Watching You

"Quickly and assuredly, Jewell builds an ecosystem of countervailing suspicions...Tricky, clever, unexpected." —New York Times Book Review "Brace yourself as Jewell stacks up the secrets, then lights a long, slow fuse." —People "A seize-you-by-the-throat thriller and a genuinely moving family drama." —A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* The instant New York Times and #1 Sunday Times bestselling author of *Then She Was Gone* delivers another suspenseful page-turner about a shocking murder in a picturesque and well-to-do English town, perfect "for fans of *Gone Girl*, *The Girl on the Train*, and *Luckiest Girl Alive*" (Library Journal). You're back home after four years working abroad, new husband in tow. You're keen to find a place of your own. But for now, you're crashing in your big brother's spare room. That's when you meet the man next door. He's the head teacher at the local school. Twice your age. Extraordinarily attractive. You find yourself watching him. All the time. But you never dreamed that your innocent crush might become a deadly obsession. Or that someone is watching you. In Lisa Jewell's latest "bone-chilling suspense" (People), no one is who they seem—and everyone has something to hide. Perfect for fans of Gillian Flynn and Ruth Ware, *Watching You* will keep you guessing as "Jewell teases out her twisty plot at just the right pace" (Booklist, starred review) until the startling revelations on the very last page.

Just One Year

From the author of the international bestseller, *IF I STAY*, now a major film starring Chloe Grace Moretz. Twenty-four hours can change your life . . . Allyson and Willem share one magical day together in Paris, before chance rips them apart. The romantic, emotional companion to *Just One Day*, this is a story of the choices we make and the accidents life throws at us. But is one day enough to find your fate? Perfect for fans of John Green and David Levithan.

The Role of the Reader

Discusses the differences between "open" and "closed" texts, or, texts that actively involve the reader and texts that evoke a limited, predetermined response from the reader. -- Back cover.

Ralph's Party

The smash-hit romantic comedy from the author of *The Girls and Then She Was Gone* Six people, one big house and the party that brings it all down . . . Ralph and Smith are flatmates and best mates. Nothing can come between them - until the gorgeous Jemima moves in. They're both falling for her, but which one of them does she want? Upstairs, Karl and Siobhan are happily unmarried and have been for fifteen years - until Cheri moves into the flat above, and fixes her sights on Karl. Why should a little problem like his girlfriend get in her way? Sooner or later this house is bound to implode. So when Ralph throws a party and invites the whole house, what could possibly go wrong? If you like Marian Keyes, Jane Fallon, and Sophie Kinsella, you'll love this. 'Addictively readable' *The Times* 'A joy . . . a fun summer read' *Guardian*

Feminizing the Fetish

Shoes, gloves, umbrellas, cigars that are not just objects—the topic of fetishism seems both bizarre and inevitable. In this venturesome and provocative book, Emily Apter offers a fresh account of the complex relationship between representation and sexual obsession in turn-of-the-century French culture. Analyzing works by authors in the naturalist and realist traditions as well as making use of documents from a contemporary medical archive, she considers fetishism as a cultural artifact and as a subgenre of realist fiction. Apter traces the web of connections among fin-de-siècle representations of perversion, the fiction of pathology, and the literary case history. She explores in particular the theme of "female fetishism" in the context of the feminine culture of mourning, collecting, and dressing.

Little Monsters

For fans of *Pretty Little Liars*, comes a psychological thriller, from the author of *The Cheerleaders*, about about how when you're the new girl in town, you can't trust anyone, especially other teenage girls. Kacey is the new girl in Broken Falls. When she moved in with her father, she stepped into a brand-new life. A life with a stepbrother, a stepmother, and strangest of all, an adoring younger half sister. Kacey's new life is eerily charming compared with the wild highs and lows of the old one she lived with her volatile mother. And everyone is so nice in Broken Falls--she's even been welcomed into a tight new circle of friends. Which is why it's so odd when her closest friends, Bailey and Jade, start acting distant. And when they don't invite her to the biggest party of the year, it doesn't exactly feel like an accident. But Kacey will never be able to ask, because Bailey never makes it home from that party. Suddenly, Broken Falls doesn't seem so welcoming after all--especially once everyone starts looking to the new girl for answers.

Wit'ch Storm

"Clemens has constructed a world of magic that's never been seen before, with a cast of beings who are so engaging and entrancing that you never want the story to end."—John Saul Elena bears the mark of the wit'ch upon her palm, the crimson stain that testifies to an awesome power of unimaginable potency: wild, seductive, difficult to control. Only a mistress of blood magick can stand against the foul minions and all-corrupting evil of the Dark Lord. But Elena is not yet the mistress of her magick. Protected by an ageless warrior and a band of renegades, she quests for a lost city where prophecies speak of a mystic tome that holds the key to the Dark Lord's defeat. But if the Dark Lord finds her first, Elena will become his most fearsome weapon . . .

Me Before You (Movie Tie-In)

USA Today's top 100 books to read while stuck at home social distancing From the #1 New York Times bestselling author of *The Giver of Stars*, discover the love story that captured over 20 million hearts in *Me Before You*, *After You*, and *Still Me*. They had nothing in common until love gave them everything to lose . . . Louisa Clark is an ordinary girl living an exceedingly ordinary life—steady boyfriend, close family—who has barely been farther afield than their tiny village. She takes a badly needed job working for ex–Master of the Universe Will Traynor, who is wheelchair bound after an accident. Will has always lived a huge life—big deals, extreme sports, worldwide travel—and now he's pretty sure he cannot live the way he is. Will is acerbic, moody, bossy—but Lou refuses to treat him with kid gloves, and soon his happiness means more to her than she expected. When she learns that Will has shocking plans of his own, she sets out to show him that life is still worth living. A Love Story for this generation and perfect for fans of John Green's *The Fault in Our Stars*, *Me Before You* brings to life two people who couldn't have less in common—a heartbreakingly romantic novel that asks, What do you do when making the person you love happy also means breaking your own heart?

The Making of Us

From the New York Times bestselling author of *Then She Was Gone* comes a “compelling and heartbreaking” (Jojo Moyes) novel about three strangers who are brought together by the father they never knew. Lydia, Dean, and Robyn don't know one another. Yet. Each is facing difficult challenges. Lydia is still wearing the scars from her traumatic childhood. Wealthy and successful, she leads a lonely and disjointed existence. Dean is a young, unemployed, single dad whose life is going nowhere. Robyn is eighteen. Gorgeous, popular, and intelligent, she entered her first year of college confident of her dream to become a pediatrician. Now she's failing her classes. Now she's falling in love for the first time. Lydia, Dean, and Robyn live very different lives, but each of them, independently, has always felt that something was missing. What they don't know is that a letter is about to arrive that will turn their lives upside down. It is a letter containing a secret—one that will bind them together and show them what love and family and friendship really mean. “Filled with heart and humor” (Kirkus Reviews), *The Making of Us* is a literary gem that will remind readers of the miracles that happen when we bring life into the world and share our lives with those we love.

A History of the French Novel: From the Beginning to the Close of the 19th Century (Complete)

A novelization of the hit television show follows detectives Alec Hardy and Ellie Miller as they search for a young boy's killer among numerous suspects and a brewing media storm. TV tie-in.

Broadchurch

Guardian Riley Jenson always seems to face the worst villains. And this time's no different. For it's no ordinary sorceress who can raise the dead to do her killing. But that's exactly what Riley expects to find

at the end of a trail of female corpses used - and discarded - in a bizarre ritual of evil. With pressure mounting to catch the fiend, the last thing Riley needs is the heat of the upcoming full moon bringing her werewolf hormones to a boil - or the reappearance of a sexy bounty hunter, the rogue wolf Kye Murphy. Riley has threatened Murphy with arrest if he doesn't back off the investigation, but it's Riley who feels handcuffed by Kye's lupine charm. Torn between her vamp and wolf natures, between her love for Quinn and her attraction to Kye, Riley knows she's courting danger and indulging the deadliest desires. For her hunt through the supernatural underworld will bring her face-to-face with what lurks in a darkness where even monsters fear to tread.

Deadly Desire

Five dishonored soldiers. Former Special Forces. One last mission. These are the men of Hard Ink. Ever since hard-bodied, drop-dead-charming Shane McCallan strolled into the dance club where Crystal Dean works, he's shown a knack for getting beneath her defenses. For her little sister's sake, Crystal can't get too close. Until her job and Shane's mission intersect, and he reveals talents that go deeper than she could have guessed. Shane would never turn his back on a friend in need, especially a former Special Forces teammate running a dangerous, off-the-books operation. Nor can he walk away from Crystal. The gorgeous waitress is hiding secrets she doesn't want him to uncover. Too bad. He's exactly the man she needs to protect her sister, her life, and her heart. All he has to do is convince her that when something feels this good, you hold on as hard as you can—and never let go.

Hard As You Can

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, *Bitten* will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

Bitten

The Kelly Group International (KGI): A super-elite, top secret, family-run business. Qualifications: High intelligence, rock-hard body, military background. Mission: Hostage/kidnap victim recovery. Intelligence gathering. Handling jobs the U.S. government can't... Over the years, Donovan Kelly has fought relentlessly for justice, women and children always holding a special place in his heart. Working side by side with his brothers, Donovan has witnessed firsthand the toll it's taken—physically, mentally, and emotionally—on his loved ones, and the innocent lives caught in the crossfire. What he never expects is for his next mission to happen right on his home turf—or for it to take a very personal turn. Picturesque Kentucky Lake is the perfect place for a soul in search of safe harbor. A beautiful stranger has arrived—desperate, breathless, and on the run from a dark past closing in on her and the younger siblings she has vowed to protect. Donovan must now draw on every resource at his disposal—if he wants to save a woman and the children who may prove to be his destiny.

After the Storm

Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. *Twelve Years a Slave* by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

My Memoirs: 5

THE #1 NEW YORK TIMES BESTSELLER! Another twisty bestselling thriller from Lisa Gardner featuring Pierce Quincy and Rainie Conner as they take on a case that hits far too close to home. Eight years ago, Sharlah May Nash's older brother beat their drunken father to death with a baseball bat in order to save both of their lives. Now thirteen years old, Sharlah has finally moved on. About to be adopted by retired FBI profiler Pierce Quincy and his partner, Rainie Conner, Sharlah loves one thing best about her new family: They are all experts on monsters. Then the call comes in. A double murder at a local gas station, followed by reports of an armed suspect shooting his way through the wilds of Oregon. As Quincy and Rainie race to assist, they are forced to confront mounting evidence: The shooter may very well be Sharlah's older brother, Telly Ray Nash, and it appears his killing spree has only just begun. As the clock winds down on a massive hunt for Telly, Quincy and Rainie must answer two critical questions: Why after eight years has this young man started killing again? And what does this mean for Sharlah? Once upon a time, Sharlah's big brother saved her life. Now, she has two questions of her own: Is her brother a hero or a killer? And how much will it cost her new family before they learn the final, shattering truth? Because as Sharlah knows all too well, the biggest danger is the one standing right behind you.

Unskilled and untrained in the art of killing, the events that unfold leave her hanging precariously on the edge of death when nothing goes as planned. Sarai's reckless choices send her on a path she knows she can never turn back from, and so she presents Victor with an ultimatum: help her become more like him and give her a fighting chance, or she'll do it alone, no matter the consequences. Knowing that Sarai cannot become what she wants to be overnight, Victor begins to train her, and inevitably their complicated relationship heats up. As Arthur Hamburg's right-hand man, Willem Stephens, closes in on his crusade to destroy Sarai, she is left with the crushing realization that she may have bitten off more than she can chew. But Sarai, taking on the new and improved role of Izabel Seyfried, still has a set of deadly skills of her own that will

prove to be all she needs to secure her place beside Victor. But there is one test that Izabel must face that has the potential to destroy everything she is working so hard to achieve. One final test that will not only make her question her decision to want this dangerous life but will make her question everything she has come to trust about Victor Faust.

Heart Recaptured

'This lovely, quirky novel will appeal to fans of Miranda July and Sheila Heti' Red Ottila McGregor is thirty years old and has decided it's time to sort her life out. She's going to quit drinking, stop cheating and finally find true happiness. Easy, right? Getting in the way of this plan are: 1. Grace, her best friend, who believes self-improvement is for people in their forties. 2. Mina, her sister, who is mentally ill, and it might be Ottila's fault. 3. Thales, the Greek guy who works in the hospital cafeteria – probably the best, most dangerous person Ottila's ever met. Told through a scrapbook of emails, receipts, therapy transcripts and other ephemera, this is an infectious one-off of a novel that makes you wince and laugh in equal measure.

So Happy It Hurts

Rien qu'avec toi

The first book in the Laura Caxton Vampire series from the author of the Monster Island trilogy. All the official reports say that vampires are dead--extinct since the late '80s, when FBI agent Arkeley defeated the last vampire in a fight that nearly killed him. But when state trooper Laura Caxton calls the FBI looking for help in the middle of the night, Arkeley is unsurprised to hear that it sounds like a vampire attack. He's been expecting such a call to come eventually. Sure, it has been years since any signs of an attack, but Arkeley knows what most people don't: there is one left. In an abandoned asylum she is rotting, plotting, and biding her time in a way that only the undead can. Laura Caxton is out of her league on this case and more than a little afraid. Arkeley made it clear there is only one way out. The worst thing is the feeling that the vampires want more than just her blood. They want her for a reason, one she can't guess; a reason her sphinxlike partner knows but won't say; a reason she has to find out-or die trying.

Les Idoles du stade, T3 : Les Règles de l'engagement

Par l'autrice de la série best-seller La Meute du Phénix Levi est le genre d'homme impossible à ignorer, y compris pour la démonsse cauchemar Piper. Mais ce n'est que lorsque leurs esprits s'effleurent qu'ils se rendent à l'évidence : ils sont alter ego. Ni Piper ni Levi n'a l'habitude d'avoir besoin de quelqu'un, pourtant l'attirance crépitante entre eux éveille leurs démons comme jamais. Pour ne rien arranger, la demi-soeur narcissique de Piper est l'ex de Levi... et elle ne voit pas leur rapprochement d'un très bon oeil. Quand un tueur en série ressurgit du passé de Levi, Piper doit apprendre à se battre pour son propre bonheur...

The Endless Beach

SPECIAL ENHANCED EDITION From New York Times bestselling author Teresa Medeiros comes a heartwarming and unforgettable novel sure to be enjoyed by readers who love Nicholas Sparks, Emily Giffin, and Jennifer Weiner. Bestselling author Abigail Donovan almost won the Pulitzer Prize and did win Oprah's stamp of approval. So why is she spending her days—and nights—hiding in her expensive New York City condo with only her two cats for company? When her publicist drags her into the world

of social media, Abby figures she'll meet some 14-year-old living in his mom's basement. But instead she finds Mark Baynard, a quick-witted English professor traveling the world in search of adventure. Although she tries to resist his charms, Mark begins to shatter Abby's writer's block one funny and tender encounter at a time. But just when she begins to write—and live—again, Abby discovers Mark is hiding a secret that could change both of their lives forever. In the tradition of *SLEEPLESS IN SEATTLE* and *YOU'VE GOT MAIL*, two lonely people discover it doesn't take a status update or 140 characters to find true love—it just takes three little words... This SPECIAL ENHANCED EDITION contains Bonus Epilogue and Photos ENGLISH LANGUAGE EDITION "Cleverly crafted...timeless."—BookPage "Delightfully inventive."—Chicago Tribune "Tender, funny, and poignant...will make you laugh out loud one minute and reach for the tissues the next."—Kristin Hannah, New York Times bestselling author "Measures out equal amounts of lightning-fast wit, wry intelligence, and haunting tenderness. Medeiros shows that in any era, by any means of communication, love will find a way."—Lisa Kleypas, New York Times bestselling author Women's fiction, Contemporary romance

The Knowledge Manager's Handbook

WINNER: CILIP's Knowledge and Information Management Award 2019 - Information Resources Print Category The way an organization manages and disseminates its knowledge is key to informed business decision-making, effectiveness and competitive edge. The Knowledge Manager's Handbook takes you step by step through the processes needed to define and embed an effective knowledge management framework within an organization. This second edition now includes clear guidance on the best practice requirements from the first ever internationally recognised standard for knowledge management, ISO 30401:2018, as well as content on the impact of AI and data analytics. Nick Milton and Patrick Lambe work through each stage of creating and implementing a knowledge management framework for an organization's specific needs, based around the four essential aspects of knowledge management: people, processes, technologies and governance. With updated international case studies from organizations of all sizes and sectors, along with user-friendly templates and checklists to help implement effective knowledge management procedures, The Knowledge Manager's Handbook is the end-to-end guide to making a sustainable change in the knowledge management culture.

Salt River

The poignant and surprising new thriller by one of America's most acclaimed writers. Few American writers create more memorable landscapes-both natural and interior-than James Sallis. His highly praised Lew Griffin novels evoked classic New Orleans and the convoluted inner space of his black private detective. More recently-in Cypress Grove and Cripple Creek-he has conjured a small town somewhere near Memphis, where John Turner-ex-policeman, ex-con, war veteran and former therapist-has come to escape his past. But the past proved inescapable; thrust into the role of Deputy Sheriff, Turner finds himself at the center of his new community, one that, like so many others, is drying up, disappearing before his eyes. As Salt River begins, two years have passed since Turner's amour, Val Bjorn, was shot as they sat together on the porch of his cabin. Sometimes you just have to see how much music you can make with what you have left, Val had told him, a mantra for picking up the pieces around her death, not sure how much he or the town has left. Then the sheriff's long-lost son comes plowing down Main Street into City Hall in what appears to be a stolen car. And waiting at Turner's cabin is his good friend, Eldon Brown, Val's banjo on the back of his motorcycle so that it looks as though he has two heads. "They think I killed someone," he says. Turner asks: "Did you?" And Eldon responds: "I don't know." Haunted by his own ghosts, Turner nonetheless goes in search of a truth he's not sure he can live with.
