Hue & Cry

1579, St Andrews. Hew Cullan, a young lawyer, returns home from studying in Paris. But it proves to be a cold homecoming as Hew's friend, university regent Nicholas Colp, is accused of murdering a thirteen-year-old boy. The boy was a private pupil of Nicholas, and salacious gossip backed up by incriminating letters have him judged, convicted, and heading for the hangman's noose. Investigating the crime, Hew uncovers a dark tale of duplicity and passion amidst a world of religious piety and the chilling austerity of university life. From a case that seems to be open and shut, a Pandora's Box of lies and corruption emerges. Hue & Cry is the first in the must-read series of Hew Cullan Mysteries, for fans of thrilling historical fiction.

Hue and Cry

1579, St. Andrews. A thirteen-year old boy meets his death on the streets of the university city of St. Andrews and suspicion falls upon one of the regents at the university, Nicholas Colp. Hew Cullan, a young lawyer recently returned home from Paris, uncovers a complex tale of passion and duplicity, of sexual desire and tension within the repressive atmosphere of the Protestant Kirk and the austerity of the academic cloister.

Hue and Cry

1579, St. Andrews. A thirteen-year old boy meets his death on the streets of the university city of St. Andrews and suspicion falls upon one of the regents at the university, Nicholas Colp. Hew Cullan, a young lawyer recently returned home from Paris, uncovers a complex tale of passion and duplicity, of sexual desire in tension with the repressive atmosphere of the Protestant Kirk and the austerity of the academic cloister.

Hue and Cry

1581, Edinburgh. Running from his new responsibilities as head of the family in St Andrews, young lawyer Hew Cullan arrives in the vibrant capital of medieval Scotland. There he plans to publish his late father's book and quietly endure the completion of his legal training under an old family friend. Life in the whirl of Edinburgh is full of dangers and distractions for Hew. Beautiful women, fashionable living and the treacherous world of the law threaten to turn his head. But a brutal murder and hints of a long-hidden mystery draw him into a deadly game against an unrepentant foe. When the game is murder, can Hew Cullan play to win? *Fate & Fortune* is the second Hew Cullan mystery by Shirley McKay.

Fate & Fortune

Featuring a half-Chinese detective protagonist, *A GENTLEMAN'S MURDER* is a must for those who love mysteries and reads like a Christie-esque whodunit with a modern eye toward the historical treatment of Chinese veterans and post-war racism.

A Gentleman's Murder

When Tom is sent to stay at his aunt and uncle's house for the summer, he resigns himself to endless weeks of boredom. As he lies awake in his bed he hears the grandfather clock downstairs strike . . . eleven . . . twelve . . . thirteen . . . Thirteen! Tom races down the stairs and out the back door, into a garden everyone told him wasn't there. In this enchanted thirteenth hour, the garden comes alive - but Tom is never sure whether the children he meets there are real or ghosts . . . This entrancing and magical story is one of the best-loved children's books ever written.

Tom's Midnight Garden

St Andrews, 1583, and tensions are running high. Dissension rages between King and councillors, and between separate factions of the Kirk. Hew Cullan is called to investigate a mysterious incident, and finds suspicion falling upon him as he is ensnared in a world of superstition, subterfuge and death. Hew Cullan finds himself once again in the company of his sister Meg and her husband, Giles Locke, in their most challenging case yet. Alliances are formed; there are old scores to be settled; old ghosts reappear and spies are abroad. The king's escape from captivity throws all into confusion, and as Hew's loves and loyalties are put to the test, his own life and future are no longer secure. *Friend & Foe* is the fourth Hew Cullan mystery by Shirley McKay.

Friend & Foe

The first book in an enthralling mystery series from award-winning author Peter May. "A WRITER I WOULD FOLLOW TO THE ENDS OF THE EARTH." --Marilyn Stasio, *The New York Times Book Review* "SHINES WITH INTRIGUE AND SUPERB PLOTTING." --USA Today Every step toward solving the case brings Scottish detective Fin Macleod closer to a dangerous confrontation with the dark events of the past that shaped--and nearly destroyed--his life. When a grisly murder occurs on the Isle of Lewis that bears similarities to a brutal killing on mainland Scotland, Edinburgh detective and native of the Isle of Lewis Fin Macleod is dispatched to the Outer Hebrides to investigate, embarking at the same time on a voyage into his own troubled past. As Fin reconnects with the people and places of his tortured childhood, the desolate but beautiful island and its ancient customs assert their grip on his psyche.

The Blackhouse

Supplemented by three "temporary" indexes covering vols. 1-6, 7-12, and 13-18, compiled by Elizabeth J. Sherwood and Ida T. Hopper; published: Princeton, Princeton University Press, 1954-73. Beginning with v. 21, permanent cumulative indexes will appear after each decimal volume; vol. 21 provides an index to the first 20 vols. and replaces the earlier "temporary" indexes.

The Papers of Thomas Jefferson, Volume 31

* Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry,

across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

Red, White & Royal Blue

A grisly murder. A vanishing corpse. A secret romance. A ghostly tale. An innocent accused. Set in the year of the Armada, 1588: *A Calendar of Crime* brings together five short stories featuring Hew Cullan. From the gruesome murder of a candlemaker to Spanish ghosts on Halloween, Shirley McKay delivers five gripping tales of mystery that will keep you reading long into the night.

1588: A Calendar of Crime

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" – BookBesties "From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns,

get ready for one amazing adventure.” -Perpetual Fangirl “This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP!” ~Jeraca @My Nose in YA Books “From Blood to Ash is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all.” - Lisa @ The Blonde Book Lover “From Blood & Ash is everything we love about JLA’s fantasy writing...pumped up on steroids. There’s epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can’t help but steal your heart. My mind was blown by the end of this book.” - Kris S. (frantic4romantic) “Step into an exciting new fantasy world by Jennifer L. Armentrout, From Blood And Ash takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal start to an exciting new series.” - Lori Dunn an avid reader “From Blood and Ash was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn’t put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout.” –Sabrina, Books Are My Life “Jennifer L. Armentrout takes her first step into the high fantasy genre with From Blood and Ash. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page.” - Love Just Is Books “From Blood and Ash is like reading my favorite book for first time.” - Raquel Herrera “With From Blood and Ash, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, FB&A draws you in from page one and refuses to let go!” - Erica, The Rest Just Falls Away “Jennifer L. Armentrout comes trough once again with From Blood and Ash as it kept me enthralled throughout the full book. You won’t be able to put down this epic story once you start.” - Julalicious Book Paradise “From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the relationship between the main characters feeling real and authentic.” - Nads Book Nook, Nadine Bergeron “Be prepared to spend your whole day reading From Blood and Ash. Once you start reading this high fantasy novel, you won’t want to put it down.” - Love Book Triangle “From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!” - Pia Colon “From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end.” - Amy Oh, Reader by the Mountains “From Blood and Ash is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one.” – Tracy Kirby “An intriguing puzzle of a world, a ruthless hero, a determine heroin, and a plot that will keep you up late, this book is one of the best I’ve read this year.” – Valerie from Stuck In Books “From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!” - Tracey, Books & Other Pursuits

Ulysses

1582, St Andrews. A violent storm wrecks a ship nearby, and the only man about dies without revealing how he came to be there alone, or where the ship was headed. But neither he nor the wreck is really of interest to the townsfolk of St Andrews. Lashed to the deck of the ship is a windmill, a much-needed innovation for the town, but one which soon brings devastation as squabbling over its ownership breaks out. Tasked with tracing the ship to its source, reluctant lawyer Hew Cullan embarks on a journey that will take him far from the security of home and family to Ghent, in the war-torn Low Countries. But are the truth and tragedy surrounding the windmill's real owner – and the death's connected to it – closer to home than Hew could ever imagine? Time & Tide is the third Hew Cullan mystery by Shirley McKay.

The New York Times Book Review Index, 1896-1970: Title index

MacKayla Lane’s life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she’s your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac’s cell phone—Mac journeys to Ireland in search of answers.

The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . Look for all of Karen Marie Moning's sensational Fever novels: DARKFEVER | BLOODFEVER | FAEFEVER | DREAMFEVER | SHADOWFEVER | ICED | BURNED | FEVERBORN | FEVERSONG
BONUS: This edition contains an excerpt from Karen Marie Moning's Bloodfever.

From Blood and Ash

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Time & Tide

The moving and extraordinary story of an unheralded and virtually unknown Anzac action that occurred in Death Trap Valley on May 1st and 2nd 1915 during the period of the landing at Gallipoli and how the truth of what happened was corrupted by a noted historian.

Darkfever

Widely acknowledged as a contemporary classic that has introduced thousands of readers to American literature, *From Puritanism to Postmodernism: A History of American Literature* brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism. From realism and romanticism to modernism and postmodernism it examines and reflects on the work of a rich panoply of writers, including Poe, Melville, Fitzgerald, Pound, Wallace Stevens, Gwendolyn Brooks and Thomas Pynchon. Characterised throughout by a vibrant and engaging style it is a superb introduction to American literature, placing it thoughtfully in its rich social, ideological and historical context. A tour de force of both literary and historical writing, this Routledge Classics edition includes a new preface by co-author Richard Ruland, a new foreword by Linda Wagner-Martin and a fascinating interview with Richard Ruland, in which he reflects on the nature of American fiction and his collaboration with Malcolm Bradbury. It is published here for the first time.

When Scotland Was Jewish

Switched is the first novel in Amanda Hocking's bestselling trilogy, Trylle. Wendy Everly knew she was different the day her mother tried to kill her and accused her of having been switched at birth. Although certain she's not the monster her mother claimed she is, she does feel that she doesn't quite fit in. She's bored and frustrated by her small-town life - and then there's the secret she can't tell anyone. Her mysterious ability - she can influence people's decisions, without knowing how, or why . . . When the intense and darkly handsome newcomer Finn suddenly turns up at her bedroom window one night, her world is turned upside down. He holds the key to her past, the answers to her strange powers and is the doorway to a place she never imagined could exist: Förening, the home of the Trylle. Finally everything makes sense. Among the Trylle she is not just different, but special. But what marks her out as chosen for greatness in this world also places her in grave danger. With everything around her changing, Finn is the only person she can trust. But dark forces are conspiring - not only to separate them, but to see

the downfall of everything that Wendy cares about. The fate of Förening rests in Wendy's hands, and the decisions she and Finn make could change all their lives forever . . .

Jack's Journey

In the style of Stephenie Meyer, three tales of supernatural love that all hinge on a life-changing kiss. Three tales of supernatural love, each pivoting on a kiss that is no mere kiss, but an action with profound consequences for the kissers' souls: *Goblin Fruit*: In Victorian times, goblin men had only to offer young girls sumptuous fruits to tempt them to sell their souls. But what does it take to tempt today's savvy girls? *Spicy Little Curses*: A demon and the ambassador to Hell tussle over the soul of a beautiful English girl in India. Matters become complicated when she falls in love and decides to test her curse.

From Puritanism to Postmodernism

Discover one of the most beloved stories for children about a little girl who discovers a magical secret garden. After her parents' deaths, Mary Lennox is sent from India to her uncle's gloomy manor in Yorkshire. She is spoiled, contrary, and terribly lonely. One day she hears about a garden hidden and locked away in the grounds of the manor. Guided by a trusty robin, she finds the key to the secret door and unlocks a life she never imagined . . .

Switched

Disenfranchising Democracy examines the exclusions that accompany democratization and provides a theory of the expansion and restriction of voting rights.

Lips Touch: Three Times

By the author of *Black Narcissus*. 'Her craftsmanship is always sure; her understanding of character is compassionate and profound; her prose is pure, delicate, and gently witty' *New York Times* 'The motto was Pax but the word was set in a circle of thorns. Peace, but what a strange peace, made of unrelenting toil and effort.' Bruised by tragedy, Philippa Talbot leaves behind a successful career with the civil service for a new calling: to join an enclosed order of Benedictine nuns. In this small community of fewer than one hundred women, she soon discovers all the human frailties: jealousy, love, despair. But each crisis of heart and conscience is guided by the compassion and intelligence of the Abbess and by the Sisters' shared bond of faith and ritual. Away from the world, and yet at one with it, Philippa must learn to forgive and forget her past . . .

The Secret Garden

The *New York Times* bestseller about West Point's Class of 1966, by Pulitzer Prize-winning journalist and author Rick Atkinson. "A story of epic proportions [and] an awesome feat of biographical reconstruction."—*The Boston Globe* A classic of its kind, *The Long Gray Line* is the twenty-five-year saga of the West Point class of 1966. With a novelist's eye for detail, Rick Atkinson (author of the *Liberation Trilogy*) illuminates this powerful story through the lives of three classmates and the women they loved—from the boisterous cadet years, to the fires of Vietnam, to the hard peace and internal struggles that followed the war. The rich cast of characters also includes Douglas MacArthur, William C. Westmoreland, and a score of other memorable figures. The class of 1966 straddled a fault line in American history, and Atkinson's masterly book speaks for a generation of American men and women about innocence, patriotism, and the price we pay for our dreams

Disenfranchising Democracy

One of the most popular storytellers of all time, V.C. Andrews (*Flowers in the Attic*, *My Sweet Audrina*) continues an engrossing saga of psychological suspense with this second book of the Landry Family series—soon to be a Lifetime movie! Fate has whisked Ruby away from a simple life in the Louisiana Bayou but her new riches bring more treachery than happiness in this unputdownable and darkly evocative novel. Even a year removed from living in the bayou, Ruby still wonders at the splendor of her family's New Orleans mansion. She rejoices in the love of the father she had never known, even as true happiness remains as elusive as swamp mist. Her stepmother sneers at her backwater upbringing, and while discovering she has a twin sister should be a cause for joy, Gisselle has greeted Ruby with nothing but a bitter heart. When Ruby's father chooses an idyllic boarding school for his daughters' senior years, a fresh start with Gisselle seems possible. But Ruby's kind isn't welcome at Greenwood,

and the legendarily strict headmistress plots with her stepmother to make life miserable. Worse, with her twin on a mission to break every school rule, Ruby is left to suffer the humiliating punishments. So when a terrible tragedy leaves Ruby alone in a world that never really wanted her, only her Cajun strength can give her daring escape plan any hope of success. The weather on the bayou was nothing compared to the storm about to tear through her family.

In this House of Brede

Young American Carina Rourke grew up in blissful innocence in the Middle East until at age fifteen she succumbed to her obsessive desire to search inside her mother's forbidden jewelry box. In so doing, she discovered a shocking family secret. On the heels of her discovery, she and her family pursued her father's dream of an exotic drive through the Middle East and Europe. This journey serves as a metaphor for the woman Carina became--a silent nomad searching for identity.

The Belfast Monthly Magazine

In July 1863 New York City experienced widespread rioting unparalleled in the history of the nation. Here for the first time is a scholarly analysis of the Draft Riots, dealing with motives and with the reasons for the recurring civil disorders in nineteenth-century New York: the appalling living conditions, the corruption of the civic government, and the geographical and economic factors that led up to the social upheaval.

The Long Gray Line

John Law argues that methods don't just describe social realities but are also involved in creating them. The implications of this argument are highly significant. If this is the case, methods are always political, and it raises the question of what kinds of social realities we want to create. Most current methods look for clarity and precision. It is usually said that only poor research produces messy findings, and the idea that things in the world might be fluid, elusive, or multiple is unthinkable. Law's startling argument is that this is wrong and it is time for a new approach. Many realities, he says, are vague and ephemeral. If methods want to know and help to shape the world, then they need to reinvent themselves and their politics to deal with mess. That is the challenge. Nothing less will do.

Pearl in the Mist

This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating from 1740 to 1945.

The Syrian Jewelry Box

The rule of faith was a summary of apostolic preaching and teaching made by writers of the early Christian centuries. As such it carries great importance for what the early church considered basic to its being and identity. It was not a fixed text, like a creed, but varied in wording and content according to circumstances. Yet, despite this flexibility and diversity, there is a clear Christ-centered, Trinitarian core at the heart of the rule shared by the early apostolic churches. In this short guide, Everett Ferguson introduces readers to the primary sources of our knowledge of the rule, the variety of ways in which ancient Christian authors spoke of the rule, and different scholarly attempts to interpret this ancient evidence. Ferguson argues that statements of the rule of faith were used to instruct new or potential converts, to combat false teachings, and to provide a framework for interpreting the Scriptures. He maintains that the rule retains considerable importance for churches of the twenty-first century.

The Armies of the Streets

Accessible, challenging, funny, and one of the best reads on how to love others in any situation. Love and hospitality can change the way you see the world and others. That's exactly what modern-day theologian, Richard Beck, experienced when he first led a Bible study at a local maximum security prison. Beck believed the promise of Matthew 25 that states when we visit the prisoner, we encounter Jesus. Sure enough, God met Beck in prison. With his signature combination of biblical reflection, theological reasoning, and psychological insight, Beck shows how God always meets us when we entertain the marginalized, the oppressed, and the refugee. Stories from Beck's own life illustrate this

truth -- God comes to him in the poor, the crippled, the smelly. Psychological experiments show how we are predisposed to appreciate those who are similar to us and avoid those who are unlike us. The call of the gospel, however, is to override those impulses with compassion, to "widen the circle of our affection." In the end, Beck turns to the Little Way of St. Thérèse of Lisieux for guidance in doing even the smallest acts with kindness, and he lays out a path that any of us can follow.

The Book of Mackay

Published to accompany the 1994 exhibition at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years. Work by artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and Pablo Picasso.

After Method

Shakespeare is both the world's most quoted author and a frequent quoter himself. This volume unites these creative practices.

The Philosophy of Mystery

This erudite volume examines the moral universe of the hit Netflix show Black Mirror. It brings together scholars in media studies, cultural studies, anthropology, literature, philosophy, psychology, theatre and game studies to analyse the significance and reverberations of Charlie Brooker's dystopian universe with our present-day technologically mediated life world. Brooker's ground-breaking Black Mirror anthology generates often disturbing and sometimes amusing future imaginaries of the dark side of ubiquitous screen life, as it unleashes the power of the uncanny. This book takes the psychoanalytic idea of the uncanny into a moral framework befitting Black Mirror's dystopian visions. The volume suggests that the Black Mirror anthology doesn't just make the viewer feel, on the surface, a strange recognition of closeness to some of its dystopian scenarios, but also makes us realise how very fragile, wavering, fractured, and uncertain is the human moral compass.
