People Are Navigating the Complexity of Paying for Basic Health Care because the Government Has Abandoned Its Responsibility To Pay for that You Don't Turn People Down that's What that's What We Do Not Turn People Away Correct Um I Have towards some Abortion Clinics and One Thing That Struck Me about the Abortion Clinics at Least Tonight Was like 20 Years Now since I Toured Them Is They Never Use the Word Abortion They Never Used the Word Fetus They Always Use the Words a Procedure

Appreciate You all Coming To Take Part in a Discussion That Is No Doubt Very Emotionally Charged with Very Deeply Held Beliefs of Conscience on both Sides of the Issue for Me the Most Difficult Decisions We Have To Make as Lawmakers Are those in Which Individual Rights Are in Conflict with each Other and So for Me on this Issue Where I Lay Come Down as to the Whole Life Liberty and Pursuit of Happiness Where Which Rights Supersede and I Do Believe that the the While Having Compassion for Anyone Who Has To Go through a Difficult Situation that the Right to Life Is More Supersedes the Right to Liberty and the Pursuit of Happiness And I Don't Think that Me Being Passionate about this Subject Which We Do Disagree on Means That I Disrespect to You I Think that We Can Agree or Disagree Even Passionately

without Taking that as a Personal Slight and I Certainly Didn't Mean It that Way I Just Care about Life inside the Womb and Protecting Babies Unborn Okay I Have Very Little Time Left Now but Uh Miss Graves You Mentioned that Nothing's Changed since Roe V Wade except for the Makeup of the Supreme Court the Reality Actually Said since that I Just Want To Correct You because I Was Talking about the Whole Women's Health Decision Which Was Three Years Ago

This Conversation Could Not Be More Timely as We Bear Witness to and Experience this Administration's Calculated and Systemic Attacks on Our Constitutional Rights and Freedoms the Right To Determine Our Own Economic Future and the Audacity To Determine Our Own Fate and the Freedom To Determine When if At All To Have a Child Even in States like the Commonwealth of Massachusetts Which I Represent Individuals Particularly Low Income and Young People Lgbtq and Black and Brown Folks Continue To Face Barriers and Accessing Comprehensive Reproductive Health Care and Let Maybe Clear Healthcare Is Abortion Care but in these Times

We've Seen Many States Emboldened by this Administration Pass Additional Restrictions That Further Hinder Individuals Access to Abortion Endangering Lives and Criminalizing Individuals for Decisions That Should Be Kept between Themselves and Their Doctor It's Important To Discuss these Draconian State Restrictions but as Chair of the Abortion Rights and Access Task Force of this First-Ever Pro-Choice Majority in the History of Congress I Would Be Remiss if I Didn't Also Shed Light on the Impact That Federal Coverage Bans Are Posing on Our Most Vulnerable Communities Current Law Restricts Medicaid Funds from Covering Abortion Care for Women and Communities across the United States To Be Clear the Hyde Amendment Functioned
