa Podlas. Never mind that one's a werewolf, one's a vampire, Grandpa is in the last stages of organic matter, and the baby puts off enough thermonuclear energy to power England and Wales... All right, they're no ordinary family. And this is no ordinary book, with stories spanning decades, a whole chapter written as light opera, a Christmas episode, and an all-new, 24-page comic bringing the Bojeffries up to the present day."--page [4] of cover.

The Bojeffries Saga

A journey along one of Britain's oldest roads, from Dover to Anglesey, in search of the hidden history that makes us who we are today. 'A bravura piece of writing - Bill Bryson on acid' Tom Holland Winding its way from the White Cliffs of Dover to the Druid groves of Anglesey, the ancient road of Watling Street has gone by many different names. It is a road of witches and ghosts, of queens and highwaymen, of history and myth, of Bletchley Park codebreakers, Chaucer, Boudicca, Dickens and James Bond. But Watling Street is not just the story of a route across our island. It is an acutely observed exploration of Britain and who we are today, told with wit and an unerring eye for the curious and surprising.

Watling Street

A New Statesman Book of the Year London. A city apart. Inimitable. Or so it once seemed. Spiralling from the outer limits of the Overground to the pinnacle of the Shard, Iain Sinclair encounters a metropolis stretched beyond recognition. The vestiges of secret tunnels, the ghosts of saints and lost poets lie buried by developments, the cycling revolution and Brexit. An electrifying final odyssey, *The Last London* is an unforgettable vision of the Big Smoke before it disappears into the air of memory.

The Last London

In the second book of this new, highly illustrated middle grade series by the nationally syndicated cartoonist of "In the Bleachers," Steve reprises his role as perpetual bench-warmer. Perfect for fans of *Timmy Failure* and *Diary of a Wimpy Kid*, *King of the Bench* is an ode to teammates, underdogs, and bench-warmers everywhere. Steve is King of the Bench. No brag. That's just a fact. And this season, Steve and his friends are ready to sit on the sidelines of the Spiro T. Agnew Middle school football field. But then they stumble upon an old-school video game controller, and they become convinced it can control sports plays. With it, Steve might become King of Football too! Oh, and if you're wondering why Steve would write a book and tell complete strangers about a mysterious magic device that pretty much controlled his first season on the football team, too bad! It's a strict rule when writing a book that you have to build suspense first.

King of the Bench: Control Freak

A how to guide to avoiding the mistakes ineffective financial advisors most often make Based on a 15-year consulting program that author Steve Moore has led for financial advisors, *Ineffective Habits of Financial Advisors (and the Disciplines to Break Them): A Framework for Avoiding the Mistakes Everyone Else Makes* details proven techniques which allow advisors to transform their business into an elite practice: business analysis, strategic vision, exceptional client service, and acquiring high net worth clients. Told through the story of a purely fictional and completely average financial advisor, each chapter begins with an ineffective habit that is then countered with a discipline that improves business results and adds value. The book Details a step-by-step strategy for working through current clients, rather than relying on cold calling to form new relationships Includes anecdotes collected through both personal experience and stories relayed to him by clients and colleagues Provides question and answer segments, examples, and homework assignments *Ineffective Habits of Financial Advisors (and the Disciplines to Break Them)* shows you how to deliver exceptional service while generating higher revenue per client.

Ineffective Habits of Financial Advisors (and the Disciplines to Break Them)

The writer who revolutionized modern comic book storytelling, Alan Moore (Hugo-Award winning author of *WATCHMEN*) provides his guide to crafting graphic stories. Perfect for Moore fans, creative writers of all media, and librarians! Alan Moore, Hugo-Award winning author of *WATCHMEN* and the acknowledged master of comic book writing, shares his thoughts on how to deliver a top-notch script! An essay originally written in 1985 to appear in an obscure British fanzine (right at the time that Moore was reshaping the landscape of modern comics), *WRITING FOR COMICS* was lost to time until its collection in these pages, expanded with a brand new essay by the author on how his thoughts on writing have changed in the two decades since. An insightful and eye-opening look into a brilliant creative mind, perfect for Moore devotees and fiction writers of all literary forms looking to hone their craft.

Alan Moore Writing For Comics

The theories of Karl Marx and the practical existence of the Soviet Union are inseparable in the public imagination, but for all the wrong reasons. This book provides detailed analyses of both Marx's theory of history and the course of Russian and Soviet development and delivers a new and insightful approach to the relationship between the two. Most analyses of the Soviet Union, from any perspective, focus on trying to explain the failure to establish socialism, giving too much weight to the political pronouncements of the regime. But, for Marx, this approach to historical explanation is back-to-front, it's the political tail wagging the economic dog. When we move our focus from the stated aims of building socialism, and look at what actually happened in Russia from emancipation in the 1860s, through the Soviet era to the 1990s, we can clearly see the patterns which Marx identified as the essential features of the transition from feudalism to capitalism in England from the sixteenth century to the nineteenth. As such, the Soviet experiment forms an important part of Russia's transition from feudalism to capitalism and provides an excellent example of the underlying forces at play in the course of historical development. *Unlearning Marx* will surprise Marx's admirers and his detractors alike, and not only shed new light on Marxism's relationship with the Soviet Union, but on his ongoing relationship with our world.

Unlearning Marx

The final issue of writer Alan Moore and artist David Lloyd's acclaimed series! One may be able to kill a person, but an idea is bulletproof...

V for Vendetta (1988-) #10

The massive, multilayered city of Neopolis, built shortly after World War II, was designed as a home for the expanding population of science-heroes, heroines and villains that had ballooned into existence in the previous decade. In 1985 the city accepted jurisdiction by a police force covering many alternate Earths, headquartered on the world known as Grand Central. Our own outpost of this network, Precinct Ten (known affectionately as Top 10), recruits its members from Neopolis and its environs, working much like Earth's other police precincts, with one major exception: Like the citizens of the city, the officers of Top 10 have the abilities needed to deal with Neopolis's exotic denizens. Rookie cop Robyn Slinger, alter ego "Toybox," hits the streets for the first time along with a colorful crew of fellow officers, each having the required training to deal with science-villains and super-crimes, as well as the common

misdeemeanors of city life. You'll never look at powers, or police work, the same way again! From Alan Moore, the writer of WATCHMEN and V FOR VENDETTA, and artists Gene Ha (JUSTICE LEAGUE) and Zander Cannon (Transformers), the Eisner award-winning series TOP 10 is collected here in its entirety!

Top 10

Tom Strong

When legions of monstrous creatures started rising from the sea, a war began that would take millions of lives and consume humanity's resources for years on end. On the verge of defeat, the forces defending mankind have no choice but to turn to two unlikely heroes to pilot a legendary but obsolete robot from the past. Together, they stand as mankind's last hope against the apocalypse.

Pacific Rim: The Official Movie Novelization

For nearly forty years, from his earliest work in underground Arts Lab projects to his latest work as author of League of Extraordinary Gentlemen and Lost Girls, Moore has pushed the boundaries like few others, ranging from farce and high comedy to the dark, grim work that epitomised the comics revolution of the late eighties. This book examines the recurring themes and how Moore's work has evolved over the years from his early comic work in Captain Britain and 2000 AD, through milestone series like V for Vendetta, Marvelman, Swamp Thing and Watchmen, to his current genre-stretching work. On the way Moore has written definitive stories of America's greatest superheroes Batman and Superman, penned some of the most widely read graphic novels of all time, and helped turn comics into an indispensable art form. In this Pocket Essential you'll meet Moore the pop icon (everyone from the Simpsons to Transvision Vamp have hung out with Halo Jones), Moore the performance artist and magician, Moore the novelist, and above all Moore the writer who helped change the face of comics forever. As well as an introductory essay, this book is a comprehensive survey of Alan Moore's career. It also contains a complete list of his works, including projects that never saw the light of day.

Alan Moore

'One of the best crime thrillers of the year' LEE CHILD 'A masterful novel' HARLAN COBEN 'A bright new star' JAMES PATTERSON Six minutes - that's all it took to ruin Detective Ted Conkaffey's life. Accused but not convicted of abducting a teenage girl, he escapes north, to the steamy, croc-infested wetlands of Crimson Lake. Amanda Pharrell knows what it's like to be public enemy number one. Maybe it's her murderous past that makes her so good as a private investigator, tracking lost souls in the wilderness. Her latest target, missing author Jake Scully, has a life more shrouded in secrets than her own - so she enlists help from the one person in town more hated than she is- Ted Conkaffey. But the residents of Crimson Lake are watching the pair's every move. And for Ted, a man already at breaking point, this town is offering no place to hide . . .

Troppo: Crimson Lake TV Tie-in

Inspired by the Occupy Wall Street protests, this anthology brought together a diverse chorus of voices to present tales drawn from the issues that drove people to set up camp on capitalism's doorstep, issues that continue to impact our lives and world today. Featuring work by Alan Moore (Watchmen, V For Vendetta), Art Spiegelman (Maus), David Lloyd (V For Vendetta), Molly Crabapple (Drawing

Blood), Amanda Palmer, Bill Ayers (The Weather Underground), Mike Allred (Madman), David Mack (Kabuki), Ben Templesmith (30 Days Of Night), Charlie Adlard (The Walking Dead), and early comics by Matthew Rosenberg (Uncanny X-Men), Patrick Kindlon (Nobody Is In Control), Matt Miner (Critical Hit), Eric Zawadzki (The Dregs), Patrick Meaney (Last Born), Amancay Nahuelpan (Clandestino), and Matteo Pizzolo (Calexit).
