Snow Girl

The Snow Girl is spectacular. A truly special book of snow and winter magic with the warmest and most cheering beating heart. I can't stop thinking about it." Sibéal Pounder "Mesmerizing." Hilary McKay From award-winning and critically acclaimed Sophie Anderson, comes a fairy-tale story of friendship, belonging and bravery, in an adventure through a winter wonderland. The perfect read for the whole family this Christmas. I wish the snow girl would come to life. Then I would have a friend, a real friend I could trust, and I wouldn't feel so alone. When Tasha builds a snow girl with her grandpa, all she wants is for her to be real. If only wishes on snow could come true... Then Tasha meets Alyana, a friend made of wishes, starlight, snowfall and magic. But when your best friend is made of winter, what do you do when spring comes?

The Snow Girls

A gripping new thriller from the bestselling Chris Mooney - perfect for readers of Karen Rose, MJ Arlidge or Lisa Gardner 'One of the best thriller writers working today' Lee Child It's been eleven years since Claire Flynn disappeared - abducted without trace from a snowy hillside, leaving her parents heartbroken. Investigator Darby McCormick remembers the case. She knows there's only ever been one suspect, Father Richard Byrne, linked inconclusively to two similar disappearances. Finally, terminally ill, Byrne is willing to talk. But he'll only talk to Darby. She's expecting a confession - but what she hears is far more disturbing. And it soon becomes clear that someone is willing to kill to keep this cold case on ice...

The Snow Girl

A beautifully illustrated retelling of the classic Russian fairy tale

The Snow Girl and the Snow Boy

Madison walked through the fallen snow, looking left and right. It had been Kaylee's idea to use the trail through the forest; she said no one would follow them. But Madison lost sight of Kaylee for a moment and when she found her again she wasn't alone... In the remote forests of Stillwater, Minnesota, you can scream for days and no one will hear you. So when the bodies of two fifteen-year-old girls are discovered frozen in the snow, Special Agent Nikki Hunt is sure the killer is local: someone knew where to hide the girls and thought they would never be found. Though Nikki hasn't been home in twenty years, she knows she must take over the case. The Sheriff's department in Stillwater has already made a mistake by connecting the girls' murders to those of a famous serial killer, refusing to consider the idea that the killer could be someone from town. Then another girl's body is found, a red silk ribbon tied in her hair, and Nikki realizes that the killer has a connection to her own dark past, and the reason she left Stillwater. Nikki is not the only person in town who wants those secrets to stay hidden. Will she be able to face her demons before another child is taken? Gripping and spine-chilling, The Girls in the Snow will make you gasp, unable to put it down until the final heart-pounding twist. Perfect for fans of Karin Slaughter, Lisa Gardner and Robert Dugoni. What readers are saying about The Girls in the Snow "This is the thriller that I didn't know I was waiting for and needed in my life until I picked it up. SO GOOD. I'm still reeling and trying to catch my breath from this highly suspenseful and emotionally charged story... I need more ASAP." Reading in Autumn, 5 stars "First time reading this author and I

couldn't put it down. Suspense that will keep you hooked until the very last page. Even when I wasn't reading it, I couldn't stop thinking about it... I had to see what happened." Goodreads reviewer, 5 stars "A dagger sharp crime thriller. Highly recommended... I loved Nikki Hunt... Engaging. I never figured out what was going to happen next until I read it myself." NetGalley reviewer, 5 stars "This is the first book in a long time that I've given up all household responsibilities, all TV time for and all my study time for. [I] knew nothing was going to get done outside of my day job until I finished this book, which I did in 24 hours... Fast-paced and jam-packed from start to finish." Goodreads reviewer, 5 stars "Kept me guessing throughout... This one gets 5 stars, great series starter... a compelling mystery that had me wondering whodunit right up until the killer was revealed." Goodreads reviewer, 5 stars "This book was fantastic! Everything about it worked... I was hooked from page one and didn't put it down until I was done... I had no idea who the killer was until it was revealed. This is going to be a must read series!" Goodreads reviewer, 5 stars

The Girls in the Snow: A Completely Unputdownable Crime Thriller

"From its startling opening line right through to its stunning conclusion, Girl in Snow is a perfectly-paced and tautly-plotted thriller... an incredibly accomplished debut." Paula Hawkins, bestselling author of *The Girl on the Train* As morning dawns in a sleepy Colorado suburb, a dusting of snow covers high-school freshman Lucinda Hayes's dead body on a playground carousel. Accusations spread quickly and Lucinda's tragic death draws three outsiders from the shadows. Oddball Cameron Whitley loved - still loves - Lucinda. Though they've hardly ever spoken, and any sensible onlooker would call him Lucinda's stalker, Cameron is convinced that he knows her better than anyone. Completely untethered by the news of her death, Cameron's erratic behaviour provides the town ample reason to suspect that he's the killer. Jade Dixon-Burns hates Lucinda. Lucinda took everything from her. The worst part was Lucinda's blissful ignorance to the damage she'd wrought. Officer Russ Fletcher doesn't know Lucinda, but he knows the kid everyone is talking about, the boy who may have killed her. Cameron Whitley is his ex-partner's son. Now Russ must take a painful journey through the past to solve Lucinda's murder and keep a promise he made long ago. The Snow Girl

Melissa Bashardoust's acclaimed debut novel *Girls Made of Snow and Glass* is "Snow White as it's never been told before...a feminist fantasy fairy tale not to be missed" (BookPage)! "Utterly superb." —ALA Booklist, starred review "Dark, fantastical, hauntingly evocative." —Kirkus Reviews, starred review "An empowering and progressive original retelling." —SLJ, starred review Sixteen-year-old Mina is motherless, her magician father is vicious, and her silent heart has never beat with love for anyone—has never beat at all, in fact, but she'd always thought that fact normal. She never guessed that her father cut out her heart and replaced it with one of glass. When she moves to Whitespring Castle and sees its king for the first time, Mina forms a plan: win the king's heart with her beauty, become queen, and finally know love. The only catch is that she'll have to become a stepmother. Fifteen-year-old Lynet looks just like her late mother, and one day she discovers why: a magician created her out of snow in the dead queen's image, at her father's order. But despite being the dead queen made flesh, Lynet would rather be like her fierce and regal stepmother, Mina. She gets her wish when her father makes Lynet queen of the southern territories, displacing Mina. Now Mina is starting to look at Lynet with something like hatred, and Lynet must decide what to do—and who to be—to win back the only mother she's ever known...or else defeat her once and for all. Entwining the stories of both Lynet and Mina in the past and present, *Girls Made of Snow and Glass* traces the relationship of two young women doomed to be rivals from the start. Only one can win all, while the other must lose everything—unless both can find a way to reshape themselves and their story.

Girl in Snow

A children's play in three acts based on the old Russian legend of the child made of snow who came alive.

The Snow Girl Story

In this magical debut, a couple's lives are changed forever by the arrival of a little girl, wild and secretive, on their snowy doorstep. Alaska, 1920: a brutal place to homestead, and especially tough for recent arrivals Jack and Mabel. Childless, they are drifting apart -- he breaking under the weight of the work of the farm; she crumbling from loneliness and despair. In a moment of levity during the season's first snowfall, they build a child out of snow. The next morning the snow child is gone -- but they glimpse a young, blonde-haired girl running through the trees. This little girl, who calls herself Faina, seems to be a child of the woods. She hunts with a red fox at her side, skims lightly across the snow, and somehow survives alone in the Alaskan wilderness. As Jack and Mabel struggle to understand this child who could have stepped from the pages of a fairy tale, they come to love her as their own daughter. But in this beautiful, violent place things are rarely as they appear, and what they eventually learn about Faina will transform all of them.

Little Snow Girl

The Snow Queen is a fairy tale by Hans Christian Andersen. It is his longest story and is considered by many as his best work. First published in 1844, it has inspired many artists and many times has been retold in movies and animation. This edition features illustrations by T. Pym (the pseudonym of Clara Creed), a Victorian artist, whose sentimental style blends very well with the Andersen's tale. Although not widely known, the Pym's illustrations are among the best ones created for The Snow Queen.
