Jasmine

Take a girl with a flower name and add in a sweet widower, twin boys, a pet pig and what do you get? A fun-filled romance sure to delight any lover of historical romance. The fifth of the Sullivan girls, Jasmine stays with her sister Daisy to help her while she's pregnant and for a time after her sweet niece Dinah is born. While she's there, she catches the eye of widower, Lee Fields, who has his hands full with the most rambunctious twin boys Jasmine has ever had the fortune to meet. She's certain he's the man she needs to fulfill all her dreams, and the boys? They're just icing on the cake. How could anyone complain about such sweet little things? Of course, she only felt that way until they started playing the type of pranks on her she'd always considered her specialty. Could she fight through the nonsense to find love with her new husband? Or had she made a terrible mistake marrying this man?

Only Jasmine

JASMINE One thing stands between me and my destiny. Jack Harlowe. They say people who hurt others don't love themselves. Jack must be the one exception. He loves his power. His billion dollar kingdom. His icy blue eyes and wavy dark locks. Just as much as he loves himself, he loves getting his way. And he got it. But now I'm back to live the life I deserve and his grudge is so deep he thinks I can't swim that far. What Jack doesn't know is that once you've dropped into a fifty foot wave, nothing scares you. If he wants to be my one and only enemy, good luck to him. I always ride to win. JACK I swear I'm not cruel but I'll let her believe it. I usually get my way with no more than a nudge. People are naturally worried about what I can do to them. My Dad owns this town and almost every job in it. Not Jasmine. She isn't scared of anything. Her single track mind and body, fearless even in the face of death. Her strength is my kryptonite but also her weakness. She thinks she doesn't need saving. Boy, was she wrong. But now she's back and I'm stuck in the middle of a scandal. Choose Jasmine? Or the Harlowe family reputation? Only Jasmine is a steamy enemies-to-lovers for 18+. A standalone spin off

from the Uyu Festival Series taking place on the fictional Hawaiian island of Nakiki. If you love twisty plots, British men, feisty heroines and redemption arcs that make you swoon, this is your kind of book.

Rose

Rose, a pampered Seattle socialite, is used to men falling at her feet. In fact, she's so used to it, that when she sees Dr. Shawn Henry, she can think of no reason she shouldn't have him. She just knows he feels the same as she does. Doesn't every man? Shawn Henry, the new dentist in Seattle, is surprised to get an invitation to visit with Rose's aunt, who is a talented matchmaker, because he doesn't remember meeting Rose. He lives in an area where there aren't enough women, though, so he agrees to court her. After a few weeks, he proposes marriage, knowing that he needs a wife, and he thinks she'll fit the bill nicely. Will this unlikely pair ever be able to find love and live together in peace? Or will Rose spend the rest of her life wishing she'd made other choices?

Storm Born

Just typical. No love life to speak of for months, then all at once, every horny creature in the Otherworld wants to get in your pants... Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Mercenary, yes, but a girl's got to eat. Her most recent case, however, is enough to ruin her appetite. Hired to find a teenager who has been taken to the Otherworld, Eugenie comes face to face with a startling prophecy - one that uncovers dark secrets about her past and claims that Eugenie's first-born will threaten the future of the world as she knows it. Now Eugenie is a hot target for every ambitious demon and Otherworldly ne'er-do-well, and the ones who don't want to knock her up want her dead. Eugenie handles a Glock as smoothly as she wields a wand, but she needs some formidable allies for a job like this. She finds them in Dorian, a seductive fairy king with a taste for bondage, and Kiyo, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, Eugenie realizes that the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within her....

Brides of Beckham

When Ellen and her sister, Malinda, are forced out of the only home they've ever known by a local banker after the death of their father, they answer an advertisement placed by Harriett Long for mail order brides. Ellen chooses to marry the sheriff of a small town in Colorado while Malinda agrees to marry his brother, a banker. When they arrive, each sister is immediately drawn to one of the brothers....too bad it's the wrong one! Malinda thinks her life is over after the death of her father and her subsequent eviction from the only home she's ever known. She, along with her sister, answers an advertisement for mail order brides and their lives change. She agrees to marry a banker in a small town in Colorado, because she refuses to be afraid of where her next meal will come from ever again. When she arrives in Colorado, she immediately falls for the handsome gentleman who picks her up at the train station, but he's her sister's fiance, not hers!

For Colored Girls who Have Considered Suicide/When the Rainbow is Enuf

A tie-in edition to the film adaptation of the 1975 classic is a passionate treatise on the black female experience in 20th-century America that includes the complete text, behind-the-scenes stage directions and two new poems. Reprint. Movie tie-in.

Six: The Musical - Vocal Selections

(Vocal Selections). Six has received rave reviews around the world for its modern take on the stories of the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbreak into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do * Don't Lose Ur Head * Ex-Wives * Get Down * Haus of Holbein * Heart of Stone * I Don't Need Your Love * No Way * Six.

If You Could Be Mine

Winner of the Lambda Literary Award for LGBT Children's/Young Adult One of Rolling Stone's 40 Best YA Novels A 2014 ALA Rainbow List Top 10 Title A Booklist Top 10 First Novels for Youth 2013 A Chicago Public Library "Best of the Best" 2013 This Forbidden Romance Could Cost Them Their Lives Seventeen-year-old Sahar has been in love with her best friend, Nasrin, since they were six. They've

shared stolen kisses and romantic promises. But Iran is a dangerous place for two girls in love--Sahar and Nasrin could be beaten, imprisoned, even executed. So they carry on in secret until Nasrin's parents suddenly announce that they've arranged for her marriage. Then Sahar discovers what seems like the perfect solution: homosexuality may be a crime, but to be a man trapped in a woman's body is seen as nature's mistake, and sex reassignment is legal and accessible. Sahar will never be able to love Nasrin in the body she wants to be loved in without risking their lives, but is saving their love worth sacrificing her true self?

Dr. Strange Beard

Everyone in Green Valley, Tennessee knows that the six bearded Winston brothers have been imbued with an unfair share of charm and charisma... and are prone to mischief. Dr. Strange Beard, the fifth book in the Winston Brothers series, from USA TODAY bestselling author Penny Reid publishes in July 2018!

Empire State

Jimmy is a stereotypical geek who works at the library in Oakland, California, and is trapped in his own torpidity. Sara is his best friend, but she wants to get a life (translation: an apartment in Brooklyn and a publishing internship). When Sara moves to New York City, Jimmy is rattled. Then lonely. Then desperate. He screws up his courage, writes Sara a letter about his true feelings, and asks her to meet him at the top of the Empire State Building (a nod to their ongoing debate about *Sleepless in Seattle*). Jimmy's cross-country bus trip to Manhattan is as hapless and funny as Jimmy himself. When he arrives in the city he's thought of as "a festering hellhole," he's surprised by how exciting he finds New York, and how heartbreaking—he discovers Sara has a boyfriend! Jason Shiga's bold visual storytelling, sly pokes at popular culture, and subtle text work together seamlessly in *Empire State*, creating a quirky graphic novel comedy about the vagaries of love and friendship. Praise for *Empire State*: "He [Shiga] displays a wicked sense of comic timing." -Publishers Weekly "Empire State: A Love Story (Or Not) is funny, sweet, geeky and affecting, and definitely worth a read." -Wired.com "Shiga's illustrations . . . are unique and endearing, and his images of NYC are instantly recognizable." -am New York "If Woody Allen grew up in Oakland rather than Manhattan, he'd most likely see the world, and especially New York City, as Jason Shiga does in *Empire State*." -Big Think.com

Dramatic Mirror of Motion Pictures and the Stage

This charming novel about a Bengali-American matchmaker in San Francisco who creates an imaginary fiancé in order to satisfy her marriage-minded traditional parents offers a fresh variation on the timeless theme of a young woman's quest for true love. It seemed like a good idea at the time. Lina Ray has a knack for pairing up perfect couples as a professional matchmaker in San Francisco, but her well-meaning, highly traditional Indian family wants her to get married. When her Auntie Kiki introduces Lina to the bachelor from hell at her sister's wedding in India, Lina panics and blurts out, "I'm engaged!" Because what's the harm in a little lie? Who's sari now? Lina scrambles to find a real fiancé because Auntie Kiki will be coming to America soon to approve the match. But date after disastrous date gets her no closer to her prince -- until an actual prince arrives on her doorstep. Lina hasn't been able to stop fantasizing about traditional but dashing Raja Prasad since she met him in India. In fact, her imaginary fiancé has begun to resemble him! Now Raja is in San Francisco and wants Lina to find a suitable bride for his brother. Though they live oceans apart, Lina longs to bridge the gap. But when her fantastic fib catches up with her, life is suddenly like a Bollywood flick gone horribly wrong. Lina may have an over-developed fantasy life, but she certainly never imagined things would turn out like this!

Imaginary Men

At head of title: Sea Lion Books presents.

Storm Born

Savannah is tired of the dating scene, even though she wants to get married and have a family. She knows her mother will never move on with her own life as long as Savannah is single. Savannah goes to see a matchmaker, specializing in setting up couples who meet at the altar. At first, she thinks Scott is a dream come true, but his blundering soon makes her crazy. Scott, a Montana bison rancher, doesn't have time to find a wife. His work is all-encompassing. Besides, he tends to have a hard time getting

women to go out with him more than once. When he runs into a matchmaker he's known all his life, he tells her about the problems he's had to see if she can help him. When he meets Savannah at the altar, his heart stops for a moment. She's exactly what he's looking for. Will their diverse backgrounds keep them apart? Or will they be able to work through their differences to make their marriage a loving relationship?

Married in Montana

Read along with Disney! Jasmine and Aladdin are getting married! Jasmine decides that her wedding will be exactly like her mother's. That way she'll still be a part of her wedding. But as Jasmine starts to plan, she realizes she's missing a "treasure of treasures". Will Jasmine find it before she says "I do"?

Jasmine's Royal Wedding

For easy piano and voice. Includes chord symbols.

Mary Poppins

Alamut takes place in 11th Century Persia, in the fortress of Alamut, where self-proclaimed prophet Hasan ibn Sabbah is setting up his mad but brilliant plan to rule the region with a handful of elite fighters who are to become his "living daggers." By creating a virtual paradise at Alamut, filled with beautiful women, lush gardens, wine and hashish, Sabbah is able to convince his young fighters that they can reach paradise if they follow his commands. With parallels to Osama bin Laden, Alamut tells the story of how Sabbah was able to instill fear into the ruling class by creating a small army of devotees who were willing to kill, and be killed, in order to achieve paradise. Believing in the supreme Ismaili motto "Nothing is true, everything is permitted," Sabbah wanted to "experiment" with how far he could manipulate religious devotion for his own political gain through appealing to what he called the stupidity and gullibility of people and their passion for pleasure and selfish desires. The novel focuses on Sabbah as he unveils his plan to his inner circle, and on two of his young followers — the beautiful slave girl Halima, who has come to Alamut to join Sabbah's paradise on earth, and young ibn Tahir, Sabbah's most gifted fighter. As both Halima and ibn Tahir become disillusioned with Sabbah's vision, their lives take unexpected turns. Alamut was originally written in 1938 as an allegory to Mussolini's fascist state. In the 1960's it became a cult favorite throughout Tito's Yugoslavia, and in the 1990s, during the Balkan's War, it was read as an allegory of the region's strife and became a bestseller in Germany, France and Spain. Following the attacks of September 11, 2001, the book once again took on a new life, selling more than 20,000 copies in a new Slovenian edition, and being translated around the world in more than 19 languages. This edition, translated by Michael Biggins, is the first-ever English translation.

Alamut

Michaela Hunter is at a crossroads in her life. Having just graduated from college, she's about to lose her internship, which is her only job. When she's asked by friend and matchmaker, Lachele Simpson, to agree to marry a man chosen for her, sight unseen, she's hesitant. After a bit of convincing, Michaela agrees to the plan, though she has her doubts about how it will work out. Pastor Jon Larson has watched a couple matched by Matchrimony for eight months, and he's impressed with how well the couple does together. Frustrated with the single women in town chasing him, he gives Dr. Lachele a call, hoping she can find him a match like she found for his friend. As soon as he sees Michaela, he knows she's the woman for him. Will they survive the honeymoon? Or will the pressures of everyday life keep them from having the love they deserve?

Only in Oklahoma

Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

Anagram Solver

Ever stumble when choosing between "who" and "whom," "affect" and "effect," "lay" and "lie"? Are you worried that how you speak or write is holding you back at work? Do you fear you're making frequent

conversational errors, but just aren't sure what's correct? How you use language tells people a good deal about who you are, how you think, and how you communicate. Making simple errors in written and spoken English can make you seem less sophisticated -- even less intelligent -- than you really are. And that can affect (not effect) your relationships, your friendships, and even your career. This comprehensive, easy-to-use reference is a program designed to help you identify and correct the most common errors in written and spoken English.

When Bad Grammar Happens to Good People

Caroline Casey is a romantic in a world of realists. When she decides to leave her privileged upbringing to become a mail-order bride, everyone she knows is surprised, but she is convinced she can make a difference and find true love out west. There are two motherless girls who need her and her special brand of loving everyone around her to make their lives complete. Andrew Dawson is mortified when yet another housekeeper leaves thanks to his daughters' abhorrent behavior. When the domestic agency he uses refuses to send another housekeeper, he sends for a mail-order bride, expecting her to simply be a housekeeper. He is not counting on Caroline Casey. Will she be able to win him over and convince him that she's the wife he needs? Or will her dreams be completely ruined?

Mail Order Mother

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

Kurt Vonnegut's God Bless You, Mr. Rosewater

Two star-crossed teenagers fall in love during the Hong Kong protests in this searing contemporary novel about coming-of-age in a time of change. Sixteen-year-old Phoenix knows her parents have invested thousands of dollars to help her leave Hong Kong and get an elite Ivy League education. They think America means big status, big dreams, and big bank accounts. But Phoenix doesn't want big; she just wants home. The trouble is, she doesn't know where that is ... until the Hong Kong protest movement unfolds, and she learns the city she's come to love is in danger of disappearing. Seventeen-year-old Kai sees himself as an artist, not a filial son, and certainly not a cop. But when his mother dies, he's forced to leave Shanghai to reunite with his estranged father, a respected police officer, who's already enrolled him in the Hong Kong police academy. Kai wants to hate his job, but instead, he finds himself craving his father's approval. And when he accidentally swaps phones with Phoenix and discovers she's part of a protest network, he finds a way to earn it: by infiltrating the group and reporting their plans back to the police. As Kai and Phoenix join the struggle for the future of Hong Kong, a spark forms between them, pulling them together even as their two worlds try to force them apart. But when their relationship is built on secrets and deception, will they still love the person left behind when the lies fall away?

Punk 57

An illuminating account of how history shapes our diets—now in a new revised and updated Third Edition Why did the ancient Romans believe cinnamon grew in swamps guarded by giant killer bats? How did African cultures imported by slavery influence cooking in the American South? What does the 700-seat McDonald's in Beijing serve in the age of globalization? With the answers to these and many more such questions, *Cuisine and Culture*, Third Edition presents an engaging,

entertaining, and informative exploration of the interactions among history, culture, and food. From prehistory and the earliest societies in the Fertile Crescent to today's celebrity chefs, *Cuisine and Culture*, Third Edition presents a multicultural and multiethnic approach to understanding how and why major historical events have affected and defined the culinary traditions in different societies. Now revised and updated, this Third Edition is more comprehensive and insightful than ever before. Covers prehistory through the present day—from the discovery of fire to the emergence of television cooking shows Explores how history, culture, politics, sociology, and religion have determined how and what people have eaten through the ages Includes a sampling of recipes and menus from different historical periods and cultures Features French and Italian pronunciation guides, a chronology of food books and cookbooks of historical importance, and an extensive bibliography Includes all-new content on technology, food marketing, celebrity chefs and cooking television shows, and Canadian cuisine. Complete with revealing historical photographs and illustrations, *Cuisine and Culture* is an essential introduction to food history for students, history buffs, and food lovers.

An Echo in the City

Stories deal with a married scientist, a writer who finally realizes that she no longer regrets not marrying, a delinquent girl, and Soviet family life

Cuisine and Culture

After helping countless women find suitable husbands, Harriett is embarking on her own mail-order bride journey, to marry a man whose sister has eight lovely daughters of her own. Her new husband seems to care for her, but doesn't understand Harriett's attachment to her faithful butler Higgins. Will she find herself in another bad marriage, or is this, at long last, her own happily ever after?

A Week Like Any Other

Mapping literature from Spanish-speaking sub-Saharan African and Afro-Latinx Caribbean diasporas, *Decolonizing Diasporas* argues that the works of diasporic writers and artists from Equatorial Guinea, Puerto Rico, the Dominican Republic, and Cuba offer new worldviews that unsettle and dismantle the logics of colonial modernity. With women of color feminisms and decolonial theory as frameworks, Yomaira C. Figueroa-Vásquez juxtaposes Afro-Latinx and Afro-Hispanic diasporic artists, analyzing work by Nelly Rosario, Juan Tomás Ávila Laurel, Trifonia Melibea Obono, Donato Ndongo, Junot Díaz, Aracelis Girmay, Loida Maritza Pérez, Ernesto Quiñonez, Christina Olivares, Joaquín Mbomio Bacheng, Ibeyi, Daniel José Older, and María Magdalena Campos-Pons. Figueroa-Vásquez's study reveals the thematic, conceptual, and liberatory tools these artists offer when read in relation to one another. *Decolonizing Diasporas* examines how themes of intimacy, witnessing, dispossession, reparations, and futurities are remapped in these works by tracing interlocking structures of oppression, including public and intimate forms of domination, sexual and structural violence, sociopolitical and racial exclusion, and the haunting remnants of colonial intervention. Figueroa-Vásquez contends that these diasporic literatures reveal violence but also forms of resistance and the radical potential of Afro-furutures. This study centers the cultural productions of peoples of African descent as Afro-diasporic imaginaries that subvert coloniality and offer new ways to approach questions of home, location, belonging, and justice.

Mail Order Match Maker

A riveting, modern gothic debut with shades of *The Secret History*, *The Stepford Wives*, and a dash of *Circe*, set at a secretive all girls' boarding school perched on a craggy Scottish peninsula.

Decolonizing Diasporas

In the early 1990s Kristiane Backer was one of the very first presenters on MTV (Europe). For some years she lived and breathed the international music scene quickly gaining a cult following amongst viewers and becoming a darling of the European press. As she reached the pinnacle of her success she realised that, despite having all she could have wished for, she was never truly satisfied. Something very important was missing. A fateful meeting with Pakistani cricket hero Imran Khan changed her life. He invited her to his country where she encountered a completely different world to the one she knew, the religion and culture of Islam. A few years later (in 1995), after travelling more widely in the Islamic world and knowing that she had discovered her spiritual path, she embraced Islam in a London mosque.

In this private memoir Kristiane Backer tells the story of her conversion and explains how faith, despite the many challenges she faced as she turned her life upside down, at last gave her inner peace and the meaning she had sought.

Madam

Marginalized by the scientific age the lessons of the senses have been overtaken by the dominance of language and the information revolution. With *The Five Senses* Serres traces a topology of human perception, writing against the Cartesian tradition and in praise of empiricism, he demonstrates repeatedly, and lyrically, the sterility of systems of knowledge divorced from bodily experience. The fragile empirical world, long resistant to our attempts to contain and catalog it, is disappearing beneath the relentless accumulations of late capitalist society and information technology. Data has replaced sensory pleasure, we are less interested in the taste of a fine wine than in the description on the bottle's label. What are we, and what do we really know, when we have forgotten that our senses can describe a taste more accurately than language ever could? The book won the inaugural Prix Médicis Essai in 1985. The Revelations edition includes an introduction by Steven Connor.

The Pilgrim Kamanita

On the surface, Valerie Dobson has the perfect life. She's the star of a popular network drama. She has a loving boyfriend of eight years. Everything she touches turns to gold. But underneath her beautiful exterior, lies a beautiful soul with secrets. Jesse Savoy has been in love with his lovely co-star since the day they met, and if not for her boyfriend, he'd have begged her to marry him years before. As soon as her relationship fizzles, he drags her off to Vegas for the marriage he desperately wants. Will her fears of intimacy keep her from having the marriage they want? Or will they be able to overcome them together?

The Book of the Hakutaku

Find a "richly varied collection" of triple-layer recipes in this cookbook that takes cake to a whole new level (Flo Braker, author of *The Simple Art of Perfect Baking*). *Sky High* celebrates the triple-layer cake in all its glorious incarnations with more than 40 decadent and delicious recipes. The wide range of flavors will appeal to anyone with a sweet tooth. The book features such delights as Boston Cream Pie, Mile-High Devil's Food Cake, and Key West Cake—and there are even three astonishingly beautiful (and totally doable) wedding cakes! From luscious chocolate creations to drizzled caramel confections, take simple layer cakes to new heights with *Sky High*. "Elevates the classic layer cake . . . And best of all, the recipes are clear and easy to follow." —Nick Malgieri, James Beard Award-winning author of *A Baker's Tour*

From MTV to Mecca

This book provides a critical history of influential women in the United Nations and seeks to inspire empowerment with role models from bygone eras. The women whose voices this book presents helped shape UN conventions, declarations, and policies with relevance to the international human rights of women throughout the world today. From the founding of the UN up until the Latin American feminist movements that pushed for gender equality in the UN Charter, and the Security Council Resolutions on the role of women in peace and conflict, the volume reflects on how women delegates from different parts of the world have negotiated and disagreed on human rights issues related to gender within the UN throughout time. In doing so it sheds new light on how these hidden historical narratives enrich theoretical studies in international relations and global agency today. In view of contemporary feminist and postmodern critiques of the origin of human rights, uncovering women's history of the United Nations from both Southern and Western perspectives allows us to consider questions of feminism and agency in international relations afresh. With contributions from leading scholars and practitioners of law, diplomacy, history, and development studies, and brought together by a theoretical commentary by the Editors, *Women and the UN* will appeal to anyone whose research covers human rights, gender equality, international development, or the history of civil society. The Open Access version of this book, available at <http://www.taylorfrancis.com/books/e/9781003036708>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

The Five Senses

A long-time chief data scientist at Amazon shows how open data can make everyone, not just corporations, richer Every time we Google something, Facebook someone, Uber somewhere, or even just turn on a light, we create data that businesses collect and use to make decisions about us. In many ways this has improved our lives, yet, we as individuals do not benefit from this wealth of data as much as we could. Moreover, whether it is a bank evaluating our credit worthiness, an insurance company determining our risk level, or a potential employer deciding whether we get a job, it is likely that this data will be used against us rather than for us. In *Data for the People*, Andreas Weigend draws on his years as a consultant for commerce, education, healthcare, travel and finance companies to outline how Big Data can work better for all of us. As of today, how much we benefit from Big Data depends on how closely the interests of big companies align with our own. Too often, outdated standards of control and privacy force us into unfair contracts with data companies, but it doesn't have to be this way. Weigend makes a powerful argument that we need to take control of how our data is used to actually make it work for us. Only then can we the people get back more from Big Data than we give it. Big Data is here to stay. Now is the time to find out how we can be empowered by it.

Lazy Love

Rhetorics of Belonging describes the formation and operation of a category of Palestinian and Israeli "world literature" whose authors actively respond to the expectation that their work will "narrate" the nation, invigorating critical debates about the political and artistic value of national narration as a literary practice.

Sky High

Nautanki Theatre In North India Continues To Feed A Sense Of Collective Identity. Yet Nautanki`S Role As A Vital Medium Of Com-Munication Has Not Been Fully Analysed Till Now. The Author Seeks To Fill This Gap And Weaves Her Discussion Into A Well-Defined Historical Fabric, Drawing On Both Documents And Oral Sources To Provide A Chronological Account Of Texts, Themes, Schools, Music And Meter. By Animating Diverse Voices, She Makes Audible The Chorus Occuring Within And Among Texts.

Women and the UN

The bestselling *Gossip Girl* book series catapulted into pop culture's stratosphere when it was adapted for television. Spotted takes readers through the first two seasons of the popular, award-winning show episode by episode. Calhoun dives below the surface plotlines to detail the cultural references, fashion, music and morality on the show. With biographies of the cast and creators, a comparison to its teen soap and literary predecessors and a look at the adaptation process from book to screen, this is a must-have accessory for any *Gossip Girl* fan.

Data for the People

Rhetorics of Belonging
