Intro

Firm-fleshed ripe fruit, sombre raptures of black wine, mouth making lyrical my mouth

Savannah stretching to clear horizons, savannah shuddering beneath the East Wind's eager caresses

Carved tom-tom, taut tom-tom, muttering under the Conqueror's fingers

Your solemn contralto voice is the spiritual song of the Beloved.

Gazelle limbed in Paradise, pearls are stars on the night of your skin

Delights of the mind, the glinting of red gold against your watered skin

Before jealous fate turn you to ashes to feed the roots of life.

Poetic Devices used in the Poem

Black Woman by Sedar Senghor - Black Woman by Sedar Senghor by Learning English and Literature 21,983 views 3 years ago 6 minutes, 51 seconds - In the poem, Senghor personifies Africa as a beautiful **woman**., who is sometimes a maternal figure and sometimes a lover.

Intro

Firm-fleshed ripe fruit, sombre raptures of black wine, mouth making lyrical my mouth

Savannah stretching to clear horizons, savannah shuddering beneath the East Wind's eager caresses

Carved tom-tom, taut tom-tom, muttering under the Conqueror's fingers

Your solemn contralto voice is the spiritual song of the Beloved.
Gazelle limbed in Paradise, pearls are stars on the night of your skin
Delights of the mind, the glinting of red gold against your watered skin
Before jealous fate turn you to ashes to feed the roots of life.

Poetic Devices used in the Poem

Call Me Woman

Like millions of black South Africans made strangers in the land of their birth, Ellen Kuzwayo lost a great deal in her lifetime: the farm in the Orange Free State that had belonged to her family for nearly a hundred years; her hopes for a full and peaceful life for her children; and even her freedom, when, at the age of 63, she found herself detained under the so-called Terrorism Act for an offence never specified. But she never lost her courage. This remarkable autobiography refuses to focus only on the author, for it draws on the unrecorded history of a whole people. In telling her own personal and political story over 70 years. Ellen Kuzwayo speaks for, and with, the women among whom she worked and lived. Their courage and dignity remain a source of wonder and inspiration.

Call me woman

A brave and ground-breaking anthology of queer women's life stories

Call me woman

'Dark, heartbreaking and totally absorbing' - LORRAINE KELLY 'Brilliantly written and emotionally compulsive' - HARRIET TYCE 'A powerful and thought-provoking page turner' - KATERINA DIAMOND
CALL ME MUMMY. IT'LL BE BETTER IF YOU DO. Glamorous, beautiful Mummy has everything a woman could want. Except for a daughter of her very own. So when she sees Kim - heavily pregnant, glued to her phone and ignoring her eldest child in a busy shop - she does what anyone would do. She takes her. But foul-mouthed little Tonya is not the daughter that Mummy was hoping for. As Tonya fiercely resists Mummy's attempts to make her into the perfect child, Kim is demonised by the media as a 'scummy mummy', who deserves to have her other children taken too. Haunted by memories of her own childhood and refusing to play by the media's rules, Kim begins to spiral, turning on those who love her. Though they are worlds apart, Mummy and Kim have more in common than they could possibly imagine. But it is five-year-old Tonya who is caught in the middle...

'Disturbing and distinctive, this is a book I couldn't put down' - AMANDA JENNINGS 'Tense and gripping, these characters will stay with me' - ALICE CLARK-PLATTS 'Psychologically twisty and utterly gripping' - LISA HALL

She Called Me Woman

Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Discover the true story of the woman Dr. Martin Luther King Jr. nicknamed "Red" because of her fiery spirit! Mary Hamilton grew up knowing right from wrong. She was proud to be Black, and when the chance came along to join the Civil Rights Movement and become a Freedom Rider, she was eager to fight for what she believed in. Mary was arrested again and again—and she did not back down when faced with insults or disrespect. In an Alabama court, a white prosecutor called her by her first name, but she refused to answer unless he called her "Miss Hamilton." The judge charged her with contempt of court, but that wasn't the end of it. Miss Mary Hamilton fought the contempt charge all the way to the Supreme Court. Powerful free verse from Carole Boston Weatherford and striking scratchboard illustrations by Jeffery Boston Weatherford, accompanied by archival photographs, honor this unsung heroine who took a stand for respect—and won.

Call Me Mummy

A truly original story of life in and after care. A unique account of trans-racial fostering which focuses on identity, family history and loss. Call Me Auntie adds to the literature of post-Windrush 1950s Britain and tells of 'Heartbreak House' care homes. The author's account of being abandoned by her mother as a young child and her life in homes and institutions will captivate any reader. The mystery of her search for her mother and constant rejections will leave the reader wondering what demons drove her to be so elusive. "Call Me Auntie" was the best her mother could offer but this was just the start of a bizarre sequence of events. After discovering she had a brother and looking for her long lost family in Barbados the author finally came to understand she "may be a princess after all". Call Me Auntie is a story of survival, resilience and changing attitudes to racism and ethnicity as the author forged a successful career beginning as a Woolworth's shop girl before joining the police, then moving into social work. Reviews 'Anne's story is a compelling account, not just of her search for her birth mother but of her extraordinary journey from being a child in care, then qualifying as a social worker and finally becoming a magistrate?...?I read it at a sitting and could not put it down. Her account of life in a children's home in the 1960s and 1970s deserves to find a place on every social work training course'—Retired Judge Robert Zara. 'This is an excellent read for anyone who has compassion. The author had a really tough childhood brought up by the care system. She raises really important questions. A must-read for anyone who wants to make a difference for children and their lives. Make it compulsory for all social work students'—John Bolton, Visiting Professor, Institute of Public Care, Oxford Brookes University, and a former Director of Social Services. Extract 'Our new house-parents were Harold and Dora ... He was a big guy who always looked angry. She was a little mousy figure but with a steel will underneath ... Overnight, the household regime changed. As controlled as our lives might have been in the [previous houseparents'] time, the changes were shocking. Chores had to be performed to much higher standards, and there were new ones ... There were new rules, routines, and responsibilities. But this was not all. With the new chores and new rules, our fear set in.'

Call Me Miss Hamilton

When we give women the same respect and opportunities as men, we give the world its best chance for peace, prosperity, and survival. - Angry about sexism and misogyny and what you personally have endured? - Sad for those who suffer because of inequality and greed? - Afraid the world won't get its act together in time to save itself? - Care about human rights and want to be part of the solution? Call Me A Woman begins with a personal story of Levin's early years. She describes how the loss of her mother and multiple sexual assaults, including rape, led to her life's calling. Inside you'll discover: - The most important thing parents can do to change the world - Our unconscious habits that perpetuate inequality - Inspiring stories to shift resentment to empathy, hope, and action - The 7 Habits of Equality to speed our way to gender equality and peace - Inner peace and freedom as you become the solution Personal interviews with: Lynn Povich, first woman senior editor Newsweek magazine; Maxine Clark, founder Build-A-Bear Workshop; Gloria Feldt, former CEO and President Planned Parenthood Federation of America, NY Times Best-Selling Author; Mark Levin, biotech industry leader, founder, and CEO; Zaron Burnett III, investigative journalist and writer. Call Me A Woman: On Our Way to Equality and Peace provides real life experiences, global studies, and insights, and the 7 Habits of Equality that will reshape the world into one where all children have equal opportunities, from the beginning to the end of their lives.

Call Me Woman

Writer and marine biologist Susan Scott had an enviable existence—a home in Hawai'i, a prized 37-foot sailboat and exciting international adventures, all shared with her physician husband Craig in a marriage so intimate they called it the "Twinship." Yet, when her menopausal hormones raged and Craig grew preoccupied with Ironman triathlon training, this perfect life ended. Once blessed with well-being, love, humor, and sharing, the Twinship exploded with fights, silence, accusations, and failed counseling. Shell-shocked, Susan sought solace in the one thing that always gave her joy: marine wildlife. She overhauled the couple's neglected boat and, with a male friend nearly half her age, sailed away. Except it wasn't that easy; Susan had always relied on Craig to make the sailing decisions and Alex, her young first mate, was a sailing novice. *Call Me Captain* follows Susan as she leaves everything behind—or tries to—and sails to spectacular but isolated Palmyra Atoll to work as a volunteer biologist. Susan helps rescue baby sea turtles, bands seabirds, and corrals ten-pound coconut crabs that look like Godzillas with knife-blade claws. She determinedly repairs her sailboat, skips it through terrifying storms, and to her surprise, finds she and Craig are falling in love all over again. This time the two rediscover one another via satellite phone—Susan calling from her tiny floating speck in the middle of the Pacific Ocean to Craig in his hospital emergency room on Oahu. Susan writes with passion about swimming with manta rays, kayaking with sharks, and sailing with whales and dolphins. In those passages, she shows ways these magnificent animals guided her through the journey of a lifetime. Her memoir of self-discovery is a romance, a rousing sea tale, and a personal account of nature's power to put life in perspective.

Call Me Auntie

Dawn Annandale is bright, witty and well educated. But when her marriage began to fall apart, she had to face a seemingly insurmountable pile of debts on her own. Determined that her children would not suffer because of their parents' mistakes, and with no family to turn to for help, she searched desperately for a way to make some money, and fast. And made the decision to become an escort. *CALL ME ELIZABETH* offers an insight into the sex industry in the UK today, as well as the shocking truth that increasing numbers of women in a similar situation to Dawn are turning to prostitution to make ends meet. It is by turns sad, funny, frightening and empowering, but it is above all honest and compelling. From *Emanuelle* to *Pretty Woman*, the life of an escort remains deeply fascinating. There will be those who will judge the author, but there will be many more who will recognise her dilemma and understand how she reached her decision. This is her story - decide for yourself.

Call Me a Woman

At just fifteen years old, Geena had no choice but to leave home. Without an education or any real options, she found herself being lured into the sex industry by the promise of big money and the validation of strangers. She turned to drugs and alcohol to numb the pain of day-to-day life as a callgirl and overcome the emotional scars of her past. But even in her darkest hours, Geena refused to accept her circumstances and never stopped striving for freedom and a better life. Eventually she found the strength to turn things around and set herself on a path to a brighter future. Now, Geena has a double university degree and the career of her dreams, and is in a loving relationship. *Call Me Sasha* is the inspirational account of one woman's journey from sexual abuse through prostitution to eventual salvation. It is raw with honesty, compelling and even laugh-out-loud funny as Geena recounts the highs and lows of her fascinating life in the sex industry.

Call Me Captain

Winner of the PEN/Faulkner Award for Fiction "Hearken ye fellow misfits, migrants, outcasts, squint-eyed bibliophiles, library-haunters and book stall-stalkers: Here is a novel for you."--Wall Street Journal "A tragicomic picaresque whose fervid logic and cerebral whimsy recall the work of Bola o and Borges." --New York Times Book Review Finalist for the PEN/Faulkner Award for Fiction * Longlisted for the PEN/Open Book Award * An Amazon Best Book of the Year * A Publishers Weekly Bestseller Named a Best Book by: Entertainment Weekly, Harper's Bazaar, Boston Globe, Fodor's, Fast Company, Refinery29, Nylon, Los Angeles Review of Books, Book Riot, The Millions, Electric Literature, Bitch, Hello Giggles, Literary Hub, Shondaland, Bustle, Brit & Co., Vol. 1 Brooklyn, Read It Forward, Entropy Magazine, Chicago Review of Books, iBooks and Publishers Weekly From an award-winning young author, a novel following a feisty heroine's quest to reclaim her past through the power of literature--even as she navigates the murkier mysteries of love. Zebra is the last in a line of anarchists, atheists, and autodidacts. When war came, her family didn't fight; they took refuge in books. Now alone and in exile,

Zebra leaves New York for Barcelona, retracing the journey she and her father made from Iran to the United States years ago. Books are Zebra's only companions--until she meets Ludo. Their connection is magnetic; their time together fraught. Zebra overwhelms him with her complex literary theories, her concern with death, and her obsession with history. He thinks she's unhinged; she thinks he's pedantic. Neither are wrong; neither can let the other go. They push and pull their way across the Mediterranean, wondering with each turn if their love, or lust, can free Zebra from her past. An adventure tale, a love story, and a paean to the power of language and literature starring a heroine as quirky as Don Quixote, as introspective as Virginia Woolf, as whip-smart as Miranda July, and as spirited as Frances Ha, *Call Me Zebra* will establish Van der Vliet Oloomi as an author "on the verge of developing a whole new literature movement" (Bustle).

Call Me Elizabeth

Publishers Weekly Bestseller "If you're tired of surface-level teaching and shallow faith, this book will ignite a fire in your soul for a deeper walk with Jesus and draw you into the depths of the Word."
—Gretchen Saffles, founder of Well-Watered Women Why We Need Jesus More Than Compliments "You're a beautiful daughter of the Most High King." And it's true. But it's not the whole truth. The beauty of being God's daughter has backstory. If you're tired of hearing the watered-down Christian teaching and hungry for a deeper spiritual life—one that gives real answers to your hardest questions—*Stop Calling Me Beautiful* teaches you how. You will learn how to pursue the truths of who God is and who you are in relationship to Him how to study Scripture, and how your view of God determines how you face life's challenges how legalism, shallow theology, and false teaching keep you from living boldly as a woman of the Word how to experience God's presence in painful circumstances Jesus doesn't offer a powerless salvation. He makes your brokenness part of His whole redemption story—if you allow Him to. Don't settle for a feel-good faith. If you want victory over insecurity, fear, shame, and the circumstances you are facing, it's time to embrace Jesus. All of Him.

Call Me Sasha

My book is a heart felt story about a young woman not content with her life. She feels that she has been running away from the life that she should have experienced as a male person in this world. See how she experiences both worlds and try to keep her family life together and her sanity.

Call Me a Woman

A beautifully written and evocative memoir of pain and redemption, of hurt and healing, from an actress whose private life and personal choices have made her a household name. "My life is a life movies are made of," wrote Anne Heche in the proposal for her memoir. Yet what is truly surprising about Heche is that the most publicized event of her past -- her romance with Ellen DeGeneres -- is only one development in a fascinating and difficult life that has included more than its share of heartache and tragedy. Heche's memoir reveals the woman behind the headlines, one who has conquered overwhelming odds. Far from a celebrity memoir, this is an empowering and thought-provoking book guaranteed to surprise and inspire.

Call Me Zebra

Walk the walk of a Real Cougar! Every woman has a Real Cougar inside just waiting to be released—a woman who is strong, confident, independent, sexy and proud to be over 40! A Real Cougar is a woman who: isn't afraid to knock down walls and crash through glass ceilings. adores men but refuses to be defined by the age of the man she chooses to be with. has gotten over listening to what other people think. knows how to keep her body healthy, her beauty radiant and her spiritual reservoir full. puts financial freedom high on her priority list. You should read this book if you are a woman who: is tired of labels and does not want to be defined by her age. wants to live life to the fullest with no regrets. refuses to pack up her sexuality and toss it into the closet. is determined to break through barriers that have held you back in the past. realizes aging is inevitable but how you age is always your choice. This is the PURR-FECT moment in time to unleash your Real Cougar and fall in love with life!

Stop Calling Me Beautiful

'THE BEAUTY MYTH' FOR THE INSTAGRAM GENERATION *Women Don't Owe You Pretty* is the ultimate book for anyone who wants to challenge the out-dated narratives supplied to us by the

patriarchy. Through Florence's story you will learn how to protect your energy, discover that you are the love of your own life, and realise that today is a wonderful day to dump them. Florence Given is here to remind you that you owe men nothing, least of all pretty. WARNING: CONTAINS EXPLICIT CONTENT (AND A LOAD OF UNCOMFORTABLE TRUTHS). THE FEMINIST BOOK EVERYONE IS TALKING ABOUT. 'An incredible mouthpiece for modern intersectional feminism.' - Glamour 'A fearless book.' - Cosmopolitan 'A hugely influential young woman.' - Woman's Hour 'Rallying, radical and pitched perfectly for her generation.' - Evening Standard

Please Just Call Me Sir

One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book **DO YOU WORK WITH A MEAN GIRL?** A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “pack” of mean girls to make your life miserable? Mean Girls at Work isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, “You've just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today's transformed workplace. Praise for Mean Girls at Work “An invaluable suit of armor for surviving nine to five!” —Leil Lowndes, bestselling author of *How to Talk to Anyone* “If you think the emotional cruelty of comedies like *Mean Girls* and *Heathers* doesn't exist in the real world workplace, think again. In *Mean Girls at Work*, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies.” —Ann Kreamer, author of *It's Always Personal: Navigating Emotion in the New Workplace* “Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!” —Carolyn Cassin, President, Michigan Women's Foundation “A must-read for women of all ages in today's workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack.” —Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

Call Me Crazy

A moving love story inspired by a true story and perfect for fans of *The Help* In a time of hate, would you stand up for love? Shalerville, Kentucky, 1939. A world where black maids and handymen are trusted to raise white children and tend to white houses, but from which they are banished after dark. Sixteen-year-old Isabelle McAllister, born into wealth and privilege, finds her ordered life turned upside down when she becomes attracted to Robert, the ambitious black son of her family's housekeeper. Before long Isabelle and Robert are crossing extraordinary, dangerous boundaries and falling deeply in love. Many years later, eighty-nine-year-old Isabelle will travel from her home in Arlington, Texas, to Ohio for a funeral. With Isabelle is her hairstylist and friend, Dorrie Curtis – a black single mother with her own problems. Along the way, Isabelle will finally reveal to Dorrie the truth of her painful past: a tale of forbidden love, the consequences of which will resound for decades . . . 'If Julie Kibler's novel *Calling Me Home* were a young woman, her grandmother would be *To Kill a Mockingbird*, her sister would be *The Help* and her cousin would be *The Notebook*. But even with such iconic relatives, *Calling Me Home* stands on her own' Wiley Cash, New York Times bestselling author of *A Land More Kind Than Home*

'Julie Kibler's writing is so wise and assured. I laughed out loud in places and had tears in my eyes as I turned the last page' Diane Chamberlain 'If you liked The Help by Kathryn Stockett, you'll absolutely love Calling Me Home' Red magazine

Don't Ever Call Me Ma'am!

The New York Times bestselling author of *Girls & Sex* and *Cinderella Ate My Daughter* delivers her first ever collection of essays—funny, poignant, deeply personal and sharply observed pieces, drawn from three decades of writing, which trace girls' and women's progress (or lack thereof) in what Orenstein once called a "half-changed world." Named one of the "40 women who changed the media business in the last 40 years" by Columbia Journalism Review, Peggy Orenstein is one of the most prominent, unflinching feminist voices of our time. Her writing has broken ground and broken silences on topics as wide-ranging as miscarriage, motherhood, breast cancer, princess culture and the importance of girls' sexual pleasure. Her unique blend of investigative reporting, personal revelation and unexpected humor has made her books bestselling classics. In *Don't Call Me Princess*, Orenstein's most resonant and important essays are available for the first time in collected form, updated with both an original introduction and personal reflections on each piece. Her takes on reproductive justice, the infertility industry, tensions between working and stay-at-home moms, pink ribbon fear-mongering and the complications of girl culture are not merely timeless—they have, like Margaret Atwood's *The Handmaid's Tale*, become more urgent in our contemporary political climate. *Don't Call Me Princess* offers a crucial evaluation of where we stand today as women—in our work lives, sex lives, as mothers, as partners—illuminating both how far we've come and how far we still have to go.

Women Don't Owe You Pretty

A true story of how a former escort started up her own agency and of the many incredible women, and remarkable array of men, who crossed her path. This book sheds a light on the dark side of world's oldest trade.

Mean Girls at Work: How to Stay Professional When Things Get Personal

Elio believes he has left behind his first love - but as an affair with an older man intensifies, his thoughts turn to the past and to Oliver. Oliver, a college professor, husband and father, is preparing to leave New York. The imminent trip stirs up longing and regret, awakening an old desire and propelling him towards a decision that could change everything. In *Call Me By Your Name*, we fell in love with Oliver and Elio. *Find Me* returns to these unforgettable characters, exploring how love can ripple out from the past and into the future.

Calling Me Home

Following in the tradition of Stieg Larsson and Camilla Lackberg: the American debut of Danish crime queen Blaedel's internationally bestselling novel.

Don't Call Me Princess

Tasha Keeble's memoir, *Call Me Freedom, A Black American Woman Breaks from Empire*, tracks parallel journeys: one explores the narrator's life and family relationships, and the second gauges and evaluates her interior life relative to the outside world (i.e., Empire) to free herself from a stultifying duty handed her as a middle-class Black woman-to piously attend to everyone's needs before her own. - The triggering event-learning of her father's death months later from her ultra-religious aunt, who rejects the narrator's claim to her father-is a stab wound requiring the narrator fourteen years' distance to confront. Keeble's epistle to the deceased father she barely knew takes the reader on her voyage towards "true emancipation." Cycling through time and record, the narrator does not blink-vulnerably linking her life to myths that sustain the status quo and perpetuate Black disinheritance. - The narrator invites the reader to excavate ground and history from the noise of Oakland's Fruitvale District to the complicated 1980s neighborhood surrounding Spelman College. Vectoring from the family homestead in Pine Bluff, Arkansas, Keeble venerates ancestors, including her two brothers lost violently within the last quarter century. In *Call Me Freedom* Keeble discovers hard truths, sheds useless beliefs, and claims her right to what she and her ancestors earned as members of "an ordered state."

Call Me Madam

Now a Major Motion Picture from Director Luca Guadagnino, Starring Armie Hammer and Timothée Chalamet, and Written by Three-Time Oscar™ Nominee James Ivory The Basis of the Oscar-Winning Best Adapted Screenplay A New York Times Bestseller A USA Today Bestseller A Los Angeles Times Bestseller A Vulture Book Club Pick An Instant Classic and One of the Great Love Stories of Our Time Andre Aciman's *Call Me by Your Name* is the story of a sudden and powerful romance that blossoms between an adolescent boy and a summer guest at his parents' cliffside mansion on the Italian Riviera. Each is unprepared for the consequences of their attraction, when, during the restless summer weeks, unrelenting currents of obsession, fascination, and desire intensify their passion and test the charged ground between them. Find Me

Unless 11-year-old Parker can find a way to remove the sinister puppet that refuses to leave his hand, he will wind up in military school or worse but first he must stand up for himself to his best friend Wren, his mother and his nearly-absent father.

Call Me Princess

Great-grandmother Nell eats fish for breakfast, she doesn't hug or kiss, and she does NOT want to be called grandma. Her great-granddaughter isn't sure what to think about her. As she slowly learns more about Nell's life and experiences, the girl finds ways to connect with her prickly great-grandmother.

Call Me Freedom

"Delightfully quirky." —Kirkus Reviews Perfect for fans of *The One and Only Ivan*, this irresistible debut novel combines plucky humor and a whole lot of heart in a story about the true meaning of family. Sometimes flying means keeping your feet on the ground... Born in a dismal room in a pet store, Alastair the African grey parrot dreams of escape to bluer skies. He'd like nothing more than to fly away to a palm tree with his beloved sister, Aggie. But when Aggie is purchased by twelve-year-old Fritz, and Alastair is adopted by elderly dance-enthusiast and pie-baker Albertina Ploppy, the future looks ready to crash-land. In between anxiously plucking his feathers, eating a few books, and finding his own poetic voice, Alastair plots his way to a family reunion. But soon he's forced to choose between the life he's always dreamed of and admitting the truth: that sometimes, the bravest adventure is in letting go.

Call Me by Your Name

Just Call Me Lopez is a recipient of the QED Seal, which stands for Quality, Excellence, Design for ebooks and applications and a PIA (Publishing Innovation Awards) finalist. What do we have in common with a man from the sixteenth century—or even more so, a saint from the sixteenth century? Probably a lot more than you think. St. Ignatius of Loyola wasn't always the heroic and holy figure that you hear about today; he was a flawed, fallible, and relatable man named Íñigo Lopez. In *Just Call Me Lopez*, a twenty-first-century woman, Rachel, meets the man who becomes the saint, and both are transformed by their unlikely friendship and series of thought-provoking conversations. Their worlds literally collide when Rachel is struck by a hit-and-run driver, and Lopez is there to help her. They realize that this chance accident is actually an act of God that allows Rachel and Lopez, through the medium of their friendship, to come to terms with their personal struggles. Lopez shares his life with Rachel, describing the obstacles he faces during his unbelievable conversion from a womanizing soldier to a man of God. While Rachel keeps mostly silent about her personal struggles, she observes and is astounded by Lopez's metamorphosis from mess to mystic. Rachel finally faces her troubling situation, and Lopez gently guides her through the process of discernment to make a difficult, but inspired, life choice. *Just Call Me Lopez* helps us realize that our very human faults and imperfect behavior do not prevent us from receiving God's grace; rather, knowing our weaknesses and giving ourselves over to the Holy Spirit can create a new way for us to live.

You Will Call Me Drog

The Bible talks about women that were chosen of GOD, whom HE loved and honored in spite of their failures. The book was written to encourage women all over the world that they are loved by a Sovereign GOD that forgives sins or short coming and is able to restore them to a even better state than they were before. HE is not intimidated by where we hail from, our failures, our disgraces or our next to kin. HE is a GOD with HIS arms wide open for those who are ready to be rescued. Is there anything that is to hard for my GOD? Read DON'T CALL ME EVE I AM WOMAN and see how this GOD took mediocre women and me them renowned women that will never be forgotten and HE can do the same for you. My intention in writing this book is to celebrate women all around the world especially those that are in the faith of Jesus the Christ, to know and understand that they are loved even from creation. GOD has no respect of person between male and female but gave them equal authority and dominion in replenishing earth. Galatians 3:28 There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus.

Don't Call Me Grandma

Writer and marine biologist Susan Scott had an enviable existence—a home in Hawai'i, a prized 37-foot sailboat and exciting international adventures, all shared with her physician husband Craig in a marriage so intimate they called it the “Twinship.” Yet, when her menopausal hormones raged and Craig grew preoccupied with Ironman triathlon training, this perfect life ended. Once blessed with well-being, love, humor, and sharing, the Twinship exploded with fights, silence, accusations, and failed counseling. Shell-shocked, Susan sought solace in the one thing that always gave her joy: marine wildlife. She overhauled the couple's neglected boat and, with a male friend nearly half her age, sailed away. Except it wasn't that easy; Susan had always relied on Craig to make the sailing decisions and Alex, her young first mate, was a sailing novice. Call Me Captain follows Susan as she leaves everything behind—or tries to— and sails to spectacular but isolated Palmyra Atoll to work as a volunteer biologist. Susan helps rescue baby sea turtles, bands seabirds, and corrals ten-pound coconut crabs that look like Godzillas with knife-blade claws. She determinedly repairs her sailboat, skips it through terrifying storms, and to her surprise, finds she and Craig are falling in love all over again. This time the two rediscover one another via satellite phone—Susan calling from her tiny floating speck in the middle of the Pacific Ocean to Craig in his hospital emergency room on Oahu. Susan writes with passion about swimming with manta rays, kayaking with sharks, and sailing with whales and dolphins. In those passages, she shows ways these magnificent animals guided her through the journey of a lifetime. Her memoir of self-discovery is a romance, a rousing sea tale, and a personal account of nature's power to put life in perspective.

The Simple Art of Flying

This enchanting novel in verse captures one young woman's struggle for independence, equality, and identity as the daughter of Greek and French immigrants in tumultuous 1930s Detroit. Call Me Athena: Girl from Detroit is a beautifully written novel in verse loosely based on author Colby Cedar Smith's paternal grandmother. The story follows Mary as the American-born daughter of Greek and French immigrants living in Detroit in the 1930s, creating a historically accurate portrayal of life as an immigrant during the Great Depression, hunger strikes, and violent riots. Mary lives in a tiny apartment with her immigrant parents, her brothers, and her twin sister, and she questions why her parents ever came to America. She yearns for true love, to own her own business, and to be an independent, modern American woman—much to the chagrin of her parents, who want her to be a “good Greek girl.” Mary's story is peppered with flashbacks to her parents' childhoods in Greece and northern France; their stories connect with Mary as they address issues of arranged marriage, learning about independence, and yearning to grow beyond one's own culture. Though Call Me Athena is written from the perspective of three profoundly different narrators, it has a wide-reaching message: It takes courage to fight for tradition and heritage, as well as freedom, love, and equality.

Just Call Me Lopez

The granddaughter of Russian Jews who emigrated to Argentina, and the daughter of parents indifferent to Judaism who embrace Argentine society, a young Argentine woman is in a cultural limbo, caught between one world she cannot forget and another she wants to embrace in this 1992 Planeta Prize-winning novel.

Don't Call Me Eve I Am Woman

Author, activist, and TED speaker Ashton Applewhite has written a rousing manifesto calling for an end to discrimination and prejudice on the basis of age. In our youth obsessed culture, we're bombarded by media images and messages about the despairs and declines of our later years. Beauty and pharmaceutical companies work overtime to convince people to purchase products that will retain their youthful appearance and vitality. Wrinkles are embarrassing. Gray hair should be colored and bald heads covered with implants. Older minds and bodies are too frail to keep up with the pace of the modern working world and elders should just step aside for the new generation. Ashton Applewhite once held these beliefs too until she realized where this prejudice comes from and the damage it does. Lively, funny, and deeply researched, *This Chair Rocks* traces her journey from apprehensive boomer to pro-aging radical, and in the process debunks myth after myth about late life. Explaining the roots of ageism in history and how it divides and debases, Applewhite examines how ageist stereotypes cripple the way our brains and bodies function, looks at ageism in the workplace and the bedroom, exposes the cost of the all-American myth of independence, critiques the portrayal of elders as burdens to society, describes what an all-age-friendly world would look like, and offers a rousing call to action. It's time to create a world of age equality by making discrimination on the basis of age as unacceptable as any other kind of bias. Whether you're older or hoping to get there, this book will shake you by the shoulders, cheer you up, make you mad, and change the way you see the rest of your life. Age pride! "Wow. This book totally rocks. It arrived on a day when I was in deep confusion and sadness about my age. Everything about it, from my invisibility to my neck. Within four or five wise, passionate pages, I had found insight, illumination, and inspiration. I never use the word empower, but this book has empowered me." —Anne Lamott, New York Times bestselling author

Call Me Captain

A seventeen-year-old struggles to remember the tragic night that changed her life forever in this twist-filled debut novel of psychological suspense for fans of *Sharp Objects* and *The Last Time I Lied*. Evie and her uncle Jim have just moved to an isolated cabin in a remote beach town--a far cry from their hometown of Melbourne. But Evie isn't her real name. And Jim isn't really her uncle. Jim tells Evie she did something terrible back home, that he's hiding her to protect her. But Evie can't remember anything about that night--for all she knows, he's lying. As fragments of her memory return, she starts to wonder if Jim is really her savior...or her captor. In a riveting novel that fearlessly plumbs the darkest recesses of the mind, J.P. Pomare explores the fragility of memory and the potential in everyone to hide the truth--even from themselves.

Call Me Athena

The subject of this book is best reflected in the prologue of Lucia Chiavola Birnbaum book, "Dark Mother - African Origins and Godmothers." On page 25 of her book she writes: The hypothesis of this book is that everyone's genetic beautiful mother is African and dark and that she is the oldest divinity we know. Now the consensus among world scientists is that Africa is the cradle of the most ancient living beings that paleo-anthropologists are willing to call homo, and that Africa is the place of origin of modern humans, homo sapiens. The subject of this book is global in scope. It examines how religions such as Christianity and Islam were negatively used to deny women their rights and impede their progress socially, economically, politically, and educationally. Western and Arab countries have been the main culprits for injustices done to women. Africa has been devastated because of the negative influences of Islam and Christianity on the continent. The misogynic expressions that men have developed are, in large part, due to the misuse of Islam and Christianity. Women in all parts of the world are awakening to a new dawn of the truth. Women who read this book may, at first, see it as male bashing. However, a closer scrutiny will reveal that the issues raised in this book cannot continue to be ignored by either women or men. This is also a commentary about the biblical Eve and the scientific Abar. They are compatible in geographical location of origin and race. As far as I am concerned, they are.

Call Me Magdalena

The sultry, sensual novel of obsession and desire that inspired the Oscar-winning film.

This Chair Rocks

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah

Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Call Me Evie

Call Me Abar or Call Me Eve
