Born to Be Posthumous: The Eccentric Life and Mysterious Genius of Edward Gorey

The definitive biography of Edward Gorey, the eccentric master of macabre nonsense. 'A genius book about a bookish genius' Daniel Handler, author of A Series of Unfortunate Events

Nonsense!

A beautifully illustrated and lyrical picture-book biography of eccentric and beloved writer and artist Edward Gorey In this lyrical biography of one of literature's most creepily creative authors and illustrators, kids will learn about the inspiration behind a generation of creators, from Lemony Snicket to Tim Burton. Known for, among other things, wearing a large fur coat wherever he went, storyteller Edward Gorey was respected for both his brilliance and his eccentricity. As a child, he taught himself to read and skipped several grades before landing at Harvard (after a brief stint in the army). Then he built a name for himself as a popular book illustrator. After that, he went on to publish well over one hundred of his own books, stories that mingled sweetness and innocence, danger and darkness, all mixed with his own brand of silliness. Illustrated with Gorey-like humor and inspiration by Chloe Bristol, this stunning picture book biography about this beloved creator is the first for children.

Gorey's Worlds

"Published on the occasion of the exhibition Gorey's Worlds, organized by the Wadsworth Atheneum Museum of Art."

I Must Not Think Bad Thoughts

The author explores the darkest corners of the American psyche--including the sexual fantasies of Star Trek fans, the hidden agendas of IQ tests, the homoerotic subtext of professional football, the poetic aspects of spam email and much more.

Escape Velocity

"Without a doubt the best guide I have read to the new computer culture . . . witty and provocative . . . sane and thoughtful" (J. G. Ballard). "A lively compendium of dispatches from the far reaches of today's computer savvy avant-garde", *Escape Velocity* explores the dawn of the Information Age, and the high-tech subcultures that celebrated, critiqued, and gave birth to our wired world and a counterculture digital underground (The New York Times Book Review). Poised between technological rapture and social rupture, *Escape Velocity* poses the fundamental question of our time: Is technology liberating or enslaving us in the twenty-first century? Mark Dery takes us on an electrifying tour of the high-tech underground. Investigating the shadowy byways of cyberculture, we meet would-be cyborgs who believe the body is obsolete and dream of downloading their minds into computers, cyberhippies who boost their brainpower with smart drugs and mind machines, techno-primitives who sport "biomechanical" tattoos of computer circuitry, and cyberpunk roboticists whose dystopian contraptions duel to the death before howling crowds. "Re-prov[ing] Dery an astute and trustworthy patrolman of the cultural and social borderland between science fiction and non-fiction", *Escape Velocity* stands alone as the first truly critical inquiry into cyberculture (Wired). Shifting the focus of our conversation about technology from the corridors of power to disparate voices on the cultural fringes, Dery wires it into the power politics and social issues of the moment. It is essential reading for everyone interested in computer culture and the shape of things to come.

The Gashlycrumb Tinies

A wide-ranging collection of essays on millennial American culture that "marshals a vast pop vocabulary with easy wit" (The New York Times Book Review). From the far left to the far right, on talk radio and the op-ed page, more and more Americans believe that the social fabric is unraveling. Celebrity worship and media frenzy, suicidal cultists and heavily armed secessionists: modern life seems to have become a "pyrotechnic insanitarium," Mark Dery says, borrowing a turn-of-the-century name for Coney Island. Dery elucidates the meaning to our madness, deconstructing American culture from mainstream forces like Disney and Nike to fringe phenomena like the Unabomber and alien invaders. Our millennial angst, he argues, is a product of a pervasive cultural anxiety—a combination of the social and economic upheaval wrought by global capitalism and the paranoia fanned by media sensationalism. The *Pyrotechnic Insanitarium* is a theme-park ride through the extremes of American culture of which The Atlantic has written, "Mark Dery confirms once again what writers and thinkers as disparate as Nathanael West, Fyodor Dostoyevsky, Sigmund Freud, and Oliver Sacks have already shown us: the best place to explore the human condition is at its outer margins, its pathological extremes." "Dery is the kind of critic who just might give conspiracy theory a good name." —Wired

The Pyrotechnic Insanitarium

A vivid self-portrait in words of one of the great American artists of the twentieth century. Designed to appeal to Gorey lovers as well as those seeking an introduction to his work, *Ascending Peculiarity* includes reproductions of previously unpublished drawings and photographs. Edited by Karen Wilkin. Edward Gorey's extraordinary and disconcerting books are avidly sought and treasured throughout the world, but until now little has been known about the man himself. While he was notoriously protective of his privacy, Gorey did grant dozens of interviews over the course of his life. And as the conversations collected in this book demonstrate, he proved to be unfailingly charming, gracious, and fascinating. Here is Gorey in his own words, ruminating on everything from French symbolist poetry to soap operas, from George Balanchine and the unique beauty of ballet to Victorian photographs of dead children. We meet the artist in his ramshackle book-lined studio in Manhattan and his equally bizarre house on Cape Cod. We listen as he describes his legendary upbringing and vast range of influences, as well as how he managed to work amid all his cats.

Ascending Peculiarity

Essays on electronic communication, cyberpunk culture, and rants and flames in cyberspace consider subjects such as the magazine *Mondo 2000*, the typewriter, virtual reality, feminism, comics, and erotica for cybernauts. Includes blurry b&w photos and illustrations, and an interviews with science fictions writers Samuel R. Delaney, Greg Tate, and Tricia Rose. Paper edition (unseen), \$13.95. Annotation copyright by Book News, Inc., Portland, OR.

Flame Wars

Edward Gorey and Peter Neumeyer met in the summer of 1968. Gorey had been contracted by Addison-Wesley to illustrate "Donald and the...", a childrens story written by Neumeyer. On their first encounter, Neumeyer managed to dislocate Goreys shoulder when he grabbed his arm to keep him from falling into the ocean. In a hospital waiting room, they pored over Goreys drawings for the first time together, and Gorey infused the situation with much hilarity. This was the beginning of an invigorating friendship, fueled by a wealth of letters and postcards that sped between the two men through the fall of 1969. Those letters, published here for the first time, are remarkable in their quantity and their content. While the creative collaborations of Gorey and Neumeyer centered on illustrated books, they held wide-ranging interests; both were erudite, voracious readers, and they sent each other many volumes. Reading their discussions of these books, one marvels at the beauty of thoughtful (and merry) discourse driven by intellectual curiosity. The letters also paint an intimate portrait of Edward Gorey, a man often mischaracterized as macabre or even ghoulish. His gentleness, humility, and brilliance--interwoven with his distinctive humor--shine in these letters; his deft artistic hand is evident on the decorated envelopes addressed to Neumeyer, 38 of which are reproduced here. During the time of their correspondence, Peter Neumeyer was teaching at Harvard University and at SUNY Stony Brook, on Long Island. His acumen and compassion, expressed in his discerning, often provocative missives, reveal him to be an ideal creative and intellectual ally for Gorey. More than anything else, "Floating Worlds" is the moving memoir of an extraordinary friendship. Gorey wrote that he felt they were part of the same family, and I dont mean just metaphorically. I guess that even more than I think of you as a friend,

Floating Worlds

For more than half a century Miss Hyacinthe Phypys has been offering guidance on proper behavior. Her simple rules of propriety and common sense have helped a generation of girls over the threshold to womanhood. Recognizing the need that prevails more today than ever before, Miss Phypys has been persuaded to bring back into print this priceless volume of her words of advice, delightfully accompanied by Edward Gorey's ink and watercolor illustrations, that have been so valuable on so many occasions. It is the publisher's fondest hope that this book will serve the current generation of young ladies as it served their mothers.

The Recently Deflowered Girl

Figbash is acrobatic, topiaries are tragic, hippopotami are admonitory, and galoshes are remorseful in this celebration of a unique talent that never fails to delight, amuse, and confound readers. This latest collection displays in glorious abundance the offbeat characters and droll humor of Edward Gorey.

Amphigorey Again

Examines dozens of examples of the book art of Edward Gorey, who initially illustrated paperback covers and dust jackets for the likes of Joseph Conrad, Henry James and Charles Dickens, establishing a pen-and-ink hand-lettered style that would challenge prevailing American publishing standards and help define his publisher's visual identity. His prodigious output of hundreds of jackets and covers evidenced his flair for design and his ability to portray the essence of the books that came his way.

Edward Gorey

Drawing from a multitude of reference and his own personal relationship to Gorey, literary heavyweight Alexander Theroux has accomplished an amazing feat of illuminating the real Edward Gorey with ambiguity, wit, fervor and reverence, combined with honest and clear-eyed appraisals of his work. No Gorey fan can be without it. Black-and-white illustrations and photographs throughout.

The Strange Case of Edward Gorey

A happy, naive family enters the Evil Garden (free admission!) to spend a sunny afternoon in its inviting landscape, lush with exotic trees and flowers. They soon realize their mistake, as harrowing sounds and evidence of foul play emerge. When humongous hairy bugs, famished carnivorous plants, ferocious fruit-guarding bears, and a sinister strangling snake take charge, the family's ominous feelings turn to full-on panic but where's the exit? Edward Gorey leads us through this nefarious garden with a light step. His unmistakable drawings paired with engaging couplets produce giggles, not gasps. Perhaps

"The Evil Garden" is a morality tale; perhaps it's simply an enigmatic entertainment. Whatever the interpretation, it's a prime example of the iconic storytelling genius that is Edward Gorey.

The Evil Garden

The delightful tales and theatrical drawings of Edward Gorey (American, 1925-2000) reflect a special kind of genius for what is left unwritten and unseen. In Gorey's vaguely Victorian world of well-tended gardens and opulent estates, smoke-belching factories and fog-shrouded streets, nothing seems certain or quite as it should be. Chaos lurks just beneath life's tidy surface, occasionally erupting in surprising events with unexpected, often horrific consequences. But when tragedy befalls Gorey's quirky cast of characters-hapless waifs, dusty dowagers, scheming tycoons, and unhinged maidens-somehow we can't keep from laughing. Far from casting us into the abyss, Gorey reminds us to contemplate mortality with a smile. In *Elegant Enigmas: The Art of Edward Gorey*, more than 175 reproductions include samples from Gorey's books, illustrations produced for other writers, theatrical sets and costume designs, and a wealth of individual pieces, many never before published. Sketches, typewritten manuscripts, doodles, and musings join the generous selection of finished works. Published on the occasion of the first retrospective of Edward Gorey's work, at the Brandywine River Museum, *Elegant Enigmas* is a tribute to a master artist and writer, who with murderously dry humor created a body of work singular in its brilliance and charm.

Elegant Enigmas

Being a tale--perhaps an allegory--of deceptive simplicity, with universal meaning for all civilized men and women, Gorey's "The Doubtful Guest" is republished here in a deluxe hardcover edition at an eerily low price.

The Doubtful Guest

Meet Tava, a twenty-four-year-old medical student in a deep depression. Alice, her friend and housemate, is trying to figure out how to support her. Time unravels, leaving both women bewildered at the emotional landscapes that have opened before them. *Eyes Too Dry* started out as a series of private conversations between the authors by way of a comic-in-correspondence. Their decision to make this work public was fuelled by their struggle to find stories and artwork that spoke to their experiences of encountering depression, suicidal ideation and emotional weight. In a world that tells us to 'keep calm and carry on' they are offering a narrative that is vulnerable, honest and uncertain. They hope to add new ways to talk about, visualise and relate to these complex emotions. 'I have never seen mental illness depicted in this way, and the illustrations convey the physical and emotional toll of depression more powerfully than anything I've ever seen before. This is an important book about a topic that still holds so much stigma, and the more people that read it the better.' - Rebecca Shaw 'To struggle with the textures of our mental landscape can feel like the most brutalizing, lonely thing. What Chipkin and Tavassoli have gifted us is one-of-a-kind: the lens of kinship. Through their dual perspectives, we eavesdrop on a tender conversation: How can I be there for you? and How can I not push you away? While most media focuses on the so-called failures or successes of mentally ill people to regain normalcy, these artists keep their focus on relationship. We witness questions of health and the realities of illness as traversed through that most precious, private kingdom: homiedom. The depth and nuance of these pages is treasure in the palm.' - Shira Erlichman

Eyes Too Dry

What it takes to be a genius: nine essential and contradictory ingredients. What does it take to be a genius? A high score on an IQ test? Brilliant physicist Richard Feynman's IQ was too low for membership in Mensa. Suffering from varying degrees of mental illness? Creativity is often considered a marker of mental health. Be a child prodigy like Mozart, or a later bloomer like Beethoven? Die tragically young, like Keats, or live to a ripe old age like Goethe? In *The Genius Checklist*, Dean Keith Simonton examines the key factors in creative genius and finds that they are more than a little contradictory. Simonton, who has studied creativity and genius for more than four decades, draws on both scientific research and stories from the lives of famous creative geniuses that range from Isaac Newton to Vincent van Gogh to Virginia Woolf. He explains the origin of IQ tests and the art of estimating the IQ of long-dead historical figures (John Stuart Mill: 200; Charles Darwin: 160). He compares IQ scores with achieved eminence as measures of genius, and he draws a distinction between artistic and scientific genius. He rules out birth order as a determining factor (in the James family alone, three

geniuses at three different birth-order positions: William James, first-born; Henry James, second born; Alice James, born fifth and last); considers Malcolm Gladwell's 10,000 hour rule; and describes how the "lone" genius gets enmeshed in social networks. Genius, Simonton explains, operates in ways so subtle that they seem contradictory. Genius is born and made, the domain of child prodigies and their elders. Simonton's checklist gives us a new, integrative way to understand geniuses—and perhaps even to nurture your own genius!

The Genius Checklist

Longlisted for the Baillie Gifford Prize for Non-Fiction 2019 Longlisted for the Orwell Prize for Political Writing 2020 'Fascinating . . . If you have even the slightest interest in Orwell or in the development of our culture, you should not miss this engrossing, enlightening book.' John Carey, Sunday Times George Orwell's 1984 has become a defining narrative of the modern world. Its cultural influence can be observed in some of the most notable creations of the past seventy years, from Margaret Atwood's *The Handmaid's Tale* to the reality TV landmark *Big Brother*, while ideas such as 'thought police', 'doublethink', and 'Newspeak' are ingrained in our language. The Ministry of Truth charts the life of one of the most influential books of the twentieth century and a work that is ever more relevant in this tumultuous era of 'fake news' and 'alternative facts'. Dorian Lynskey investigates the influences that came together in the writing of 1984 from Orwell's experiences in the Spanish Civil War and in wartime London to his fascination with utopian and dystopian fiction. Lynskey explores the phenomenon the novel became when it was first published in 1949 and the changing ways in which it has been read over the decades since, revealing how history can inform fiction and how fiction can influence history. 'Everything you wanted to know about 1984 but were too busy misusing the word "Orwellian" to ask.' Caitlin Moran

Amphigorey

Drawings (including thirty-two pages in color), captions, and verse showcasing Gorey's unique talents and humor. "The Glorious Nosebleed," "The Utter Zoo," "The Epileptic Bicycle," and fourteen other selections.

The Ministry of Truth

In *Long Drawn Out Trip: My Life*, Gerald Scarfe tells his life story for the first time. With captivating, often thrilling stories, he takes us from his childhood and early days at *Punch* and *Private Eye*, through his long and occasionally tumultuous career as the Sunday Times cartoonist, to his film-making at the BBC and much-loved designs for Pink Floyd's *The Wall* and Disney's *Hercules*. Along the way he has drawn Churchill from life, gone on tour with The Beatles and thoroughly upset Mrs Mary Whitehouse. It is a very personal, wickedly funny and caustically insightful account of an artist's life at the forefront of contemporary culture and society.

Amphigorey Also

The definitive history of Peter Jackson's Middle-earth saga, *Anything You Can Imagine* takes us on a cinematic journey across all six films, featuring brand-new interviews with Peter, his cast & crew. From the early days of daring to dream it could be done, through the highs and lows of making the films, to fan adoration and, finally, Oscar glory.

Long Drawn Out Trip

An existential odyssey weaving together lived experience and theoretical insight, this startling autobiographical hyperfiction surveys and dissects a world where everything connects and global technological delirium is the norm. The mediascapes of late capitalism reconfigure erotic responses and trigger primal aggression; under constant surveillance, we occupy simulations of ourselves, private estates on a hyperconnected globe; fictions reprogram reality, memories are rewritten by the future... Fleeing the excesses of 1990s cyberculture, a young researcher sets out to systematically analyse the obsessively reiterated themes of a writer who prophesied the disorienting future we now inhabit. The story of his failure is as disturbingly psychotropic as those of his magus—J.G. Ballard, prophet of the post-postmodern, voluptuary of the car crash, surgeon of the pathological virtualities pulsing beneath the surface of reality. Plagued by obsessive fears, defeated by the tedium of academia, yet still certain that everything connects to Ballard, his academic thesis collapses into a series of delirious travelogues, deranged

speculations and tormented meditations on time, memory, and loss. Abandoning literary interpretation and renouncing all scholarly distance, he finally accepts the deep assignment that has run throughout his entire life, and embarks on a rogue fieldwork project: Applied Ballardianism, a new discipline and a new ideal for living. Only the darkest impulses, the most morbid obsessions, and the most apocalyptic paranoia can uncover the technological mutations of inner space. An existential odyssey inextricably weaving together lived experience and theoretical insight, this startling autobiographical hyperfiction surveys and dissects a world where everything connects and global technological delirium is the norm—a world become unmistakably Ballardian.

Anything You Can Imagine: Peter Jackson and the Making of Middle-earth

Called "a small masterpiece" by the "Times Literary Supplement," this book, originally published in 1953, takes a look at the literary life and its attendant woes: isolation, writer's block, professional jealousy, and plain boredom. Illustrations.

Applied Ballardianism

A rollicking, sexy memoir of a young poet making his way in 1960s New York City. When he graduated from Columbia in 1958, John Giorno was handsome, charismatic, ambitious, and eager to soak up as much of Manhattan's art and culture as possible. Poetry didn't pay the bills, so he worked on Wall Street, spending his nights at the happenings, underground movie premiers, art shows, and poetry readings that brought the city to life. An intense romantic relationship with Andy Warhol—not yet the global superstar he would soon become—exposed Giorno to even more of the downtown scene, but after starring in Warhol's first movie, *Sleep*, they drifted apart. Giorno soon found himself involved with Robert Rauschenberg and later Jasper Johns, both relationships fueling his creativity. He quickly became a renowned poet in his own right, working at the intersection of literature and technology, freely crossing genres and mediums alongside the likes of William Burroughs and Brion Gysin. Twenty-five years in the making, and completed shortly before Giorno's death in 2019, *Great Demon Kings* is the memoir of a singular cultural pioneer: an openly gay man at a time when many artists remained closeted and shunned gay subject matter, and a devout Buddhist whose faith acted as a rudder during a life of tremendous animation, one full of fantastic highs and frightening lows. Studded with appearances by nearly every it-boy and girl of the downtown scene (including a moving portrait of a decades-long friendship with Burroughs), this book offers a joyous, life-affirming, and sensational look at New York City during its creative peak, narrated in the unforgettable voice of one of its most singular characters.

The Unstrung Harp, Or, Mr. Earbrass Writes a Novel

In this enigmatic, surreal, wonderfully entertaining tale, three mysterious figures set out from Willowdale, traveling by handcar. At once deeply vexing and utterly hilarious, darkly mysterious and amusingly absurd, "The Willowdale Handcar" is vintage Gorey.

The Fatal Lozenge

Perhaps its author's most unpleasant book ever.

Great Demon Kings

"Barry deftly portrays the capricious nature of teen friendships, adolescent peer-pressure, and the kill or be killed nature of a middle school's social scene in her signature style. In an authentic teen voice full of diffidence and melodrama, the bespectacled and freckled Maybonne relates all of life's indignities on equal measure. Heartbreaking stories of a broken home, child molestation, an alcoholic absentee father and a bitter mom emerge between strips about home ec class, summer vacation, and babysitting, illustrating Barry's peerless ability to make the reader both cry and laugh."--

The Willowdale Handcar

From the admiralty to the miner's strike, from the Battle of Britain to eventual victory over Nazi Germany, Churchill oversaw some of the most important events the world has ever seen. Winning the Nobel Prize in Literature for his personal writing and cautioning against a powerful Soviet Russia in his later years in office, his larger-than-life and complex personality has continued to fascinate writers and historians. In this comprehensive biography, Roy Jenkins faithfully presents these events, while also managing to convey the contradictions and quirks in Churchill's character. Weaving together in-depth analysis and

brilliant historical research, Jenkins has succeeded in crafting this magnificent one-volume account packed with insights that only a fellow politician can convey. Bringing to life the statesman, writer, speaker and leader, Churchill is packed with insights into one of the most important figures of the twentieth century.

The Loathsome Couple

The Black Speculative Arts Movement: Black Futurity, Art+Design is a 21st century statement on the intersection of the future of African people with art, culture, technology, and politics. This collection enters the global debate on the emerging field of Afrofuturism studies with an international array of scholars and artists contributing to the discussion of Black futurity in the 21st century. The contributors analyze and respond to the invisibility or mischaracterization of Black people in the popular imagination, in science fiction, and in philosophies of history.

Come Over Come Over

A rare discovery in the world of fairy tales—now for the first time in English Move over, Cinderella: Make way for the Turnip Princess! And for the “Cinderfellas” in these stories, which turn our understanding of gender in fairy tales on its head. With this volume, the holy trinity of fairy tales—the Brothers Grimm, Charles Perrault, and Hans Christian Andersen—becomes a quartet. In the 1850s, Franz Xaver von Schönwerth traversed the forests, lowlands, and mountains of northern Bavaria to record fairy tales, gaining the admiration of even the Brothers Grimm. Most of Schönwerth's work was lost—until a few years ago, when thirty boxes of manu-scripts were uncovered in a German municipal archive. Now, for the first time, Schönwerth's lost fairy tales are available in English. Violent, dark, and full of action, and upending the relationship between damsels in distress and their dragon-slaying heroes, these more than seventy stories bring us closer than ever to the unadorned oral tradition in which fairy tales are rooted, revolutionizing our understanding of a hallowed genre. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators

Churchill

A look at the artist and his work, including his illustrations for T.S. Eliot's *Old Possum's Book of Practical Cats* and the animated credits for the *Mystery!* series on public television.

The Black Speculative Arts Movement

An evidence-based investigation of coincidence and synchronicity that will leave skeptics and believers alike ruminating for years to come.

The Turnip Princess and Other Newly Discovered Fairy Tales

Offers a tongue in cheek description of a horrible baby, whose family is unable to get rid of it until an eagle carries it off

The World of Edward Gorey

The story of an intrepid voyage of epic proportion with a hero unequalled in the annals of literature. Gorey is "a man of enormous erudition . . . an artist and writer of genius" ("The New Yorker").

The Source and Significance of Coincidences

"This varied assortment of weird characters and humorous, horrid happenings is drawn from the best of Edward Gorey's illustrated works."--Publisher.

The Beastly Baby

Winner of New York University's Dean's Outstanding Dissertation Award This revolutionary treatise starts from one fundamental premise: that our phenomenal consciousness includes direct experience of value. For too long, ethical theorists have looked for value in external states of affairs or reduced

value to a projection of the mind onto these same external states of affairs. The result, unsurprisingly, is widespread antirealism about ethics. In this book, Sharon Hewitt Rawlette turns our metaethical gaze inward and dares us to consider that value, rather than being something "out there," is a quality woven into the very fabric of our conscious experience, in a highly objective way. On this view, our experiences of pleasure and pain, joy and sorrow, ecstasy and despair are not signs of value or disvalue. They are instantiations of value and disvalue. When we feel pleasure, we are feeling intrinsic goodness itself. And it is from such feelings, argues Rawlette, that we derive the basic content of our normative concepts-that we understand what it means for something to be intrinsically good or bad. Rawlette thus defends a version of analytic descriptivism. And argues that this view, unlike previous theories of moral realism, has the resources to explain where our concept of intrinsic value comes from and how we know when it objectively applies, as well as why we sometimes make mistakes in applying it. She defends this view against G. E. Moore's Open Question Argument as well as shows how these basic facts about intrinsic value can ground facts about instrumental value and value "all things considered." Ultimately, her view offers us the possibility of a robust metaphysical and epistemological justification for many of our strongest moral convictions.

The Brutal Art

Ethan Muller is struggling to establish his reputation as a dealer in the cut-throat world of contemporary art when he is alerted to a once-in-a-lifetime opportunity: in a decaying New York slum, an elderly tenant has disappeared, leaving behind a staggeringly large trove of original drawings and paintings. Nobody can tell Ethan much about the old man, except that he came and went in solitude for nearly forty years, his genius hidden and unacknowledged. Despite the fact that, strictly speaking, the artwork doesn't belong to him, Ethan takes the challenge and makes a name for the old man - and himself. Soon Ethan has to congratulate himself on his own genius: for storytelling and salesmanship. But suddenly the police are interested in talking to him. It seems that the missing artist had a nasty past, and the drawings hanging in the Muller Gallery have begun to look a lot less like art and a lot more like evidence. Sucked into an investigation four decades cold, Ethan will uncover a secret legacy of shame and death, one that will touch horrifyingly close to home - and leave him fearing for his own life.

Trouble

It's late at night, and all Jonah Stem wants to do is to get home and fall into bed. Working long hours as a medical student, he's seen enough drama - not to mention enough blood - for one day. But when he hears a scream ring out in the darkness, and an injured woman is on her knees and begging for her life, Jonah finds himself drawn into a dangerous and irrevocable situation. And this situation means trouble. Jonah's intervention will change not only his own life, but also the lives of those he cares about, in ways he never thought possible. A heart-stopping thriller, masterfully told, *Trouble* is the story of what can happen when you find yourself in way over your head . . .

Genius

Things aren't going well for Joseph Geist. He's broke. His graduate school advisor won't talk to him. And his girlfriend has kicked him out of her apartment, leaving him homeless and alone. It's a tough spot for a philosopher to be in, and he's ready to give up all hope of happiness when an ad in the local paper catches his eye. 'Conversationalist wanted', it reads. Which sounds perfect to Joseph. After all, he's never done anything in his life except talk. And the woman behind the ad turns out to be the perfect employer: brilliant, generous, and willing to pay him for making conversation. Before long, Joseph has moved in with her, and has begun to feel very comfortable in her big, beautiful house. So comfortable, in fact, that he would do anything to stay there-forever.

The Executor

When the world's bestselling thriller writer, William de Vallée, disappears from his luxury yacht while sailing off the LA coast, his best friend and fellow writer Arthur Pfefferkorn decides to pick up where he left off. But little does Arthur know that this impulsive decision is about to change his life for ever... We want to tell you more about this novel. We wish we could explain how spectacular and absolutely unexpected it is; how it will burn itself onto your brain for ever. But the truth is we could never do it justice... The only way you'll understand it is to read it.

I'll Catch You

One exhausted detective. One mysterious woman. One terrifying monster. From Jonathan Kellerman, the No 1 New York Times bestselling author and master of psychological suspense, and Jesse Kellerman, the international No 1 bestselling author of *The Genius*, comes *The Golem of Hollywood*, one of the most remarkable novels of the year. Perfect for fans of Stephen King and David Baldacci. 'Brilliant, page-turning fiction with mythic underpinnings... The book is like nothing I've ever read before. It sort of took my breath away' - Stephen King. A burned-out L.A. detective... a woman of mystery who is far more than she seems... a grotesque, ancient monster bent on a mission of retribution. When these three collide, a new standard of suspense is born. The legend of the Golem of Prague has endured through the ages, a creature fashioned by a sixteenth-century rabbi to protect his congregation, now lying dormant in the garret of a synagogue. But the Golem is dormant no longer. And for Detective Jacob Lev, the mystery of how he spent last night pales in comparison to the one he's about to be

called upon to solve... What readers are saying about The Golem of Hollywood: '[An] absolutely brilliant book' 'Beautifully written and absorbing' 'Fascinating, eminently readable and totally engrossing'

The Golem of Hollywood

An Edgar(R) Award Nominee for Best Novel Jesse Kellerman—the international bestselling author of *The Executor* and *The Genius*—brings his prodigious talent to bear on a topic he knows well in this hilarious and surprising spin on the modern blockbuster thriller novel. Missing for months after a tragic boating accident, William de Vallée, the superstar thriller writer, is pronounced dead. His oldest friend, Arthur Pfefferkorn, receives the news with an unsettling mix of grief and envy. A middle-aged college professor with long-dead literary aspirations, Pfefferkorn can't help but feel outshone by his friend's success—especially since he married the woman Pfefferkorn loved. But now Bill is gone, and Pfefferkorn is there to comfort Carlotta in her time of grief. Reconnecting with de Vallée's widow makes more than one of his dreams come true . . . until it plunges him into a shadowy world of intrigue and double crosses, where no one can be trusted—and nothing can be taken seriously.

Potboiler

When a cancer patient Dr. Delaware was called in to evaluate disappears, he searches for answers in this thrilling second novel in the New York Times bestselling Alex Delaware series. Dr. Alexander Delaware, a child psychologist in Los Angeles, is called in to evaluate the case of a leukemia patient whose parents want to discontinue chemotherapy. When the boy disappears from the hospital and his parents are found dead, the only leads are the boy's sensual older sister and a holistic-meditative cult called The Touch. Delaware's search for the child takes him to a small town near the Mexican border where he finally unearths the dark secrets kept by the boy's family and the townspeople. He also uncovers drugs and group sex in the commune and survives a few harrowing attempts on his life. (Particularly well-drawn is a failed assassination at the tale's end, which has intriguing mythic echoes.) As in his praised first novel, *When the Bough Breaks*, Kellerman draws on his experience as a clinical psychologist to enrich and broaden his considerable storytelling talents. Imbued with a vivid sense of place and featuring a strong supporting cast, including Milo Sturgis, Delaware's burly gay detective friend, this second adventure points happily toward an Alex Delaware series.

Blood Test

Gloria Mendes is 36, single and obsessed with her boss, Carl. For him, she is the 'world's best secretary'. For her, he is her future husband and the man she thinks about every waking hour. So when Carl disappears and is later found murdered while on a mysterious trip to a small town in Mexico, Gloria's world falls apart. Distraught and restless, she travels to Mexico in an attempt to make some sense of his death. But what she discovers about the man she was in love with shocks her to the core. Nothing about him was as it seemed - from his business interests, to his family background, to his very identity. And the more she discovers about Carl, the closer Gloria comes to the dark forces which claimed her boss's life - and now threaten her own . . . A page-turning, highly accomplished thriller, *SUNSTROKE* marks the emergence of one of the most distinctive new voices in the genre.

Sunstroke

The gripping new thriller from multi-bestselling author Jonathan Kellerman and his son, Jesse, features a deputy coroner and a seemingly impossible case set against an atmospheric Californian backdrop. 'Storytelling at its best, I loved it' Kathy Reichs *A DETECTIVE UNDER PRESSURE* Deputy Coroner Clay Edison is juggling a new baby who won't sleep with working the graveyard shift. For once he's trying to keep things simple. *A HAUNTING DISCOVERY* When infant remains are found by developers demolishing a local park, a devastating cold case is brought back to light. *A DESPERATE SEARCH FOR ANSWERS* Clay has barely begun to investigate when he receives a call from a man who thinks the remains could belong to his sister - who went missing fifty years ago. Now Clay is locked in a relentless search that will unearth a web of violence, secrets and betrayal. Because in this town, the past isn't dead. It's very much alive. And it can kill.

Lost Souls

The fantastic follow-up to *CRIME SCENE* by masters of the psychological thriller genre Jonathan and Jesse Kellerman. *A MEASURE OF DARKNESS* features deputy coroner Clay Edison in another

gripping case . . . A wild party in a gentrifying East Bay neighbourhood. A heated argument that spills into the street. Gunshots. Chaos. When the smoke clears, the mystery reveals itself: there is one victim whose death doesn't match the others. She has been brutalized and abandoned, stripped of ID and left to die: it falls to Deputy Coroner Clay Edison to give her a name and a voice. Clay embarks upon a journey into a hidden world where innocence and perversity mingle . . . and before long, his relentless pursuit of the truth will lead him right into the line of fire. If you love the Alex Delaware series, and are a fan of Harlan Coben and Michael Connelly, you will be hooked by A MEASURE OF DARKNESS.

A Measure of Darkness

There is no place more frightening than the past... The second Detective Jacob Lev novel, *The Golem of Paris* by No. 1 New York Times bestselling authors Jonathan and Jesse Kellerman, is an extraordinary thriller about secrets that refuse to stay buried. Perfect for fans of Harlan Coben and James Patterson. 'Brilliant, page-turning fiction' - Stephen King It's been over a year since LAPD detective Jacob Lev learned the remarkable truth about his family, and he's not coping well. He's back to drinking, he's not talking to his father, the LAPD Special Projects department continues to shadow him, and the memory of a woman named Mai haunts him day and night. And while Jacob has tried to build a bridge to his mother, she remains a stranger to him, imprisoned inside her own tattered mind. Then he comes across the file for a gruesome, unsolved murder that brings the two halves of his life into startling collision. Finding the killer will take him halfway around the world, to Paris - the city of romance, but also its gritty streets, behind the lights. It's a dangerous search for truth that plunges him into the past. For Jacob Lev, there is no place more frightening... What readers are saying about *The Golem of Paris*: 'An original novel and highly engrossing' 'Sharp and witty' 'A gripping read, different from anything I have read before'

The Golem of Paris

Arthur Pfefferkorn is a has-been, or perhaps a never-was: a middle-aged college professor with long-dead literary aspirations. When his oldest friend and a bestselling thriller writer dies, Arthur reconnects with his friend's widow, setting off a shadowy realm of double crosses. Available in a tall Premium Edition.

Potboiler

When a wealthy man is found murdered in his hilltop home, Deputy Coroner Clay Edison is shocked to discover a link to his own brother, Luke, on the scene. Luke is fresh out of prison and struggling to stay on the right path. When he suddenly goes missing, Clay can't help but question his innocence. As blackouts and wildfires continue to sweep through the state of California, the search for answers becomes ever more treacherous. Is Luke capable of murder? Or could he be a victim too?

Praise for Jonathan Kellerman's New York Times No. 1 bestselling thrillers: 'Sophisticated, cleverly plotted and satisfying' Sunday Telegraph 'High-octane entertainment' The Times

The Burning

Publisher description

The Last Folk Hero

Crime Scene is the next enthralling psychological thriller from Number One bestsellers and masters of the genre, Jonathan and Jesse Kellerman. Natural causes or foul play? That's the question deputy coroner Clay Edison must answer each time he examines a body. Figuring out motives and chasing down suspects aren't part of his beat - until a seemingly open-and-shut case proves to be more than meets his highly trained eye. Eccentric, reclusive Walter Rennert lies cold at the bottom of his stairs. At first glance the scene looks straightforward: a once-respected psychology professor done in by booze and a bad heart. But his daughter Tatiana insists that he has been murdered, and she persuades Clay to take a closer look at the grim facts of Rennert's life. When Clay learns that Rennert's colleague died in a nearly identical manner, he becomes even more determined to discover the truth behind the man's death. The twisting trail Clay follows will lead him into the darkest corners of the human soul. It's his job to listen to the tales told by the dead. But this time, he's part of a story that makes his blood run cold.

Crime Scene

"The Headsman is coming! Movie icon ... slasher royalty ... star of the most successful horror film franchise, ever ... Lord of Gore. When screenwriter Danny Graves got the assignment to pen The Headsman's further adventures, it was the opportunity of a lifetime. Little did he know that years later it would bring him face-to-face with the character himself ... and certain death. After being fired from the series, Danny comes into possession of a VHS tape that proves that a set-piece special effect from the original Lord of Gore film resulted in an actual murder. Before he can decide whether to do the right thing, and turn the tape over to the authorities, or selfishly use the tape for leverage to get his job back, The Headsman comes looking for him!"--Back cover of volume 1

Lord of Gore

NEW YORK TIMES BESTSELLER • Jonathan Kellerman has been universally hailed as the master of psychological suspense, and the blockbuster new thriller featuring Alex Delaware and Milo Sturgis confirms his status as today's preeminent practitioner of saber-sharp storytelling. Psychologist Dr. Alex Delaware meets beautiful and emotionally fragile TV actress Zelda Chase when called upon to evaluate her five-year-old son, Ovid. Years later, Alex is unexpectedly reunited with Zelda when she is involuntarily committed after a bizarre psychotic episode. Shortly after Zelda's release, an already sad situation turns tragic when she is discovered dead on the grounds of a palatial Bel Air estate. Having experienced more than enough of L.A.'s dark side to recognize the scent of evil, Alex turns to his friend LAPD Lieutenant Milo Sturgis for help in finding out who ended Zelda's broken life. At the same time, Alex is caught up in another quest: the search for Zelda's missing son. And when other victims vanish from the same upscale neighborhood, worry turns to terror. As Alex struggles to piece together the brief rise and steep fall of a gorgeous, talented actress, he and Milo unveil shattered dreams, the corruption of a family, and a grotesque betrayal of innocence. With each devastating revelation and damning clue, Alex's brilliant mind is challenged as never before—and his determination grows to see a killer caged and the truth set free. Praise for Breakdown "This is a book you should not miss. . . . A master craftsman at the top of his game . . . one of his best to date."—Bookreporter "Gripping . . . an exhilarating masterclass in the art of plotting, suspense, characterization and brilliant mind games."—Blackpool Gazette Praise for Jonathan Kellerman "Jonathan Kellerman's psychology skills and dark imagination are a potent literary mix."—Los Angeles Times "Kellerman doesn't just write psychological thrillers—he owns the genre."—Detroit Free Press

Breakdown

NO WITNESSES. NO EVIDENCE. NO MOTIVE . . . When Ellie Barker was three years old, her mother was found in a torched Cadillac, overturned on Mulholland Drive, with a bullet in her head. Many detectives had tried and failed to solve the case. Decades later, still desperate for answers, Ellie hires LAPD homicide lieutenant Milo Sturgis, who calls in the expertise of brilliant psychologist Alex Delaware, to investigate. But as the two begin digging, they soon discover a string of dangerous threats still lurking in the present . . . Serpentine

A terrifying ghost story from the Queen of Icelandic crime, Yrsa Sigurdardottir, author of the Thora Gudmundsdottir novels. 'Yrsa is one of the most exciting new voices in the crime thriller world.' - Peter James The crunching noise had resumed, now accompanied by a disgusting, indefinable smell. It could best be described as a blend of kelp and rotten meat. The voice spoke again, now slightly louder and clearer: Don't go. Don't go yet. I'm not finished. In an isolated village in the Icelandic Westfjords, three friends set to work renovating a derelict house. But soon they realise they are not alone there - something wants them to leave, and it's making its presence felt. Meanwhile, in a town across the fjord, a young doctor investigating the suicide of an elderly woman discovers that she was obsessed with his vanished son. When the two stories collide the terrifying truth is uncovered . . .

I Remember You

Part memoir, part essay collection, Megan Dunn's ingenious, moving, hilariously personal Things I Learned at Art School tells the story of her early life and coming-of-age in New Zealand in the '70s,

'80s and '90s. From her parents' divorce to her Smurf collection, from the mean girls at school to the mermaid movie *Splash!*, from her work in strip clubs and massage parlours (and one steak restaurant) to the art school of the title, this is a dazzling, killer read from a contemporary voice of comic brilliance. Chapters include: The Ballad of Western Barbie; A Comprehensive List of All the Girls Who Teased Me at Western Heights High School, What They Looked Like and Why They Did It; On Being a Redhead; Life Begins at Forty: That Time My Uncle Killed Himself; Good Girls Write Memoirs, Bad Girls Don't Have Time; Videos I Watched with My Father; Things I Learned at Art School; CV of a Fat Waitress; Nine Months in a Massage Parlour Called Belle de Jour; Various Uses for a Low Self-esteem; Art in the Waiting Room and Submerging Artist. Praise for *Tinderbox*: "Tinderbox is deadpan hilarious and Megan Dunn is a comic genius." - Susanna Andrew, *Metro* "Megan Dunn's wry, whip-smart memoir about Fahrenheit 451, literary ambition & the last days of Borders Bookstores is funny & insightful as hell. Like Kathy Acker meets Sue Townsend. The read of the summer! ... already one of my favourite New Zealand books." - Hera Lindsay Bird "Witty, highly entertaining." - Philip Matthews, *Stuff* "Tinderbox is such a shape-shifter, such a sui generis work, that to call it a memoir does it a disservice ... [Dunn's] voice is hard to resist – sardonic, brazen, sagacious – recalling, in places, Nora Ephron, John Jeremiah Sullivan, and Maggie Nelson." - James Cook, *Review 31*

Things I Learned at Art School

Soon after Anna Pigeon joins the famed wolf study team of Isle Royale National Park in the middle of Lake Superior, the wolf packs begin to behave in peculiar ways. Giant wolf prints are found, and Anna spies the form of a great wolf from a surveillance plane. When a female member of the team is savaged, Anna is convinced they are being stalked, and what was once a beautiful, idyllic refuge becomes a place of unnatural occurrences and danger beyond the ordinary...

Winter Study

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note.

This Side of Paradise

Six poems designed to develop strong identity concepts.

Daddy, Daddy, Can You Touch the Sky?

THE INTERPRETATION OF MURDER is an inventive tour de force inspired by Sigmund Freud's 1909 visit to America, accompanied by protégé and rival Carl Jung. When a wealthy young debutante is discovered bound, whipped and strangled in a luxurious apartment overlooking the city, and another society beauty narrowly escapes the same fate, the mayor of New York calls upon Freud to use his revolutionary new ideas to help the surviving victim recover her memory of the attack, and solve the crime. But nothing about the attacks - or about the surviving victim, Nora - is quite as it seems. And there are those in very high places determined to stop the truth coming out, and Freud's startling theories taking root on American soil.

The Interpretation of Murder

Deputy Coroner Clay Edison discovers that buried secrets can be deadly in this riveting thriller from a father-son team of bestselling authors who write "brilliant, page-turning fiction" (Stephen King). An ID Book Club Selection Clay Edison has his hands full. He's got a new baby who won't sleep. He's working the graveyard shift. And he's trying, for once, to mind his own business. Then comes the first call. Workers demolishing a local park have made a haunting discovery: the decades-old skeleton of a child. But whose? And how did it get there? No sooner has Clay begun to investigate than he receives a second call—this one from a local businessman, wondering if the body could belong to his sister. She went missing fifty years ago, the man says. Or at least I think she did. It's a little complicated. And things only get stranger from there. Clay's relentless search for answers will unearth a history of violence and secrets, revolution and betrayal. Because in this town, the past isn't dead. It's very much alive. And it can be murderous.

Half Moon Bay

Joseph Geist takes a job as a "conversationalist" for a wealthy, enigmatic woman who offers him a place to stay in her big, beautiful house. But as his friendship with his employer evolves from conversationalist to lodger to caretaker, Joseph finds himself at odds with the woman's troubled nephew, and decides to do whatever is necessary to maintain his position.

The Executor

Includes an abridged edition of 1908 catalog issued under title: English prose fiction ... list of about 800 title.

Standard Catalog for Public Libraries

Noel Coward's house in Kent provides a refuge for him and his lover, Jack. But their romantic idyll is ended, first by the arrival of Noel's demanding relatives and then by a mysterious death. Many years later, film star and Coward fan Richard Stent buys the house from its current owner, but Richard has problems of his own."

Briefs Encountered

TWISTED is the second Petra Connor novel and a superb example of international bestseller Jonathan Kellerman's mastery of the psychological thriller as demonstrated in his renowned Alex Delaware series, which includes KILLER and BREAKDOWN. Jonathan's tense and nail-biting writing will appeal to all fans of Karin Slaughter and Harlan Coben. 'An elaborate, tangled web . . . with unsuspected turns at every chapter break . . . this addictive tale . . . is as intricately detailed as it is tantalizingly page-turning' (Entertainment Weekly). Detective Petra Connor is struggling with a baffling drive-past murder when Isaac Gomez, a young research prodigy, tells her he's found something she might want to see. His theory that there's a connection between six unsolved murders committed in the LAPD area over the past six years, all at around midnight on June 28, seems fanciful at first - but soon the links become clearer. Something evil has managed to conceal itself between the dry pages of the files: a series of killings so meticulously constructed that the mind behind them would have remained invisible without Isaac's sharp probing. And June 28 is just a month away - will Petra be able to stop the murderer from striking again?

Twisted

The gripping new Clay Edison thriller from the bestselling father-son team who write "brilliant, page-turning fiction" (Stephen King) It's been almost a year since Clay Edison was forced out of his job at the coroner's bureau. Now he's on his own, working as a private eye. When a client brings him a fraud case, Clay dives into a decades-old scheme targeting the vulnerable. His investigation leads him to a bizarre town buried in the remote California wilderness. The residents don't care much for outsiders. They certainly don't like Clay asking questions. And they'll do just about anything to shut him up.

The Lost Coast

BONUS: This edition contains an excerpt from Jonathan Kellerman's Guilt. NEW YORK TIMES BEST-SELLER The voice belongs to a woman, but Dr. Alex Delaware remembers a little girl. It is eleven years since seven-year-old Melissa Dickinson dialed the hospital help line for comfort—and found it in therapy with Alex Delaware. Now the lovely young heiress is desperately calling for the psychologist's help once more. Only this time it looks like Melissa's deepest childhood nightmare is really coming true. "A page-turner from beginning to end."—Los Angeles Times Twenty years ago, Gina Dickinson, Melissa's mother, suffered a grisly assault that left the budding actress irreparably scarred and emotionally crippled. Now her acid-wielding assailant is out of prison and back in L.A.—and Melissa is terrified that the monster has returned to hurt Gina again. But before Alex Delaware can even begin to soothe his former patient's fears, Gina, a recluse for twenty years, disappears. And now, unless Delaware turns crack detective to uncover the truth, Gina Dickinson will be just one more victim of a cold fury that has already spawned madness . . . and murder.

Private Eyes

The international thriller sensation It starts with just one body – the hands bound, the skin covered in marks. Detective Superintendent Jeanette Kihlberg is determined to find out who is responsible,

despite opposition from her superiors. When two more bodies are discovered, it becomes clear that she is hunting a serial killer. With her career on the line, Kihlberg turns to psychotherapist Sofia Zetterlund. Together, they expose a chain of shocking events that began decades ago – but will it lead them to the murderer before someone else dies? 'A compulsive page-turner' Sunday Express 'Compelling... we are left gasping for breath' Daily Mail 'There's a fantastic twist... the pace of its revelations is relentless' Observer

The Crow Girl

Winner of The Bloody Scotland Crime Debut of the Year Shortlisted for the McIlvanney Prize for Scottish Crime Book of the Year 2021 and the CWA Historical Dagger 2022 *Edge of the Grave* by Robbie Morrison is a dark historical crime novel set in 1930s Glasgow. A city still recovering from the Great War; split by religious division and swarming with razor gangs. For fans of William McIlvanney's *Laidlaw*, Denise Mina and Philip Kerr. 'Peaky Blinders meets William McIlvanney in this rollocking riveting read' – Adrian McKinty, author of *The Chain* Glasgow, 1932. When the son-in-law of one of the city's wealthiest shipbuilders is found floating in the River Clyde with his throat cut, it falls to Inspector Jimmy Dreghorn to lead the murder case – despite sharing a troubled history with the victim's widow, Isla Lockhart. From the flying fists and flashing blades of Glasgow's gangland underworld, to the backstabbing upper echelons of government and big business, Dreghorn and his partner 'Bonnie' Archie McDaid will have to dig deep into Glasgow society to find out who wanted the man dead and why. All the while, a sadistic murderer stalks the post-war city leaving a trail of dead bodies in their wake. As the case deepens, will Dreghorn find the killer – or lose his own life in the process? 'Astounding. Tense, absorbing and dripping with gallus Glasgow humour, this book is absolutely wonderful' – Abir Mukherjee, author of the Wyndham & Banerjee series 'A magnificent and enthralling portrait of a dark and dangerous city . . . Chilling and brutal, but also deeply moving and, most importantly, beautifully written' – Mark Billingham

Edge of the Grave

NEW YORK TIMES BESTSELLER The daughter of a diplomat disappears on a school field trip—lured into the Santa Monica Mountains and killed in cold blood. Her father denies the possibility of a political motive. There are no signs of struggle and no evidence of sexual assault, leaving psychologist Alex Delaware and his friend LAPD homicide detective Milo Sturgis to pose the essential question: Why? "Feverish in pace and rich in characters . . . a chilling and irresistible thriller."—People Working with Daniel Sharavi, a brilliant Israeli police inspector, Delaware and Sturgis soon find themselves ensnared in one of the darkest, most menacing cases of their careers. And when death strikes again, it is Alex who must go undercover, alone, to expose an unthinkable conspiracy of self-righteous brutality and total contempt for human life.

Survival of the Fittest

NEW YORK It may be Christmas in New York, but for ex-soldier turned elite bodyguard Ryan Lock it's business as usual: his mission is to protect one of America's most ruthless businessmen. **A BLOODY SHOOT-OUT** Suddenly gunshots ring out. People run for cover. Innocent people are mown down. Amid the chaos, Lock's hunt for the killers turns into an explosive game of cat and mouse. **A DEADLY SECRET** Lock's search for the truth takes him from the rooftops of a New York skyscraper to a heavily fortified warehouse on the Hudson where he confronts one of the world's most dangerous women. As the clock ticks towards midnight on New Year's Eve, all routes into and out of Manhattan are sealed, and Lock realises that not only is his own life in terrible danger but so are the lives of millions of others...

Trouble A Special

In the ninth installment of this infinitely enjoyable and bestselling series, Precious Ramotswe is doing what she does best—solving crimes and taking care of business: her own and everybody else's. Investigating her latest case, Mma Ramotswe has to trek to a game preserve, where she rediscovers the breathtaking beauty of her beloved Botswana. She is there to uncover the truth about an elderly American traveller whose safari proved to be his last journey. What she discovers is a surprise to everyone concerned. Meanwhile, problems are also brewing back at the No. 1 Ladies' Detective Agency: Mma Makutsi has instituted the Complaint Half Hour in order to air her grievances—which works well for her until Mma Ramotswe decides to institute her own version. And life is no less complicated at Tlokweng Road Speedy Motors, where Mr. J.L.B. Matekoni—Mma Ramotswe's estimable

husband—has suddenly decided to mortgage the garage. But without a doubt—and after several cups of bush tea—Precious Ramotswe will make sure, as only she can, that everything turns out as it should.
