Quick Quiz Can Anyone List the Three Destructive Actions of the Body

The Three Destructive Actions of the Body

Destructive Actions of the Mind

Mental Resolution

Malicious Intent

Wrong Views

And I Find if I Can't Deal with It in a Positive Way I Just Leave Them There for Other Things I Work On Actively To Try To Understand Them Better and Then I Take those Things Out Once in a While and Hopefully My Mind Will Have Changed so Hoop It I Try To Do Things That Help Me Not To Fall into this Resistance That's the Word I've Watched My Mind Resists Things a Lot of Times and So It's Good

To Watch What's Happening There so You Don't each Act Yourself You Know It's You Can Do that People Do because a Lot of these Things Are some of Them Are What's the Word Extremely Hidden Phenomena Right like They'Re Working the Specifics of Commerce Extremely Hidden Phenomena You'Re Not Going To Be Able To See that Even Even with Reasoning You Can't Like the Example They Always Give Us like for You the Date You'Re Born There's no Way that You Can Tell Me from Your Own Knowledge

So the Performance Let's Put It this Way the the Action Itself Is To Engage in that Wrong View and Again this Involves a Process of Contemplating and Progressively Cultivating that Kind of Thought until You Actually Hold that Wrong View so Yeah so You Might Get It to a Point Where You'Re Saying I Don't Believe this I Definitely Don't Believe in this Right and So Tsongkhapa Says that It's the Initiation of that Attitude for the Action Itself so the Completion Will Be a Little Different There's this Topic in Here Which

The First One Was the One That Makes Very Little Sense to Me the Mistaken Denial of the Activities of Planting and Retaining Seeds Is Thinking that There Are no Fathers and Mothers I Don't Know Anyone Who Thinks that Maybe You Do I Don't the Mistaken Denial of the Activities of Going and Coming Is Thinking There Are no Former or Future Lives a Lot of People Think that the Mistaken Denial of the Activity of Birth Is Thinking that Beings Can't Have a Spontaneous Birth Which Basically Is Saying I Don't Believe There's the Bardo or the Intermediate State a Lot of People Probably Think that Too We Haven't Seen It So How Could It Be

And Then the Fourth Is It's a Strange Thing You Must Have What Is Called a Completely Degenerate Mind Denies the Value of all Virtuous Actions Including Generosity Making Offerings You Hold that these Spiritual Practices Have no Benefit or Purpose Deny Even Deny that Virtuous Activity Itself Exist this Is the Low Point of Wrong View and Obviously Has the Potential of Destroying all Positive Efforts for this Reason It's Called the Completely Degenerate Mind That's Pretty Intense but There Are Definitely People Who Have Gotten There and the Mind Is over the Fifth Is the-Overcome by this Kind of Wrong View Convinced and Confident without Integrity or Shame Uninterested in Avoiding Such Faults

And the Mind Is over the Fifth Is the-Overcome by this Kind of Wrong View Convinced and Confident without Integrity or Shame Uninterested in Avoiding Such Faults When You Possess these Five Elements of Wrong View It Is Complete Perfect and Fully Developed Okay So Then the Concordant Experiential Result Is Being Born Deeply Ignorant So this Might Be Something like a Mental Disability or Maybe You Have a Lot of Intelligence but in a Dharma Way You'Re Ignorant You Can't Just Doesn't Go for You and Then the Environmental Result Is a Place with Few Crops You Lack a Home When You Lack a Protector

Okay so She Got into a Long Discussion Where People Were Asking Her about Ignorant and I Think that We all Kind Of Have the Basic Knowledge Already those Two Main Categories One Is the Ignorance about the Nature of Reality That Things Lack Inherent Existence and the Other Is the More the Ignorance about Conventional Reality Which Is that There's an Ethical Dimension to Our Actions That's the Short and Long of that but I Think What's Where I'D Like To End Is with these Thoughts about How We Can Use this these Teachings To Help Us To Examine Our Thoughts and See like Why Did It Divinatory the Book Don't Believe Everything You Think Right because Our Minds Are Unreliable

But I Think What's Where I'D Like To End Is with these Thoughts about How We Can Use this these Teachings To Help Us To Examine Our Thoughts and See like Why Did It Divinatory the Book Don't Believe Everything You Think Right because Our Minds Are Unreliable We Have Many Different Kind of Mental Factors That Come and some Are Virtuous some Are Non Virtuous They'Re Very Contradictory and these Come Of Course They Come at Different Times but They Even within an Hour You Can Have You Know You Can Sway in between the Virtuous and the Non-Virtuous on One Topic

And these Come Of Course They Come at Different Times but They Even within an Hour You Can Have You Know You Can Sway in between the Virtuous and the Non-Virtuous on One Topic and Hopefully if You'Re Practicing Your Dharma Practice You'Re this Is What You'Re Doing this Is the Point So in One Moment You Might Think There Isn't any Cause-and-Effect and Later Wisdom Will Come and Say Oh There Is Right or I'M Not Going To Do this because I the Integrity Is There Yeah I'M Not Going To Do this and Then It's Gone and Look Yeah Let's Go Right We all Do that Its Diluted Makes It Easy but at the Moment You Don't You Might Not Be on Top of all That so You'Re Just Buying into It all but as We Practice Longer and Longer We Can Look Back and Sometimes It Might Take Months You Know To Look Back on Something and Decide like Wow Was I Angry Then or Was that Being Practical You Know because It's Not Always So Clear so that's that's Not Abnormal

that's Normal Venerable Children Talked about this in these Teachings That that's Happened to Her Often and So I Think that's Kind of the Main Thing To Take Out of this Is To See Yes We Will Be Making Mistakes

So I Think that's Kind of the Main Thing To Take Out of this Is To See Yes We Will Be Making Mistakes but There's no Other Way To Follow this Path but We'Re Going in the Right Direction So When the Mind Gets the Perfectionist Comes In and Thinks Everything's Supposed To Look So Clean and Clear and Concise You Know that's Just Not Possible in a Dharma Practice It Doesn't Go that Way

So When the Mind Gets the Perfectionist Comes In and Thinks Everything's Supposed To Look So Clean and Clear and Concise You Know that's Just Not Possible in a Dharma Practice It Doesn't Go that Way and You'Re Not Going To Be Enlightened Tomorrow so those Kind of Thoughts You Have to They'Re Unrealistic Finding What's Realistic and Our Practice Really Helps Us To Relax More I Think and for Me these Kind of Teachings Helped Me Inspire Me a Lot Too I Don't Know I Find these some of the Most Hopeful Kind of Teachings because I Think for My Own Thought as It's True that the Ethics Concentration Wisdom as We Clean Up these Things because We'Re You Know these Are in the Mind

You Know There's a Point Where We Need Certain Amount of News I Find Now Haven't Gotten Away from It but How Much You Know and Then the One with the We Have the Mental Ones I Think I Wouldn't Really Recommend People to It's Not a Lot of Reading in Here I Mean There's a Lot More that They Get into All these Other Topics around this That Are Fast That Are Fantastic but It's a Thick Book Most this Book Is Titled Karma the Whole Thing Goes into a Lot of Different Aspects of It this Is Volume Two of What Will Be a Five Volume Serious Steps on the Path to Enlightenment

And Then the One with the We Have the Mental Ones I Think I Wouldn't Really Recommend People to It's Not a Lot of Reading in Here I Mean There's a Lot More that They Get into All these Other Topics around this That Are Fast That Are Fantastic but It's a Thick Book Most this Book Is Titled Karma the Whole Thing Goes into a Lot of Different Aspects of It this Is Volume Two of What Will Be a Five Volume Serious Steps on the Path to Enlightenment I Guess She's Sopa Okay We'Re Done Okay So Protect Life Protect Others Property Use Your Sexuality Wisely and Kindly Speak the Truth Use Words That Promote Harmony

Nagarjuna was born into brahmin family in the second century C.E. in Vidarbha, South India. He knew, that long time ago, Buddha had entrusted to Nagas the most profound "The Hundred Thousand Verse Prajnaparamita Sutra" for safekeeping. Thus, using his siddhis, Nagarjuna descended to the realm of Nagas. In return, the king gave him "The Hundred Thousand Verse Prajnaparamita Sutra". After this, Nagarjuna traveled to the north where he became a teacher of the king Udayibhadra. Practicing alchemy with the king, together they have obtained the elixir of immortality.
