King

When King visits Kentucky for a few weeks to get to know his daughter, Lily, he learns that she is married to a killer and lives in a sex club. He is determined to destroy those responsible and see that Lily gets the future he thinks she deserves.

Razer's Ride

Beth Cornett is the town good girl, so staying out of the way of the motorcycle club's dangerous members was a no brainer. Unfortunately, she manages to catch the eye of Razer, who has every intention of tempting her to take him on despite her misgivings. When her worst fears are realized, she is left heartbroken, determined to forget her walk on the wild side. Razer was not going to change for any woman, not even Beth. Their lifestyles were too different; betrayed she ran. Realizing his mistake too late; she was not about to forgive and forget. It takes a killer intent on targeting Beth to bring her back to him and The Last Riders for protection. Razer may have learned his lesson, but this time, as long as she is at the club, she has to play by their rules. This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older. Please do not buy if strong sexual situations, multiple partners, moderate violence and explicit language offends you.

Lucky's Choice

Life dealt him a dead man's hand. Lucky had always led a life of service. Always put his life on the line for someone else, managing to survive by pure luck and skill. After bringing an end to a multi-state drug ring, he was finally able to live the life he had wanted as a Last Rider... A good man would walk away and not touch the curvy woman who had been tugging on his heartstrings. Lucky wasn't a good man. Therefore, the bad-ass biker in him had a choice: once again become the man he had pretended to be and stake his claim, or take the devil's highway. Some girls had all the luck. Willa wasn't one of them. All she wanted to do was give a home to the children she had made orphans. Instead, she found herself needing help from the man who had left the pulpit behind to embrace a life of sin. Painfully shy and withdrawn she wanted a quiet life, a simple man, and well-behaved children. The last thing she had ever expected was for Lucky to want her size twenty body and show her a passion that would lead her straight to hell. *WARNING* This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older. Please do not buy if strong sexual situations, multiple partners, violence, drugs, domestic discipline, BBW, and explicit language offends you. *NOTE TO READERS* This book is a stand alone story. However, to receive the full experience these books are recommended before "Lucky's Choice" in the following order: Razer's Ride (The Last Riders, #1) Viper's Run (The Last Riders, #2) Knox's Stand (The Last Riders, #3) Sex Piston (Biker Bitches, #1) Teased (The VIP Room, #1) Tainted (The VIP Room, #2) Shade's Fall (The Last Riders, #4) King (The VIP Room, #3) Cash (The Last Riders, #5) Fat Louise (Biker Bitches, #2) Shade (The Last Riders, #6)

Shade's Fall

Lily is everything Shade wants in a woman. She's sweet, kind and submissive. When she discovers the truth about the Last Riders, it threatens to tear apart every relationship within the club. Her rebellion causes the predatory instincts to rise in the ex Navy SEAL sniper. When The Last Riders are threatened by another motorcycle club just as determined to claim Lily, Shade is her only hope of surviving the approaching confrontation.

Rider's Revenge

Revenge is a seven-letter word that isn't for the faint of heart. It's a word for those who have been wronged. Jo Turner has been waiting five, long years to finally turn revenge into vengeance. Using Rider, the pretty-faced manwhore, is simply the price she is willing to pay to satiate her desire for revenge. Little does she know, she makes herself a target from the one thing Rider has sworn to give his life to protect-The Last Riders. When you wake the soldier, be prepared for the consequences. Rider is going to teach her a hard lesson: revenge is a double-edged sword ... and it always cuts both ways.

The First Blast of the Trumpet Against the Monstrous Regiment of Women

Want, need, pain, and joy were emotions Shade had never known existed before Lily. He knew the first time he saw her face that she was going to change his life forever. The thing he hadn't expected was how hard it would be to hide who and what he was from her. Each step he took out of the shadows revealed more of himself, until only one secret remained. Shade arrogantly believed he could help heal the wounds from her past, but now it was his own past that was trying to tear them apart. To keep Lily, Shade would have to use the very skills he had been trying to hide from her. The skills that made him a killer ... a soulless monster.

Shade

As president of The Last Riders, Viper's only fear was losing his wife. After all, he had almost lost her once before. As wife to the president, Winter lived in fear every day: fear that a club enemy would take Viper from her, fear that one of the club women would tempt him to stray, fear that she wasn't enough of a woman for him. One thing Winter didn't fear was risking everything to carry her husband's child, even her health, yet Viper refused to take the chance. Losing hope, Winter made one last ditch effort, determined to make Viper realize that some things were worth fighting for besides the club.

Winter's Touch

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Things We Never Got Over

If it's not broke don't fix it. That was Cash's motto and his life was perfect. He was a lieutenant of The Last Riders, a motorcycle gang, and had women at his beck and call. The only thing he could see himself settling down with was a twelve pack - certainly not Rachel Porter who was on his short list of women to avoid.

The Absolute Book

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin

Ice As president of the Predators' MC, my men and I are used to preying on the weak and those stupid enough to cross our paths. So why does a straitlaced teacher make me sit up and take notice when I see her for the first time? The brothers all think she makes me weak, and believe me, weak in their eyes isn't where I want to be. She wants me to prove she means more to me than the club, and when I fail, she thinks she can just walk away. She's wrong. I'm a Predator, and nothing escapes me. Grace As a teacher, I'm supposed to want to educate those who want to learn, right? That's what I believed until I was told I'd have to teach a class at the prison. I didn't move to a town labeled as one of the safest places in America only to be faced with a bunch of Predators. He expects me to trust him despite being the reason I'm trapped in the middle of a prison riot. His club means more to him than I ever will, and if I give him a chance, he will break the fragile peace I have managed to find. It's not the first time I've had to escape a predator. *WARNING* This work of fiction is intended for mature audiences only. Winner of the 2013 Silver Medal in History from the Military Writer's Society of America Finalist, 2013 Colby Award Winner of the 2012 USA Best Book Award for Military History Philip Keith's *Blackhorse Riders* is the incredible true story of a brave military unit in Vietnam that risked everything to rescue an outnumbered troop under heavy fire—and the thirty-nine-year odyssey to recognize their bravery. Deep in the jungles of Vietnam, Alpha Troop, 1st Squadron, 11th Armored Cavalry, the famed Blackhorse Regiment, was a specialized cavalry outfit equipped with tanks and armored assault vehicles. On the morning of March 26, 1970, they began hearing radio calls from an infantry unit four kilometers away that had stumbled into a hidden North Vietnamese Army stronghold. Outnumbered at least six to one, the ninety-man American company was quickly surrounded, pinned down, and fighting for its existence. Helicopters could not penetrate the dense jungle, and artillery and air support could not be targeted effectively. The company was fated to be worn down and eventually all killed or captured. Overhearing the calls for help on his radio, Captain John Poindexter, Alpha Troop's twenty-five-year-old commander, realized that his outfit was the only hope for the trapped company. It just might be possible that they could "bust" enough jungle by nightfall to reach them. Not making the attempt was deemed unacceptable, so he ordered his men to "saddle up." With the courage and determination that makes legends out of ordinary men, they effected a daring rescue and fought a pitched battle—at considerable cost. Many brave deeds were done that day and Captain Poindexter tried to make sure his men were recognized for their actions. Thirty years later Poindexter was made aware that his award recommendations and even the records of the battle had somehow gone missing. Thus began the second phase of this remarkable story: a "battle" to ensure that his brave men's accomplishments would never be forgotten again. The full circle was completed when President Obama stepped to the podium on October 20, 2009, to award the Alpha Troop with the Presidential Unit Citation: the highest combat award that can be given to a military unit.

Blackhorse Riders

In this atmospheric, "tightly-woven" (Brandon Sanderson, New York Times bestselling author) YA fantasy that is *Wicked Saints* meets *There Will Come a Darkness*, four teens are drawn into a high-stakes heist in the perilous tomb of an ancient shapeshifter king. Long ago, shapeshifting monsters ruled the Commonwealth using blasphemous magic that fed on the souls of their subjects. Now, hundreds of years later, a new tomb has been uncovered, and despite the legends that disturbing a shapeshifter's final resting place will wake them once again, the Warlord is determined to dig it up. But it isn't just the Warlord who means to brave the traps and pitfalls guarding the crypt. A healer obsessed with tracking down the man who murdered her twin brother. A runaway member of the Warlord's Devoted order, haunted by his sister's ghost. An elitist archaeologist bent on finding the cure to his magical wasting disease. A girl desperate to escape the cloistered life she didn't choose. All four are out to steal the same cursed sword rumored to be at the very bottom of the tomb. But of course, some treasures should never see the light of day, and some secrets are best left buried...

"The Wheel Spins" is the novel about young and bright Iris Carr, who is on her way back to England after spending a holiday somewhere in the Balkans. The Crow Trap is the first book in Ann Cleeves' Vera Stanhope series - which is now a major TV detective drama starring Brenda Blethyn as Vera. Three very different women come together at isolated Baikie's Cottage on the North Pennines, to complete an environmental survey. Three women who each know the meaning of betrayal... Rachael, the team leader, is still reeling after a double betrayal by her lover and boss, Peter Kemp. Anne, a botanist, sees the survey as a chance to indulge in a little deception of her own. And then there is Grace, a strange, uncommunicative young woman, hiding plenty of her own secrets. Rachael is the first to arrive at the cottage, where she discovers the body of her friend, Bella Furness. Bella, it appears, has committed suicide - a verdict Rachael refuses to accept. When another death occurs, a fourth woman enters the picture - the unconventional Detective Inspector Vera Stanhope...

Woods play an important and recurring role in horror, fantasy, the gothic, and the weird. They are places in which strange things happen, where you often can't see where you are or what is around you. Supernatural creatures thrive in the thickets. In this new collection, immerse yourself in the whispering voices between the branches in Wistman's Wood on Dartmoor, witness an inexplicable death in Yorkshire's Strid Wood and prepare yourself for an encounter with malignant pagan powers in the dark of the New Forest. And why did he want her to have it? On impulse she takes a plane to Morocco to find out. But has Isabelle's curiosity got the better of her? Almost killed in an accident which damages the amulet (revealing more of its secrets), she realises she must be careful. But when her rescuer, Taïb, who knows the dunes and their peoples, offers to help uncover the amulet's history, she cannot resist uncovering the story of Tin Hanan – She of the Tents – who made a legendary desert crossing alone, and her descendant Mariata. From the SFWA Grand Master, a “sexy, disturbing, touching, wildly comic . . . tour de force” that blends fantasy, women's history, and slavery (Kirkus Reviews, starred review). In 1804, shortly before the Caribbean island of Saint Domingue is renamed Haiti, a group of women gather to bury a stillborn baby. Led by a lesbian healer and midwife named Mer, the women's lamentations inadvertently release the dead infant's “unused vitality” to draw Ezili—the Afro-Caribbean goddess of sexual desire and love—into the physical world. As Ezili explores her newfound powers, she travels across time and space to inhabit the midwife's body, as well as those of Jeanne—a mixed-race dancer and the mistress of Charles Baudelaire living in 1880s Paris—and Meritet, an enslaved Greek-Nubian prostitute in ancient Alexandria. Bound together by Ezili and “the salt road” of their sweat, blood, and tears, the three women struggle against a hostile world, unaware of the goddess's presence in their lives. Despite her magic, Mer suffers as a slave on a sugar plantation until Ezili plants the seeds of uprising in her mind. Jeanne slowly succumbs to the ravages of age and syphilis when her lover is unable to escape his mother's control. And Meritet, inspired by Ezili, flees her enslavement and makes a pilgrimage to Egypt, where she becomes known as Saint Mary. With unapologetically sensual prose, Nalo Hopkinson, the Nebula Award-winning author of *Midnight Robber*, explores slavery through the lives of three historical women touched by a goddess in this “electrifying bravura performance by one of our most important writers” (Junot Díaz).

The Salt Roads

The deaths of three elderly men bring the forward-thinking Pascoe and the cynical, irreverent Dalziel into investigative action and, when Dalziel falls under suspicion, Pascoe proceeds on his own.

Le Grand dictionnaire géographique, et critique. Par m. Bruzen la Martiniere ... Tome premier [-dixième]

Mishima's literary powers are on full display in his penultimate novel that is a meditation on reincarnation and Buddhist philosophy. Honda, a brilliant lawyer and man of reason, is called to Bangkok on legal business, where he is granted an audience with a young Thai princess - an encounter that radically alters the course of his life. He is convinced she is a reincarnated spirit, and undertakes a long, arduous pilgrimage to the holy places of India, where, in the climactic scene, he encounters her once more, only to have his newfound beliefs shattered and his life bereft of all meaning.
