This Love of Mine (Raine Series 1)

I needed an escape. An escape from my momma, a woman who cared more about herself than her own daughter. A woman who couldn't stand the sight of me since my father left. A boyfriend who was nothing but trouble. Trouble that I couldn't say no to. Unfortunately, leaving them both would prove to be either the best decision I could ever make, or the biggest mistake of my life. My plan was to escape to the one place I always felt safe. A place where life is simple and quiet, and a place where I could finish my senior year of high school unscathed. Abernathy, Texas was my second home, and my grandparents were the parents I always wanted. There was no one around this one horse town to complicate my life any further, or at least that's what I thought. That was, until I met Madison Raine. He held the power to turn my peaceful escape upside down and inside out with just one look. He was beautiful, in every sense of the word and with that beauty, came trouble. There were a million reasons why I should stay away from him, but none of them seemed to matter when I caught sight of those emerald green eyes. It was becoming clear that staying away from Madison would be harder than I had anticipated. A past like mine never fully disappears, until you find yourself faced with the irreparable truth that sometimes you have to take matters into your own hands, consequences be damned. Kayla James (KJ) was everything I never knew I wanted. This was the last summer I would be on the farm before I headed off to college, and meeting her was the last thing I expected. I didn't know what had brought her here, and I honestly didn't care. I had my own things to deal with and a relationship wasn't one of them. Little did I know that this girl, would wind up being exactly what I needed in every way possible. Life hasn't always been easy, and telling my grandparents that I was going to college in another state was going to be the death of me, but it was something I needed to do. I needed a life outside of Texas, one where no one knew who I was or what I had lost. Between baseball and my band, I thought I had it made. All it took was one look into those baby blues and I was a goner. I ended up needing her like I needed air to breathe, and everything inside of me wanted to be with her regardless of the outcome. How do you choose between love and life, and convince the one person who trusts no one, to take a chance on you? (This is book #1 of three in The Raine Series. It contains mature language and situations)

Love Be Mine (The Louisiana Ladies Series, Book 3)

Hugh Lancaster and Micaela Dupree were enemies from the start. Hugh, a handsome American, is convinced the Dupree family is skimming profits from his New Orleans trading company and that someone is out to murder him. Micaela is a proud Creole who resents America's new ownership of New Orleans, and resents Hugh for daring to look over her family's shoulder. But nothing can quell overwhelming passion, despite the pair's struggles to resist. Caught in a compromising situation, Hugh and Micaela are forced to marry, only to discover love in each other's arms and that the murderer has designs on them both. **REVIEWS:** "...a passionate tale sure to keep readers engrossed." ~Rendezvous THE LOUISIANA LADIES, in series order Deceive Not My Heart Midnight Masquerade Love Be Mine

Mine, All Mine

Book 1 of the Fated for Love Series. Masquerading as a maid, Lilly loses all hope of returning to the life she once knew. How did she get here? She has no choice but to embrace her new identity or risk being found by the man responsible for destroying her life. But, her refuge is not as safe as it seems. When she finally meets the master of the house, she discovers the new Earl of Redwick could be a danger to her masquerade...and her heart. Read the completed Fated for Love Series! Book 2.) Sweet Torture Book 3.) Storm on the Horizon Book 4.) To Love, Honor, and Obey

Love is Mine

"Just because you were ordinary there doesn't mean you have to be anything less than extraordinary here." That's the advice orphan Amira DeLante was given when she found herself caught accidentally in an alternate realm. Still unable to swallow her new reality, she found herself beginning to question her past, present, and future. From a geeky childhood to a lonely adulthood, all the 18-year-old teenager knew was to keep her head down and complete her education, come what may. After accidentally transporting herself to the Imperium Realm on the night of a solar eclipse, she was expected to keep the origin of her arrival a secret because it would bring up too many questions to which nobody had answers. Still unable to swallow her new reality, she attempted to blend in with the swarm of elemental students at the Arcadia Academy of Advanced Arts. But, the more she tried to go unnoticed, the more the spotlight continued falling on her. Everything seemed like happiness and sunshine on the outside, but she never expected that buried underneath all that goodwill were rotten secrets which would cause a catastrophe. And when past betrayals come to seek revenge on the injustice done to them, it's the younger generation who has to pay. She finds herself caught in the deep end of a web of lies she wove, the deception of politics, a royal scheme, unexplainable disasters, and more magic than she could handle. The possibility of true peace seems impossible, but along with new friends and acquaintances, a strong effort to thwart pain could definitely be made. The life she knew, completely upended, Amira DeLante steps into shoes too large for her to bring glory to.

Imperium: Bloodlines | Book 1

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1955.

The Sermons of John Donne

Brit wants to get on with her life and leave her rough past far behind. Most of the cowboys who end up in her care are cranky old ex-rodeo stars. But not the new guy. He's a tall, mouthwatering hunk with the hottest body she's ever seen. And she can see it all, since not one inch of that incredible flesh is hidden from her gaze. The blunt, crude man shocks Brit a bit when he flat-out tries to get her into his bed...immediately. Brit is the sexiest woman River has ever come across. Every time he thinks he's starting to tame her, she tries to bolt from his life. He's a man who always gets what he wants and the

more time he spends with the mouthy, stubborn woman, the more convinced he becomes that he can never give her up. Good thing for him he's not above chaining a woman to his bed if that's what it takes to keep her right where he wants her--under him.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Billboard

English devotional poets of 17c set in a wider European and Catholic context. This book offers a comprehensive account of the literary and theological background to English devotional poetry of the seventeenth century, concentrating on four major poets, Donne, Herbert, Vaughan and Crashaw. It challenges both Protestant poetics and postmodernism, the prevailing critical approaches to Renaissance literature: by reading the poetry in the light of continental Catholic devotional literature and theology, the author demonstrates that religious poetry in seventeenth-century England was not rigidly or exclusively Protestant in its doctrinal and liturgical orientation. He argues that poetic genres and devices that have been ascribed to strict Reformation influence are equally prominent in the Catholic poetry of Spain and France; he also shows that postmodernist anxiety about subjective identity and the capacity of language for signification is in fact a concern of such landmark Christian thinkers as Augustine and Aquinas, and appears in devotional poetry in the Christian tradition. Professor R.V. YOUNG teaches at North Carolina State University.

Raine on Me

It all started with the bereavement flowers with my name on them. Not the best way to wake up, right? I work in a flower shop. I know a funeral arrangement when I see one. I know a killer when I see one, too. And one is standing in my hospital room right now, straight behind the man who saved my life. I can't tell anyone the truth, because that's the fastest way to really die. So I do the next best thing. I "lose" my memory. I fake my amnesia. Pretending not to remember a brutal attempted murder has its perks. The killer is backing down, spending less time around me, loosening the noose. The less I claim to recall, the more my rescuer, Duff, works to help me "remember." I hate lying to him. But he doesn't understand that my memory is dangerous. To me. And to him. Fooling everyone isn't easy. It's the hardest thing I've ever done. Except it's starting to look like I've been fooling myself. In more ways than one. Read Book 1 in the newest series from USA Today bestselling author Meli Raine. "The first book in the False trilogy is a psychological thriller worthy of Hitchcock, keeping you guessing until the very end. Lily Thornton is the ultimate unreliable narrator — after waking from a 14-month coma, she struggles to remember the day she was shot. As Lily slowly recovers, she's terrified when she recognizes the face of her would-be killer among her inner circle — but can she trust her own memory? With potential enemies at every turn, a twisty political conspiracy, and just a hint of romance, False Memory offers thrills that will delight both romance and mystery readers." — Apple Books Editors "...intrigue and dark humor on display in this thriller..." While the immediate—and more compelling—tension in Raine's (A Shameless Little Bet, 2018, etc.) heart-pumping series opener comes from Lily's constant proximity to her would-be killer, the action takes place against a backdrop of secret government scandals. Fortunately, Lily's voice is captivating, wry, and tough enough to sell this thriller. The novel ends with a cliffhanger that startles, if only because readers will have become so attached to Lily. — Kirkus Reviews Praise for Meli Raine's books: "Fresh, riveting, and thrumming with emotion and romantic suspense, False Memory is absolutely unputdownable. You need this book!" - New York Times bestselling author Meghan March "I accidentally lost a day to this trilogy! It is unputdownable. Apparently I'm on a dark-and-twisty binge, and this book is addictive." - USA Today bestselling author Sarina Bowen (Harmless series)

Motion Pictures

When you're born without a trace, no one knows you're a weapon. I lie for her. I hunt for her. I kill for her. And above all, I betray my mission for her. She doesn't know why. She doesn't care why. I do. Treason comes in many forms. Love is one of them. Our training taught me to be a sociopath. A machine. A pawn. Nothing more than a tool for a larger goal, without attachments or feelings. Our teachers forgot one important detail: Pawns shouldn't have hearts. Yet we do. It turns out our emotions

are our greatest weapon. And I know exactly where mine are aimed. The first in an all-new series by USA Today bestselling author Meli Raine.

Film Superlist: 1940-1949

Josselin was vicar of Earls Colne, Essex, from 1641 until his death in 1683, and this is the intimate record of his ministry and his private doubts and triumphs as a Christian that give the Diary its shape. As a prosperous farmer, he also noted details of harvests, accounts, the weather and farming methods, which pieces together a picture of yeoman farming at that time. As father and husband he felt impelled to record a series of observations on family life that seem unique for this period. Recognized as one of the great seventeenth-century diaries, ranging over topics from sin and disease, dreams and money to millenarianism and the Civil War, this richly rewarding document reveals Josselin as a sympathetic and entirely human figure, and provides fascinating insights into the thought-world of seventeenth-century life.

A Concordance to the Poems of Robert Herrick

From the national bestselling author of *The Trouble with Demons* comes another fantasy adventure with a beloved, bold heroine. Raine Benares is a seeker. She finds lost things and missing people—usually alive. But now she's been bonded with the Saghred, a soul-stealing stone of unlimited power, and must hunt down its escapees. Especially since one of them is also hunting her...

Motion Pictures, 1940-1949

This book provides substantial excerpts from the seven surviving notebooks of London wood-turner and puritan Nehemiah Wallington. Covering the period 1618 to 1654, the writings touch on a broad range of everyday and spiritual concerns. Accounts of incidents in his domestic, working and religious life sit side-by-side with sustained meditations on his spiritual state and reports on national events are recorded, along with their possible providential meanings. This collection provides a unique window into everyday life in seventeenth century England.

When a single kiss calls your sexuality into question, there's only one sure path to a reliable answer: further research. Patrick I like to think I know myself outside and in. As a developmental psychologist, I've spent years exploring the true foundations of my identity. So, when losing a bet means kissing my best friend, Logan, I already know I'm going to hate every second of it. All the relevant questions regarding my sexuality were asked and answered years ago. The results were conclusive: despite the odd same-sex attraction, I dislike being touched by men. That is, it seems, until Logan is the man doing the touching. The intense desire aroused by his kiss contradicts all my expectations and I have no idea how to integrate the new information. Thankfully, I know exactly how to uncover the truth about myself—once and for all. Logan I've put a lot of effort into keeping Patrick out of my fantasies and in the friend-zone. Our recent lip-lock may have unleashed my feelings for him temporarily, but I'll get them back on their platonic track in no time. Falling for a friend, especially a sexually ambivalent friend, is a one-way ticket to heartache. But, when the unforeseen impact of our kiss inspires Patrick to conduct an experiment into the extent of his bisexuality, I can't resist volunteering to help. If any man is going to join Patrick on his journey of self-discovery, it's sure as hell going to be me.
