begin by sliding the waist belt around your waist thread

the waist belt

both shoulder straps and the chest strap

by placing your infant insert on a safe flat surface

rest comfortably on top of the removable pillow

fasten the swaddle

place him tummy to tummy

slide your hand down between the infant insert and the carrier
slide your arms one at a time through the shoulder straps
hold the back panel in one hand
unsnap the swaddle strap of the infant insert
pull the padding of the infant insert up to the hollow
adjust the positioning of his legs
tuck it behind the back panel to secure
fit two fingers between our chin and chest
remove your baby from the carrier
slip off the shoulder straps one at a time
use the infant insert to hold
